The proposals set forth in the enclosed proxy statement are routine items. A routine item is one that occurs annually and makes no fundamental or material changes to a fund's investment objectives, policies or restrictions, or to the investment management contracts.

Elect your fund's Board of Trustees

For each fund, proposal number one asks common shareholders to elect eight Trustees and preferred shareholders to elect two Trustees to serve until their respective successors are elected and qualified. Your proxy statement includes a brief description of each nominee's background.

Ratify the Trustees' selection of public accountants

For each fund, proposal number two asks you to ratify or reject the Trustees' selection of PricewaterhouseCoopers, LLP as each fund's independent public accountants for the fund's current fiscal year.

Your vote is important!

Please complete the enclosed proxy ballot form, sign it and mail it to us immediately. For your convenience, a postage-paid return envelope has been provided. A prompt response will help avoid the cost of additional mailings at your fund's expense.

### Record Ownership

The Trustees of each fund have fixed the close of business on January 12, 2004, as the record date to determine which shareholders are entitled to vote at the meeting. Common and Preferred shareholders of each fund are entitled to one vote per share on all business of the meetings or any postponement of the meeting relating to their fund and respective share class. On the record date, the following number of shares of beneficial interest of each fund were outstanding:

Fund	Common Shares	Preferred Shares
John Hancock Investors Trust	8,102,295	3,440
John Hancock Income Securities Trust	11,056,746	3,560

The funds' management does not know of anyone who beneficially owned more than 5% of either class of any fund's shares outstanding on the record date, except for SIT Investment Associates, 90 South Seventh Street, Suite 4600, Minneapolis, MN 55402, which holds the following Common Shares: 5.452% of Income Securities Trust. (Beneficial ownership means voting power and/or investment power, which includes the power to dispose of shares.)

Although the annual meetings of the funds are being held jointly and proxies are being solicited through the use of this joint proxy statement, shareholders of each fund will vote separately as to proposals affecting their fund.

### PROPOSAL 1

#### ELECTION OF TRUSTEES

(Common Shares and Preferred Shares of each fund)

#### General

Each fund's Board of Trustees consists of ten members. Holders of the Common Shares are entitled to elect eight Trustees and holders of the Preferred Shares are entitled to elect two Trustees. Ms. Ford Goldfarb and Ms. McGill Peterson and Messrs. Aronowitz, Chapman, Cosgrove, Farrell, Glavin and Pratt have been designated as subject to election by holders of the Common Shares of each fund. Messrs. DeCiccio and Moore have been designated as subject to election by holders of the Preferred Shares of each fund.

As of the date of this proxy, each nominee for election currently serves as a Trustee of each fund. Using the enclosed proxy card, you may authorize the

Edgar Filing: HANCOCK JOHN INCOME SECURITIES TRUST /MA - Form DEF 14A

proxies to vote your shares for the nominees or you may withhold from the proxies authority to vote your shares for one or more of the nominees. If no contrary instructions are given, the proxies will vote FOR the nominees. Each of the nominees has consented to his or her nomination and has agreed to serve if elected. If, for any reason, any nominee should not be available for election or able to serve as a Trustee, the proxies will exercise their voting power in favor of a substitute nominee, if any, as the funds' Trustees may designate. The funds have no reason to believe that it will be necessary to designate a substitute nominee.

Proposal 1

For each fund, Ms. Ford Goldfarb and Ms. McGill Peterson and Messrs. Aronowitz, Chapman, Cosgrove, Farrell, Glavin and Pratt are the current nominees for election by the Common Shareholders and Messrs DeCiccio and Moore are the current nominee for election by the Preferred Shareholders.

Vote Required for Proposal 1

The vote of a plurality of the votes cast by the Common Shares and the Preferred Shares, voting as separate classes, of a fund is sufficient to elect the Common Shares' and Preferred Shares' respective nominees of that fund.

(1) Business address for independent and interested Trustees and officers is 101 Huntington Avenue, Boston, Massachusetts 02199.

