**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS**

To be held May 27, 2004

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed proxy is solicited to the holders of Common Stock, Series D Preferred Stock and Series E Preferred Stock on behalf of the Board of Directors of American Technology Corporation, a Delaware corporation, for use at the Annual Meeting of Stockholders to be held on May 27, 2004, at 2:00 p.m. local time (the "Annual Meeting"), or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at our offices, 13114 Evening Creek Drive South, San Diego, California 92128. We intend to mail this proxy statement, the accompanying proxy card and Notice of Annual Meeting on or about April 29, 2004 to all stockholders entitled to vote at the Annual Meeting..

SOLICITATION

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of our company. No additional compensation will be paid to directors, officers or other regular employees for such services.

VOTING RIGHTS AND OUTSTANDING SHARES

We have designated a record date of April 12, 2004 for the Annual Meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the Annual Meeting. At the close of business on the record date we had outstanding and entitled to vote 19,639,773 shares of common stock, 50,000 shares of Series D Preferred Stock and 253,250 shares of Series E Preferred Stock.

Except as provided below, on all matters to be voted upon at the Annual Meeting, each holder of record of common stock and Series E of Preferred Stock on the record date will be entitled to one vote for each share held, and each holder of Series D Preferred Stock on the record date will be entitled to 2.4833 votes for each share held, or an aggregate of approximately 124,167 votes for the Series D Preferred Stock. With respect to the election of directors, stockholders may exercise cumulative voting rights, i.e., each stockholder entitled to vote for the election of directors may cast a total number of votes equal to the number of directors to be elected multiplied by the number of such stockholders shares (on an as-converted basis) and may cast such total of votes for one or more candidates in such proportions as such stockholder chooses. However, no stockholder will be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and at least one stockholder has given notice at the meeting, prior to the voting, of his or her intention to cumulate votes. Unless the proxyholders are otherwise instructed, stockholders, by means of the accompanying proxy, will grant the proxyholders discretionary authority to cumulate votes.

All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions will be counted towards the tabulation of votes cast on proposals presented to the stockholders for the purposes of determining the presence of a quorum and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether a matter has been approved. If you sign your proxy card or broker voting instruction card with no instructions, your shares will be voted in accordance with the recommendations of the Board.

REVOCABILITY OF PROXIES

Any person giving a proxy pursuant to this solicitation has the power to revoke it at any time before it is voted. It may be revoked by filing with the Chairman of the Board at our principal executive office, 13114 Evening Creek Drive South, San Diego, California 92128, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy.

STOCKHOLDER PROPOSALS

The deadline for submitting a stockholder proposal for inclusion in our proxy statement and form of proxy for our 2005 annual meeting of stockholders pursuant to Rule 14a-8 of the Securities and Exchange Commission is December 30, 2004.

Our bylaws also establish an advance notice procedure with respect to certain stockholder proposals and director nominations. If a stockholder wishes to have a stockholder proposal considered at our next annual meeting, the stockholder must give timely notice of the proposal in writing to the Secretary of our company. To be timely, a stockholder's notice of the proposal must be delivered to, or mailed and received at our executive offices not earlier than February 26, 2005 and not later than March 28, 2005; provided, however, that in the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 days from the anniversary of the scheduled date of this year's Annual Meeting, notice by the stockholder to be timely must be so received not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or, in the event we first make public announcement of the date of such annual meeting fewer than 70 days prior to the date of such annual meeting, the close of business on the 10th day following the day on which we first make public announcement of the date of such meeting.

A stockholder's notice to the Secretary must set forth as to each matter the stockholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and address, as they appear on our books, of the stockholder proposing such business, (iii) the class and number of shares which are beneficially owned by the stockholder, (iv) any material interest of the stockholder in such business and (v) any other information that is required to be provided by the stockholder pursuant to Regulation 14A under the Exchange Act, in his or her capacity as a proponent to a stockholder proposal.

