PROXY STATEMENT

FOR THE ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON FEBRUARY 25, 2016

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

Simulations Plus, Inc. (“we”, “us”, “our”, “Simulations Plus” or the “Company”) is making proxy materials, including this proxy statement (“Proxy Statement”) and the related proxy card, available to its shareholders via the Internet on or about January 15, 2016 because its Board of Directors (the “Board”) is soliciting proxies to vote at the annual meeting of shareholders (“Meeting”) to be held on February 25, 2016, at 2:00 p.m. Pacific Time, at the Company’s principal executive offices located at 42505 10th Street West, Lancaster, California 93534.

What am I voting on?

There are two matters scheduled for a vote at the Meeting:

Proposal No. 1 – To elect five (5) individuals to the Board to serve until the next meeting of shareholders of the Company or until their successors are elected and qualified, subject to prior death, resignation or removal.

Proposal No. 2 – To ratify the appointment of Rose, Snyder, and Jacobs LLP (“RSJ”) as our independent registered public accounting firm for the fiscal year ending August 31, 2016.

Who can vote at the Meeting?

Only shareholders of record at the close of business on December 29, 2015, the record date for the Meeting, will be entitled to notice of, and to vote at, the Meeting. The Company's common stock is its only class of voting securities. As of the record date, there were 16,966,001 shares of the Company's common stock issued and outstanding.

Am I a shareholder of record for purpose of the Meeting?

If, on December 29, 2015, your shares were registered directly in your name with our transfer agent, Broadridge Corporate Issuer Solutions, Inc., then you are the shareholder of record for purposes of the Meeting.

What if my shares are held in an account at a brokerage firm, bank or dealer?

If, on December 29, 2015, your shares were held in an account at a brokerage firm, bank, or dealer (commonly referred to as being held in "street name"), and these proxy materials are being forwarded to you by the organization holding your account, the organization holding your account is considered the shareholder of record with respect to your shares for purposes of the Meeting, and you are considered the beneficial owner of such shares. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account.

How do I vote?

With respect to the election of directors, you may either vote "for" any or all of the nominees proposed by the Board or you may abstain from voting for any or all of the nominees. For each of the other matters to be voted on, you may vote "for" or "against" or abstain from voting altogether.

Shareholders of Record: Shares Registered in Your Name

If you are a shareholder of record, you may vote your shares by proxy over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials you received, or, if you requested to receive printed proxy materials, you may vote by marking, dating, and signing the enclosed proxy card and returning it in the postage-paid envelope provided. Additionally, you may vote your shares in person at the Meeting.

If you are voting your shares by proxy over the Internet, we request that you cast your vote by February 22, 2015, though you can cast your vote over the Internet until 11:59 P.M. Eastern Time the day before the Meeting. If you are voting your shares by returning a proxy card, we request that you return your completed proxy card to us no later than February 14, 2015, though you can return your proxy card at any time as long as we receive it before voting begins at the Meeting. Please note that you may still attend the Meeting and vote in person, even if you have already voted by proxy via either the Internet or mail.

Beneficial Owner: Shares Held in "Street Name"

If you are a beneficial owner of shares held in "street name," you should have received instructions from the organization holding your shares that you must follow for your shares to be voted. The availability of telephonic or Internet voting will depend on the voting process of such organization. Alternatively, you may vote in person at the Meeting, however, in order to do so you must obtain a "legal" proxy from the organization holding your shares, and present it and proof of identification to the inspector of elections at the Meeting. Please contact the organization that holds your shares if you wish to obtain a "legal" proxy.

Regardless of how your shares are held, and whether or not you plan to attend the Meeting, we encourage you to vote your shares via the Internet or by returning a proxy card to ensure that your vote is counted.

If my shares are held in "street name" by a broker or other nominee, will my broker or nominee vote my shares for me?

