PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS, MAY 8, 2013

This proxy statement is furnished to shareholders of NORTECH SYSTEMS INCORPORATED, a Minnesota corporation (the "Company"), in connection with the solicitation on behalf of the Company's Board of Directors of proxies for use at the annual meeting of shareholders to be held on May 8, 2013, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

The address of the principal executive office of the Company is 1120 Wayzata Boulevard East, Suite 201, Wayzata, Minnesota 55391. We will begin mailing this proxy statement and proxy card to shareholders on or about March 28, 2013.

SOLICITATION AND REVOCATION OF PROXIES

The Company will pay the costs and expenses of solicitation of proxies. In addition to the use of the mails, directors, officers and regular employees of the Company may solicit proxies personally or by telegraph, telephone or letter with extra compensation. The Company will reimburse brokers and other custodians, nominees or fiduciaries for their expenses in forwarding proxy material to principals and obtaining their proxies.

Proxies in the form enclosed are solicited on behalf of the Board of Directors. Any shareholder giving a proxy in this form may revoke it at any time before it is exercised. Such proxies, if received in time for voting and not revoked, will be voted at the annual meeting in accordance with the specifications indicated on the proxy.

VOTING RIGHTS AND REQUIREMENTS

Only shareholders of record as of the close of business on March 13, 2013, will be entitled to sign proxies or to vote. On that date, there were 2,742,992 shares issued, outstanding and entitled to vote. Each share of Common Stock is entitled to one vote. A majority of the outstanding shares present in person or by proxy at the meeting is required to transact business, and constitutes a quorum for voting on items at the meeting. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted as being present at the meeting in determining the quorum, but neither will be counted as a vote in favor of a matter. A "broker non-vote" is a proxy submitted by a bank, broker or other custodian that does not indicate a vote for some of the proposals because the broker does not have or does not exercise discretionary voting authority on certain types of proposals and has not received instructions from its client as to how to vote on those proposals.

Vote Required

Election of Directors and Fixing the Authorized Number of Directors at Six The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote at this annual meeting is required for the election to the Board of each of the nominees for director. The same vote is required to fix the authorized number of directors at six. Shareholders do not have the right to cumulate their votes in the election of directors. "Plurality" means that the individuals who receive the greatest number of votes cast "For" are elected as directors.

Edgar Filing: NORTECH SYSTEMS INC - Form DEF 14A

Say-on-Pay and Say-on-Pay Frequency Proposals The advisory votes on executive compensation in Item 3 and the frequency of future votes on executive compensation in Item 4 are not binding on us; however, we will consider the shareholders to have approved our executive compensation if the number of shares voted "For" the proposal exceeds the number of shares voted "Against" the proposal, and we will consider the shareholders to have selected the frequency for future votes on executive compensation that receives the highest number of votes of the frequency alternatives presented (every 1 year, every 2 years or every 3 years). A shareholder who abstains with respect to either of these proposals will have no effect on the outcome of that proposal.

Routine Versus Non-Routine Matters. Brokers cannot vote on their customers' behalf on "non-routine" proposals such as Item 1, fixing the number of directors, Item 2, the election of directors, Item 3, the advisory vote on executive compensation and Item 4, the advisory vote on the frequency of future votes on executive compensation. Because brokers require their customers' direction to vote on such non-routine matters, it is critical that shareholders provide their brokers with voting instructions.

Effect of Broker Non-Votes. If you hold your shares in street name and do not provide voting instructions to your bank, broker or other custodian, your shares will not be voted on any proposal on which your broker does not have or does not exercise discretionary authority to vote (a "broker non-vote"), such as may be the case with a non-routine matter for which you do not provide voting instructions. A broker non-vote on any of the proposals presented at the annual meeting will have no effect on the outcome of the proposal.

ELECTION OF DIRECTORS

The bylaws of the Company provide for a Board of Directors consisting of one or more members, and further provide that the shareholders at each annual meeting shall determine the number of directors. The Company's Board of Directors recommends that the number of directors be set at six and it is intended that the proxies accompanying this statement will be voted at the 2013 meeting to establish a Board of Directors consisting of six members. Only five directors are to be nominated by the Company at this time. If the shareholders approve a Board of six members there will be a vacancy in the Board, permitting the directors to appoint a sixth director before the 2014 annual shareholders meeting, as permitted by the Company's bylaws. All of the nominees are presently directors of the Company. Proxies solicited by the Board of Directors will, unless otherwise directed, be voted for the election of the following five nominees:

DIRECTORS MEETINGS

There were six meetings of the Board of Directors during the last fiscal year. All directors attended all meetings of the Board and committees of the Board on which such director served.

The Board of Directors has established a Nominating and Corporate Governance Committee, a Compensation Committee, and an Audit Committee. The members of each committee are Messrs. Larson, Perkins and Riley. The Board of Directors has determined that Messrs. Larson, Perkins and Riley are independent directors under the rules established by the Securities and Exchange Commission and the Marketplace Rules of The NASDAQ Stock Market ("NASDAQ"). Further, the Board has determined that Mr. Perkins is an "audit committee financial expert" as defined by applicable regulations of the Securities and Exchange Commission. In the last fiscal year the Audit Committee met four times, and the Compensation Committee and the Nominating and Corporate Governance Committee each met twice. The charters of all committees are posted on the Company's website at www.nortechsys.com. We encourage Board members to attend the annual meeting of shareholders. All members of the Board attended the 2012 annual meeting.

BOARD LEADERSHIP STRUCTURE

The Board has determined that the positions of chairman of the board and chief executive officer should be held by different persons. The Board believes that this leadership structure has enhanced the Board's oversight of, and independence from, the Company's management and the Board's ability to carry out its roles and responsibilities on behalf of the shareholders.