PROPOSAL 1 ELECTION OF DIRECTORS

There are five nominees for the five Board positions presently authorized in accordance with our bylaws. Each director to be elected will hold office until the next annual meeting of stockholders and until his successor is elected and has qualified, or until such director's earlier death, resignation or removal. Each nominee listed below, other than Kalani Jones, is currently a director of our company. All current directors were elected by the stockholders at our 2003 annual meeting. We encourage our board members to attend our annual meetings of stockholders. Five members of our board attended the 2003 annual meeting of stockholders.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the five nominees named below, subject to the discretionary power to cumulate votes. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. Each person nominated for election has agreed to serve if elected and management has no reason to believe that any nominee will be unable to serve.

The five candidates receiving the highest number of affirmative votes cast at the meeting will be elected directors.

BOARD AND COMMITTEE MATTERS AND CORPORATE GOVERNANCE MATTERS

Board of Directors

Our Board of Directors currently consists of four directors: Elwood G. Norris (Chairman), Richard M. Wagner, David J. Carter and Daniel Hunter. During the fiscal year ended September 30, 2003 our Board of Directors held four meetings and acted by unanimous written consent seven times. All directors attended at least 75% of the aggregate of the total number of the meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which he served.

Independence of the Board of Directors

As required under the Nasdaq Stock Market listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors.

After review of all relevant transactions or relationships between each director, or any of his family members, and us, our senior management and our independent auditors, our Board of Directors has affirmatively determined that Messrs. Wagner, Carter and Hunter are independent directors within the meaning of the applicable Nasdaq listing standards.

Executive Sessions

As required under recent Nasdaq listing standards, our independent directors will meet at least twice per year in regularly scheduled executive sessions at which only independent directors are present.

Stockholder Communications with the Board of Directors

Historically, we have not adopted a formal process for stockholder communications with our Board of Directors. Nevertheless, we have made reasonable efforts to ensure that the views of stockholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. We believe our responsiveness to stockholder communications to the Board has been excellent. During the upcoming year the Nominating and Governance Committee of our Board of Directors will give full consideration to the adoption of a formal process for stockholder communications with the Board and, if adopted, promptly post it on our website.

Information Regarding the Board of Directors Committees

During the fiscal year ended September 30, 2003, the Board had two standing committees: the Audit Committee and the Compensation Committee. The current charters for the Audit Committee and the Compensation Committee are included as Annexes 1 and 2. In April 2004, our Board also created a Nominating and Governance Committee and the charter for that committee is attached as Annex 3. The charters have been adopted and in some cases amended and restated to, among other things, reflect changes to the Nasdaq listing standards and SEC rules adopted to implement provisions of the Sarbanes-Oxley Act of 2002.

Audit Committee

Our Board of Directors has a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee oversees our corporate accounting and financial reporting processes. Among other functions, the Audit Committee evaluates the performance of and assesses the qualifications of the independent auditors; engages the independent auditors; determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; confers with senior management and the independent auditors regarding the adequacy and effectiveness of financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent auditors on our audit engagement team as required by law; reviews annually the Audit Committee's written charter and the committee's performance; reviews the financial statements to be included in our Annual Report on Form 10-K; and discusses with management and the independent auditors the results of the annual audit and the results in our quarterly financial statements. The Audit Committee has the authority to retain special legal, accounting or other advisors or consultants as it deems necessary or appropriate to carry out its duties.

The Audit Committee is composed of Messrs. Wagner, Carter and Hunter, each of whom served on the Audit Commitment for all of fiscal 2003. The Audit Committee met five times during fiscal 2003.

The Board of Directors annually reviews the Nasdaq listing standards definition of independence for audit committee members and has determined that all members of our Audit Committee are independent (as independence is currently defined in Rule 4350(d)(2)(A) of the Nasdaq listing standards). Our Board of Directors has determined that Daniel Hunter qualifies as an "audit committee financial expert," as defined in applicable SEC rules. In making such determinations, the Board made a qualitative assessment of Mr. Hunter's level of knowledge and experience based on a number of factors, including his formal education and experience. See "Report of the Audit Committee."

