ABOUT THE MEETING

WHAT AM I VOTING ON?

The Board of Trustees is soliciting your vote for:

- o The election of two Class II trustees for a three year term
- o The ratification of the appointment of KPMG LLP as our independent auditors for 2005

Our management will report on the performance of the Company during 2004 and respond to questions from shareholders.

WHO IS ENTITLED TO VOTE AT THE MEETING?

Holders of record of our common shares at the close of business on March 7, 2005, are entitled to receive notice of the annual meeting and to vote their common shares held on that date at the meeting.

HOW MANY VOTES DO I HAVE?

Each common share has one vote. The enclosed proxy card shows the number of common shares you are entitled to vote.

WHAT CONSTITUTES A QUORUM?

The presence at the meeting, in person or by proxy, of the holders of a majority of our common shares outstanding on the record date will constitute a quorum, permitting the meeting to proceed. On the record date, 25,048,665 common shares of the Company were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of common shares present at the meeting for the purpose of establishing a quorum.

HOW DO I VOTE?

If you complete and properly sign the enclosed proxy card and return it to us before the meeting, your common shares will be voted as you direct. If you are a shareholder of record and attend the meeting in person, you may deliver your completed proxy card at the meeting. You are also invited to vote in person at the meeting. You may request a ballot when you arrive.

If your shares are held in the name of a bank, broker or other nominee and you wish to vote at the meeting, you must obtain a proxy form from the institution that holds your shares.

If you are a participant in our dividend reinvestment and direct share purchase plan, your plan shares will be voted as you instruct on your proxy

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

card.

DOES EPR HAVE A POLICY FOR CONFIDENTIAL VOTING?

We have a confidential voting policy. Your proxy will be kept confidential and will not be disclosed to third parties, other than our inspector of election and personnel involved in processing the proxy cards and tabulating the vote.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the meeting by sending a written notice of revocation or a duly executed proxy with a later date to the Secretary of the Company. Your proxy will also be revoked if you attend the meeting and vote in person. If you merely attend the meeting but do not vote in person, your previously granted proxy will not be revoked.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote your common shares in accordance with the recommendations of the Board of Trustees. The Board recommends you vote:

- o FOR the election of the persons nominated as Class II trustees
- o FOR the ratification of the appointment of KPMG LLP as our independent auditors for 2005

If any other matter properly comes before the meeting, the proxy holders will vote as recommended by the Board of Trustees or, if no recommendation is given, in their own discretion.

HOW MANY VOTES ARE NEEDED TO APPROVE EACH ITEM?

ELECTION OF TRUSTEES. The affirmative vote of a plurality of the common shares voted at the meeting is required for the election of the Class II trustees. This means the two nominees in Class II receiving the greatest number of votes will be elected. We will not count abstentions or broker non-votes in the election of trustees. If you check "WITHHOLD AUTHORITY" under the nominees' names on your proxy card, your shares will be voted against both nominees. You may also vote against a nominee by striking through his name on your proxy card.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS. The affirmative vote of a majority of the common shares voted at the meeting is required to ratify the appointment of our independent auditors. We will not count broker non-votes or abstentions in the ratification of our independent auditors.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

Some of your shares may be held in more than one account. Please date, sign and return all of your proxy cards to ensure all your common shares are voted.

WHAT IF I RECEIVE ONLY ONE SET OF PROXY MATERIALS ALTHOUGH THERE ARE MULTIPLE SHAREHOLDERS AT MY ADDRESS?

If you and other residents at your mailing address own common shares in street name, your broker, bank or other nominee may have sent you a notice that your household will receive only one annual report and proxy statement for each company in which you hold shares through that broker, bank or nominee. This practice is called "householding." If you did not respond that you did not want

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

to participate in householding, you are deemed to have consented to that process. If these procedures apply to you, your nominee will have sent one copy of our annual report and proxy statement to your address. You may revoke your consent to householding at any time by contacting us at 30 W. Pershing Road, Union Station, Suite 201, Kansas City, Missouri 64108, (816) 472-1700, Attention: Secretary. If you did not receive an individual copy of our annual report and proxy statement, we will send copies to you if you contact us at the above address or telephone number.

Druten and Brain have been nominated upon the recommendation of our independent trustees. Messrs. Druten and Brain have consented to serve on the Board of Trustees for their respective terms. If Mr. Druten or Mr. Brain should become unavailable to serve as a trustee (which is not expected), the nominating/company governance committee may designate a substitute nominee. In that case, the persons named as proxies will vote for the substitute nominee designated by the nominating/company governance committee.

HOW ARE TRUSTEES COMPENSATED?

Each non-employee trustee receives:

- o An annual retainer of \$30,000, which must be taken in common shares, valued at the latest closing price
- o \$1,500 in cash for each Board meeting they attend
- o \$1,000 in cash for each committee meeting they attend
- o Reimbursement for any out-of-town travel expenses incurred in attending Board or committee meetings and other expenses incurred on behalf of the Company

The Chairman of the Board and the Chairmen of the audit, compensation and nominating/company governance committees receive additional annual retainers of \$10,000, \$10,000, \$7,500 and \$5,000, respectively, which may be taken in cash or in common shares valued at 125% of the cash retainer amount.

