**EXPLANATORY NOTE**

The Registrant hereby amends and restates in its entirety Item 1, Consolidated Financial Statements, as described. On May 7, 2002, USA Interactive (formerly USA Networks, Inc.) completed its previously announced transaction with Vivendi Universal, S.A. to create a joint venture called Vivendi Universal Entertainment LLLP. In conjunction with the transaction, USA Interactive contributed the USA Entertainment Group to Vivendi Universal Entertainment. The USA Entertainment Group consists of USA Cable, including USA Network and SciFi Channel and Emerging Networks TRIO, Newsworld International and Crime; Studios USA, which produces and distributes television programming; and USA Films, which produces and distributes films. The consolidated financial statements included in the Quarterly Report for the three months ended June 30, 2002 present the results of operations and financial position of the USA Entertainment as discontinued operations.

The consolidated financial statements included in this Amendment to the Quarterly Report on Form 10-Q/A have been adjusted for the impact of discontinued operations on the determination of diluted weighted average shares outstanding, resulting in higher diluted earnings per share before cumulative effect of accounting change available to common shareholders and diluted net income per share available to common shareholders for the three months ended June 30, 2002 and 2001 and the six months ended June 30, 2002 than previously reported.

**Basis of Presentation**

The interim Consolidated Financial Statements and Notes thereto of the Company are unaudited and should be read in conjunction with the audited Consolidated Financial Statements and Notes thereto for the twelve months ended December 31, 2001.

In the opinion of the Company, all adjustments necessary for a fair presentation of such Consolidated Financial Statements have been included. Such adjustments consist of normal recurring items. Interim results are not necessarily indicative of results for a full year. The interim Consolidated Financial Statements and Notes thereto are presented as permitted by the Securities and Exchange Commission and do not contain certain information included in the Company's audited Consolidated Financial Statements and Notes thereto.

**Accounting Estimates**

Management of the Company is required to make certain estimates and assumptions during the preparation of consolidated financial statements in accordance with generally accepted accounting principles. These estimates and assumptions impact the reported amount of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the consolidated financial statements.

They also impact the reported amount of net earnings during any period. Actual results could differ from those estimates.

Significant estimates underlying the accompanying consolidated financial statements include the inventory carrying adjustment, program rights and film cost amortization (discontinued operations), sales return and other revenue allowances, allowance for doubtful accounts, recoverability of intangibles and other long-lived assets, estimates of film revenue ultimates (discontinued operations) and various other operating allowances and accruals.

### **New Accounting Pronouncements**

#### ***Accounting for Goodwill and Other Intangible Assets***

Effective January 1, 2002, USA adopted Statement of Financial Accounting Standards No. 142, "Accounting for Goodwill and Other Intangible Assets." The new rules eliminate amortization of goodwill and other intangible assets with indefinite lives and establish new measurement criterion for these assets. Goodwill amortization recorded in continuing operations in the three and six months ended June 30, 2001 was \$53.7 million and \$106.5 million, respectively. As previously discussed, USA recorded a pre-tax write-off before minority interest of \$499 million related to the Citysearch and Precision Response ("PRC") businesses. Although Citysearch and PRC are expected to generate positive cash flows in the future, due to cash flow discounting techniques to estimate fair value as required by the new rules, the future estimated discounted cash flows do not support current carrying values. The Citysearch write-off was \$115 million, and the PRC write-off was \$384 million.

Adoption of the new standard resulted in a one-time, non-cash expense of \$461.4 million. The expense is reflected as a cumulative effect of an accounting change in the accompanying consolidated statement of operations as of January 1, 2002. See Note 7 for additional information regarding goodwill. In the quarter ended March 31, 2002, the Company had estimated that it would receive a tax benefit of \$150.8 million relating to the PRC write-down based on a preliminary evaluation of its tax basis in the PRC assets. The Company is finalizing its estimate of its tax basis in PRC, and during the quarter ended June 30, 2002, the Company revised PRC's estimated tax basis and reversed the tax benefit related to the PRC write-down. This change in estimate has been recorded as of January 1, 2002, the date the standard was adopted.

In addition, in the second quarter of 2002, USA recorded a further write-down of \$22.2 million related to PRC. The write-down resulted from contingent purchase price recorded in the second quarter.