If your shares are held in street name and you do not instruct your broker or other nominee on how to vote your shares, your broker or other nominee may exercise its discretion to vote your shares only on "routine" matters. The election of directors is considered a non-routine matter. Consequently, without your voting instructions, your broker or other nominee cannot vote your shares on the election of directors. The proposal to ratify the appointment of RSJ as our independent registered public accounting firm is considered a routine matter. Therefore, your broker or other nominee will be able to vote on that proposal even if it does not receive voting instructions from you. If you do not provide voting instructions to your broker or other nominee on the election of directors, and your broker or other nominee votes your shares on the ratification of the appointment of RSJ as our independent registered public accounting firm, your shares will be considered "broker non-votes" as to the election of directors. A broker non-vote will not be considered shares voting or as votes cast with respect to the particular proposal. As a result, a broker

non-vote will not have any effect on the outcome of the particular proposal.

How are votes counted?

Votes will be counted by the Company's corporate secretary who will separately count "for" and "against" votes (other than with respect to the election of directors as to which there is no "against" vote), abstentions, and "broker non-votes".

How many "for" votes are needed to approve each proposal?

Proposal No. 1: The election of directors will be decided by a plurality of votes cast. Accordingly, the five nominees receiving the highest number of "for" votes will be elected. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Proposal No. 2: The ratification of the selection of RSJ as our independent registered public accounting firm must receive a “for” vote from the holders of a majority of the shares of our common stock present in person or by proxy and entitled to vote at the Meeting. Abstentions will have the same effect as “against” votes. Brokers and other nominees generally will have discretionary authority to vote on this proposal because it is considered a routine matter under NASDAQ rules and therefore we do not expect broker non-votes with respect to this proposal.

How many votes do I have?

Each shareholder of record as of December 29, 2015, is entitled to cast one vote for each share of our common stock held on each matter to come before the Meeting, except that shareholders may have cumulative voting rights with respect to the election of directors.

Cumulative voting allows a shareholder to cast a number of votes equal to the number of directors to be elected, which is five (5), multiplied by the number of shares such shareholder is entitled to vote. This total number of votes may be cast for one nominee or may be distributed among as many nominees as the shareholder desires. Under California law, no shareholder can cumulate votes unless, prior to voting at the Meeting, such shareholder or any other shareholder entitled to vote has given notice of his or her intention to cumulate his or her votes at the Meeting. If any shareholder properly gives such notice, then all shareholders may cumulate their votes for the election of directors. Our Board does not, at this time, intend to give such notice or to cumulate the votes it may hold pursuant to the proxies solicited herein unless the required notice by a shareholder is given, in which event shares represented by proxies solicited by this Proxy Statement may be cumulated at the discretion of the proxy holders, in accordance with the recommendation of our Board.

What is the quorum requirement?

A quorum of shareholders is necessary to hold the Meeting. A quorum will be present if at least a majority of the outstanding shares on the record date are present either in person or by proxy at the Meeting. On the record date, December 29, 2015, there were 16,966,001 shares outstanding and entitled to vote. Accordingly, 8,483,001 shares must be present either in person or by proxy at the Meeting in order to establish a quorum at the Meeting.

If you submit a valid proxy (by Internet or mail), regardless of whether you abstain from voting on one or more matters, your shares will be counted as present at the Meeting for purposes of determining a quorum. Broker non-votes will also be counted as present at the Meeting for purposes of determining a quorum. If there is no quorum, a majority of the shares present either in person or by proxy at the Meeting may adjourn the Meeting to another date.

What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials?

If you receive more than one Notice of Internet Availability of Proxy Materials, then your shares are registered in more than one name or are registered in different accounts. Please follow the instructions on each Notice of Internet Availability of Proxy Materials to ensure that all of your shares are voted at the Meeting.

What if I vote online or return a proxy card but do not make specific choices?