Each Fund's Board of Trustees currently has four standing Committees: the Audit Committee, the Administration Committee, the Contracts/Operations Committee and the Investment Performance Committee. Each Committee is comprised of Independent Trustees who are not "interested persons."

Each Board of Trustees held six meetings during the fiscal year ended December 31, 2003. With respect to each fund, no Trustee, except for Mr. DeCiccio, attended fewer than 75% of the aggregate of (1) the total number of meetings of the Trustees of the fund; and (2) the total number of meetings held by all committees of the Trustees on which they served. Mr. DeCiccio attended more than 50% of the meetings. The funds hold joint meetings of the Trustees and all committees.

Each Board of Trustees has an Audit Committee consisting of Messrs. Moore and Glavin and Ms. McGill Peterson. All members of each fund's Audit Committee are independent under the New York Stock Exchange's Revised Listing Rules and each member is financially literate with at least one having accounting or financial management expertise. The Board has adopted a written charter for the Audit Committee which is attached as Exhibit A. Each Audit Committee held four meetings during the fiscal year ended December 31, 2003. Each Audit Committee recommends to the full board the appointment of outside auditors for each fund, oversees and monitors the audit of each fund, communicates with both the independent auditors and inside auditors on a regular basis, and provides a forum for the auditors to report and discuss any matters they deem appropriate at

any time. Each Audit Committee reports that it has (1) reviewed and discussed

each fund's audited financial statements with management; (2) discussed with the independent auditors the matters relating to the quality of each fund's financial reporting as required by SAS 61; (3) received written disclosures and an independence letter from the independent auditors required by ISB Standard No. 1, and discussed with the auditors their independence; and, (4) based on these discussions recommended to the Board that each fund's financial statements be included in each fund's annual report for the last fiscal year.

Each Board of Trustees has a Contracts/Operations Committee. The Contracts/Operations Committee members are Messrs. Aronowitz and Farrell. Each Contracts/Operations Committee held six meetings during the fiscal year ended December 31, 2003. Each Contracts/Operations Committee oversees the initiation, operation and renewal of the various contracts between the respective fund and other entities. These contracts include advisory and subadvisory agreements, custodial and transfer arrangements and arrangements with other service providers.

Each Board of Trustees has an Investment Performance Committee. The Investment Performance Committee members are Messrs. Chapman, Cosgrove and Pratt. Each Investment Performance Committee held four meetings during the fiscal year ended December 31, 2003. Each Investment Performance Committee monitors and analyzes the performance of the respective funds generally, consults with the Adviser as necessary if the respective fund is considered to require special attention, and reviews fund peer groups and other comparative standards as necessary.

Each Board of Trustees has an Administration Committee, which among other things, serves as a nominating committee. The Administration Committee members are Messrs. Aronowitz, Chapman, Cosgrove, Farrell, Glavin, Moore and Pratt and Ms. McGill Peterson. All members of the Administration Committee are independent under the New York Stock Exchange's Revised Listing Rules and are not interested persons, as defined in the Investment Company Act of 1940, as amended, of John Hancock or the funds (the "Independent Trustees"). The Board has adopted a written charter for the Administration Committee, which is attached as Exhibit B to this proxy statement. The Administration Committee held four meetings during the Fund's 2003 fiscal year. The Administration Committee selects and nominates for appointment and election candidates to serve as Trustees who are Independent Trustees. The Trustees who are not Independent Trustees and the officers of the Fund are nominated and selected by the Board.

Each Administration Committee does not have at this time formal criteria for the qualifications of candidates to serve as an Independent Trustee, although the Administration Committee may develop them in the future. In reviewing a potential nominee and in evaluating the renomination of current Independent Trustees, the Administration Committee has historically applied the following criteria: (i) the nominee's reputation for integrity, honesty and adherence to high ethical standards, (ii) the nominee's business acumen, experience and ability to exercise sound judgments, (iii) a commitment to understand the Fund and the responsibilities of a trustee of an investment company, (iv) a commitment to regularly attend and participate in meetings of the Board and its committees, (v) the ability to understand potential conflicts of interest involving management of the Fund and to act in the interests of all shareholders, and (vi) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all the shareholders and to fulfill the responsibilities of an Independent Trustee. The Administration Committee does not necessarily place the same emphasis on each criteria and each nominee may not have each of these qualities. The Administration Committee does not discriminate on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law.