#### ***Impairment or Disposal of Long-Lived Assets***

The Company adopted SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets during the three months ended March 31, 2002. This statement supersedes SFAS No. 121, Accounting for the Impairment of Long-Lived Assets and for Assets to Be Disposed Of, and the accounting and reporting provisions of APB Opinion No. 30, Reporting the Results of Operations - Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions, for the disposal of a segment of a business (as previously defined in that opinion). SFAS No. 144 established a single accounting model, based on the framework established in SFAS No. 121 for long-lived assets to be disposed of for sale. It retains the fundamental provisions of SFAS No. 121 for (a) recognition and measurement of the impairment of

long-lived assets to be held and used and (b) measurement of long-lived assets to be disposed of by sale.

#### ***Accounting by Producers or Distributors of Films (Discontinued Operations)***

The Company adopted SOP 00-2, *Accounting by Producers or Distributors of Films* ("SOP 00-2") during the three months ended March 31, 2001. SOP 00-2 established new film accounting standards, including changes in revenue recognition and accounting for advertising, development and overhead costs. Specifically, SOP 00-2 requires advertising costs for theatrical and television product to be expensed as incurred. This compares to the Company's previous policy of first capitalizing these costs and then expensing them over the related revenue streams. In addition, SOP 00-2 requires development costs for abandoned projects and certain indirect overhead costs to be charged directly to expense, instead of those costs being capitalized to film costs, which was required under the previous accounting rules. SOP 00-2 also requires

## Edgar Filing: USA INTERACTIVE - Form 10-Q/A

all film costs to be classified in the balance sheet as non-current assets. Provisions of SOP 00-2 in other areas, such as revenue recognition, generally are consistent with the Company's existing accounting policies.

SOP 00-2 was adopted as of January 1, 2001, and the Company recorded a one-time, non-cash after-tax expense of \$9.2 million related to the entertainment assets that were contributed to VUE. The expense is reflected as a cumulative effect of an accounting change in the accompanying consolidated statement of operations.

### ***Rescission of FASB Statements No. 4, Reporting Gains and Losses from Extinguishment of Debt***

In April 2002, the FASB issued SFAS No. 145, Rescission of FASB Statements No. 4, 44, and 64, Amendment of FASB Statement No. 13, and Technical Corrections. SFAS No. 145 rescinds FASB Statement No. 4, Reporting Gains and Losses from Extinguishment of Debt, and an amendment of that Statement, FASB Statement No. 64, Extinguishments of Debt Made to Satisfy Sinking-Fund Requirements. Under SFAS No. 4, all gains and losses from extinguishment of debt were required to be aggregated and, if material, classified as an extraordinary item. The rescission of SFAS No. 4 stipulates that gains and losses from extinguishment of debt should be classified as extraordinary items only if they meet the criteria in APB Opinion 30, Reporting the Results of Operations Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions.

During the second quarter of 2002, the Company adopted SFAS No. 145. On May 31, 2002, the Company fully redeemed the unsecured \$37,782,000 aggregate principal amount of 7% Convertible Subordinated Debentures due July 1, 2003 (the "Savoy Debentures"). In connection with this redemption, the Company recorded a loss of \$2.0 million which was not classified as extraordinary.

### **Reclassifications**

Certain amounts in the prior years' consolidated financial statements have been reclassified to conform to the 2002 presentation. The statements of operations, balance sheets and statements of cash flows of USA Entertainment have been classified as discontinued operations for all periods presented. See Note 10 for further discussion of discontinued operations.

## **NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

See the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001, as amended, for a summary of all significant accounting policies. The following discussion relates to significant matters relating to accounting policies since the Annual Report on Form 10-K was filed.

### **Revenue Presentation for Merchant Hotel Business**

As reported in the Company's press release dated July 24, 2002, the Company has chosen to discuss the revenue presentation of Hotels.com and Expedia with the SEC, as Hotels.com accounts for merchant hotel revenue on a gross basis and Expedia on a net basis. The presentations are consistent with the respective management team's interpretation of the accounting rules, based on their respective facts and circumstances, and each company's conclusions were reached in close consultation with their external auditors. USA is always striving to report its results in the most transparent and meaningful manner. The Company hopes to work with the SEC with the goal of reaching a conclusion during the third quarter. The Company believes the accounting models used by Expedia and Hotels.com continue to be appropriate based on their facts and circumstances. However, any change to the presentation of Expedia or Hotels.com will be limited to the presentation of revenue, cost of sales and operating margins, and will have no impact on the timing of revenue recognition (both defer revenue until the conclusion of the customer stay), gross profit, operating income, net income, earnings per share or cash flows.

