PART III  
NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The management of Pacific Premier Bancorp, Inc. (the "Company") has been working diligently to prepare the Company's Annual Report on Form 10-K for the year ended December 31, 2007 ("Annual Report"), but the work necessary to complete the Annual Report cannot be finished in sufficient time to permit the filing on the scheduled due date of March 31, 2008 without unreasonable effort or expense. The delay in completing the work for the Annual Report is primarily due to the Company's system wide computer conversion that occurred in February 2008 which affected scheduling and review of the work required for completing the Annual Report. The Company does not expect the audited results for fiscal 2007 to be materially different from the amounts provided in its earnings release issued on January 29, 2008. The Company continues to dedicate significant resources to complete the Annual Report and currently anticipates filing the Annual Report on or before the fifteenth calendar day following the prescribed due date.