## Edgar Filing: HANCOCK JOHN INCOME SECURITIES TRUST /MA - Form DEF 14A

As long as an existing Independent Trustee continues, in the opinion of the Administration Committee, to satisfy these criteria, the Fund anticipates that the Committee would favor the renomination of an existing Trustee rather than a new candidate. Consequently, while the Administration Committee will consider nominees recommended by shareholders to serve as trustees, the Administration Committee may only act upon such recommen-

7

dations if there is a vacancy on the Board or the Administration Committee determines that the selection of a new or additional Independent Trustee is in the best interests of the Fund. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Administration Committee will, in addition to any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Administration Committee. While it has not done so in the past, the Administration Committee may retain a consultant to assist the Committee in a search for a qualified candidate.

Any shareholder recommendation must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Securities Exchange Act of 1934 to be considered by the Administration Committee. In evaluating a nominee recommended by a shareholder, the Administration Committee, in addition to the criteria discussed above, may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders. If the Board determines to include a shareholder's candidate among the slate of nominees, the candidate's name will be placed on the Fund's proxy card. If the Administration Committee or the Board determines not to include such candidate among the Board's designated nominees and the shareholder has satisfied the requirements of Rule 14a-8, the shareholder's candidate will be treated as a nominee of the shareholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the Fund's proxy statement. Each of the nominees for election as Trustee was recommended by the Administration Committee, except for Ms. Ford Goldfarb and Mr. DeCiccio, who were recommended by the Board.

Shareholders may communicate with the members of the Board as a group or individually. Any such communication should be sent to the Board or an individual Trustee c/o the secretary of the Fund at the address on the notice of this meeting. The Secretary may determine not to forward any letter to the members of the Board that does not relate to the business of the Fund. Ms. Ford Goldfarb typically attends shareholder meetings and other members of the Board may, but generally do not, attend.

- (1) The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Trustees in the Funds and in all John Hancock funds overseen by each Trustee. For each Trustee, the amounts reflected include share equivalents of certain John Hancock funds in which the Trustee is deemed to be invested pursuant to the Deferred Compensation Plan for Independent Trustees, as more fully described under "Remuneration of Officers and Trustees." The information as to beneficial ownership is based on statements furnished to the funds by the Trustees. Each of the Trustees has all voting and investment powers with respect to the shares indicated. None of the Trustees beneficially owned individually, and the Trustees and executive officers of the funds as a group did not beneficially own, in excess of 1% of the outstanding shares of any fund.

Compliance with Section 16(a) Reporting Requirements

Section 16(a) of the Securities Exchange Act of 1934 requires each fund's executive officers, Trustees and persons who own more than 10% of the fund's shares ("10% Shareholders") to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Executive officers, Trustees, and 10% Shareholders are required by SEC regulations to furnish the funds with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the funds and representations that no other reports were required to be filed, each fund believes that during the past fiscal year its executive officers, Trustees and 10% Shareholders complied with all applicable Section 16(a) filing requirements.

Remuneration of Officers and Trustees

The following table provides information about the compensation paid by the funds and the other investment companies in the John Hancock fund complex to the Independent Trustees for their services for the year ended December 31, 2003. The two non-independent Trustees, Ms. Ford Goldfarb and Mr. DeCiccio, and each of the officers of the funds who are interested persons of the Adviser, are compensated by the Adviser and/or its affiliates and receive no compensation from the funds for their services.

John W. Pratt	1,470	1,537	76,500
Totals	\$10,896	\$11,397	\$607,500

(1) The total compensation paid by the John Hancock fund complex to the Independent Trustees for the calendar year ended December 31, 2003. All the Independent Trustees are Trustees of 20 funds in the John Hancock fund complex, except for Ms. McGill Peterson and Mr. Moore, who are trustees of 29 funds.