Compensation Committee

The Compensation Committee assists in the implementation of, and provides recommendations with respect to, our general and specific compensation policies and practices including those for our Chief Executive Officer. The Compensation Committee also administers our 2002 Stock Option Plan. All members of the Compensation Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards).

The Compensation Committee is composed of Messrs. Wagner, Carter and Hunter, each of whom served on the Compensation Committee during fiscal 2003. The Compensation Committee held seven meetings during fiscal 2003. See "Report of the Compensation Committee."

Nominating and Governance Committee

Our Board of Directors established a Nominating and Governance Committee in April 2004. The Nominating and Governance Committee is responsible for identifying, reviewing and evaluating candidates to serve on our Board of Directors, reviewing and evaluating our incumbent directors and the performance of our Board; recommending to our Board for selection candidates for election to our Board of Directors; making recommendations to the Board regarding the membership of the committees of our Board; assessing the performance of our Board, including its committees; and developing a set of corporate governance principles for our company. All members of the Nominating and Governance Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards).

The Nominating and Governance Committee is currently composed of Messrs. Wagner, Carter and Hunter. The Nominating and Governance Committee was not established during the fiscal year ended September 30, 2003 and accordingly held no meetings during such year.

Consideration of Director Nominees

Director Qualifications

The Nominating and Governance Committee believes that candidates for director should have certain minimum qualifications, including having the knowledge, capabilities, experience and contacts that complement those currently existing within our company; ability and qualifications to provide our management with an expanded opportunity to explore ideas, concepts and creative approaches to existing and future issues, and to guide management through the challenges and complexities of building a quality company; ability to meet contemporary public company board standards with respect to general governance; stewardship, depth of review, independence, financial certification, personal integrity and responsibility to stockholders; genuine desire and availability to participate actively in the development of our future; and an orientation toward maximizing stockholder value in realistic time frames. The Committee also intends to consider for new Board members such factors as ability to contribute strategically through relevant industry background and experience, on either the vendor or the end user side; strong current industry contacts; ability and willingness to introduce and open doors to executives of potential customers and partners; current employment as the CEO of an acoustic products, media, advertising, military or government supply company larger than our company; independence from our company and current board members; and a recognizable name that would add credibility and value to our company and its stockholders. The Committee may modify these qualifications from time to time.

Evaluating Nominees for Director

The Nominating and Governance Committee reviews candidates for director nominees in the context of the current composition of our Board, our operating requirements and the long-term interests of stockholders. In conducting this assessment, the Committee currently considers, among other factors, diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and our company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Governance Committee reviews such directors' overall service to our company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Committee also determines whether the nominee must be independent, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of our Board of Directors. The Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to our Board of Directors by majority vote. To date, neither the Nominating and Governance Committee nor any predecessor to the Committee has paid a fee to any third party to assist in the process of identifying or evaluating director candidates. To date, neither the Nominating and Governance Committee nor any predecessor to the Committee has rejected a timely director nominee from a stockholder or stockholders holding more than 5% of our voting stock.

Stockholder Nominations

In April 2004, the Board created the Nominating and Governance Committee and provided in its charter that the Committee will establish and oversee a policy for considering stockholder nominees for directors, and will develop the procedures that must be followed by stockholders in submitting recommendations. The Committee's Charter requires it to apply the criteria and principles for director selection to be set forth in Guidelines to be developed by the Committee. The Committee expects to apply the same guidelines to stockholder nominees as applied to nominees from other sources. Any stockholder who wishes to recommend for the Nominating and Governance Committee's consideration a prospective nominee to serve on the Board of Directors may do so by giving the candidate's name and qualifications in writing to our Chairman of the Board at the following address: 13114 Evening Creek Drive, South San Diego, California 92128.

