PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

June 3, 2011

This proxy statement is furnished to the shareholders of AdCare Health Systems, Inc., an Ohio corporation (the Company), in connection with the solicitation of proxies to be used in voting at the Annual Meeting of Shareholders to be held at Hilton Columbus at Easton, 3900 Chagrin Drive, Columbus, Ohio 43219 on June 3, 2011 at 10:00 a.m., and at any adjournment or postponement thereof (the Annual Meeting). The enclosed proxy is being solicited by our Board of Directors. This proxy statement and the enclosed proxy will be first sent or given to our shareholders on approximately April 20, 2011.

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, fax, or personal interview.

The shares represented by the accompanying proxy will be voted as directed if the proxy is properly signed and received by us prior to the Annual Meeting. If no directions are made to the contrary, the proxy will be voted **FOR** the election of Joshua J. McClellan, Boyd P. Gentry and Phillip S. Radcliffe as directors of the Company for three (3) year terms expiring at the Annual Meeting in 2014 and **FOR** the approval of the 2011 Stock Option and Incentive Plan and to transact such other business as may properly come before the meeting or any adjournment thereof. Any shareholder voting the accompanying proxy has the power to revoke it at any time before its exercise by giving notice of revocation to us, by duly executing and delivering to us a proxy card bearing a later date, or by voting in person at the annual meeting. The officers, directors, and nominees for directors of the Company are the beneficial owners of 31.8% of the Company's issued and outstanding shares. The officers, directors and nominees for directors of the Company have indicated that they will vote for each nominee for director and for approval of the 2011 Stock Option and Incentive Plan.

Only holders of record of our common stock at the close of business on April 6, 2011 will be entitled to vote at the Annual Meeting. At that time, we had 8,348,997 shares of common stock outstanding and entitled to vote. Each share of our common stock outstanding on the record date entitles the holder to one vote on each matter submitted at the Annual Meeting.

The presence, in person or by proxy, of one-third of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxy for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instruction from their customers, in which case the brokers, as the holders of record, are permitted to vote on routine matters.

The election of the director nominees requires the favorable vote of a plurality of all votes cast by the holders of our common stock at a meeting at which a quorum is present. The approval of the 2011 Stock Option and Incentive Plan requires that the affirmative vote of a majority of common stock present and entitled to vote on this matter.

Mr. McClellan spent from 1996 until 2006 as Founder and President of McClellan Health Systems, Inc., located in northwest Ohio. INFORMATION CONCERNING THE BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND PRINCIPAL SHAREHOLDERS

Board Leadership and Structure

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and senior management believe promote our corporate purposes, are sound and represent best practices. We continually review these governance practices to make sure we comply with state and Federal laws.

Our Board of Directors oversees all business, property and affairs of the Company. Our officers keep the members of the Board informed of our business through discussions at Board meetings and by providing them with reports and other materials.

Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational

performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the company. The involvement of the full Board of Directors in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company. Risk is assessed throughout the business, focusing on three primary areas of risk: financial risk, legal/compliance risk and operational/strategic risk.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual risk assessment report from an outside consultant.

In addition, in setting compensation, the Compensation Committee strives to create a combination of near term and is working on longer term incentives that encourage a level of risk-taking behavior consistent with the Company's business strategy.

Meetings and Compensation of the Board of Directors

Our Board of Directors had a total of six (6) meetings during the year ended December 31, 2010. During 2010, all but one (1) director attended all of the meetings of the Board of Directors. The one director missed one meeting. Additionally, all directors attended all meetings held by all committees of the Board of Directors, on which he served.

Directors who are not employed by us received \$1,000 for each meeting attended in person and \$500 for each meeting attended via conference call. During the first calendar quarter of 2011, our Board of Directors had a total of two (2) meetings. All directors attended all meetings. Additionally, all directors who served on committees of the Board of Directors attended all meetings of such committees during the first calendar quarter of 2011.