\* As of December 31, 2003, the value of the aggregate accrued deferred compensation amount from all funds in the John Hancock fund complex for Mr. Chapman was \$63,573, for Mr. Cosgrove was \$210,257, for Mr. Glavin was \$306,646 and for Mr. Moore was \$248,464 under the John Hancock Deferred Compensation Plan for Independent Trustees ("the Plan"). Under the Plan, an Independent Trustee may elect to have his deferred fees invested by a fund in shares of one or more funds in the John Hancock fund complex, and the amount paid to the Trustees under the Plan will be determined based upon the performance of such investments. Deferral of Trustees' fees does not obligate any fund to retain the services of any Trustee or obligate a fund to pay any particular level of compensation to the Trustee.

Material Relationships of the Independent Trustees

As of December 31, 2003, none of the Independent Trustees, nor any immediate family member, owns shares of John Hancock Advisers, LLC (the "investment adviser") or a principal underwriter of the funds, nor does any such person own shares of a company controlling, controlled by or under common control with, the investment adviser or a principal underwriter of the funds.

There have been no transactions by the funds since the beginning of the funds' last two fiscal years, nor are there any transactions currently proposed, in which the amount exceeds \$60,000, and in which any trustee of the funds or any immediate family members has or will have a direct or indirect material interest, nor have any of the foregoing persons been indebted to the funds in an amount in excess of \$60,000 at any time since that date.

No Independent Trustee, nor any immediate family member has had, in the past five years, any direct or indirect interest, the value of which exceeds \$60,000, in the investment adviser, a principal underwriter of the funds or in a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with, the investment adviser or principal underwriter of the funds. Moreover, no Independent Trustee or immediate family member has, or has had in the last two fiscal years of the funds, any direct or indirect relationships or material interest in any transaction or in any currently proposed transaction, in which

the amount involved exceeds \$60,000, in which the following persons were or are a party: the funds, an officer of the funds, any investment company sharing the same investment adviser or principal underwriter as the funds or any officer of such a company, any investment adviser or principal underwriter of the funds or any officer of such a party, any person directly or indirectly controlling, controlled by or under common control with, the investment adviser or principal underwriter of the funds, or any officer of such a person.

Within the last two completed fiscal years of the funds, no officer of any investment adviser or principal underwriter of the funds or of any person directly or indirectly controlling, controlled by or under common control with the investment adviser or principal underwriter of the funds, has served as a director on a board of a company where any of the Independent Trustees or nominees of the funds, or immediate family members of such persons, has served as an officer.

Legal Proceedings

There are no material pending legal proceedings to which any trustee or affiliated person is a party adverse to the funds or any of its affiliated persons or has a material interest adverse to the funds or any of its affiliated persons. In addition, there have been no legal proceedings that are material to an evaluation of the ability or integrity of any trustee or executive officer of the funds within the past five years.

PROPOSAL 2

RATIFICATION OF SELECTION OF THE INDEPENDENT PUBLIC ACCOUNTANTS  
(Common Shares and Preferred Shares of Each Fund)

The Trustees of each fund, including a majority of each fund's Independent Trustees, have selected PricewaterhouseCoopers LLP ("PricewaterhouseCoopers") to act as independent public accountants for each fund's fiscal year ending December 31, 2004. PricewaterhouseCoopers has served as independent accountants to each fund since January 1, 2003. Ernst & Young LLP audited the Funds financial statements for years ended on or before December 31, 2002.

The following table sets forth the aggregate fees billed by the independent accountants for each fund's 2003 and 2002 fiscal years for professional services rendered for: (i) the audit of the fund's annual financial statements and the review of financial statements included in the fund's reports to stockholders; (ii) assurance and related services that are reasonably related to the audit of the Fund's financial statements, (iii) tax compliance, tax advice or tax planning and (iv) all services other than (i), (ii) and (iii). The table also discloses the aggregate fees paid during the 2002 and 2003 fiscal years to the Funds, independent accountants by John Hancock Advisers, LLC and any entity controlling, controlled by or under common control with, John Hancock Advisers, LLC to the extent that the engagement relates directly to the operations and financial reporting of registered investment companies (the "Adviser and Adviser Affiliates").