### **Stock-Based Compensation**

The Company announced its intention to account for stock-based compensation issued to employees in accordance with FASB Statement No. 123, "Accounting for Stock Based Compensation" ("FAS 123"). The Company will adopt FAS 123 as of January 1, 2003, in accordance with the requirements for the timing of adoption in the standard. If the Company had adopted FAS 123 as of January 1, 1994, the date the standard went into effect, net income would have been reduced by \$80.3 million for the year ended December 31, 2001. However, the Company anticipates that it may use restricted stock that will vest in future periods. For restricted stock issued, the accounting charge will be measured at the grant date and amortized ratably as non-cash compensation over the vesting term. At this time it is not possible to predict the effect of this contemplated plan on net income.

**NOTE 3 BUSINESS ACQUISITIONS****Expedia Transaction**

On February 4, 2002, USA completed its acquisition of a controlling interest in Expedia through a merger of one of its subsidiaries with and into Expedia. Immediately following the merger, USA owned all of the outstanding shares of Expedia Class B common stock, representing approximately 64.2% of Expedia's outstanding shares, and 94.9% of the voting interest in Expedia. On February 20, 2002, USA acquired 936,815 shares of Expedia common stock, increasing USA's ownership to 64.6% of Expedia's the then outstanding shares, with USA's voting percentage remaining at 94.9%. In the merger, USA issued to former holders of Expedia common stock who elected to receive USA securities an aggregate of 20.6 million shares of USA common stock, 13.1 million shares of \$50 face value 1.99% cumulative convertible preferred stock of USA and warrants to acquire 14.6 million shares of USA common stock at an exercise price of \$35.10. Expedia trades on Nasdaq under the symbol "EXPE," the USA

11

cumulative preferred stock trades on OTC under the symbol "USAIP" and the USA warrants trade on Nasdaq under the symbol "USAIW."

Pursuant to the terms of the USA/Expedia transaction documents, Microsoft Corporation, which beneficially owned 33,722,710 shares of Expedia common stock, elected to exchange all of its Expedia common stock for USA securities in the merger. Expedia shareholders who did not receive USA securities in the transaction retained their Expedia shares and received for each Expedia share held 0.1920 of a new Expedia warrant.

The aggregate purchase price, including transaction costs, was \$1.5 billion.

The Expedia transaction has been accounted for under the purchase method of accounting by USA. The purchase price has been preliminarily allocated to the assets acquired and liabilities assumed based on their respective fair values at the date of purchase. USA obtained an independent valuation of the assets and liabilities acquired, including the identification of intangible assets other than goodwill, which identified \$545.0 million of intangible assets other than goodwill. The unallocated excess of acquisition costs over net assets acquired of \$908.9 million was allocated to goodwill. Intangible assets without indefinite lives will be amortized over a period of 2 to 5 years, and include technology, distribution agreements, customer lists and supplier relationships. Assets and liabilities of Expedia as of the acquisition date, including the preliminary application of purchase accounting by USA, consist of the following:

	<u>(In Thousands)</u>
Current assets	\$ 320,224
Non-current assets	34,528
Goodwill and indefinite lived intangible assets	1,223,904
Intangible assets	230,000
Current liabilities	206,497
Non-current liabilities	87,072

The following unaudited pro forma condensed consolidated financial information for the three and six months ended June 30, 2002 and 2001, is presented to show the results of the Company, as if the Expedia transaction and the merger of Ticketmaster and Ticketmaster Online Citysearch, which was completed on January 31, 2001 and which did not impact revenues or operating profit, but rather minority interest and income taxes, plus the 7.1 million shares issued in the VUE Transaction had occurred at the beginning of the periods presented. The pro forma results include certain adjustments, including increased amortization related to intangible assets, and are not necessarily indicative of what the results would have been had the transactions actually occurred on the aforementioned dates. Note that the amounts exclude USA Broadcasting ("USAB") and USA Entertainment, which are presented as discontinued operations (see Note 10).

Adjusted EBITDA is presented here as a management tool and as a valuation methodology. Adjusted EBITDA does not purport to represent cash provided by operating activities. Adjusted EBITDA should not be considered in isolation or as a substitute for measures of performance prepared in accordance with generally accepted accounting principles. Adjusted EBITDA may not be comparable to calculations of similarly titled measures presented by other companies.