Shareholder Communication

Our Board of Directors welcomes communications from shareholders. Shareholders may send communications to the Board of Directors or to any director in particular, c/o Carol Groeber, AdCare Health Systems, Inc., 5057 Troy Road, Springfield, Ohio 45502-9032. Any correspondence addressed to the Board of Directors or to any one of our directors in care of our offices (or by email to carolg@adcarehealth.com) will be forwarded to the addressee without review by management.

Committees of the Board of Directors

We have an Audit Committee, a Compensation Committee and an Executive Committee.

The Audit Committee has the responsibility of reviewing our financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities and determining that all audits and examinations required by law are performed. The Audit Committee also approves the appointment of the independent auditors for the next fiscal year, approves the services to be provided by the independent auditors and the fees for such services, reviews and approves the auditor's audit plans, review and reports upon various matters affecting the independence of the independent auditors and review with the independent auditors the results of the audit and management's responses.

The Audit Committee was established in December, 2005 and was comprised of Messrs. Hackett, Levine and Sturtz during the first half of 2010 with Mr. Gentry replacing Mr. Levine in the second half of 2010. During 2010, all of the members of the Audit Committee were considered independent, as independence for Audit Committee members is defined in applicable rules of the NYSE Amex listing standards and the rules of the SEC. The Board of Directors has designated Peter J. Hackett as Chairman of the Audit Committee and as audit committee financial expert as defined by Item 407 of Regulations S-K of the Exchange Act.

The Compensation Committee was established in 1995, and a charter was adopted in December, 2005. During the first half of 2010, this committee was comprised of Messrs. Radcliffe, Sturtz and Levine with Mr. McClellan replacing Mr. Sturtz in the second half of 2010. Our Compensation Committee is responsible for establishing our compensation plans. Its duties include the development with management of benefit plans for our employees, the formulation of bonus plans and incentive compensation packages. The Board of Directors has designated Philip S. Radcliffe as Chairman of the Compensation Committee.

The Executive Committee was established in 1991 in order to take actions necessary between the meetings of the Board of Directors. The Executive Committee is authorized to exercise all the powers of the Board of Directors and the management and business affairs of the Company, other than that of filling vacancies among the Directors or any Committee of the Board of Directors. During 2010, the Executive Committee was comprised of Messrs. Tenwick, Wade, Hackett and Brogdon. In 2011, Mr. Gentry was added to the Executive Committee.

The Board of Directors has no standing nominating committee. We believe that, as a result of the role of the independent directors, as described below, it is not necessary to have a separate nominating committee at this time. Six of our nine current Directors, Messrs. Hackett, Levine, Radcliffe, Sturtz, McClellan and Gentry were independent in 2010 as determined utilizing the standards for director independence set forth in applicable rules of the NYSE Amex listing standards. Mr. Gentry became Co-CEO of the Company in 2011 and is no longer considered independent. The independent members of the Board select nominees for election as Directors by majority vote. In selecting nominees for Director, the Board does not operate pursuant to a charter.

In selecting Director nominees, the Board considers, among other factors, the existing composition of the Board and their evaluation of the mix of Board members appropriate for the perceived needs of AdCare. The Board believes that continuity in leadership and Board tenure maximizes the Board's ability to exercise meaningful Board oversight. Because qualified incumbent Directors are generally uniquely positioned to provide shareholders the benefit of continuity of leadership and seasoned judgment gained through experience as a Director, the Board will generally consider as potential candidates those incumbent Directors interested in standing for re-election who they believe has satisfied Director performance expectations, including regular attendance at, preparation for and meaningful participation in Board and committee meetings. While the Board does not have a formal policy on diversity, the Board seeks nominees with a broad diversity of experiences, professions, skills and backgrounds. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Compensation Committee Interlocks and Insider Participation

None of our executive officers has served:

as a member of the compensation committee of another entity which has had an executive officer who has served on our compensation committee;

as a director of another entity which has had an executive officer who has served on our compensation committee; or

as a member of the compensation committee of another entity which has had an executive officer who has served as one of our directors.