If you vote online, or return a signed and dated proxy card, without marking any voting selections, all of your shares will be voted “for” the election of the nominees for director described herein and “for” the ratification of RSJ as our independent registered public accounting firm. If any other matter is properly presented at the Meeting, your proxy (one of the individuals named on your Notice of Internet Availability of Proxy Materials or on your proxy card) will vote your shares using his or her best judgment.

Can I change my vote after submitting my proxy?

You can change your vote with respect to any proposal by revoking your proxy at any time prior to the commencement of voting with respect to that proposal at the Meeting. You may revoke your proxy in one of three ways:

By delivering to our corporate secretary (c/o Virginia Woltoz, Simulations Plus, Inc. 42505 10th Street West, Lancaster, CA 93534) a duly executed proxy bearing a date later than the date of the proxy you wish to revoke. Such later-dated proxy must be delivered before voting begins at the Meeting.

By delivering to our corporate secretary (c/o Virginia Woltoz, Simulations Plus, Inc. 42505 10th Street West, Lancaster, CA 93534) a written notice of revocation dated later than the date of the proxy you wish to revoke. Such written notice of revocation must be delivered before voting begins at the Meeting.

By attending the Meeting and voting in person. Bear in mind that simply attending the Meeting will not, by itself, revoke your proxy. In addition, please recall that if you are a beneficial owner of shares held in “street name” and wish to vote in person at the Meeting, you must obtain a “legal” proxy from the organization holding your shares and present it to the inspector of elections, along with proof of identification, at the Meeting.

Following the commencement of voting with respect to a proposal, you may not revoke your proxy or otherwise change your vote with respect to such proposal.

How can I find out the results of the voting at the Meeting?

Preliminary voting results are expected to be announced at the Meeting. We will report final voting results in a Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission (the “SEC”) within four business days after the Meeting.

Who is paying for this proxy solicitation?

We are soliciting proxies from our shareholders on behalf of our Board and will pay for all costs incurred in connection with such solicitation. In addition to soliciting proxies by this proxy statement, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks, and other agents for the cost of forwarding proxy materials to beneficial owners.

PROPOSAL No. 1: ELECTION OF DIRECTORS

Nomination of Directors

The Governance and Nominating Committee of the Board (the “Nominating Committee”) is charged with making recommendations to the Board regarding qualified candidates to serve as members of the Board. The Nominating Committee’s goal is to assemble a board of directors with the skills and characteristics that, taken as a whole, will assure a strong board of directors with experience and expertise in all aspects of corporate governance. Accordingly, the Nominating Committee believes that candidates for director should have certain minimum qualifications, including personal integrity, strength of character, an inquiring and independent mind, practical wisdom and mature judgment. In evaluating director nominees, the Nominating Committee considers the following factors:

- (1) The appropriate size of the Board;
- (2) The Company’s needs with respect to the particular talents and experience of its directors; and
- (3) The knowledge, skills and experience of nominees, including experience in technology, business, finance, administration, or public service.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating Committee may also consider such other factors as it deems to be in the Company’s and its shareholders’ best interests, including diversity. The Nominating Committee does, however, believe it appropriate for at least one member of the Board to meet the criteria for an “audit committee financial expert” as defined by SEC rules, and for a majority of the members of the Board to meet the definition of an “independent director” under NASDAQ listing standards. The Nominating Committee also believes it is appropriate for our Chief Executive Officer to serve on the Board.

The Nominating Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, but the Nominating Committee at all times seeks to balance the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, the Nominating Committee’s policy is to not re-nominate that member for reelection. The Nominating Committee identifies the desired skills and experience of a new nominee, and then uses its network of contacts to compile a list of candidates.

We do not have a formal policy concerning shareholder recommendations of nominees for director to the Nominating Committee. The absence of such a policy does not mean, however, that such recommendations will not be considered. To date, we have not received any recommendations from shareholders requesting the Nominating Committee to

consider a candidate for inclusion among the Nominating Committee's slate of nominees in our proxy statement. Shareholders wishing to recommend a candidate may do so by sending a written notice to the Nominating Committee, Attn: Chairman, Simulations Plus, Inc., 42505 10th Street West, Lancaster, CA 93534, naming the proposed candidate and providing detailed biographical and contact information for such proposed candidate.