Employees of the Company or its affiliates who are trustees are not paid any additional compensation for their service on the Board.

Robert J. Druten received options to purchase 10,000 common shares on the effective date of our initial public offering in 1997. Options to purchase 3,333 common shares were granted to each non-employee trustee on the date of each annual meeting from 1998 to 2003, with an exercise price per share equal to the closing price of our common shares on the annual meeting date. Commencing in 2004, the number of options granted annually to each non-employee trustee was increased to 5,000. These options vest after one year and expire after ten years unless terminated earlier because of a trustee's termination from the Board. All of these options were issued under our 1997 Share Incentive Plan.

COMPANY GOVERNANCE

Our Board of Trustees is committed to effective company governance. We adopted Company Governance Guidelines, Independence Standards for Trustees and a Code of Business Conduct and Ethics in 2003 in response to the passage of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") and the related rule proposals of the Securities and Exchange Commission ("SEC") and the New York Stock Exchange ("NYSE"). Following the adoption of revised governance rules by the NYSE and the implementation of the SEC's rules on internal control over financial reporting, we reexamined and made changes to our Company Governance Guidelines, Independence Standards for Trustees and Code of Business Conduct and Ethics and the charters of our audit, nominating/company governance and compensation committees. These documents may be found at the Company Governance section of our website at www.eprkc.com and are available in print to any

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

shareholder who requests them. The

amended and restated committee charters are also attached as Appendix A, B and C to this proxy statement.

We are providing this summary in order to keep you apprised of our continued efforts to improve our governance procedures and to further align the interests of our trustees and management with our shareholders.

COMPANY GOVERNANCE GUIDELINES

Our Company Governance Guidelines address a number of topics, including the role and responsibilities of our Board, the qualifications of independent trustees, the ability of shareholders to communicate directly with the independent trustees, Board committees, separation of the offices of Chairman and CEO, trustee compensation and management succession. Our nominating/company governance committee will continue to review our Company Governance Guidelines on a periodic basis to ensure their effectiveness.

WHO ARE OUR INDEPENDENT TRUSTEES AND HOW WAS THAT DETERMINED?

Our Company Governance Guidelines and the governance rules of the NYSE require that a majority of our trustees be independent. To qualify as independent, our Board must affirmatively determine that a trustee has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). To assist our Board in making this determination, the Board has used our Independence Standards for Trustees as categorical standards to evaluate the independence of our independent trustees. Using those standards, the Board reviewed the independence of Mr. Druten and the trustees whose term of office will continue after the annual meeting. Based upon that review, the Board has affirmatively determined that Messrs. Druten, Earnest, Olson and Brady, who constitute a majority of our Board of Trustees, have no material relationship with the Company and are thus independent in accordance with NYSE rules.

The following is a summary of our Independence Standards for Trustees. For a complete description of those standards, please review our Independence Standards for Trustees at the Company Governance section of our website at www.eprkc.com.

- o A trustee is not independent if:
 - (i) The trustee is, or has been within the last 3 years, an employee of EPR, or an immediate family member of the trustee is, or has been within the last 3 years, an executive officer of EPR.
 - (ii) The trustee has received, or has an immediate family member who has received, during any 12 month period within the last 3 years, more than \$100,000 in direct compensation from EPR, other than trustee and committee fees and pensions or other forms of deferred compensation (provided such compensation is not contingent on future service).
 - (iii) (A) The trustee or an immediate family member is a current partner of the firm that is EPR's internal or external auditor, (B) the trustee is a current employee of the firm, (C) the trustee has an immediate family member who is a current employee of the firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice, or (D) the trustee or an immediate family member was within the last 3 years (but is no longer) a partner or employee of the firm and personally worked on EPR's audit within that

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

time.

- (iv) The trustee or an immediate family member is, or has been within the last 3 years, employed as an executive officer of another company where any of EPR's present executive officers at the same time serves on that company's compensation committee.
- (v) The trustee is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, EPR for property or services in an amount which, in any of the last 3 years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.
- o A person who is an executive officer or affiliate of an entity that provides non-advisory financial services such as lending, check clearing, maintaining customer accounts, stock brokerage services or custodial and cash management services to EPR or its affiliates may be determined by the Board to be independent if the following conditions are satisfied:
 - * the entity does not provide any advisory services to EPR
 - * the annual interest and/or fees payable to the entity by EPR do not exceed the numerical limitation described above
 - * any loan provided by the entity is made in the ordinary course of business of EPR and the lender and does not represent EPR's principal source of credit or liquidity
 - * the trustee has no involvement in presenting, negotiating, underwriting, documenting or closing any such non-advisory financial services and is not compensated by EPR, the entity or any of its affiliates in connection with those services
 - * the Board affirmatively determines that the terms of the non-advisory financial services are fair and reasonable and advantageous to the Company and no more favorable to the provider than generally available from other providers
 - * the provider is a recognized financial institution, non-bank commercial lender or securities broker
 - * the trustee abstains from voting as a trustee to approve the transaction
 - * all material facts related to the transaction and the relationship of the person to the provider are disclosed by EPR in its Exchange Act reports and proxy statement
- o No person who serves, or whose immediate family member serves, as a partner, member, executive officer or comparable position of any firm providing accounting, consulting, legal, investment banking or financial advisory services to EPR, or as a securities analyst covering EPR, shall be considered independent until after the end of that relationship.
- o No person who is, or who has an immediate family member who is, an officer, director, more than 5% shareholder, partner, member, attorney, consultant or affiliate of any tenant of the Company or any affiliate of such tenant shall be considered independent until three

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

years after the end of the tenancy or such relationship.