**NOTE 6 EQUITY INVESTMENTS IN UNCONSOLIDATED SUBSIDIARIES**

At June 30, 2002, USA beneficially owned 46.7% of the outstanding common stock of HOT Networks AG ("HOT Networks"), a German stock corporation, the subsidiaries of which operate electronic retailing operations in Europe. This investment was accounted for using the equity method.

During the second quarter of 2002, HSN entered into various transactions with its European partners, Georg Kofler and Thomas Kirch, to increase HSN's ownership in its European operations. The transactions were largely completed at the beginning of the third quarter, and the total purchase price was approximately \$100 million. As a result of the transactions, HSN now owns approximately 90% of HSE-Germany, with Quelle owning the remainder, and 100% of HOT Networks. HOT Networks' principal assets, in turn, are its direct and indirect interests in EUVÍA and HSE-Italy (See "Funding Obligations of HOT Networks for EUVÍA" below for further discussion of EUVÍA's businesses and related funding obligations, and see "Other Developments" discussed later for further additional details on the ownership of EUVÍA and HSE-Italy.) HOT Networks' operations in UK, Belgium and France have been discontinued. Summary financial information for HOT Networks is presented below.

	<b>As of and For the Six Months Ended June 30,</b>	
	<b>2002</b>	<b>2001</b>
	(In Thousands)	
Current assets	\$ 13,632	\$ 18,138
Non-current assets	178,101	105,714
Current liabilities	38,709	43,354
Non-current liabilities	261,370	104,130
Net sales	9,215	11,001
Gross profit	1,477	2,473
Net loss	(47,543)	(38,501)

Through July 31, 2002, the Company made investments in and advances to HOT Networks of approximately \$164.9 million, including \$8.3 million in July 2002, and recorded equity losses in unconsolidated subsidiaries of \$118.5 million, including \$100.6 million in the six months ended June 30, 2002. The loan balance as of June 30, 2002 was \$38.1 million. As noted above, the Company has entered into various agreements with its European partners such that HSN owns 100% of HOT Networks.

#### **Funding Obligations of HOT Networks for EUVÍA**

HOT Networks holds a 48.6% limited partnership interest in EUVÍA Media AG and Co. KG ("EUVÍA"), a German limited partnership. EUVÍA, through certain subsidiaries, operates two businesses, "Live TV," a game show oriented TV channel, and "Travel TV," a travel oriented shopping TV channel under the brand name "Sonnenklar." In connection with the partnership formed to operate these businesses, HOT Networks has undertaken to fund 100% of the cash requirements and operating losses up to € 179 million, with the funding obligations terminating if EUVÍA remains profitable for two consecutive fiscal years. Through June 30, 2002, HOT Networks has funded EUVÍA with approximately € 55 million. Based on EUVÍA's current business plan, HOT Networks expects an additional € 10 million of funding may be required prior to EUVÍA achieving profitability for two consecutive fiscal years. In the event EUVÍA's current business plan is revised to require additional funding to achieve profitability for two consecutive years, HOT Networks may have additional contractual rights exercisable on or after June 30, 2003 that reduce its ongoing funding obligations below € 179 million assuming it has met certain funding thresholds as of June 30, 2003. Although it is not expected that these additional contractual rights will prove relevant in light of EUVÍA's current business plan, HOT Networks continues to actively monitor EUVÍA's funding requirements.

#### **NOTE 7 GOODWILL AND OTHER INTANGIBLE ASSETS**

Goodwill and other intangible assets is comprised of goodwill of \$5.5 billion, intangible assets with indefinite lives of \$325.6 million related primarily to tradenames acquired in the Expedia transaction, and other intangible assets of \$389.4 million. The other intangible assets relate primarily to purchased technology, distribution agreements, customer lists and supplier relationships, and include \$230.0 million related to the Expedia transaction. The amounts for Expedia are preliminary at this time, as the Company has not completed its purchase price allocation. The intangible assets that do not have indefinite lives are being amortized over periods ranging from 2 to 10 years. Amortization expense for intangible assets for the three months ended June 30, 2002 and 2001 was approximately \$29.4 million and \$19.5 million, respectively, and for

In addition, in the second quarter of 2002, USA recorded a further write-down of \$22.2 million related to PRC. The write-down resulted from contingent purchase price recorded in the second quarter.