The Board of Directors will consider the recommendations of shareholders regarding potential director candidates. In order for shareholder recommendations regarding possible director candidates to be considered by the Board of Directors:

such recommendations must be provided to the Board of Directors c/o AdCare Health Systems, inc., 5057 Troy Road, Springfield, Ohio 45502-9032, in writing at least 120 days prior to the date of the next scheduled annual meeting;

the nominating shareholder must meet the eligibility requirements to submit a valid shareholder proposal under Rule 14a-8 of the Securities Exchange Act of 1934, as amended; and

the shareholder must describe the qualifications, attributes, skills or other qualities of the recommended director candidate.

Purpose of the Compensation Committee of the Board of Directors and Committee Report

The Compensation Committee of the Board of Directors advises the Board with respect to the compensation of each senior executive and Board of Director member. The Committee is also charged with the oversight of compensation plans and practices for all employees of the Company. The Committee relies upon data purchased for the purpose of providing information on organizations of similar or larger scale engaged in similar activities. The purpose of the Committee's activity is to assure that the Company's resources are used appropriately to recruit and maintain competent and talented executives and employees able to operate and grow the Company successfully.

Presently, the Committee has determined that low executive compensation, based upon the data we have examined on comparable operations, poses some risk to the Company. If, for any reason, the Company had to replace any of our current four senior executives or expand our executive staff, the Company could reasonably expect to experience a significant increase in executive expenses in order to attract competent persons with executive qualifications from organizations engaged in like activities. Based upon its review and the discussions referred to herein the Committee has further recommended to the Board of Directors that the disclosure of compensation paid or awarded to executive officers and directors as required by Item 402 of Regulation S-K be disclosed pursuant to the filing of this proxy statement.

Indemnification of Directors and Officers

Our Articles of Incorporation and Code of Regulations limit the liability of officers and directors to the extent currently permitted by the Ohio Revised Code.

While indemnification for liabilities under the Securities Act of 1933 is permitted to our directors, officers, and controlling people, we have been advised that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a

claim of indemnification against such liabilities (other than our payment of expenses incurred or paid by one of our directors, officers, or controlling people in a successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with our securities, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, ask a court of appropriate jurisdiction to decide whether or not such indemnification is against public policy as expressed in the Act. We will be governed by the final adjudication of the issue.

Report of Audit Committee of the Board of Directors

The Audit Committee consults with our Chief Financial Officer and other key members of our management and with our independent auditors with regard to the plan of audit; reviews, in consultation with the independent auditors, their report of audit, or proposed report of audit and the accompanying management letter, if any; and consults with our Chief Financial Officer and other key members of our management and with our independent auditors with respect to the adequacy of the internal accounting controls.

In fulfilling its responsibilities, the Audit Committee selected Battelle & Battelle LLP as our independent accountants for purposes of auditing our financial statements for 2010. The Audit Committee has reviewed and discussed with management and the independent auditors our audited financial statements; discussed with the independent auditors the matters required to be disclosed by Codification of Statements on Auditing Standards No. 61, as amended; received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1; and discussed with the independent accountants their independence from our Company.

Based on the reviews and discussions with management and Battelle & Battelle LLP, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2010, filed with the Securities and Exchange Commission.

The Board of Directors evaluated the independence of each member of the Audit Committee. As part of its evaluation, the Board of Directors determined, in the exercise of its business judgment, that Messrs. Hackett, Gentry and Sturtz are independent under NYSE Amex standards and are financially literate each in his own capacity.

Based upon the work and the information received in the inquiries outlined above, the Audit Committee is satisfied that its responsibilities for the period ended December 31, 2010, were met and that our financial reporting and audit processes are functioning effectively.

Employment Agreements

In 2008 we entered into employment agreements with Mr. Tenwick, Mr. Wade and Mr. Cunningham. The employment agreements provided for an initial employment term of three years starting September 1, 2008 and ending September 1, 2011, with base salaries of \$150,000, \$145,000 and \$120,000 respectively, health insurance, vacation and sick leave, a minimum salary increase of five percent per year and inclusion in any option program that we may institute in the future. In addition, they each participate in the executive expense allowance program and are reimbursed \$40,000, \$35,000 and \$10,000 respectively on an annual basis for expenses incurred in connection with performing duties for the Company.