As we have previously reported, Morgan G. Earnest II is an Executive Vice President of GMAC Commercial Mortgage Corporation, whose Canadian affiliate has provided US \$97 million in mortgage

financing secured by our Canadian properties. The annual interest and loan fees paid by us on the Canadian loan do not exceed the numerical limitations in our Independence Standards for Trustees. Mr. Earnest has received no direct or indirect compensation from any party in connection with the loan. The loan was approved by our independent trustees other than Mr. Earnest. The independent trustees other than Mr. Earnest have determined that the loan does not constitute a material relationship between Mr. Earnest and the Company and that Mr. Earnest is thus independent and qualified to serve as an independent trustee and a member of the audit, nominating/company governance and compensation committees.

HOW OFTEN DID THE BOARD MEET DURING 2004?

The Board of Trustees met five times in 2004. No trustee attended less than 90% of the meetings of the Board and committees on which he served. Our trustees discharge their responsibilities throughout the year, not only at Board of Trustee and committee meetings, but also through personal meetings, actions by unanimous written consent and communications with members of management and others regarding matters of interest and concern to the Company.

DO THE INDEPENDENT TRUSTEES HOLD REGULAR EXECUTIVE SESSIONS?

The independent trustees meet regularly in separate executive sessions without management. Mr. Druten serves as the presiding trustee at those meetings.

HOW CAN SHAREHOLDERS COMMUNICATE DIRECTLY WITH THE BOARD?

Any shareholder is welcome to send a written communication to the non-management trustees about any matter of interest related to the Company. You may communicate with the non-management trustees by either sending a letter to our address listed on the cover page of this proxy statement, or by visiting the Company Governance section of our website at www.eprkc.com, clicking on "Procedures for Confidential Anonymous Submissions," and following the instructions for making a confidential submission. Your communication will be forwarded directly to the non-management trustees and will not be screened by management. Shareholders may also make proposals and nominate candidates for trustee for consideration at any annual meeting in accordance with the procedures described in "Submission of Shareholder Proposals and Nominations" below.

WHAT COMMITTEES HAS THE BOARD ESTABLISHED?

The Board of Trustees has established an audit committee, a nominating/company governance committee and a compensation committee. All of our non-management trustees serve on all three committees. The Board believes this promotes access to a variety of views on all three committees and helps ensure that all of the committees have a broad perspective on the Company's operations as a whole. The Board has affirmatively determined that all of the committee members are independent, as described above in "Who are our independent trustees and how was that determined?" The members of our audit committee also meet the additional independence standards prescribed by SEC Rule 10A-3. Each committee has adopted a written charter governing its duties and responsibilities. The charter of each committee was amended and restated in 2005. Copies of the

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

amended and restated charters are attached to this proxy statement as Appendix A, B and C, respectively.

AUDIT COMMITTEE. The audit committee oversees the accounting, auditing and financial reporting policies and practices of the Company. The committee is directly responsible for assisting the Board of Trustees in its oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, the qualifications and independence of our independent auditors, and the

performance of our internal audit function and the independent auditors. The Board of Trustees has determined that all of the members of the audit committee are "audit committee financial experts" as defined by SEC rules, by virtue of their experience and positions held as described in their biographies listed above. Mr. Olson serves as Chairman of the audit committee. The committee met four times in 2004.

NOMINATING/COMPANY GOVERNANCE COMMITTEE. The nominating/company governance committee evaluates and nominates candidates for election to the Board of Trustees and assists the Board in ensuring the effectiveness of our governance policies and practices. Candidates for nomination to the Board are evaluated and recommended on the basis of the value they would add to the Board in light of their integrity, experience, training and judgment, their financial literacy and sophistication and knowledge of corporate and real estate finance, their knowledge of the real estate and/or entertainment industry, their independence from Company management and other factors. The committee will consider nominations made by shareholders in compliance with the procedures described in "Submission of Shareholder Proposals and Nominations" below. The committee will use the same criteria to evaluate nominees recommended in good faith by shareholders as it uses to evaluate its own nominees, but may give greater weight to nominees recommended by holders of more than 5% of our outstanding common shares. Mr. Druten serves as Chairman of the nominating/company governance committee. The committee met two times in 2004.

COMPENSATION COMMITTEE. The compensation committee approves company goals and objectives relevant to the compensation of our CEO, evaluates our CEO's performance in light of those goals and objectives, determines and approves our CEO's compensation, and makes recommendations to the Board regarding the compensation of our other executive officers and our independent trustees, as well as incentive compensation and equity-based plans that are subject to Board approval. Mr. Earnest serves as Chairman of the compensation committee. The committee met one time in 2004.

WHAT IS OUR POLICY REGARDING TRUSTEE ATTENDANCE AT ANNUAL MEETINGS?

