FactSet continued to grow its business in both the United States and international markets during the fiscal 2004 year. The main growth drivers were new client additions, additional subscriptions to databases and value-added applications, international expansion and demand for FactSet's Portfolio Analytics application. Subscriptions from overseas offices increased 20.9% to \$56.2 million from \$46.5 million in fiscal 2004, representing 20.6% of the consolidated total. FactSet's Portfolio Analytics subscriptions increased to over 385 clients, consisting of approximately 2,900 users, as of August 31, 2004.

As previously announced, FactSet closed its acquisition of the JCF Group of companies on September 1, 2004. FactSet paid consideration of \$50,000,000, of which \$10,000,000 was in the form of FactSet common stock. At September 1, 2004, JCF's 368 clients (of which 39 are also FactSet clients), representing over 2,000 users, subscribed to services totaling \$17.7 million in subscriptions. As of September 1, 2004, the combined FactSet and JCF subscriptions totaled approximately \$290.6 million.

Other operational highlights of the fiscal year 2004 include:

Revenues from FactSet's European and Pacific Rim operations were \$39.2 million and \$11.7 million, an increase of 15% and 16%, respectively, from fiscal 2003.

In January 2004, FactSet purchased two million shares of its common stock from one of its co-founders, Howard E. Wille. Also in March 2004, the Company purchased one million shares of its common stock from its other co-founder, Charles J. Snyder.

In February 2004, the Company relocated one of its two primary data centers from Greenwich, Connecticut to Reston, Virginia.

In May 2004, the Company acquired CallStreet, LLC, a leading provider of quarterly earnings call transcripts to the investment community.

FactSet consolidated its Greenwich and Stamford offices into a single office in Norwalk, Connecticut. Occupancy of the Norwalk facility commenced in August 2004.