The employment agreements with Mr. Tenwick, Mr. Wade and Mr. Cunningham each provide that if they are terminated for any reason other than cause (which is defined as dishonesty in transactions with us, material disloyalty and/or the express refusal to perform services for us which may be properly requested), we are required to compensate them from the remaining term of their employment agreement plus one additional year. The employment agreements also provide that if Mr. Tenwick, Mr. Wade or Mr. Cunningham leave voluntarily, or are terminated for cause, they may not compete within the state of Ohio for a period of one year following the termination.

We entered into an employment agreement with Mr. Gentry effective January 10, 2011. The terms of the agreement include an annual salary of \$300,000 per year, an annual performance bonus of up to 100% of the annual salary based on standards to be established by the compensation committee and participation in the Company's Executive Expense Allowance program to the extent of \$30,000 per year. Mr. Gentry will also receive equity compensation of 250,000 warrants to purchase shares of common stock with an exercise price per share equal to \$4.13 per share. One third of the warrants vested on January 10, 2011 (the effective date), and the remaining two thirds shall vest ratably on the day before each on the two subsequent anniversaries of the effective date.

The Company is currently not a party to an employment agreement with Mr. Brogdon.

Stock Incentive Plans

In November, 2007, the Board of Directors of the Company granted warrants to officers and directors of the Company equal to two warrants for every share of stock owned. The original warrants vested over five years and matured in ten years. The exercise price of the warrants in each of the five years following the issuance of the warrants was initially determined as follows: warrants vesting in 2008 were exercisable at \$1.21; warrants vesting in 2009 were exercisable at \$2.25; warrants vesting in 2010 through 2012 were exercisable at a price equal to the greater of (i) the average closing price of the Company's common stock on NYSE-Amex exchange during the month of January each year or (ii) \$3.00. The issuance of these Warrants was approved at a Special Meeting of the Shareholders on August 15, 2008. In connection with the Company's private placement approved by shareholders on November 30, 2009, the Company amended this plan to provide that (i) the unvested Warrants scheduled to vest in 2011 will be exercisable at \$4.00 per share, (ii) the unvested Warrants scheduled to vest in 2012 will be eliminated; and (iii) all unexercised warrants would be exercisable on a cashless basis. The warrants that were to vest in 2012 will be replaced by a like number of Restricted Shares.

In August 2005, we adopted a Stock Option Plan to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The Option Plan authorizes the grant of options to purchase an aggregate of 200,000 shares

of our common stock (adjusted for stock splits) both as incentive stock options as that term is defined under Section 422(A) of the Internal Revenue Code of 1986, as amended, and stock options which do not qualify as incentive stock options (non-qualified stock options). The Option Plan provides that the Board of Directors or the Compensation Committee appointed by the Board of Directors may grant options and otherwise administer the Option Plan. The exercise price of each incentive option must be at least 100% of the fair market value of the shares of our common stock at the date of grant, and no such option may be exercisable for more than ten years after the date of grant.

However, the exercise price of each incentive stock option granted to any shareholder possessing more than 10% of the combined voting power of all classes of our capital stock on the date of grant must be not less than 110% of the fair market value on that date, and no such option may be exercisable more than five years after the date of grant. The exercise price of each non-qualified stock option may be established by the Compensation Committee. As of the date of this memorandum, 157,000 incentive stock options and 42,000 non-qualified stock options have been granted at an exercise price of \$1.50 per share under the 2005 option plan. A total of 50,000 of these options have been forfeited due to routine staff attrition.

In August 2004, we adopted a Stock Option Plan to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The terms and conditions of this plan is exactly the same as the August 2005 Option Plan. As of the date of this memorandum, 98,200 incentive stock options and 16,000 non-qualified stock options have been granted at an exercise price of \$2.50 per share under the 2004 Option Plan. A total of 28,040 of these options have been forfeited due to routine staff attrition and 38,280 have expired.