Our trustees are expected to attend each annual meeting of shareholders, although conflict situations can arise from time to time. All of our trustees attended the 2004 annual meeting.

EMPLOYMENT AGREEMENTS

In 2000, we entered into employment agreements with David M. Brain, Fred L. Kennon and Gregory K. Silvers, each for a term of three years, with automatic one-year extensions on each anniversary date. The employment agreements generally provide for:

- o an original annual base salary of \$325,000 for Mr. Brain, \$205,000 for Mr. Kennon and \$175,000 for Mr. Silvers, subject to any increases awarded by the compensation committee. The 2004 base salary amounts for Messrs. Brain, Kennon and Silvers are listed in the Summary Compensation Table.

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

- o an annual incentive bonus in an amount established by the compensation committee if performance criteria adopted by the compensation committee are achieved
- o a loan to Mr. Brain of \$1,407,645 for the purchase of 80,000 common shares and loans of \$281,250 to each of Mr. Kennon and Mr. Silvers for the purchase of 20,000 common shares each under the Share Purchase Program. The loans, which were made by us prior to passage of the Sarbanes-Oxley Act, are evidenced by ten-year recourse promissory notes, with principal and accrued interest payable at maturity. A portion of each officer's share purchase loan will be forgiven upon his death or permanent disability, or if he is terminated without cause or terminates his employment for good reason, as defined in the employment agreement. The entire amount of each executive's loan will be forgiven if he is terminated without cause following a hostile change in control of the Company. The officers are entitled to reimbursement for taxes on income resulting from loan forgiveness.
- o a rolling three-year term, subject to termination by the Company with or without cause
- o salary and bonus continuation following an officer's death, disability or termination without cause

Mr. Brain is entitled to severance compensation equal to his base salary and bonus for the remainder of any three-year employment period if he resigns following a change in control of the Company or upon his death, termination by the Company without cause or termination by Mr. Brain for good reason. Messrs. Kennon and Silvers are entitled to similar severance compensation upon their death, termination by the Company without cause or termination by the executive for good reason.

We entered into an employment agreement with Mr. Peterson in 2005 on terms similar to those of Messrs. Brain, Kennon and Silvers, except that no share purchase loan has been or will be made to Mr. Peterson. The agreement is for a term of two years with automatic one-year extensions on each anniversary date, and provides for an original base salary of \$181,500, subject to any increases awarded by the compensation committee.

HOW ARE OUR EXECUTIVE OFFICERS COMPENSATED?

We have adopted various compensation programs to attract and retain executive officers, to provide incentives to maximize our Funds from Operations, and to provide executive officers with an interest in the Company parallel to that of our shareholders.

Our executive compensation programs are administered by the compensation committee, which is authorized to select from among EPR's eligible employees the individuals to whom awards will be granted and to establish the terms and conditions of those awards. No member of the compensation committee is eligible to participate in any compensation program other than as a non-employee trustee of the Company.

ANNUAL INCENTIVE PROGRAM. The Annual Incentive Program provides for incentive bonuses to officers designated by the compensation committee if selected performance criteria are achieved. The performance criteria and the amount of the bonuses are established each year by the compensation committee.

SHARE INCENTIVE PLAN. We encourage our executive officers to own common

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

shares in the Company. To assist officers with this goal, we provide officers the opportunity to acquire shares through various programs:

- o SHARE PURCHASE PROGRAM. Allows officers to purchase common shares from us at fair market value. The shares may be subject to transfer restrictions and other conditions imposed by the compensation committee.
- o RESTRICTED SHARE PROGRAM. We may award restricted common shares to officers, subject to conditions adopted by the compensation committee. In general, restricted shares may not be sold until the restrictions expire or are removed by the compensation committee. Restricted shares have full voting and dividend rights from the date of issuance. All restrictions on restricted shares lapse upon a change in control of the Company.
- o SHARE OPTION PROGRAM. We may grant options to our officers and employees to purchase shares subject to conditions imposed by the compensation committee.

Under the Share Incentive Plan, a maximum of 3,000,000 common shares, subject to adjustment upon significant Company events, are reserved for issuance under the Plan. There is no limit on the number of total options an individual may receive under the Plan. The maximum number of shares or options which may be awarded to an employee subject to the deductibility limitation of Section 162(m) of the Internal Revenue Code is 250,000 for each twelve-month performance period (or, to the extent the award is paid in cash, the maximum dollar amount equal to the cash value of that number of shares).

COMPENSATION COMMITTEE REPORT

The Board of Trustees has appointed a compensation committee consisting of all of the non-management trustees. All members of the compensation committee are independent as described in "Company Governance - Who are our independent trustees and how was that determined?" The primary responsibilities of the compensation committee are to (i) review and approve Company goals and objectives relevant to the CEO's compensation, evaluate the CEO's performance in light of those goals and objectives, and determine and approve the CEO's compensation level based on that evaluation, and (ii) make recommendations to the Board regarding the compensation of the Company's other executive officers and the independent trustees, as well as incentive compensation and equity-based plans that are subject to Board approval.

The committee has adopted an amended and restated charter which is attached to this proxy statement as Appendix C.

WHAT IS THE COMPANY'S EXECUTIVE COMPENSATION PHILOSOPHY?