There are no arrangements or understanding between any of our directors, nominees for directors or officers, and any other person pursuant to which any director, nominee for director, or officer was or is to be selected as a director, nominee or officer, as applicable. There currently are no legal proceedings, and during the past ten years there have been no legal proceedings, that are material to the evaluation of the ability or integrity of any of our directors or director nominees. There are no material proceedings to which any director, officer, affiliate or owner of record or beneficially of more than 5% of any class of voting securities of the Company, or any associates of any such persons, is a party adverse to the Company or any of our subsidiaries and none of such persons has a material interest adverse to the Company or any of its subsidiaries. Other than as disclosed below, during the last 5 years, none of our directors held any other directorships in any company with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or subject to the requirements of Section 15(d) of the Exchange Act or any company registered as an investment company under the Investment Company Act of 1940.

Board Recommendation

PROPOSAL No. 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Background

The Audit Committee of the Board has selected Rose, Snyder, and Jacobs, LLP (RSJ) as our independent registered public accounting firm for the fiscal year ending August 31, 2016, and has further directed us to submit the selection of RSJ as our independent registered public accounting firm for ratification by the shareholders at the Meeting. Neither our governing documents nor any applicable laws require shareholder ratification of the selection of RSJ as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of RSJ to the shareholders for ratification as a matter of good corporate practice. If the shareholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain RSJ. Even if the selection is ratified however, the Audit Committee, in its discretion, may appoint a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and those of our shareholders.

Representatives of RSJ are not expected to be present at the Meeting. Accordingly, RSJ will not have an opportunity to make a statement or be available to respond to questions at the Meeting.

Audit Committee Policy Regarding Preapproval of Audit and Permissible Non-audit Services of Our Independent Registered Public Accounting Firm

The Audit Committee has adopted policies and procedures for the preapproval of all audit and non-audit services to be rendered by our independent registered public accounting firm. Under the policies and procedures, the Audit Committee generally preapproves specified services in defined categories up to specified amounts. Preapproval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on a case-by-case basis for specific tasks before engagement. The Audit Committee has delegated the preapproval of services to the chairman of the Audit Committee who is required to report each preapproval to the full Audit Committee no later than its next meeting. All of the Audit Fees and Audit-Related Fees set forth in the table above were approved by the Audit Committee. The Audit Committee has approved RSJ to perform tax services for the Company for the years ended August 31, 2015 and 2016.

Board Recommendation

Section 16(a) of the Exchange Act, requires that the Company's directors and executive officers and beneficial holders of more than 10% of the Company's common stock file with the SEC initial reports of ownership and reports of changes in ownership of the Company's equity securities.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended August 31, 2015, all Section 16(a) filing requirements applicable to our officers, directors and 10% beneficial owners were timely met.

BOARD MATTERS AND CORPORATE GOVERNANCE**Information Regarding the Board and Its Committees**

The Board met five times during the fiscal year ended August 31, 2015. Each member of the Board attended 75% or more of the aggregate number of meetings of the Board and of the committees of the Board on which he or she served that was held during the period for which he or she was a director or committee member, respectively.

The Board has three committees: Audit Committee, Compensation Committee, and Nominating Committee. The following table provides information for the current membership for each of the committees of the Board:

Name	Audit Committee	Compensation Committee	Nominating Committee
Dr. David D'Argenio	X	X	* X
Dr. John K. Paglia**	X	* X	X
Dr. David Ralph	X	X	X *

* Committee Chairperson

** On December 3, 2014, Dr. Paglia was appointed to each of the committees.

Below is a description of each committee of the Board. The Board has determined that each member of each committee, and each member of the Board, except for Mr. Woltoz and Dr. Grasela, is "independent" within the meaning of the applicable listing standards of the NASDAQ Stock Market, as well as applicable SEC rules and regulations and that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment with regard to the Company.