PROPOSAL TWO
RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has selected BDO Seidman, LLP as our independent auditors for the fiscal year ending September 30, 2004 and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. BDO Seidman, LLP has audited our financial statements since 1995. A representative of BDO Seidman, LLP will be present at the Annual Meeting.

Stockholder ratification of the selection of BDO Seidman, LLP is not required by our bylaws or otherwise. However, we are submitting the selection of BDO Seidman, LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will consider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interest of our company and our stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of BDO Seidman, LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders for the purpose of determining a quorum and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

The following table describes fees for professional audit services rendered by BDO Seidman, LLP, our principal accountant, for the audit of our annual financial statements for the years ended September 30, 2003 and September 30, 2002 and fees billed for other services rendered by BDO Seidman, LLP during those periods. These amounts include fees paid to BDO Seidman, LLP and Anton Collins Mitchell LLP, members of the BDO alliance network of firms.

Also included in Audit Related Fees are fees for accounting advice.
- (3) Tax Fees include the aggregate fees paid by us during the fiscal year indicated for professional services rendered by BDO Seidman, LLP for tax compliance, tax advice and tax planning.
- (4) All Other Fees include the aggregate fees paid by us during the fiscal year indicated for products and services provided by BDO Seidman, LLP, other than the services reported above.

Approximately 59% of the total hours to complete the audit of our financial statements for the year ended September 30, 2002 were incurred by Anton Collins Mitchell LLP, members of the BDO alliance network of firms. Such members are not full time, permanent employees of BDO Seidman, LLP.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee on an annual basis reviews audit and non-audit services performed by the independent auditor. All audit and non-audit services are pre-approved by the Audit Committee, which considers, among other things, the possible effect of the performance of such services on the auditors' independence. The Audit Committee has considered the role of BDO Seidman, LLP in providing services to us for the fiscal year ended September 30, 2003 and has concluded that such services are compatible with their independence as our company's auditors. The Audit Committee has established its pre-approval policies and procedures, pursuant to which the Audit Committee approved the foregoing audit services provided by BDO Seidman, LLP in fiscal 2003.

Officers, directors and greater than 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended September 30, 2003, we believe that all persons subject to the reporting requirements pursuant to Section 16(a) filed the required reports on a timely basis with the SEC, except that Renee Warden, Elwood G. Norris, James Irish and James Croft each filed late one Form 4 report each disclosing one transaction.

CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a "Code of Business Conduct and Ethics", a code of ethics that applies to all employees, including our executive officers. A copy of the Code of Business Conduct and Ethics is posted on our Internet site at www.atcsd.com. In the event we make any amendments to, or grant any waivers of, a provision of the Code of Business Conduct and Ethics that applies to the principal executive officer, principal financial officer, or principal accounting officer that requires disclosure under applicable SEC rules, we intend to disclose such amendment or waiver and the reasons therefor on a Form 8-K or on our next periodic report.

Messrs. Wagner, Hunter and Carter served on the Compensation Committee during fiscal 2003. Mr. Wagner served as our Secretary from February 1994 to March 1999. No executive officer of our company served as a member of a compensation committee, or a board of directors performing equivalent functions, of any entity that had one or more of its executive officers serving as a member of our company's Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Introductory Note: The following report is not deemed to be incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Exchange Act, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed soliciting material or filed under such laws.

The primary philosophy of the Compensation Committee regarding compensation is to offer packages which reward each of the members of senior management proportionately to each person's individual performance and to our company's overall financial performance and growth during the previous fiscal year.

The Compensation Committee measured individual and team performance on the basis of both quantitative and qualitative factors. The Compensation Committee believes that the components of executive compensation should include base salary, annual and long-term incentive compensation, stock option grants and other benefits summarized below.