EPR's compensation philosophy has several key objectives:

- o create a well-balanced and competitive compensation program utilizing base salary, annual incentives and equity-based compensation
- o reward executives for performance on measures designed to increase shareholder value
- o use share awards and share options to ensure that executives are focused on providing appropriate dividend levels and building shareholder value

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

- o create alignment between the Company's executives and its shareholders by encouraging key executives to purchase shares

The compensation committee used the following compensation programs to meet its compensation objectives for executive officers:

BASE SALARY. The compensation committee established base salaries of \$401,000 for Mr. Brain, \$253,000 for Mr. Kennon, \$253,000 for Mr. Silvers and \$181,500 for Mr. Peterson for 2005. The salary levels were intended to provide a level of compensation competitive with those of other executives performing similar functions at comparable companies and to reward EPR's executives for their efforts on behalf of the Company and the Company's performance and increase in share price during 2004.

ANNUAL INCENTIVE AWARDS. Under the Annual Incentive Plan, the compensation committee established specific annual "performance targets" for each covered executive. The performance targets were based on increases in Funds from Operations per share and other factors aimed at providing

shareholders with an acceptable rate of return. Performance bonuses are payable in cash, restricted common shares (valued at 125% of the cash bonus amount for Messrs. Brain, Kennon and Silvers and 150% of the cash bonus amount for Mr. Peterson), share options (valued at 500% of the cash bonus amount) or a combination of two or more of those. The compensation committee awarded bonuses of \$462,825 to Mr. Brain, \$218,952 to Mr. Kennon, \$217,567 to Mr. Silvers and \$48,125 to Mr. Peterson for 2004.

LONG-TERM COMPENSATION AWARDS. The compensation committee made long term compensation awards to the covered executives consisting of the restricted shares and options disclosed in the columns entitled "Restricted Share Awards" and "Securities Underlying Options" in the Summary Compensation Table.

HOW WAS THE COMPANY'S PRESIDENT AND CEO COMPENSATED?

EPR's President and CEO, David M. Brain, was compensated in 2004 pursuant to an employment agreement entered into in 2000. In establishing Mr. Brain's compensation, the compensation committee took into account the compensation of similar officers of REITs with comparable market capitalizations, Mr. Brain's contributions to the Company's performance, increase in share price and achievement of its acquisition and financing strategies during 2004, and his success in meeting the performance criteria established by the compensation committee.

Mr. Brain received a base salary of \$385,688 in 2004 and a bonus of \$462,825 for 2004. The incentive award paid to Mr. Brain was based on the Company's achievement of target financial results and shareholder return, as well as a subjective evaluation of Mr. Brain's performance during 2004.

HOW WILL 2005 INCENTIVE COMPENSATION BE DETERMINED?

The committee may rely on any of the following factors in determining executive incentive compensation levels for 2005: Funds from Operations, Cash Available for Distribution, return on equity, return on assets, return on acquisitions, net operating income, total shareholder return, dividend growth, financial statement management, and/or achievement of acquisition and financing targets. In evaluating Company performance, the committee may consider 2005 performance against historical performance, budgeted performance, peer organization performance, REIT indices performance, broad market indices performance and/or other factors.

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

HOW IS EPR ADDRESSING INTERNAL REVENUE CODE LIMITS ON DEDUCTIBILITY OF COMPENSATION?

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1,000,000 paid for any fiscal year to the company's chief executive officer and the four other most highly compensated executive officers. The statute exempts qualifying performance-based compensation from the deduction limit if stated requirements are met.

Although the compensation committee has designed the Company's executive compensation program so that compensation will be deductible under Section 162(m), at some future time it may not be possible or practicable or in the Company's best interests to qualify an executive officer's compensation under Section 162(m). Accordingly, the compensation committee and the Board of Trustees reserve the authority to award non-deductible compensation in circumstances they consider appropriate.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the compensation committee is or has been an officer or employee of the Company or any of its subsidiaries. No member of the compensation committee had any contractual or other relationship with the Company during 2004.

TRANSACTIONS BETWEEN THE COMPANY AND TRUSTEES, OFFICERS OR THEIR AFFILIATES

Pursuant to their 2000 employment agreements, Messrs. Brain, Kennon and Silvers are indebted to the Company in the principal amounts of \$1,407,645, \$281,250 and \$281,250, respectively, for the purchase of 80,000, 20,000 and 20,000 common shares, respectively. Each loan is represented by a 10-year recourse note with principal and interest at 6.24% per annum payable at maturity.

AUDIT COMMITTEE REPORT

The Board of Trustees has appointed an audit committee consisting of all of the non-management trustees. All members of the audit committee are independent as described in "Company Governance - Who are our independent trustees and how was that determined?" The committee members also meet the additional independence standards of SEC Rule 10A-3. We believe all members of the audit committee are "audit committee financial experts," as defined by SEC rules, by virtue of their experience and positions held as described elsewhere in this proxy statement.

The primary responsibility of the audit committee is to assist Board oversight of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the qualifications and independence of the independent auditors, and the performance of the Company's internal audit function. The independent auditors are responsible for auditing the Company's annual financial statements and expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. The independent auditors are also responsible for auditing the effectiveness of management's internal control over financial reporting and expressing an opinion on management's evaluation of the effectiveness of its internal control over financial reporting.

