ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITIONS

Published as Exhibit 99.1 is NN, Inc.'s press release dated November 4, 2010 regarding the results for the third quarter ended September 30, 2010.

The attached press release included the following non-GAAP measures: Net income from normal operations. These non-GAAP measures are not in accordance with, or an alternative for, generally accepted accounting principles and may be different from non-GAAP measures used by other companies. In addition, these non-GAAP measures are not based on any comprehensive set of accounting rules or principles. We believe that non-GAAP measures have limitations in that they do not reflect all of the amounts associated with our results of operations as determined in accordance with GAAP and that these measures should only be used to evaluate our results of operations in conjunction with the corresponding GAAP measures.

Our management uses financial information that does not include (a) restructuring costs for plant closing, (b) foreign exchange (gain) loss on intercompany loans, (c) new program startup costs at Whirlaway and, (d) valuation allowance on deferred tax, net.