The amount of amortization of intangibles in future periods could be greater due to two factors. In relation to the VUE Transaction and the exchange of Holdco and LLC shares by Liberty, the businesses that were owned by USANi LLC, primarily HSN, HSN-International and ECS/Styleclick, which USA retained after the transaction, are treated as an acquisition by USA of the minority interests in these entities. Thus, USA has recorded a step-up to its carrying value based on the fair value of these businesses to the extent of the minority interest acquired. The step-up for the portion

not previously owned by USA is approximately \$1.8 billion. In addition, in May 2002 the Company acquired TVTS, resulting in approximately \$144.0 million which has been preliminarily allocated to goodwill. USA has not completed its allocation of the purchase price of these transactions, as it is in the process of obtaining an independent valuation of the assets and liabilities acquired, including identification of intangibles other than goodwill. Potential intangible assets that USA may identify include trade names and trademarks, supply agreements, customer relationships, technology and commercial arrangements. USA expects to complete the allocation of the purchase price during the fourth quarter of 2002.

### NOTE 8 RESTRUCTURING CHARGES

Restructuring related expenses were \$40.2 million (\$34.7 million impacting Adjusted EBITDA) in the three and six months ended June 30, 2002 versus \$10.5 million (\$4.8 million impacting Adjusted EBITDA) in the three and six months ended June 30, 2001. The 2002 amounts relate to various initiatives across business segments, including \$16.2 million for ECS related to rationalizing the business, \$14.8 million for HSN-International related to the shut-down of HSN-Espanol, the Company's Spanish language electronic retailing operation and \$9.3 million for PRC related principally to the shut-down of three call centers and employee layoffs. Costs that relate to ongoing operations are not part of the restructuring charges and are not included in "Restructuring Charges" on the statement of operations. Furthermore, all one-time inventory and accounts receivable adjustments that may result from the actions are classified as operating expenses in the statement of operations. The 2001 amounts relate to the restructuring of the operations of Styleclick.

For the six months ended June 30, 2002, the charges associated with the restructurings were as follows (in thousands):

Continuing lease obligations	\$ 12,479
Asset impairments	5,497
Employee termination costs	4,981
Prepaid cable distribution fees	10,852
Other	6,405
	<hr/>
	\$ 40,214
	<hr/>

Continuing lease obligations primarily relate to excess call center, warehouse and office space of PRC and ECS. Asset impairments relates primarily to leasehold improvements that are being abandoned. Prepaid cable distribution fees relates to non-refundable upfront amounts paid by HSN-Espanol for carriage, primarily in Mexico.

As of June 30, 2002, the Company has a balance of \$35.0 million accrued, as \$3.2 million of the charge related to the write-off of assets and \$2.0 million was paid during the quarter related to the restructuring reserve.

### NOTE 9 CONTRIBUTION OF THE USA ENTERTAINMENT GROUP TO VUE

On May 7, 2002, USA completed its previously announced transaction with Vivendi to create a joint venture called VUE. VUE is controlled by Vivendi and its subsidiaries, with the common interests owned 93.06% by Vivendi, 5.44% by USA and 1.5% by Mr. Diller, Chairman and CEO of USA (economic interests in a portion of his common interests have been assigned by Mr. Diller to three executive officers of USA.).

In connection with the VUE Transaction, USA and its subsidiaries received the following at the closing: (i) approximately \$1.62 billion in cash, debt-financed by VUE, subject to tax-deferred treatment for a 15-year period, (ii) a \$750 million face value Class A preferred interest in VUE, with a 5% annual paid-in-kind dividend and a 20-year term, to be settled in cash at its then face value at maturity; (iii) a \$1.75 billion face value Class B preferred interest in VUE, with a 1.4% annual paid-in-kind dividend, a 3.6% annual cash dividend, callable and puttable after 20 years, to be settled by Universal Studios, Inc. ("Universal") at its then accreted face value with a maximum of approximately 56.6 million USA common shares, provided that Universal may substitute cash in lieu of shares of USA common stock (but not USA Class B common stock), at its election; (iv) a 5.44% common interest in VUE, generally callable by Universal after five years and puttable by USA after eight years, which may be settled in either Vivendi stock or cash, at Universal's election, and (v) a cancellation of Universal's USANi LLC interests that were exchangeable into USA common shares including USANi LLC interests obtained from Liberty in connection with a related transaction. In connection with the transaction, USA retired approximately 320.9 million USANi LLC shares previously owned by Vivendi, thereby reducing USA's fully diluted shares to approximately 472 million shares as of June 30, 2002.