Audit Committee

The Audit Committee has been established in accordance with Section 3(a)(58)(4) of the Exchange Act and bears direct responsibility for the appointment and termination, compensation, and oversight of the work of our independent registered public accounting firm, who reports directly to the Audit Committee. The Audit Committee operates pursuant to a charter that is available in the "Investors" section of our corporate website at www.simulations-plus.com, under "Investors – Shareholder Information". The Audit Committee has received written disclosures and the letter from our independent registered public accounting firm pursuant to the applicable requirements of Public Company Accounting Oversight Board ("PCAOB") regarding the independent auditor's communications with the Audit Committee concerning independence and the Audit Committee has discussed with the independent accountant the

independent accountant's independence. The Audit Committee also reviews and discusses with our management and independent registered public accounting firm the financial statements and disclosures in our quarterly financial press releases and SEC filings. Audit Committee members periodically meet separately with our management and independent registered public accounting firm to discuss issues and concerns, and the Audit Committee has established procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or audit matters, in a confidential manner.

The Board has determined that Dr. Paglia qualifies as an "audit committee financial expert" in accordance with applicable SEC rules and as "independent" under the applicable NASDAQ listing standards. The Audit Committee met four times during the fiscal year ended August 31, 2015.

In performing its responsibilities, the Audit Committee has reviewed and discussed with management and the Company's independent auditors the audited financial statements in the Company's Annual Report on Form 10-K for the year ended August 31, 2015 (the "2015 Form 10-K"). The Audit Committee has also discussed with the independent registered public accounting firm matters required to be discussed by Auditing Standard No. 61, Professional Standards, as adopted by the PCAOB. Based on the reviews and discussions referred to above, the Audit Committee unanimously recommended to the Board that the audited financial statements be included in the 2015 Form 10-K.

Compensation Committee

The Compensation Committee administers our executive compensation program and is responsible for establishing, implementing and monitoring adherence to our philosophy with respect to executive compensation. The Compensation Committee is responsible for reviewing and making recommendations regarding the compensation of our Chief Executive Officer as well as reviewing the compensation of other executive officers. The Compensation Committee serves as the administrative committee of the Company's stock option plan and advises the Board on other incentive compensation plans and equity-based plans. The Compensation Committee has the sole authority to retain and terminate compensation consultants, independent legal counsel and other advisers and have sole authority to approve any such consultant's and or advisor's fees associated with their duties. The committee's charter is available on the company's website at www.simulations-plus.com.

The Compensation Committee met four times during the fiscal year ended August 31, 2015.

Nominating Committee

The Nominating Committee makes recommendations to the Board regarding candidates for election to the Board, as well as the composition and size of the Board and its committees and qualifications for membership. In connection with performing their duties, the members of the Nominating Committee are fully empowered to engage one or more search firms to identify potential director candidates. The Nominating Committee is also charged with recommending the appointment of new directors to our Board, committee structure and membership, director compensation, and chief executive officer succession planning.

The Nominating Committee provides instructions in each annual proxy statement regarding how shareholders can make director nominations. The Nominating Committee does not have a formal policy for consideration of any director candidates recommended by shareholders, including the minimum qualifications for director candidates, as the Nominating Committee has never received a recommendation from a shareholder; but any such nomination, if received, would be considered on an equal basis with candidates identified by the Nominating Committee. The Nominating Committee has not used any third party to identify, evaluate, or assist in identifying and/or evaluating potential nominees and to date has not paid any fee to any third party for such services. The committee's charter is available on the company's website at www.simulations-plus.com.

The Nominating Committee met two times during the fiscal year ended August 31, 2015.

Board Leadership Structure

The Company's Chief Executive Officer also serves as Chairman of the Board and the Company does not have a lead independent director and does not believe one is necessary. We believe our leadership structure is appropriate for the size and scope of operations of a company of our size.

