PROXY STATEMENT

The accompanying proxy is solicited by the Company's directors for voting at the annual meeting of shareholders to be held on October 2, 2014, at 6:00 p.m. Pacific Time, and at any and all adjournments of such meeting. If the proxy is executed and returned, it will be voted at the meeting in accordance with any instructions, and if no specification is made, the proxy will be voted for the proposals set forth in the accompanying notice of the annual meeting of shareholders. Shareholders who execute proxies may revoke them at any time before they are voted, either by writing to the Company at the address shown above or in person at the time of the meeting. There is one class of capital stock outstanding. Daniel B. O'Brien devotes substantially all of his time to the Company's business.

The Company's Board of Directors met on four occasions during the year ended December 31, 2013. All of the Directors, attended each of these meetings either in person, by telephone conference call or email.

The Company's Board of Directors does not have a "leadership structure", as such, since each director is entitled to introduce resolutions to be considered by the Board and each director is entitled to one vote on any resolution considered by the Board. The Company's Chief Executive Officer is not the Chairman of the Company's Board of Directors.

The Company's Board of Directors has the ultimate responsibility to evaluate and respond to risks facing the Company. The Company's Board of Directors fulfills its obligations in this regard by meeting on a regular basis and communicating, when necessary, with the Company's officers.

John Bientjes, Dale Friend, Robert Helina and Dr. Thomas Fyles are independent directors as that term is defined in section 803 of the listing standards of the NYSE MKT.

For purposes of electing directors at its annual meeting the Company does not have a nominating committee or a committee performing similar functions. The Company's board of directors does not believe a nominating committee is necessary since the Company's board of directors is small and the board of directors as a whole performs this function. The current nominees to the Board

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

of Directors were selected by a majority vote of the Company's independent directors.

The Company does not have any policy regarding the consideration of director candidates recommended by shareholders since a shareholder has never recommended a nominee to the board of directors. However, the Company's board of directors will consider candidates recommended by shareholders. To submit a

8

candidate for the board of directors the shareholder should send the name, address and telephone number of the candidate, together with any relevant background or biographical information, to the Company's Chief Executive Officer, at the address shown on the cover page of this proxy statement. The board has not established any specific qualifications or skills a nominee must meet to serve as a director. Although the board does not have any process for identifying and evaluating director nominees, the board does not believe there would be any differences in the manner in which the board evaluates nominees submitted by shareholders as opposed to nominees submitted by any other person. There have been no material changes to the procedures by which securityholders may recommend nominees to the Company's board of directors during the past three years.

The Company does not have a policy with regard to board member's attendance at annual meetings. All board members, with the exception of Thomas Fyles who had a prior engagement, attended via phone or in person, the last annual shareholder's meeting held on August 29, 2013.

Holders of the Company's common stock can send written communications to the Company's entire board of directors, or to one or more board members, by addressing the communication to "the Board of Directors" or to one or more directors, specifying the director or directors by name, and sending the communication to the Company's offices in Victoria, British Columbia. Communications addressed to the Board of Directors as whole will be delivered to each board member. Communications addressed to a specific director (or directors) will be delivered to the director (or directors) specified.

Security holder communications not sent to the board of directors as a whole or to specified board members are not relayed to board members.

The Company has adopted a Code of Ethics that applies to the its Principal Financial and Accounting Officer, as well as the other company employees. The Code of Ethics is available at the Company's website at www.flexiblesolutions.com.

If a violation of the code of ethics act is discovered or suspected, an officer of the Company must (anonymously, if desired) send a detailed note, with relevant documents, to the Company's Audit Committee, c/o John Bientjes, #1-230 West 13th St., North Vancouver, B.C., Canada V7M 1N7.

Stock Option Program

The Company's Stock Option Program involved the issuance of options, from time to time, to the Company's employees, directors, officers, consultants and advisors. Options were granted by means of individual option agreements. Each option agreement specified the shares issuable upon the exercise of the option, the exercise price, the expiration date and other terms and conditions of the option.

If the option holder is an employee, and if he or she ceases to be employed by the Company, the option holder may, during the 30-day period following termination of employment, exercise the option to the extent the option was exercisable on the date of termination. In the case of death or disability, the option holder (or his or her administrator) has twelve months from the date of death or disability to exercise the option to the extent the option was exercisable on the date of death or disability.

The options are subject to adjustment by reason of a recapitalization, reclassification, stock split, combination of shares, dividend or other distribution payable in capital stock. Upon a merger, liquidation, dissolution or other consolidation, the Company will provide each option holder with one-months' prior written notice informing the option holder that he or she may exercise the option in full (to the extent it has not been previously exercised) within the one-month period. Following the expiration of the one month period, the options will terminate.