The committee has adopted an amended and restated charter which is attached to this proxy statement as Appendix A.

The audit committee has sole authority to engage the independent auditors to perform audit services (subject to shareholder ratification), audit-related services, tax services and permitted non-audit services and the fees therefor. The independent auditors report directly to the committee and are accountable to the committee.

The audit committee has adopted policies and procedures for the pre-approval of the auditors' performance of services on behalf of the Company. Those policies generally provide that:

- o the performance by the auditors of any audit services, audit-related services, tax services or other permitted non-audit services, and the fees therefor, must be specifically pre-approved by the committee or, in the absence of one or more of the committee members, a designated member of the committee
- o pre-approvals must take into consideration, and be conducted in a manner that promotes, the auditors' effectiveness and independence
- o each particular service to be approved must be described in detail and be supported by detailed back-up documentation

In fulfilling its oversight responsibilities, the audit committee reviewed

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

the Company's 2004 audited financial statements with management and the auditors. The committee discussed with the auditors the matters required to be discussed in Statement of Auditing Standards No. 61, "Communications with Audit Committees," and the rules of the SEC and NYSE. This included a discussion of the auditors' judgments regarding the quality, not just the acceptability, of the Company's accounting principles and the other matters required to be discussed with the committee under the rules of the NYSE and the Public Company Accounting Oversight Board ("PCAOB"). In addition, the committee received from the auditors the written disclosures and letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The committee also discussed with the auditors their independence from management and the Company, including the matters covered by the written disclosures and letter provided by the auditors.

The committee discussed with management and the auditors the overall scope and plans for the audit of the financial statements. The committee meets periodically with management and the auditors to discuss the results of their examinations, their evaluations of the Company, the Company's disclosure controls and procedures, internal control over financial reporting and internal audit function, and the overall quality of the Company's financial reporting. The committee held four meetings during 2004.

The audit committee discussed with management and the auditors the critical accounting policies of the Company, the impact of those policies on the 2004 financial statements, the impact of known trends, uncertainties, commitments and contingencies on the application of those policies, and the probable impact on the 2004 financial statements if different accounting policies had been applied.

Based on the reviews and discussions referred to above, the audit committee recommended to the Board of Trustees, and the Board approved, that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

The audit committee has engaged KPMG as the Company's independent auditors to audit the 2005 financial statements, subject to shareholder ratification, and has engaged KPMG to perform specific audit-related services and tax return preparation and compliance, tax consulting and tax planning services during 2005. See Item II - "Ratification of Appointment of Independent Auditors."

The audit committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements. The members of the audit committee are not professionally engaged in the practice of accounting and, notwithstanding the designation of the audit committee members as "audit committee financial experts" pursuant to SEC rules, are not experts in the field of accounting or auditing, including auditor independence. Members of the audit committee rely without independent verification on the information provided to them and the representations made to them by management and the auditors, and look to management to provide full and timely disclosure of all material facts affecting the Company. Accordingly, the audit committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting policies, appropriate internal controls and procedures to ensure compliance with accounting standards and applicable laws and regulations, appropriate disclosure controls and procedures, appropriate internal control over financial reporting, or an appropriate internal audit function, or that the Company's reports and information provided under the Exchange Act are accurate and complete. Furthermore, the audit committee's considerations and discussions referred to above and in its charter do not assure that the audit of the Company's financial statements has been carried out in accordance with PCAOB rules, that the financial statements are free of material misstatement or presented in

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

accordance with generally accepted accounting principles, that the Company's auditors are in fact "independent," or that the matters required to be certified by the Company's Chief Executive Officer and Chief Financial Officer in the Company's annual reports on Form 10-K and quarterly reports on Form 10-Q under the Sarbanes-Oxley Act and related SEC rules have been properly and accurately certified.

ITEM II

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The audit committee has engaged, subject to shareholder ratification, the registered public accounting firm of KPMG LLP as our independent registered public accountants to audit our financial statements and management's internal control over financial reporting for the year ending December 31, 2005. KPMG audited our financial statements for the years ended December 31, 2004, 2003 and 2002 and audited our management's internal control over financial reporting as of December 31, 2004.

Representatives of KPMG are expected to be present at the annual meeting and will be available to respond to appropriate questions about their services.

AUDIT FEES

KPMG billed the Company an aggregate of \$129,150 for professional services rendered in the audit of our financial statements for the year ended December 31, 2003, and the review of the quarterly financial statements included in our Form 10-Q reports filed with the SEC during 2003.

KPMG billed the Company an aggregate of \$292,975 for professional services rendered in the audit of our financial statements for the year ended December 31, 2004, the audit of management's internal control over financial reporting as of December 31, 2004, the review of the quarterly financial statements included in our Form 10-Q reports filed with the SEC during 2004, the review of other filings we made with the SEC during 2004, and the provision of comfort letters and performance of related procedures in connection with public offerings of common shares conducted by us in 2004.

AUDIT-RELATED FEES

KPMG did not bill the Company for audit-related services during 2003. In 2004, KPMG billed the Company an aggregate of \$122,330 for audit-related services in connection with our acquisition of properties in Canada.