Executive compensation

Base salary. Base salaries are intended to be competitive with market rates and are based on an internal evaluation of the responsibilities of each position. Salaries for executive officers are reviewed on an annual basis. The Committee's compensation policies are designed to set our executive compensation, including salary and short-term and long-term incentive programs, at a level consistent with amounts paid to executive officers of comparable companies and consistent with marketplace requirements to attract and retain management personnel with the experience and background to drive the commercialization of our technologies.

The Committee's compensation policies are particularly designed to align executive officer and senior management salaries and bonus compensation to the individual's performance in the short-term and to emphasize compensation from equity, primarily employee stock options, for long-term incentives.

Long term incentives. Our long-term incentive program consists of a stock option program pursuant to our executive officers (as well as other key employees) are periodically granted stock options at the then fair market value (or higher prices) of our common stock. These option programs are designed to provide such persons with significant compensation based on our overall performance as reflected in the stock price, to create a valuable retention device through standard two to five year vesting schedules and to help align employees' and stockholders' interests. Stock options are typically granted at the time of hire to key new employees, at the time of promotion to certain employees and periodically to a broad group of existing key employees and executive officers.

Chief Executive Officer compensation

The Compensation Committee has responsibility for determining the compensation of the Chief Executive Officer. Mr. Elwood G. Norris served as our Chief Executive Officer until February 10, 2003. Mr. Norris currently remains active in management as Chairman of the Board, an executive position. Prior to his appointment as Chief Executive Officer in September 2000, Mr. Norris had been employed by us as Chief Technology Officer pursuant to a three-year employment agreement dated September 1, 1997. The three-year term expired on August 31, 2000, but the agreement remains in effect until one party gives thirty days advance notice of termination to the other. Mr. Norris now serves as Chairman under the term of this agreement. The agreement, as amended by the Compensation Committee, provides for a base salary of \$16,667 per month. The agreement provides that Mr. Norris will participate in bonus, benefit and other incentives at the discretion of the Board of Directors. Mr. Norris has agreed not to disclose trade secrets and has agreed to assign certain inventions to us during employment. We are also obligated to pay Mr. Norris certain royalties. See "Certain Transactions" below.

In September 2003, Mr. Norris' base salary was increased from \$120,000 per year to \$200,000 per year. The Compensation Committee granted this increase after consideration of Mr. Norris' duties, responsibilities and performance during fiscal 2003. In particular, the Committee noted that Mr. Norris was instrumental in raising over \$13.4 million in capital

for our company during fiscal 2003, Mr. Norris oversaw the recruitment of a professional, experienced management team, and Mr. Norris successfully raised the profile of our company and our products through national press coverage. The Compensation Committee feels that Mr. Norris' compensation remains below market for a person of his experience and responsibilities.

Effective February 10, 2003, we entered into a 90-day engagement letter with Mr. Irish to serve as Chief Executive Officer. Upon completion of the 90-day term we expected to enter into a three-year employment contract. The engagement letter provided for a base salary of \$12,500 per month, subject to review by the Board of Directors from time to time in its discretion. The engagement letter also provided that Mr. Irish would participate in bonus, benefit and other incentives at the discretion of the Board of Directors. Mr. Irish agreed not to disclose trade secrets and agreed to assign certain inventions to us during employment. No employment agreement was executed and Mr. Irish resigned in September 2003. Under the terms of the separation agreement, Mr. Irish received total severance payments of \$258,423, which included \$202,750 as the in-the-money value of vested stock options for 50,000 shares. All of Mr. Irish's stock options, representing a total of 200,000 shares, were cancelled. The separation agreement also contained mutual releases of claims. Due to Mr. Irish's short tenure with our company, his compensation was not specifically performance-related.

Performance-based compensation

Under Section 162(m) of the Internal Revenue Code, compensation payments in excess of \$1 million to each person who served as Chief Executive Officer at the end of a taxable year, and to each of the other most highly compensated executive officers whose compensation must be disclosed in SEC filings, are subject to a limitation of \$1 million on the amount we may deduct as an ordinary business expense. Certain performance-based compensation is not subject to the limitation on deductibility, but our option grants prior to January 2001 did not qualify as performance-based compensation. The total taxable compensation to each employee subject to Section 162(m) during the taxable year ended September 30, 2003 our company was below \$1 million.