APPROVAL OF 2011 STOCK OPTION AND INCENTIVE PLAN

At the Annual meeting, the Company will submit to shareholders a proposal to adopt the AdCare Health Systems, Inc. 2011 Stock Incentive Plan (the 2011 Plan). The Board of Directors unanimously approved the adoption of the 2011 Plan on March 28, 2011. This summary of the principal features of the 2011 Plan is qualified in its entirety by the full text of the 2011 Plan, which is attached hereto as Appendix A and incorporated herein by reference. A vote in favor of adopting the 2011 Plan will constitute approval of all terms of the 2011 Plan. The Board is requesting approval of the 2011 Plan at the annual meeting.

Purpose

The 2011 Plan is intended to further the growth and profitability of the Company by providing increased incentives to and encourage share ownership on the part of key employees, officers and directors of, and consultants and advisers who render services to the Company, and any future parent or subsidiary of the Company.

General

The 2011 Plan permits the granting of stock options and restricted stock awards (collectively, Awards) to eligible participants. If our shareholders approve the 2011 Plan at the annual meeting, the maximum number of shares of our common stock which will be issued pursuant to the 2011 Plan will be 1,000,000 shares. The market value of the 1,000,000 shares of our common stock to be subject to the 2011 Plan was approximately \$4,800,000 at April 6, 2011. If an Award expires or is canceled without having been fully exercised or vested, the unvested or canceled shares will be available again for grants of Awards.

Administration of 2011 Plan

The 2011 Plan will be administered by the Company's Stock Option and Compensation Committee (the Committee). The members of the Committee must qualify as non-employee directors under of the Securities Exchange Act of 1934 (Rule 16b-3), and as outside directors under section 162(m) of the Internal Revenue Code (the Code). Subject to the terms 2011 Plan, the Committee has the sole discretion to determine the employees, directors and consultants who shall be granted Awards, the terms and conditions of such Awards, and to construe and interpret 2011 Plan. The Committee also is responsible for making adjustments in outstanding Awards, the shares available for Awards, and the numerical limitations for Awards to reflect any transactions such as stock splits or stock dividends. The Committee may delegate its authority to one or more directors or officers; provided, however, that the Committee may not delegate its authority and powers (a) with respect to Section 16 Persons, or (b) in any way which would jeopardize 2011 Plan's qualification under Section 162(m) of the Code or Rule 16b-3, The Board of Directors may amend or terminate 2011 Plan at any time and for any reason, but to the extent required under Rule 16b-3, material amendments to the 2011 Plan must be approved by the shareholders.

Eligibility to Receive Awards

Eligibility to participate in 2011 Plan extends to the management, key employees, directors and consultants of the Company. The estimated number of eligible participants is approximately 100 persons. The actual number of individuals who will receive options or restricted stock awards under the 2011 Plan cannot be determined because eligibility for participation in the 2011 Plan is at the discretion of the Committee.

Options

The Committee may grant incentive stock options, which entitle the holder to favorable tax treatment, and/or non-statutory options. The number of shares covered by each option is determined by the Committee. The

Committee will determine the option price per share of each option granted under the Plan, provided that the option price of each incentive stock option granted under the Plan may not be less than the fair market value of a share on the date of grant of such option.

Within five business days following the date of exercise of an option, the optionee or other person exercising the option will make full payment of the option price in cash or, with the consent of the Committee:

(i)

by tendering previously acquired shares (valued at fair market value, as determined by the Committee, as of such date of tender);

(ii)

with a full recourse promissory note of the optionee for the portion of the option price in excess of the par value of shares subject to the option, under terms and conditions determined by the Committee;