The Fund's Audit Committee has adopted procedures to pre-approve audit and non-audit services for the Funds and the Adviser and Adviser Affiliates. These procedures identify certain types of audit and non-audit services that are anticipated to be provided by PricewaterhouseCoopers during a calendar year and, provided the

11

services are within the scope and value standards set forth in the procedures, pre-approve those engagements. The scope and value criteria are reviewed annually. These procedures require both audit and non-audit sources to be approved by the Audit Committee prior to PricewaterhouseCoopers being engaged. In recommending PricewaterhouseCoopers as the Funds' independent accountants, the Audit Committee has considered the compensation provided to PricewaterhouseCoopers for audit and non-audit services to the Adviser and Adviser Affiliates and has determined that such compensation is not incompatible with maintaining PricewaterhouseCooper's independence. The aggregate amount of non-audit fees paid to PricewaterhouseCooper's by the Funds, the Adviser and an Advisor Affiliate that provide services to the Funds, which includes amounts described above, was \$234,000 for the fiscal year ending December 31, 2003.

PricewaterhouseCoopers has advised the funds that it has no direct or indirect financial interest in either fund. This selection is subject to the approval of the shareholders of the respective funds at the meetings. The enclosed proxy cards provide space for instructions directing the proxies named on the card to vote for, against, or abstain from, ratifying that selection. A representative of PricewaterhouseCoopers is expected to be present at the annual meetings, will have the opportunity to make a statement if the representative desires to do so and will be available to respond to appropriate questions relating to the examination of the funds' financial statements.

The Boards of Trustees, including each fund's Independent Trustees, unanimously recommend that shareholders ratify the selection of PricewaterhouseCoopers as independent public accountants of the funds.

Vote Required to Ratify the Selection of Independent Public Accountants

The approval of a "majority" (as described below) of the Common Shares and the Preferred Shares, voting as a single class, of each fund is required to ratify the selection of PricewaterhouseCoopers LLP as such fund's independent public accountants for that fund's 2004 fiscal year.

MISCELLANEOUS

Voting; Quorum; Adjournment

The following vote is required to approve each respective proposal:

Proposal

For each class, a plurality of all votes cast, assuming a

(Proposal 1)	A "plurality" means that the ten nominees up for election Shares or Preferred Shares and receiving the greatest number of the Common Shares or Preferred Shares, as the case may be, elected as trustees, regardless of the number of votes cast. Common and Preferred Classes vote separately on this proposal.
Ratification of Public Accountants (Proposal 2)	The affirmative vote of more than 50% of the votes cast, a quorum exists.* Common and Preferred Classes vote together as a single class on this proposal.

\* In order for a "quorum" to exist, a majority of the shares outstanding and entitled to vote must be present at the meeting, either in person or by proxy, determined in accordance with the table below.

12

Proposals 1 and 2 in this proxy statement are considered routine matters on which brokers holding shares in "street name" may vote without instruction under the rules of the New York Stock Exchange. While, as noted above, both of the proposals in this proxy statement are routine, for non-routine proposals, brokers that are member organizations of the New York Stock Exchange may vote Preferred Shares for which they have not received instructions in proportion to the shares for which they have received instructions. Proportionate voting of Preferred Shares may occur on a non-routine proposal only if: (i) at least 30% of the Preferred Shares of the fund outstanding and entitled to vote have been voted; (ii) less than 10% of such Preferred Shares voted against the proposal; (iii) the shareholders of the Common Shares of the fund have approved the proposal (except with respect to plurality votes); and (iv) a majority of the Independent Trustees of the fund have approved the proposal.

The following table summarizes how the quorum and voting requirements are determined.