Board's Role in Risk Management

The Board is responsible for oversight of risks facing the Company, while our management is responsible for day-to-day management of risk. The Board, as a whole, directly oversees our strategic and business risk, including financial reporting related risk, compensation practice risk, and product development risk. We believe the Board, as a whole, supports its role in risk oversight, with our Chief Executive Officer, President, and our Chief Financial Officer responsible for assessing and managing risks facing the Company day-to-day and other members of the Board providing oversight of such risk management.

Director Compensation

During fiscal years 2014 and 2015, independent directors received annual stipends of \$9,000. In addition at the end of each fiscal year they receive options to purchase 5,000 shares of the Company's common stock. These amounts are pro-rated for the time of service in the year a new director joins the Board. The independent directors each receive \$1,500 for each Board meeting attended. Mileage expense to attend those meetings is reimbursed at the Internal Revenue Service defined rate for business use.

The Company's President and Chief Executive Officer, Mr. Woltoz, serves also as director and has a role in determining/recommending the amount or form of compensation for independent directors. Neither Mr. Woltoz nor Dr. Grasela, each of whom is also one of our executive officers, receives any compensation for their service as a director.

A discussion of the assumptions used in calculating the grant date fair value is set forth in Note 6 to the consolidated financial statements included in our 2015 Form 10-K.

Shareholder Communications with the Board

We have not adopted a formal process for shareholder communications with the Board. However, any shareholder comments and communications received by our Investor Relations personnel are forwarded to the Board or individual directors, as applicable, and appropriate responses are provided to shareholders in a timely manner. We believe that these informal communication efforts have proven effective, and obviate the need for any formal process.

Although we do not have a formal policy, members of the Board are invited to attend annual meetings of our shareholders. All of our directors attended our 2015 annual meeting of shareholders.

Certain Relationships and Related Transactions

Transactions with Related Persons. We have not entered into any transactions with any of our directors, nominees for director, officers or principal stockholders, nor any associate or affiliate of the foregoing, since the beginning of fiscal year 2014 and we are not currently considering any proposed transactions with such related persons, in which we are, or plan to be, a participant and the amount involved exceeds the lesser of \$120,000 or one percent (1%) of the average of our total assets at year end for the last two completed fiscal years, and in which any such related person had or will have a direct or indirect material interest.

Review, Approval or Ratification of Transactions with Related Persons. We have not adopted any formal procedures for the review or ratification, or standards for approval, of related-party transactions but instead review such transactions on a case-by-case basis.

Interest of Certain Persons in Matters to be Acted Upon

Other than the election of directors, none of our directors, nominees for director, executive officers or their associates have any interest, direct or indirect, by security holdings or otherwise, in any of the matters to be acted upon at the Meeting as described in this Proxy Statement.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

The purpose of our compensation program is to attract and retain talented and dedicated professionals to manage and execute our strategic plans and tactical operations.

The goal of our Named Executive Officer compensation program is the same as our goal for operating our business - to create long-term value for our shareholders. Toward this goal, we have designed and implemented our compensation programs for our Named Executive Officers to reward them for sustained financial and operating performance and leadership excellence, to align their interests with those of our shareholders and to encourage them to remain with the Company for long and productive careers. Most of our compensation elements simultaneously fulfill one or more of our performance, alignment and retention objectives. These elements consist of salary and annual bonus, equity incentive compensation, and 401(k) matching retirement benefits. In deciding on the type and amount of compensation for each Named Executive Officer, we focus on both current pay and the opportunity for future compensation. We combine the compensation elements for each Named Executive Officer in a manner we believe optimizes the Named Executive Officer's contribution to the Company.

Determining Compensation

We rely on Board judgment in making compensation decisions, after reviewing the performance of the Company and carefully evaluating an executive's performance during the year against established goals, leadership qualities, operational performance, business responsibilities, career with the Company, current compensation arrangements, and long-term potential to enhance shareholder value.