(iii)

without the payment of cash (a Cashless Exercise), by reducing the number of shares of Common Stock that would be obtainable upon the exercise of the Option and payment of the Exercise Price in cash so as to yield a number of shares of Common Stock upon the exercise of the Option equal to the product of (a) the number of shares of Common Stock for which the Option is exercisable as of the date of exercise (if the Exercise Price were being paid in cash) and (b) the Cashless Exercise Ratio. The Cashless Exercise Ratio shall equal a fraction, the numerator of which is the excess of the current market price per share of Common Stock on the Exercise Date over the Exercise Price per share as of the Exercise Date and the denominator of which is the Current Market Price per share of the Common Stock on the Exercise Date. Upon surrender of an Option in connection with the holder's option to elect a Cashless Exercise, the number of shares of Common Stock deliverable upon a Cashless Exercise shall be equal to the number of shares of Common Stock issuable upon the exercise of an Option that the holder specifies are to be exercised pursuant to a Cashless Exercise multiplied by the Cashless Exercise Ratio;

(iv)

if the shares subject to the option have been registered under the Securities Act of 1933, as amended, and there is a regular public market for the shares, by delivering to the Company on the date of exercise of the option written notice of exercise together with: (A) written instructions to forward a copy of such notice of exercise to a broker or dealer, as defined in section 3(a)(4) and 3(a)(5) of the Securities Exchange Act of 1934, as amended (Broker), designated in such notice and to deliver to the specified account maintained with the Broker by the person exercising the option a certificate for the Shares purchased upon the exercise of the option, and (B) a copy of irrevocable instructions to the Broker to deliver promptly to the Company a sum equal to the purchase price of the Shares purchased upon exercise of the option and any other sums required to be paid to the Company under the Plan; or

(v)

any combination of the foregoing. If tax offset payments sufficient to allow for withholding of taxes are not being made at the time of exercise of an option, the Company shall have the right to require the optionee or other person exercising such option to remit to the Company, by deduction from salary, wages or otherwise, an amount sufficient to satisfy federal, state and local withholding tax requirements or to deduct from all payments made under the Plan, including tax offset payments, amounts sufficient to satisfy all withholding tax requirements.

The Committee will determine the period during which each option may be exercised; provided, however, that any incentive stock option granted under 2011 Plan will have an option period which does not exceed 10 years from the date of grant. If the grant of any option becomes-subject to Code Section 409A, then notwithstanding the foregoing, the Committee-designated exercise period may be modified to include only those dates that are compliant with Code Section 409A's distribution rules.

Options will expire at such time as the Committee determines at the date of grant; provided, however, that no incentive stock options may be exercised on or after 10 years from the date of grant.

Termination of Options

Any option granted under the 2011 Plan will, subject to earlier termination by its terms, terminate automatically if not exercised:

.
within 30 days after the optionee's termination of employment with the Company (other than by reason of death, disability, or for cause);

.
within one year after the employee's death or termination of employment by the Company by reason of disability, as defined in the 2011 Plan; and

.
immediately upon termination by the Company for Cause, as defined in the 2011 Plan.

Restricted Stock Awards

Restricted stock awards are shares of the Company's common stock which vest in accordance with terms established by the Committee in its discretion. For example, the Committee may provide that restricted stock will vest only if one or more performance goals are satisfied and/or only if the participant remains employed with the Company for a specified period of time. Any performance measures may be applied on a Company-wide or an individual business unit basis, as deemed appropriate in light of the participant's specific responsibilities

Awards to be Granted to Certain Individuals and Groups

The Committee has discretion to determine the number and type of Awards to be granted to any employee, director or consultant. Accordingly, the actual number and type of Awards to be granted in the future is not determinable.

Nontransferability of Options

Except for non-statutory stock options, Awards granted under the 2011 Plan may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the applicable laws of descent and distribution. Non-statutory stock options may be transferred for no consideration to family members or to trusts or other entities for their benefit, or to other persons, if approved by the Committee.

Tax Aspects

As explained below, each type of award has different federal income tax consequences. In addition to these, a participant may also be subject to foreign, state and local income or other tax consequences in the jurisdiction in which the participant works and/or resides. The following is a brief general summary of the material federal income tax consequences with respect to awards under the 2011 Plan. It is not intended to be tax advice to participants. We do not intend the following discussion to be a complete explanation of all of the federal income tax consequences of participating in the 2011 Plan. Participants in the 2011 Plan should rely on their own tax advisers concerning the specific tax consequences to them, including the applicability and effect of state, local and foreign tax laws.