We issued stock options prior to January 2001 to the employees subject to Section 162(m) and to certain other executive officers who may become subject to Section 162(m) in future tax years. Where these options are non-qualified stock options, or if any subject employee makes a disqualifying disposition of an incentive stock option, the amount of the deduction that we would otherwise be entitled to may be limited to the extent the ordinary income recognized by the subject employee upon such exercise or disqualifying disposition, together with all other compensation in a given taxable year, exceeds \$1 million. The Compensation Committee intends to attempt to qualify as performance-based compensation future stock option grants to persons who are or may become subject to Section 162(m). However, the Committee may in its discretion award stock options to existing or potential future employees subject to Section 162(m) which do not qualify as performance-based compensation, and the exercise or subsequent disposition of stock acquired from such options may therefore be subject to the limitation on deductibility in Section 162(m).

COMPANY STOCK PRICE PERFORMANCE

Introductory Note: The stock price performance graph below is required by the SEC and will not be deemed to be incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act, or under the Exchange Act, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed soliciting material or filed under such laws.

The following graph compares the five-year cumulative total return on our common stock to the total returns of 1) Nasdaq Stock Market and 2) Nasdaq Stock - Electronic & Electrical Equipment & Components, excluding Computer Equipment. This comparison assumes in each case that \$100 was invested on September 30, 1998 and all dividends were reinvested. Our fiscal year ends on September 30.

CERTAIN TRANSACTIONS

In September 2001, a family trust for which Mr. Elwood G. Norris serves as trustee purchased \$250,000 in principal amount of our 12% Convertible Subordinated Promissory Notes, and in connection with such purchase, received a warrant to purchase 125,000 shares of common stock. The purchase by such trust was on the same terms as those offered to the other purchasers in the same financing. In November 2002, we and a majority of the holders of such notes agreed to extend the maturity date of the notes, including the note held by Mr. Norris' trust, from December 31, 2002 to December 31, 2003. All of such notes were redeemed by us in accordance with their terms in June 2003, and Mr. Norris' family trust received 150,602 shares upon redemption.

Certain beneficial owners of more than 5% of our then outstanding shares of Series D Preferred Stock also held 12% Convertible Subordinated Notes whose maturity dates were extended on the same terms as those described above, and which were redeemed as described above. These holders were: Canusa Trading, Ltd. (\$200,000 principal amount, 120,482 shares issued on redemption), Jerry E. Polis Family Trust (\$250,000 principal amount, 150,602 shares issued on redemption), Leonard M. Teninbaum Keogh Account (\$300,000 principal amount, 180,033 shares issued on redemption), NGHK Holdings, LLC (\$250,000 principal amount, 150,602 shares issued on redemption), Stifel, Nicolaus Custodian for Jonathan A. Berg (\$50,000 principal amount, 30,120 shares issued on redemption), and James C. Zolin and Josephine M. Zolin (aggregate \$150,000 principal amount, aggregate 90,015 shares issued on redemption).

Under the terms of an Assignment of Technology Agreement dated March 2, 1993 and an Addendum Agreement dated December 2, 1996, we are obligated to pay Mr. Norris a 2% royalty on net sales from certain of our technologies, including HyperSonic Sound. The royalty obligation continues until at least March 1, 2007, and for any longer period during which we sell products or license technologies subject to any patent assigned to us by Mr. Norris under this agreement. We have no present plans to market any of the technologies subject to such agreement other than HyperSonic Sound. Mr. Norris waived royalties payable under this agreement in the fiscal year ended September 30, 2003. It is expected that royalties will be paid to Mr. Norris during fiscal 2004. The amount of such royalties will depend on actual sales.