TAX FEES

KPMG billed the Company an aggregate of \$106,404 in 2003 and \$118,160 in 2004 for professional services rendered in the areas of tax return preparation

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

and compliance, tax consulting and advice and tax planning, including REIT tax compliance, U.S. and Canadian tax compliance and the determination of the portion of our dividends representing a return of capital. The fees for 2003 and 2004 also included \$21,134 and \$30,340, respectively, in charges incurred in connection with a tax protest in the State of Florida. Of the \$118,160 in tax fees billed for 2004, a total of \$73,175 was for tax return preparation and compliance and \$44,985 was for tax consulting and advice and tax planning.

ALL OTHER FEES

KPMG did not bill the Company for any other services during 2003 or 2004.

The audit committee has adopted policies which require that the provision of services by the auditors, and the fees therefor, be pre-approved by the audit committee. The policies are more particularly described in the audit committee report included elsewhere in this proxy statement. The services provided by KPMG in 2003 and 2004 were pre-approved by the audit committee in accordance with those policies.

The audit committee considered whether KPMG's provision of tax services in 2003 and 2004 was compatible with maintaining its independence from management and the Company, and determined that the provision of those services was compatible with its independence.

THIRD AMENDED AND RESTATED CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF TRUSTEES

JANUARY 2005

The audit committee is appointed by the Board to assist in meeting the Board's responsibilities regarding the quality and integrity of the Company's financial statements and financial reporting and the performance and independence of the Company's independent auditors.

MEMBERSHIP

The committee shall consist of no fewer than three members who meet the independence requirements of the New York Stock Exchange and SEC Rule 10A-3, and who are free from any relationship that, in the opinion of the Board, would interfere with the exercise of their independent judgment as members of the committee. No committee member shall be an "affiliated person" of EPR or any subsidiary, as defined in SEC Rule 10A-3. No committee member shall receive, directly or indirectly, any consulting, advisory or other compensatory fee from EPR or its subsidiaries, other than ordinary course Board and committee fees and fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service, provided the compensation is not contingent in any way on continued service. No payment shall be made by EPR to any firm of which a committee member is a partner, member, executive officer or comparable position which provides accounting, consulting, legal, investment banking or financial advisory services to EPR or any subsidiary. Non-advisory financial services such as lending, check clearing, maintaining customer accounts, stock brokerage services and custodial and cash management services shall not be

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

prohibited if the Board of Trustees affirmatively determines, in accordance with EPR's independence standards for trustees, that the performance of those services does not adversely affect the independence of the committee member.

All members of the committee shall be "financially literate" and have a working familiarity with basic finance and accounting practices. At least one member of the committee shall be an "audit committee financial expert" as defined by Item 401(h) of SEC Regulation S-K.

The members of the committee shall be appointed and may be replaced by the Board. Unless elected by the full Board, the members of the committee may designate a Chairman.

The committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements. The members of the committee are not professionally engaged in the practice of accounting and are not experts in the field of accounting or auditing, including auditor independence. Members of the committee rely without independent verification on the information provided to them and the representations made to them by management and the auditors. Accordingly, the committee's

oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting policies, appropriate internal controls and procedures to ensure compliance with accounting standards and applicable laws and regulations, effective disclosure controls and procedures or effective internal control over financial reporting. Furthermore, the committee's considerations and discussions referred to in this charter do not assure that the audit of EPR's financial statements has been carried out in accordance with the rules of the Public Company Accounting Oversight Board ("PCAOB"), that the financial statements are presented in accordance with generally accepted accounting principles ("GAAP"), or that the auditors are in fact "independent."

PURPOSE AND RESPONSIBILITIES

The committee shall be directly responsible for:

1. Assisting the Board in its oversight of the integrity of EPR's financial statements, EPR's compliance with legal and regulatory requirements, the qualifications and independence of the independent auditors, and the performance of EPR's internal audit function and the independent auditors
2. The engagement (subject to shareholder ratification), compensation, retention and oversight of the independent auditors, who shall report directly to the committee
3. Pre-approving the independent auditors' performance of audit services (including review and attest services), audit-related services, tax services and any other permitted services approved by the committee, and the fees therefor, in accordance with applicable SEC rules and the policies and procedures adopted by the committee from time to time
4. Resolving any disagreements between management and the independent auditors over financial reporting
5. Establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, and the confidential anonymous submission by

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

employees of concerns regarding questionable accounting or auditing matters

6. At least annually, prior to the date the independent auditors' audit report is filed with the SEC, obtaining and reviewing a report by the independent auditors describing:
- o The independent auditors' internal quality control procedures
 - o Any material issues raised by the independent auditors' most recent internal quality control review, or peer review, or by any inquiry or investigation by governmental or professional authorities within the preceding five years, regarding one or more independent audits carried out by the firm, and any steps taken to deal with those issues
 - o All relationships between the independent auditors and the Company
 - o The critical accounting policies and practices of the Company
 - o Material written communications between the independent auditors and management, such as management letters, "internal control" letters or schedules of material audit differences