The compensation of our Chief Executive Officer ("CEO") is determined by the Compensation Committee. The salaries of all other officers are determined by the CEO and the Compensation Committee together. Option grants for all officers other than our CEO are recommended by the CEO and the Company's Chief Financial Officer ("CFO") and approved by the Compensation Committee. The Company has not retained a compensation consultant to date.

Employment and Other Compensation Agreements

CEO Employment Agreement

In August 2013, we entered into an employment agreement with Mr. Woltosz for his services as our President and Chief Executive Officer, which was effective from September 1, 2013 through August 31, 2014. This agreement provided for an annual base salary of \$300,000, an annual performance bonus of up to 5% of the Company's net income before taxes of the previous fiscal year, not to exceed \$60,000, and the grant of an option to purchase 10 shares of the Company's common stock for each \$1,000 of net income before taxes that the Company earns at the end of each fiscal year (up to a maximum of 20,000 shares over the term of the agreement) with an exercise price equal to 10% over the market value per share as of the date of grant.

In August 2014, we entered into another employment agreement with Mr. Woltosz for his services as our Chief Executive Officer, which was effective September 1, 2014 and continued until August 31, 2015. Under the terms of this employment agreement, Mr. Woltosz was required to devote a minimum of 60% of his productive time to performing the duties as our Chief Executive Officer. The agreement provided for an annual base salary of \$180,000, an annual performance bonus of up to 5% of the Company's net income before taxes of the previous fiscal year, not to exceed \$36,000, and the grant of an option to purchase six shares of the Company's common stock for each \$1,000 of net income before taxes that the Company earns at the end of each fiscal year (up to a maximum of 12,000 shares over the term of the agreement) with an exercise price equal to 10% over the market value per share as of the date of grant. In August 2015 this agreement was renewed for another year on the same terms.

Under his current employment agreement, we agreed to provide Mr. Woltosz, at 60% of our actual costs, with such health insurance and other benefits which are appropriate to his office and position, adequate to the performance of his duties and not inconsistent with that which we customarily provide to our other management employees. We also agreed to reimburse him for customary, ordinary, and necessary business expenses incurred in connection with the rendering of services.

The agreement also provides that we may terminate the agreement without cause upon thirty (30) days written notice, and that upon any such termination our only obligation to Mr. Woltosz would be for a payment equal to the greater of (i) 12 months of salary or (ii) the amount of salary for the remainder of the term of the agreement from the date of notice of termination. Further, the agreement provides that we may terminate the agreement for “cause” (as defined in the agreement) and that our only obligation to Mr. Woltosz upon any such termination would be limited to the payment of Mr. Woltosz’ salary and benefits through and until the effective date of any such termination.

President’s employment agreement

On September 2, 2014, Thaddeus H. Grasela, Jr., Ph.D., was appointed President of the Company and its wholly-owned subsidiary Cognigen(aka Buffalo Division of Simulations Plus). The Company and Cognigen have entered into an Employment Agreement with Dr. Grasela (the “Grasela Employment Agreement”) which has a three-year term. Pursuant to the Grasela Employment Agreement, Dr. Grasela receives an annual base salary of \$250,000, is eligible to receive Company stock options under the 2007 Simulations Plus, Inc. Stock Option Plan, as determined by the Board, and is eligible to receive an annual performance bonus in an amount not to exceed 10% of salary to be determined by the Compensation Committee of the Board. On September 1, 2015 the Compensation Committee awarded Dr. Grasela a \$25,000 performance bonus.

Other Executive Officers

Bonuses for all other employees are determined through a calculation of two factors, one for longevity and one for performance, with the greater emphasis on performance. Supervisors provide an evaluation of each employee in five areas: attendance; attitude; productivity; skill level with respect to the position; and contribution to the Company’s profitability. A scoring system is used and bonuses are awarded based on this system and the total budget for bonuses as determined by the CEO and CFO with the approval of the Board.

