## Edgar Filing: NATURAL GAS SERVICES GROUP INC - Form 8-K

### Item 1.01. Entry into a Material Definitive Agreement.

On October 18, 2004, Natural Gas Services Group, Inc. entered into a Stock Purchase Agreement with Screw Compression Systems, Inc., or "SCS", and the stockholders of SCS. Under this agreement, Natural Gas Services Group agreed to purchase from Paul D. Hensley, Tony Vohjesus and Jim Hazlett, the "selling stockholders", all of the outstanding shares of capital stock of SCS.

SCS is a privately owned manufacturer of natural gas compressors, with its principal offices located in Tulsa, Oklahoma.

The selling stockholders will receive, in proportionate shares (based on their stock ownership of SCS), a total of \$15 million, consisting of:

- o \$8 million in cash;
- o promissory notes issued by Natural Gas Services in the aggregate principal amount of \$3 million bearing interest at the rate of four percent (4.00%) per annum, maturing three years from the date of closing and secured by a letter of credit in the face amount of \$2 million; and
- o 609,576 shares of Natural Gas Services common stock valued at \$4 million, based on the average of the daily closing prices of the common stock for the ninety consecutive trading days ended April 28, 2004. All of the shares, upon issuance, will be "restricted" securities within the meaning of Rule 144 under the Securities Act of 1933, as amended, and will bear a legend to that effect.

Under terms of the agreement, for a period of two years following the closing, the selling stockholders will have the right, subject to certain limitations, to include or "piggyback" the 609,576 shares of common stock received by them in the transaction in any registration statement filed by Natural Gas Services with the Securities and Exchange Commission.

After the closing, SCS will be operated as a wholly owned subsidiary of Natural Gas Services and the selling stockholders will continue in their present positions with SCS under three-year employment agreements. In addition, at closing, Paul D. Hensley will be appointed to fill a vacancy existing on the Board of Directors of Natural Gas Services, to hold office until the next annual meeting of stockholders of Natural Gas Services at which directors are elected, and in connection with the next annual meeting of stockholders, Natural Gas Services will nominate Paul D. Hensley for election as a director to serve for a term the same as the class of directors then standing for election.

Natural Gas Services has agreed to pay to Karifico Consultants a finder's fee in the amount of \$150,000.

The agreement is subject to customary closing conditions, including the approval by the American Stock Exchange of the common stock for listing on AMEX. Closing under the agreement is scheduled to occur not later than December 6, 2004. The agreement may be terminated by the selling stockholders or Natural Gas Services Group if the closing does not occur by December 6, 2004.