Shares	Quorum	Voting
-----		
In General	All shares "present" in person or by proxy are counted in determining whether a quorum exists.	Shares present in person will be counted in person by the shareholder at the meeting. Shares present by proxy will be counted if voted by the proxyholder in accordance with instructions specified.
Broker Non-Vote	Considered "present" at meeting.	Not voted. Same effect as a "against" a proposal.
Proxy with No Voting Instruction (other than Broker Non-Vote)	Considered "present" for determining whether a quorum exists.	Will be voted "for" the proposal by the proxyholder.
Vote to Abstain	Considered "present" for determining whether a quorum exists.	Disregarded. Because abstentions are not counted as votes "cast," abstentions will have no effect on whether a proposal is approved.
Proportionately Voted	Considered "present" for determining	Voted in proportion to Preferred Shares.

instructions.

If a quorum is not present, the persons named as proxies may vote their proxies to adjourn the meeting to a later date. If a quorum is present, but there are insufficient votes to approve any proposal, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation. Shareholder action may be taken on one or more proposal prior to such adjournment. Proxies instructing a vote for a proposal will be voted in favor of an adjournment with respect to that proposal, and proxies instructing a vote against a proposal will be voted against an adjournment with respect to that proposal.

### Expenses and Methods of Solicitation

The costs of the meetings, including the solicitation of proxies, will be paid by the respective funds. Persons holding shares as nominees will be reimbursed by the relevant fund, upon request, for their reasonable expenses in sending soliciting material to the principals of the accounts. In addition to the solicitation of proxies by mail, Trustees, officers and employees of the funds or of the funds' investment adviser may solicit proxies in person or by telephone. John Hancock Advisers, LLC, 101 Huntington Avenue, Boston, Massachusetts 02199-7603 serves as each fund's investment adviser and administrator. Mellon Investor Services LLC has been retained to assist in the solicitation of proxies at a cost of approximately \$4,000 for each fund, plus reasonable expenses.

13

### Telephone Voting

In addition to soliciting proxies by mail, by fax or in person, the funds may also arrange to have votes recorded by telephone by officers and employees of the funds or by the personnel of the adviser or the transfer agent or solicitor. The telephone voting procedure is designed to verify a shareholder's identity, to allow a shareholder to authorize the voting of shares in accordance with the shareholder's instructions and to confirm that the voting instructions have been properly recorded. If these procedures were subject to a successful legal challenge, the telephone votes would not be counted at the meeting. The funds have not obtained an opinion of counsel about telephone voting, but it is currently not aware of any challenge.

- o A shareholder will be called on a recorded line at the telephone number in the funds' account records and will be asked to provide the shareholder's social security number or other identifying information.
- o The shareholder will then be given an opportunity to authorize proxies to vote his or her shares at the meeting in accordance with the shareholder's instructions.
- o To ensure that the shareholder's instructions have been recorded correctly, the shareholder will also receive a confirmation of the voting instructions by mail.
- o A toll-free number will be available in case the voting information contained in the confirmation is incorrect.

If the shareholder decides after voting by telephone to attend the meeting, the shareholder can revoke the proxy at that time and vote the shares at the meeting.

Other Matters

The management of the funds knows of no business to be brought before the annual meetings except as described above. If, however, any other matters were properly to come before the annual meetings, the persons named on the proxy card intend to vote on those matters in accordance with their best judgment. If any shareholder desires additional information about the matters proposed for action, the management of the funds will provide further information.

The meeting is scheduled as a joint meeting of the shareholders of both funds because the shareholders of the funds are generally expected to consider and vote on similar matters. The Boards of Trustees of the funds have determined that the use of this joint proxy statement for the annual meetings is in the best interest of each fund's shareholders. In the event that any shareholder present at the annual meetings objects to the holding of a joint meeting and moves for an adjournment of the annual meeting with respect to his or her fund to a time immediately after the annual meetings so that his or her fund's meeting may be held separately, the persons named as proxies will vote in favor of that adjournment.

The shareholders of each fund will vote separately on each proposal, and voting by shareholders of one fund will have no effect on the outcome of voting by shareholders of the other fund.

14

SHAREHOLDER PROPOSALS

Shareholder proposals intended to be presented at a fund's annual meeting in 2005 must be received by that fund at its offices at 101 Huntington Avenue, Boston, Massachusetts, after September 30, 2004, but no later than October 29, 2004, for inclusion in that fund's proxy statement and form of proxy relating to that meeting (subject to certain exceptions).