 - o The process used by management in formulating particularly sensitive accounting estimates and the basis for the independent auditors' conclusions regarding the reasonableness of those estimates
 - o The independent auditors' judgments about the quality of management's accounting principles
 - o The independent auditors' responsibility for other information in documents containing audited financial statements
 - o The independent auditors' views about significant matters that were the subject of consultation with management
 - o Major issues discussed with management prior to the independent auditors' engagement for the ensuing year
 - o Any audit problems or difficulties and management's response, including:
 - (i) any restrictions on the scope of the independent auditors' activities or on access to information
 - (ii) any significant disagreements with management
 - (iii) any accounting adjustments that were noted or proposed by the independent auditors but were "passed" (as immaterial or otherwise)
 - (iv) any communications between the audit team and the auditors' national office regarding auditing or accounting issues presented by the engagement

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

- (v) any "management" or "internal control" letters issued, or proposed to be issued, by the independent auditors
 - o All non-audit services provided by the independent auditors, any other matters required to be discussed by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and any disclosed relationships or services that may impact the objectivity and independence of the independent auditors
- 7. Discussing EPR's annual audited financial statements, quarterly financial statements, and the specific disclosures in "Management's Discussion and Analysis" with management and the independent auditors
- 8. Reviewing the following matters with management and the independent auditors:
 - o Major issues regarding accounting principles and financial statement presentation, including any significant changes in the selection or application of accounting principles, and major issues regarding the adequacy of internal controls and any special audit steps adopted in light of material control deficiencies
 - o Assumptions used in making accounting estimates about matters that are highly uncertain at the time the estimate is made
 - o The likelihood that different estimates EPR reasonably could have used in the current period, or changes in the estimate reasonably likely from period to period, would have a material impact on financial condition, changes in financial condition or results of operations
 - o The reasons why certain estimates or policies are or are not considered critical and how current and anticipated future events impact those determinations
 - o Management's disclosures regarding critical accounting estimates
 - o If an accounting treatment proposed does not comply with EPR's existing accounting policies, or if an existing accounting policy is not applicable, an explanation of why the existing policy was not appropriate or applicable and the basis for the selection of the alternative policy
 - o The range of alternatives available under GAAP that were discussed between management and the independent auditors, the reasons for not selecting those alternatives, and the recognition, measurement and disclosure considerations related to accounting for specific transactions
 - o If the accounting treatment selected was not the preferred method in the independent auditors' opinion, an explanation of the reasons why the auditors' preferred method was not selected by management
 - o Methods used to account for significant or unusual transactions

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

- o Effects of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus
 - o Any significant changes in EPR's critical accounting policies, or proposals for change in those policies, that may have a significant impact on EPR's financial reports
 - o The judgments and uncertainties affecting the application of critical accounting policies, the impact of those policies on EPR's financial reporting and performance, the effect changing conditions may have on the impact of those policies, and the likelihood that materially different financial results would be reported under different conditions or using different assumptions
 - o EPR's disclosure controls and procedures and internal control over financial reporting, including design, documentation, implementation, staffing, outsourcing, evaluation, effectiveness, and any significant deficiencies or material weaknesses and steps adopted by management to remedy the same
 - o The staffing and performance of EPR's internal audit function
 - o The analyses prepared by management and/or the independent auditors regarding specific financial reporting issues and judgments made in preparing the financials, including analyses of the effects of alternative GAAP methods on the financials
 - o The effect of regulatory and accounting initiatives on the financials
 - o The effect of off-balance sheet arrangements and related-party transactions on the financials
 - o Management's compliance with any SEC comments on Exchange Act reports
 - o The impact of any non-GAAP financial information provided by management
 - o Management's policies regarding earnings information, including the type and presentation of information in earnings releases, and financial information and earnings guidance provided to analysts and ratings agencies
 - o The guidelines and policies governing the process by which management assesses and manages the Company's exposure to risk, EPR's major financial risk exposures, and the steps management has taken to monitor and control those exposures
9. Evaluating the independent auditors' qualifications, performance and independence (taking into account the opinions of EPR's management and internal auditors), including a review and evaluation of the lead audit partner

The committee shall meet at least four times annually, or more frequently as circumstances dictate. The committee will evaluate nominees recommended in good faith by shareholders in the same manner and using the same criteria as applicable to the committee's own nominees, but may give greater weight to nominees recommended by holders of more than 5% of EPR's outstanding common shares. In evaluating candidates for nomination to the Board, the committee will review their backgrounds and areas of expertise, and may obtain the views of management, investment bankers and other interested parties. The committee may engage third parties to assist in identifying and evaluating candidates. The committee shall not be required to disclose the reason for accepting or rejecting any nominee.

In nominating candidates for the Board, the committee shall take into consideration such factors as it deems appropriate, including a candidate's judgment, skill, diversity, experience and commitment to good governance practices and the effective operation of the Board. The committee may consider candidates recommended by management, but is not obligated to do so.

At a minimum, candidates for independent trustee, whether recommended by the committee, shareholders or others, must meet the Company's independence standards for trustees, be of high integrity and have sufficient business, industry, financial and/or professional qualifications, skills and experience to make a meaningful contribution to the Board. The committee shall have sole authority to retain and terminate any search firm used to identify trustee candidates and to approve that firm's fees and other retention terms.
