Item 5.02 - Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 16, 2010, the Board of Directors (the “Board”) of Fulton Financial Corporation (“Fulton”), based on the recommendations of the Human Resources Committee (the “HR Committee”) of the Board, approved base salary increases for Fulton’s senior executive officers (the “Executives”). The increased base salary for each of the Executives, which will be effective April 1, 2010, is listed in the table below.

The HR Committee based its recommendations to the Board for increases to the base salaries for the Executives on its assessment of the performance of each of the Executives, including their performance in relation to their individual performance factors established under Fulton’s Variable Compensation Plan (the “VCP”), an assessment of performance provided by R. Scott Smith, Jr., Fulton’s Chairman and Chief Executive Officer, with respect to E. Philip Wenger and Charles J. Nugent, and by Mr. Wenger, Fulton’s President and Chief Operating Officer, with respect to Mr. Shreiner and Mr. Hill, publicly available compensation information from a group of peer companies, and recommendations provided by Fulton’s outside compensation consultant.

On March 16, 2010, the Board also approved, based on the recommendations of the HR Committee, an award under the VCP for each of the Executives, which is listed in the table below.

In making its recommendations to the Board for awards to the Executives under the VCP, the HR Committee confirmed that Fulton had achieved the designated earnings per share threshold when compared to a performance peer group as selected by the HR Committee. The HR Committee based its individual VCP award recommendations on its assessment of each of the Executives’ overall 2009 performance and their performance in relation to their individual performance factors established under the VCP. The HR Committee determined that each of the Executives had achieved a level of performance in 2009 to qualify for a VCP award at or above their target established under the VCP. Based on the HR Committee’s assessment of each of the Executives’ performance, the HR Committee recommended that Messrs. Smith, Wenger, Nugent, Shreiner and Hill receive VCP awards of \$452,433, \$153,000, \$192,426, \$114,450 and \$81,720, respectively for 2009 performance. As a participant in the Capital Purchase Program (the “CPP”), which was authorized under the Emergency Economic Stabilization Act of 2008, Fulton, however, is prohibited from making certain bonus payments to the Executives, including a portion of the VCP awards for 2009. Because of these prohibitions, approximately 55% of the VCP awards, which relate to performance after June 15, 2009, have been forfeited. The 2009 VCP awards in the table below reflect this forfeiture. Although the CPP does permit Fulton to accrue the remaining portion of the Executives’ 2009 VCP awards, the CPP does not permit Fulton to pay this reduced VCP award to the Executives until such time as Fulton has repaid the CPP funds or the Executive is no longer prohibited from receiving the award.