EXHIBIT A

JOHN HANCOCK FUNDS  
AUDIT COMMITTEE CHARTER

A. Composition. The Audit Committee shall be composed exclusively of Independent Trustees who are designated for membership from time to time by the Administration Committee. The Audit Committee shall be composed of at least three Independent Trustees who are free of any relationship that, in the opinion of the Administration Committee, may interfere with such member's individual exercise of independent judgment and are otherwise independent under any applicable rule or listing requirement. Each Audit Committee member shall also meet the independence and financial literacy requirements for serving on audit committees, and at least one member shall have accounting or related

financial management expertise, all as set forth in applicable rules or listing requirements.

B. Overview. The Audit Committee's job is one of oversight. The Audit Committee shall discharge its responsibilities, and shall access the information provided by the funds' management and independent auditors, in accordance with its business judgment. Management is responsible for the preparation of the fund's financial statements and the independent auditors are responsible for auditing those financial statements. The Audit Committee and the Board of Trustees recognize that management (including the internal audit staff) and the independent auditors have more experience, expertise, resources and time, and more detailed knowledge and information regarding a fund's accounting, auditing, internal control and financial reporting practices than the Audit Committee does. Accordingly, the Audit Committee's oversight role does not provide any expert or special assurance as to the financial statements and other financial information provided by a fund to its shareholders and others. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Audit Committee to plan or conduct any audit, to determine or certify that any fund's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee any independent auditor's report.

C. Oversight. The independent auditors shall report directly to the Audit Committee, and the Audit Committee shall be directly responsible for oversight of the work of the independent auditors, including resolution of disagreements between any fund's management and the independent auditors regarding financial reporting.

D. Specific Responsibilities. The Audit Committee shall have the following duties and powers, to be exercised at such times and in such manner as the Committee shall deem necessary or appropriate:

1. To oversee the funds' auditing and accounting process.
2. To approve, and recommend to the full Board of Trustees for its ratification and approval in accord with applicable law, the selection and appointment of an independent auditor for each fund prior to the engagement of such independent auditor.
3. To pre-approve all audit and non-audit services provided to each fund by its independent auditor, directly or by establishing pre-approval policies and procedures pursuant to which such services may be rendered, provided however, that any such policies and procedures are detailed as to particular services, the Audit Committee is informed of each service, and any such policies and procedures do not include the delegation of the Audit Committee's responsibilities under the Securities Exchange Act of 1934 or applicable rules or listing requirements.

4. To pre-approve all non-audit services provided by a Fund's independent auditor to the Fund's investment adviser and any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund.
5. To monitor the independent auditor of each fund throughout the

engagement to attempt to identify: conflicts of interest between management and the independent auditor as a result of employment relationships; the provision of prohibited non-audit services to a fund by its independent auditor; violations of audit partner rotation requirements; and prohibited independent auditor compensation arrangements whereby individuals employed by the auditor are compensated based on selling non-audit services to the fund.

6. To meet with independent auditors, management's internal auditors, and the funds' senior management to review the form and substance of the funds' financial statements and reports.
7. To receive and consider reports on the audit functions of the independent auditors and the extent and quality of their auditing programs.
8. To oversee the adoption and implementation of any codes of ethics required under applicable law.
9. To assess each independent auditor's independence at least annually. In connection with this assessment, the Audit Committee shall obtain and review a report by the independent auditor describing all relationships between the independent auditor and each fund, including the disclosures required by any applicable Independence Standards Board Standard No. 1. The Audit Committee shall engage in an active dialogue with each independent auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.
10. To review and determine appropriate responses to any problems that may be reported to it arising out of a fund's accounting, auditing or financial reporting functions, and to receive and consider reports on critical accounting policies and practices and alternative treatments discussed with management.
11. To review, determine the appropriateness of and approve the auditing and other fees charged by the external auditing firms. The Audit Committee shall be empowered to cause the funds to pay the compensation of the independent auditors.
12. To review the procedures for allocating fund brokerage, the allocation of trades among various accounts under management and the fees and other charges for fund brokerage.
13. To receive and consider reports from the independent auditors regarding reviews of the operating and internal control structure of custodian banks and transfer agents, including procedures to safeguard fund assets.
14. To monitor securities pricing procedures and review their implementation with management, management's internal auditors, independent auditors and others as may be required.
15. To establish and monitor, or cause to be established and monitored, procedures for the receipt, retention, and treatment of complaints received by a listed fund regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of a listed fund regarding questionable accounting or auditing matters, as and when required by applicable rules or listing requirements.