Stock Options

The 2011 Plan allows the Committee to grant non-statutory as incentive stock options. Generally, no income is recognized when either type of stock option is granted to the participant, but the subsequent tax treatment differs widely.

Non-statutory Stock Options

Generally, if a participant exercises a non-statutory stock option, the excess of the fair market value of a share on the date of exercise over the stock option price is ordinary compensation income to the participant at the time of the exercise. The tax basis for the shares purchased is their fair market value on the date of exercise. Any gain or loss that the participant realizes from a later sale of the shares for an amount in excess of or less than the tax basis of the shares will be taxed as capital gain or loss, respectively. The character of the gain or loss (short-term or long-term) will depend upon how long the participant held the shares since exercise. Generally capital gains will be taxable as long-term capital gains if the shares are held more than one year from exercise.

Incentive Stock Options

Generally, a participant will recognize no regular taxable income upon the exercise of an incentive stock option. The tax basis of the shares acquired will be the exercise price. If the participant meets the Holding Periods described below, all gain or loss that he or she realizes upon a later sale of the shares for an amount in excess of or less than their tax basis will be taxed as a capital gain or loss. To receive this favorable treatment, the participant must not dispose of the shares that he or she acquires by exercising an incentive stock option within two years after the date the stock option was granted, nor within one year after the exercise date (the Holding Periods). If the participant disposes of the shares before the end of the Holding Periods, the amount of that gain which equals the lesser of: (1) the difference between the fair market value on the exercise date and the stock option price; or (2) the difference between the sale price and the stock option price, will be taxed as ordinary income. Any remaining gain or loss will be taxed as short-term or long-term capital gain, depending upon how long the participant held the shares.

Alternative Minimum Tax - Incentive Stock Options

For determining a participant's alternative minimum taxable income subject to the alternative minimum tax, a participant's exercise of an incentive stock option will result in the recognition of alternative minimum taxable income at the time of the exercise of the stock option in an amount equal to the excess of the fair market value of the shares on the exercise date over the stock option price.

Restricted Stock

In general, a participant who is granted restricted shares of common stock will not recognize taxable income upon grant, but instead will recognize ordinary income when the shares vest and are no longer subject to restriction. Alternatively, within 30 days of the grant of the restricted stock a participant may elect, under Section 83(b) of the Code, to be taxed at the time of the grant. In all cases, the amount of ordinary income that a participant recognizes will be equal to the fair market value of the shares at the time the participant recognizes in income, less the price paid for the shares, if any. Generally, any gain recognized thereafter will be capital gain or loss.

Adcare Health Systems, Inc.

Generally, we will be entitled to a tax deduction for an award made under the 2011 Plan to the extent that the participant recognizes ordinary income from the award. Section 162(m) of the Code contains special rules regarding

the federal income tax deductibility of compensation paid to our Chief Executive Officer and to each of the other four most highly compensated executive officers. The general rule is that compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000 or qualifies as performance-based compensation under Section 162(m). We have designed the Plan so that awards to covered officers should qualify as performance-based compensation under Section 162(m).

Deferred Compensation/Section 409A Awards

Section 409A of the Code provides that covered amounts deferred under a nonqualified deferred compensation plan are includable in the participant's gross income to the extent not subject to a substantial risk of forfeiture and not previously included in income, unless certain requirements are met, including limitations on the timing of deferral elections and events that may trigger the distribution of deferred amounts.

The Company has designed the Plan so that awards are either intended to comply with, or are exempt from coverage of, Section 409A of the Code. The Company intends to continue to review the terms of the Plan and may, subject to the terms of the Plan, adopt additional amendments to comply with current and additional guidance issued under Section 409A of the Code. However, if an award fails to meet or is not granted in compliance with these new requirements the award may be subject to an additional 20% tax and interest.