The Company provides 401(k) matching up to 4% of employees’ salaries or wages up to the U.S. Internal Revenue Service maximum allowable, regardless of their position within the Company.

There are no other perquisites or other benefits of any kind for any officer or any other employee or director of the Company.

Risk Assessment

The Compensation Committee has determined that our compensation programs are designed and administered with the appropriate balance of risk and reward in relation to our overall business strategy and do not encourage our executives to take unnecessary or excessive risks that are reasonably likely to have a material adverse effect on the

Company.

HOUSEHOLDING INFORMATION

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for shareholders and cost savings for companies.

We have adopted householding for our shareholders who share an address. If you reside at the same address as another shareholder of the Company, and wish to receive a separate copy of the applicable materials, you may do so by making a written or oral request to: Renee Bouche, Simulations Plus, Inc., at 42505 10th Street West, Lancaster, CA 93534, or call (661) 723-7723. Upon your request, we will promptly deliver a separate copy to you.

Some brokers household proxy materials, delivering a single proxy statement or notice to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, please notify your broker directly.

Any shareholders who share the same address and currently receive multiple copies of our proxy statements and annual reports, as applicable, and who wish to receive only one copy in the future may contact their bank, broker, or other holder of record, or the Company at the contact information listed above, to request information about householding.

SHAREHOLDER COMMUNICATIONS

Shareholders are encouraged to contact the Company with any requests for information or to communicate with the Board via telephone, mail, or through our web site investor information request form at:
<http://www.simulations-plus.com/InvestorForm.aspx> or through the general information request page:
<http://www.simulations-plus.com/contact.aspx>.

SHAREHOLDER PROPOSALS

Under certain circumstances, our shareholders are entitled to present proposals at shareholder meetings. Shareholders of the Company who intend to submit proposals, including proposals for director nominees, to the Company’s shareholders for inclusion in the Company’s proxy materials for the 2017 Annual Meeting of Shareholders must submit such proposals to the Company no later than September 5, 2016, which is 120 calendar days before the date this Proxy Statement is released to shareholders, unless the date of the 2017 Annual Meeting of the Shareholders has

been changed by more than 30 days from the corresponding month and day of the 2016 Annual Meeting of Shareholders, in which case the deadline is a reasonable time before we begin to print and send our proxy materials. Proposals received by the Company after such date will be considered untimely. Shareholder proposals should be directed to the attention of the Corporate Secretary of the Company, Virginia Woltosz, at 42505 10th Street West, Lancaster, California 93534. The submission by a shareholder of a proposal does not guarantee that it will be included in the proxy statement. Shareholder proposals are subject to certain regulations and requirements under the federal securities laws.

Shareholders who intend to submit proposals to the Company's shareholders at the 2017 Annual Meeting of Shareholders but intend to submit such proposals on their own, either from the floor or through their own proxy statement and proxy, must, in order for such matters to be voted upon by the Company's shareholders, give notice of such to the management of the Company by November 13, 2016, which is 45 calendar days before the date this Proxy Statement is released to shareholders, unless the corresponding date of the 2017 Annual Meeting of the Shareholders has been changed by more than 30 days from the month and day of the 2016 Annual Meeting of Shareholders, in which case the deadline is a reasonable time before we begin to print and send our Proxy materials. The persons named as proxies for the 2017 Annual Meeting of Shareholders will have discretionary authority to vote on any shareholder proposal not included in the Company's proxy materials for the meeting, unless the Company receives notice of the proposal prior to the forty-five (45)-day deadline. If proper notice is received by that date, the proxy holders will not have discretionary voting authority except as provided in federal regulations governing shareholder proposals.

OTHER MATTERS

The Board knows of no other matters to be presented at the Meeting other than those described above. However, if any other matters properly come before the Meeting, it is intended that any shares voted by proxy will be voted in the discretion of the Board.