## Edgar Filing: USA INTERACTIVE - Form 10-Q/A

Related to the transaction, Liberty exchanged 7,079,726 shares of USANi LLC for shares of USA common stock, and subsequently transferred to Universal 25 million shares of USA common stock, its remaining 38,694,982 shares of USANi LLC, as well as the assets and liabilities of Liberty Programming France (which consist primarily of 4,921,250 shares of multiThematiques S.A., a French entity), in exchange for 37,386,436 Vivendi ordinary shares.

USA contributed to VUE USA Cable, which includes USA Network, SCI FI Channel, TRIO and Newsworld International; Studios USA, which produces and distributes television programming; USA Films, which produces and distributes films. Vivendi contributed the film, television and theme park businesses of its subsidiary, Universal Studios, Inc. In addition, USA issued to a subsidiary of Vivendi ten-year warrants to acquire shares of USA common stock as follows: 24,187,094 shares at \$27.50 per share; 24,187,094 shares at \$32.50 per share; and 12,093,547 shares at \$37.50 per share. Barry Diller, USA's chairman and chief executive officer, received a common interest in VUE with a 1.5% profit sharing percentage, with a minimum value of \$275.0 million (economic interests in a portion of his common interests have been assigned by Mr. Diller to three executive officers of USA), in return for his agreeing to specified non-competition provisions and agreeing to serve as chairman and chief executive officer of VUE. USA and Mr. Diller have agreed that they will not compete with Vivendi's television and filmed entertainment businesses (including VUE) for a minimum of 18 months. The transaction has been accounted for as an asset sale.

20

USA's contribution of businesses to VUE and the receipt of consideration by USA results in an after tax gain of \$2.4 billion. The gain was determined as follows (in thousands):

Estimated fair value:	
Class A preferred interest in VUE	\$ 514,000
Class B preferred interest in VUE	1,428,530
Common interest in VUE	1,000,000
Cash	1,618,710
Estimated step-up in fair value of Home Shopping resulting from cancellation of LLC shares	1,213,876
Total book value of consideration	5,775,116
Entertainment net assets sold, net of minority interest	(498,046)
Transaction costs	(29,544)
Pre tax gain	5,247,526
Tax provided at 39.225%	(2,058,342)
Taxable gain before allocation to warrant value	3,189,184
Fair value of warrants	(810,873)
Book value	\$ 2,378,311

In a press release dated August 14, 2002, the day of this filing, Vivendi announced its unaudited, preliminary income statement data, presented on a French GAAP basis. The press release stated that "in light of deteriorating economic conditions since December 2001 and the impact of higher financing costs for the company, management has recorded a preliminary impairment charge", with an amount associated to VUE of 2.6 billion euros as of June 30, 2002. The press release further stated that the reported adjustment "reflects [Vivendi] management's opinion of the fair value of the core assets on a permanent ongoing concern basis with Vivendi". USA owns various securities in VUE, including a 5.44% common interest, with USA's common interest subject to a call right beginning in 2007, and USA having a put right beginning in 2010, in both cases based on private market values at the time. USA believes that its circumstances, including its financing cost, are, at present, very different than Vivendi's, and that the entertainment assets have significant long-term value, although market valuations of media assets have declined since the close of the VUE transaction on May 7, 2002. USA believes that it is too early to determine whether potential declines in its VUE common interest are other than temporary and will assess the carrying value of the VUE securities on a continuing basis. USA believes that the action taken by Vivendi today has no bearing on the value of its preferred partnership interests in VUE, which are senior to the common interests.

## Edgar Filing: USA INTERACTIVE - Form 10-Q/A

To the extent that USA management subsequently determines that the declines are other than temporary, USA may take an equity write-down of its common interest to fair value. Furthermore, USA may record an equity loss for its proportionate common interest in VUE, if the venture also records a write-down of the assets under US GAAP.

### NOTE 10 DISCONTINUED OPERATIONS

The USA Entertainment Group, which was contributed to VUE on May 7, 2002, is presented as discontinued operations for all applicable periods presented. The revenues and net income, net of the effect of minority interest for the USA Entertainment Group, were as follows:

	\$ 6,873	\$ 23,582	\$ 28,803	\$ 49,822

During the three months ended March 31, 2001, USA Entertainment Group recorded expense of \$9.2 million related to the cumulative effect of adoption of Statement of Position 00-2 "Accounting By Producers or Distributors of Films."