Required Vote

Approval of the 2011 Plan requires the affirmative vote of a majority of the shares represented and voting, in person or by proxy, at the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF THE 2011 PLAN

FEEES OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDED DECEMBER 31, 2010

Audit Fees

The aggregate fees billed and to be billed by Battelle & Battelle LLP for professional services rendered for the audit of our annual financial statements and review of financial statements included in our Forms 10-K and 10-Q were \$303,000 for 2010.

Additionally, there were \$78,690 in audit related fees charged during 2010 consisting of fees for the audit of our HUD properties and additional services for accounting consultations and due diligence fieldwork related to a potential acquisition.

Pre-Approval Policy

The Audit Committee is required to pre-approval all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for us by our independent auditor and other registered public accounting firm, subject to the *de minimis* exceptions for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934 that are approved by the Audit Committee prior to completion of the audit.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors and greater than 10% shareholders to file reports of ownership and changes in ownership of our securities with the Securities and Exchange Commission (SEC). Copies of the reports are required by SEC regulation to be furnished to us. Based on our review of such reports, and written representations from reporting persons, we believe that all reporting persons complied with all filing requirements during the year ended December 31, 2010.

CERTAIN INFORMATION AND RELATED PARTY TRANSACTIONS

On January 1, 2005, Mr. Wade personally guaranteed a term loan in the amount of \$1,650,000, which loan was used to acquire Assured Health Care Inc. In consideration for these guarantees Mr. Wade received warrants to acquire 40,000 shares of our common stock at a price of \$2.50 per share exercisable until January 31, 2010. Pursuant to shareholder approval on November 30, 2009, the expiration date of Mr. Wade s warrants was extended to coincide with the expiration of Mr. Wade s employment agreement on September 1, 2011.

On April 9, 2010, Riverchase Village ADK, LLC (Riverchase) a wholly owned subsidiary of AdCare Health Systems, Inc. entered into a Purchase Agreement with an Oklahoma limited liability company controlled by a bank, to acquire the assets of Riverchase Village, a 105 bed assisted living facility located in Hoover, Alabama. The purchase price was approximately \$5,000,000. The right to acquire Riverchase was assigned to Chris Brogdon, Vice Chairman of the Company, on June 22, 2010, and the transaction closed on June 25, 2010. As consideration for the assignment, we were granted a one year option with a \$100,000 exercise price to acquire Riverchase under the same terms and conditions as set forth in the Purchase Agreement. In addition, we entered into a five year management contract to manage Riverchase. In connection with financing the transaction, Riverchase borrowed from the Medical Clinic Board of the City of Hoover the proceeds from the issuance of \$5,845,000 First Mortgage Healthcare Facility Revenue Bonds (Series 2010 A) and \$520,000 First Mortgage Revenue Bonds (Series B) to acquire the Property, pay the cost of certain repairs and improvement to the Property, fund certain services and pay the cost of the issuance of the Bonds. As part of the financing, both AdCare and Mr. Brogdon were required to be a grantor on the bonds. Riverchase has refunded the \$250,000 of earnest money to us. The results of operations of Riverchase Village have been consolidated in our financial statements as a result of our determination that Riverchase Village is a variable interest entity of which AdCare Health Systems is the primary beneficiary.

Effective January 1, 2011, we acquired the operations of and selected assets of Mountain Trace; a 106 bed skilled nursing facility located in Sylva, North Carolina. Through the Operations Transfer Agreement, we obtained control of the facility effective January 1, 2011. To complete the acquisition, we issued a secured promissory note (the Note) for \$5,000,000. The Note was secured by the Mountain Trace facility and was guaranteed by AdCare Health Systems, Inc. and personally guaranteed by Christopher Brogdon and his spouse Connie Brogdon. The Note, scheduled to mature on June 30, 2011, accrued interest at a fixed rate of 7% per annum. On February 2, 2011, the Note was refinanced with a permanent loan for \$5,000,000 from Community Bank & Trust-West Georgia guaranteed by the United States Department of Agriculture. The permanent loan is for 25 years and bears interest equal to the prime rate plus 1.75%.