The options may not be transferred, assigned, pledged or hypothecated in

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

any way (except by will or the laws of descent) and are not subject to execution, attachment or similar process.

All of the options granted have terms of between one and five years after the date of grant and reflect exercise prices equal to the fair market value of a share of the Company's common stock, as determined by the Company's board of directors on the date of grant. All of the options contain vesting provisions pursuant to which the options are fully exercisable within a fixed number of months after the date of grant.

The following table shows the weighted average exercise price of the outstanding options granted pursuant to the Company's Stock Option Program as of December 31, 2013:

Total	1,154,000	\$1.73	

As of August 4, 2014 options to purchase 1,263,000 shares of the Company's common stock were outstanding under the Stock Option Program. The exercise price of these options varies between \$1.00 and \$2.45 per share. The options expire at various dates between December 31, 2014 and December 31, 2018.

Compensation Committee

The Company's Compensation Committee consists of John Bientjes, Dale Friend and Robert Helina, all of whom are independent as that term is defined in Section 803 of the listing standards of the NYSE MKT.

The Compensation Committee is empowered to review and approve the annual compensation and compensation procedures for the Company's officers and determines the total compensation level for the Company's Chief Executive Officer. The total proposed compensation of the Company's Chief Executive Officer is formulated and evaluated by its Chief Executive Officer and submitted to the Company's Compensation Committee for consideration.

During the year ended December 31, 2013 the Compensation Committee met once. All members of the Compensation Committee attended this meeting.

During the year ended December 31, 2013, Daniel B. O'Brien, the Company's only executive officer, did not participate in deliberations of the Company's Compensation Committee concerning executive officer compensation.

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

During the year ended December 31, 2013, no director of the Company was also an executive officer of another entity, which had an executive officer of the Company serving as a director of such entity or as a member of the Compensation Committee of such entity.

The following is the report of the Compensation Committee:

The key components of the Company's executive compensation program include annual base salaries and long-term incentive compensation consisting of stock options. It is the Company's policy to target compensation (i.e., base salary, stock option grants and other benefits) at approximately the median of comparable companies in the industries in which the Company competes. Accordingly, data on compensation practices followed by other companies in the industries in which the Company competes is considered.

The Company's long-term incentive program consists exclusively of periodic grants of stock options with an exercise price equal to the fair market value of the Company's common stock on the date of grant. To encourage retention, the ability to exercise options granted under the program may be subject to vesting restrictions. Decisions made regarding the timing and size of option grants take into account the performance of both the Company and the employee, "competitive market" practices, and the size of the option grants made in prior years. The weighting of these factors varies and is subjective. Current option holdings are not considered when granting options.

Audit Committee

The Company's Audit Committee consists of John Bientjes, Dale Friend and Robert Helina, all of whom and have strong financial backgrounds. The purpose of the Audit Committee is to review and approve the selection of the Company's auditors and review the Company's financial statements with the Company's independent registered public accounting firm. The Audit Committee also serves as an independent and objective party to monitor the Company's financial reporting process and internal control systems. The Audit Committee meets periodically with management and the Company's independent auditors. Dale Friend is the audit committee's financial expert.

During the fiscal year ended December 31, 2013, the Audit Committee met four times. All members of the Audit Committee attended these meetings.

13

The following is the report of the Audit Committee:

- (1) The Audit Committee reviewed and discussed the Company's audited financial statements for the year ended December 31, 2013 with the Company's management.
- (2) The Audit Committee discussed with the Company's independent registered public accounting firm the matters required to be discussed by Statement on Accounting Standards (SAS) No. 61 "Communications with Audit Committee" as amended by SASs 89 and 90.
- (3) The Audit Committee has received the written disclosures and the letter from the Company's independent registered public accounting firm required by PCAOB (Public Company Accounting Oversight Board) standards, and had discussed with the Company's independent registered public accounting firm the independent registered public accounting firm's independence; and
- (4) Based on the review and discussions referred to above, the Audit

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the Securities and Exchange Commission.

- (5) During the year ended December 31, 2013 the Company paid Meyers Norris Penny LLP, the Company's independent registered public accounting firm, audit and audit related fees of \$74,767 for professional services rendered for the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's 10-Q reports for the fiscal year and all regulatory filings. The Audit Committee is of the opinion that these fees are consistent with maintaining its independence from the Company.

The foregoing report has been approved by the members of the Audit Committee:

John Bientjes
Dale Friend
Robert Helina

The Company's Board of Directors has adopted a written charter for the Audit Committee, a copy of which is available on the Company's website: www.flexiblesolutions.com.