16. To review and discuss with each fund's management and independent auditor the funds' audited financial statements and the matters about which Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU [sec]380) requires discussion.
17. To consider, where required, whether it will recommend to the Board of Trustees of each fund that the fund's audited financial statements be included in the Company's annual report to shareholders.
18. To provide, where required, an annual committee report for inclusion in the proxy statement of each fund relating to any meeting of stockholders.

E. Subcommittees. The Audit Committee may, to the extent permitted by applicable law, form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to preapprove audit or non-audit services shall be presented to the full Audit Committee at its next meeting.

F. Additional Responsibilities. The Committee shall serve as the "qualified legal compliance committee" (as such term is defined in 17 CFR Part 205) ("QLCC"), the duties of which are listed on Attachment 1 to this Charter; and shall also perform other tasks assigned to it from time to time by the Administration Committee or the full Board, and will report findings and recommendations to the Administration Committee or the full Board, as appropriate.

G. Governance. One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, presiding over meetings, and making reports to the Administration Committee or the full Board, as appropriate. The designation of a person as an "audit committee financial expert", within the meaning of the rules under Section 407 of the Sarbanes-Oxley Act of 2002, shall not impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor shall it decrease the duties and obligations of other Committee members or the Board.

H. Miscellaneous. The Committee shall meet as often as it deems appropriate, with or without management, as circumstances require. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other advisers, experts or consultants, at the funds' expense, as it determines necessary to carry out its duties. The Committee shall have direct access to such officers of and service providers to the funds as it deems desirable.

I. Review. The Committee shall review this Charter at least annually and shall recommend such changes to the Administration Committee or the full Board as it deems desirable.

DUTIES AND RESPONSIBILITIES

- > HK The QLCC shall adopt written procedures for the confidential receipt, retention, and consideration of any report of evidence of a material violation.
- > HK The QLCC has the authority and responsibility, once a report of evidence of a material violation by a Fund, its officers, directors, employees or agents has been received by the QLCC:
  - (i) to inform the CLO and CEO of such report (except in the case where the reporting attorney reasonably believes that it would be futile to report evidence of a material violation to the CLO and CEO, and has informed the QLCC of such belief); and
  - (ii) to determine whether an investigation is necessary or appropriate, and, if it determines an investigation is necessary or appropriate, to:
    - (A) notify the full board of directors;
    - (B) initiate an investigation, which may be conducted either by the CLO or by outside attorneys; and
    - (C) retain such additional expert personnel as the QLCC deems necessary;

and, at the conclusion of such investigation, to:

- (A) recommend, by majority vote, that the Fund implement an appropriate response to evidence of a material violation; and
  - (B) inform the CLO and the CEO and the Board of Trustees of the results of any such investigation and the appropriate remedial measures.
- (iii) by majority vote, to take all other appropriate action, including notifying the U.S. Securities and Exchange Commission in the event that the Fund fails in any material respect to implement an appropriate response that the QLCC has recommended.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee has reviewed and discussed with the Funds' management and PricewaterhouseCoopers LLP the audited financial statements of the Funds contained in the Annual Reports on Form N-CSR for the 2003 fiscal year. The Audit Committee has also discussed with PricewaterhouseCoopers LLP the matters required to be discussed pursuant to SAS No. 61 (Codification of Statements on Auditing Standards, AU Section 380), which includes, amount other items,

matters related to the conduct of the audit of the Funds' financial statements.

The Audit Committee has received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with PricewaterhouseCoopers LLP its independence from the Funds.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in each Fund's Annual Report on Form N-CSR for filing with the Securities and Exchange Commission.
