ITEM 2.06 MATERIAL IMPAIRMENTS

On July 22, 2005, New Visual Corporation (the "Company") concluded that the fair value of the Company's film in distribution was less than its unamortized film costs and, accordingly, the Company will record an impairment charge of

\$1,009,777 that will be included in the Company's consolidated statement of operations for the quarter ending July 31, 2005 and will reduce the carrying value assigned to film in distribution to \$0.

The conclusion was based upon information the Company received from the film's distributor in July 2005 relating to lower than expected sales of the DVD.

The impairment charge will not result in future cash expenditures by the Company.