PROPOSAL TO APPROVE ADOPTION OF NON-QUALIFIED STOCK OPTION PLAN

Shareholders are being requested to vote to approve to the adoption of the Company's Non-Qualified Stock Option Plan. The Company's employees, directors and officers, and consultants or advisors to the Company would be eligible to be granted options pursuant to the Non-Qualified Plan as may be determined by the Company's Board of Directors, specifically its Compensation Committee, provided however that bona fide services must be rendered by such consultants or advisors and such services must not be in connection with the offer or sale of securities in a capital-raising transaction.

The Non-Qualified Plan was adopted by the Company's directors on August 4, 2014 and authorizes the issuance of up to 1,500,000 shares of the Company's common stock to persons that exercise options granted pursuant to the Plan. As of August 4, 2014, the Company had not granted options to purchase any shares of common stock under the Non-Qualified Plan. Any options granted pursuant to the Plan may not be exercised until shareholders approve the adoption of the Plan.

The Plan would be administered by the Company's Compensation Committee ("the Committee"), each member of which is a director of the Company. The members of the Committee were selected by the Company's Board of Directors and serve for a one-year tenure and until their successors are elected. A member of the Committee may be removed at any time by action of the Board of Directors. Any vacancies which may occur on the Committee will be filled by the Board of Directors. The Committee is vested with the authority to interpret the provisions of the Plan and supervise the administration of the Plan. In addition, the Committee is empowered to select those persons to whom shares or options are to be granted, to determine the number of shares subject to each grant of a stock bonus or an option and to determine when, and upon what conditions, shares or options granted under the Plan will vest or otherwise be subject to forfeiture and cancellation.

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

In the discretion of the Committee, any option granted pursuant to the Plan may include installment exercise terms such that the option becomes fully exercisable in a series of cumulating portions. The Committee may also accelerate the date upon which any option (or any part of any options) is first exercisable. Any shares issued pursuant to the Plan will be forfeited if the "vesting" schedule established by the Committee administering the Plan at the time of the grant is not met. For this purpose, vesting means the period during which the employee must remain an employee of the Company or the period of time a non-employee must provide services to the Company. At the time an employee ceases working for the Company (or at the time a non-employee ceases to perform services for the Company), any shares or options not fully vested will be forfeited and cancelled. At the discretion of the Committee payment for the shares of common stock underlying options may be paid through the delivery of shares of the Company's common stock having an aggregate fair market value equal to the option price, provided such shares have been owned by the option holder for at least one year prior to such exercise. A combination of cash and shares of common stock may also be permitted at the discretion of the Committee.

Options are generally non-transferable except upon death of the option holder.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Company's shareholders to vote to approve, on a nonbinding advisory basis, the compensation of the Company's executive officers.

Accordingly, the Company will ask shareholders to vote for the following resolution at the annual meeting:

"RESOLVED, that the Company's shareholders approve, on a nonbinding advisory basis, the compensation of the Company's executive officers, as disclosed in the Company's Proxy Statement for the 2014 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and narrative disclosure in the Company's proxy statement."

To the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, the Company's Board of Directors and its Compensation Committee will consider shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends that the shareholders approve on a nonbinding advisory basis the resolution approving the compensation of the Company's executive officers set forth in this proxy statement.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has selected Meyers, Norris, Penny, LLP, an independent registered public accounting firm, to audit the books and records of the Company for the fiscal year ending December 31, 2014. Meyers, Norris, Penny served as the Company's independent registered public accounting firm for the fiscal years ended December 31, 2013 and 2012. A representative of Meyers, Norris, Penny, is expected to be present at the shareholders' meeting.

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

The following table shows the aggregate fees billed to the Company during the years ended December 31, 2013 and 2012 by Meyers Norris Penny LLP:

	Year 2013 ----	Ended December 31, 2012 ----
Audit Fees	\$74,767	\$72,022
Audit-Related Fees	--	--
Tax Fees	\$ 2,573	\$ 17,005
All Other Fees	--	--

16

Audit fees represent amounts billed for professional services rendered for the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's 10-Q reports for the fiscal year and all regulatory filings. Audit-related fees represent amounts billed for reviewing amendments to the Company's 10-K and 10-Q reports. Before Meyers Norris Penny was engaged by the Company to render audit or non-audit services, the engagement was approved by the Company's audit committee. The Company's Board of Directors is of the opinion that the audit fees charged by Meyers Norris Penny are consistent with that firm maintaining its independence from the Company.

The Company's annual report, including financial statements for the 2013 fiscal year, is available at the Company's website: www.flexiblesolutions.com.

The Company's Board of Directors does not intend to present and does not have reason to believe that others will present any other items of business at the annual meeting.