Mark Norris, the son of Elwood G. Norris, is a full-time non-executive employee of our company. In his role as a Mechanical Engineer, Mark Norris was paid \$80,000 in salary for the fiscal year ended September 30, 2003. Mark Norris was also granted 19,000 common shares valued at \$78,280 as a bonus in recognition of his key role in the invention and development of our vacuum-less HSS emitter. During fiscal 2003 Mark Norris was also awarded one stock option grant for 15,000 common shares vesting quarterly over two years and exercisable for five years at \$3.30 per share. He exercised previously granted options for 17,500 common shares during fiscal 2003 realizing a value of \$42,052. No other family member of any executive officer, director or 5% stockholder received compensation of more than \$60,000 during the year ended September 30, 2003.

Certain beneficial owners of more than 5% of our then outstanding shares of Series D Preferred Stock purchased our 8% Senior Secured Promissory Notes on September 30, 2002. These holders were: NGHK Holdings, LLC (\$1,500,000 principal amount), Sunrise Management Profit Sharing Plan (\$50,000 principal amount), Sunrise Capital, Inc. (\$100,000 principal amount), and Canusa Trading Ltd. (\$350,000 principal amount). These notes were originally due December 31, 2003. The notes were secured by our accounts receivable, equipment, goods, instruments and inventory. The notes plus two months' additional accrued interest were subject to mandatory redemption upon the closing of a sale of equity securities in an amount exceeding \$3,000,000. In February 2003, these notes were amended with the consent of the holders of a majority of the outstanding principal amount to extend the maturity date to December 31, 2004. The notes were further amended to permit the then-applicable amount payable by us on redemption to be converted into equity securities. Each of Canusa Trading Ltd., Sunrise Management Profit Sharing Plan and Sunrise Capital, Inc. converted their entire principal amounts to Series E Preferred Stock, and NGHK Holdings, LLC converted \$500,000 of its principal amount to Series E Preferred Stock. Each converting holder was paid in cash the amount of accrued interest through April 2003. In June 2003 a total of \$681,845 of the balance of the notes, all held by NGHK Holdings, LLC, was applied to exercise warrants and in July 2003 the balance of \$318,155 was redeemed by us.

Certain beneficial owners of more than 5% of our then outstanding shares of Series D Preferred Stock purchased the shares of our Series E Preferred Stock and associated warrants. Each such purchase was on the same terms as those offered to other investors in the Series E round. The \$10.00 purchase price of each share of Series E Preferred Stock, increased by \$0.60 per share per year, may be converted at the election of a holder one or more times into common stock at a conversion price of \$3.25. If after September 30, 2003, 90% of the volume weighted average price of the common stock for the five trading days prior to conversion (the discount market price) is less than \$3.25, the conversion price will be reduced to the discount market price; provided, however, that the conversion price cannot be below \$2.00 per share. The Series E Preferred Stock may be called by us for conversion if the market price of our common shares exceeds \$9.50 per share for ten consecutive trading days and certain conditions are met. The Series E Preferred Stock will be subject to mandatory conversion on December 31, 2006. Each purchaser of Series E Preferred Stock was also granted a warrant to purchase one and one half shares of common stock for each share of Series E Preferred Stock purchased, exercisable until December 31, 2007 at a price of \$3.25 per share. Granite Capital LP and Granite Capital II LP purchased 22,500 and 2,500 shares of Series E Preferred Stock, and obtained warrants to purchase 33,750 and 3,750 shares of common stock, respectively; and Stifel Nicolaus Custodian for Jonathan Berg IRA purchased 10,000 shares of Series E Preferred Stock and obtained warrants to purchase 15,000 shares of common stock. NGHK Holdings LLC, Canusa Trading, Ltd, Sunrise Management Profit Sharing Plan and Sunrise Capital, Inc. also purchased Series E Preferred Stock and associated warrants via conversion of principal of 8% Senior Secured Notes, as discussed above.

Meetings and Voting

The Committee will meet at least four times a year, with authority to convene additional meetings, as circumstances require.