RISK OVERSIGHT

Management and the Company's general counsel and secretary discuss risks, both during board meetings and in direct discussions with Board members. These discussions identify Company risks which are prioritized and assigned to the appropriate Board committee or the full Board for oversight. Internal control and financial risks are overseen by the Audit Committee; compensation risks are overseen by the Compensation Committee; CEO succession planning is overseen by the Governance and Nominating Committee; and compliance risks are typically overseen by the full Board. Management regularly reports on each such risk to the relevant committee or the Board, and material risks identified by a relevant committee are then presented to the full Board. The Company's risk management program as a whole is reviewed annually at a meeting of the Board. Additional review or reporting on Company risks is conducted as needed or as requested by the Board or committee. Coordination of management's review of these risks is performed by the Company's general counsel and secretary, who reports to the CEO and who is a member of the Company's leadership.

COMPENSATION COMMITTEE

The Compensation Committee is composed of the independent outside directors whose names appear below. The Committee has a charter which is available on the Company's website (www.nortechsys.com). The Committee determines the compensation of executive officers of the Company. Compensation for executive officers includes three elements: base salaries, bonuses, and equity appreciation rights. Salaries are based on factors such as the individual's level of responsibility and the amount of salary paid to executives with similar responsibilities in comparable companies. Bonuses are awarded based on a combination of the executive's success in meeting certain pre-established individual goals and the Company's performance in meeting certain financial goals. Equity appreciation rights plans are designed to increase the incentive for an executive's interest in the Company's success as measured by the increase in the shareholders' equity and to align the interests of the executives with those of the Company's shareholders.

The chief executive officer's base compensation for 2012 was established under an employment agreement originally executed in 2005, which has been periodically renewed. Further, it was determined that the total compensation of the chief executive officer was comparable to compensation of chief executive officers of comparable companies. The base compensation of the other executive officers was set at the level necessary to attract and retain executives performing the functions being performed by such executives.

The officers are required to purchase life insurance and retain ownership of the life insurance policy once it is purchased. ITEM 3

APPROVAL OF ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

We are providing shareholders with the opportunity to vote at the annual meeting on the following advisory resolution regarding the compensation of our NEOs as described in this Proxy Statement (commonly referred to as "Say-on-Pay"):

"RESOLVED, that the shareholders of Nortech Systems Incorporated approve, on an advisory basis, the compensation paid to the Company's NEOs as disclosed in the compensation tables and narrative discussion contained in the 'Executive Compensation' section in this Proxy Statement."

Edgar Filing: NORTECH SYSTEMS INC - Form DEF 14A

Our executive compensation programs are based on our belief that attracting, retaining and motivating talented executives is critical to the maintenance of our competitive advantage in the electronic contract manufacturing industry and to the achievement of the business goals set by the Board. Accordingly, our executive compensation programs are designed to reward executives for achievement of our pre-determined financial and business goals, while also aligning our executives' interests with those of our shareholders. We believe that we best achieve these goals by providing our executives with a mix of compensation elements that incorporate cash and equity, as well as short-term and long-term components, and that are tied to our business goals.

For a description of our executive compensation program, philosophy and objectives, including the specific elements of executive compensation that comprised the program in fiscal 2012, please refer to the Summary Compensation Table and other executive compensation tables (and accompanying narrative disclosures) beginning on page 5.

This advisory vote will not affect any compensation already paid or awarded to our NEOs and will not be binding on the Board or the Compensation Committee. However, the Compensation Committee will review and carefully consider the outcome of the vote. If there are a significant number of negative votes, the Compensation Committee will seek to understand the concerns that influenced the vote and consider them in making future executive compensation decisions.

Upon recommendation of the Compensation Committee of the Board, the Board unanimously recommends a vote FOR the approval of the compensation of our NEOs.

ITEM 4

SELECTION OF ADVISORY VOTE ON FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

We are providing our shareholders with an opportunity to select, on an advisory basis, the frequency of future advisory votes on the compensation of our NEOs (commonly referred to as "Say-on-Pay Frequency"). Shareholders may vote to recommend that future advisory Say-on-Pay votes be held every year, every two years or every three years, or abstain from voting on this matter entirely. After careful consideration of the various supporting arguments, as well as the advantages and disadvantages of each frequency alternative, the Board currently believes that submitting future advisory votes on the compensation of our NEOs to our shareholders every year is appropriate. The Board's current position is based primarily on the following factors:

compensation decisions are made annually, and shareholders should have an opportunity to vote on such decisions on a real-time basis;

executive compensation is an important aspect of corporate governance on which shareholders should have a regular opportunity to share their views; and

an annual Say-on-Pay vote provides the highest level of accountability and direct communication with our shareholders on this important corporate governance topic.

The advisory vote on the frequency of future advisory votes on executive compensation will not be binding on the Board or the Nominating and Corporate Governance Committee. However, the Board will review and carefully consider the outcome of the vote when selecting the frequency for holding future advisory votes on the compensation of our NEOs.

Upon recommendation of the Nominating and Corporate Governance Committee, the Board unanimously recommends a vote for "1 YEAR" as the frequency of future advisory votes on executive compensation.

Candidates may come to the Committee's attention through present Board members, shareholders or other persons. All candidates will be evaluated by the Committee and the Committee's recommendations will then be transmitted to the entire Board. REPORT OF AUDIT COMMITTEE

The Board of Directors of the Company has adopted a charter for the Audit Committee. The charter charges the Committee with the responsibility for, among other things, reviewing the Company's audited financial statements and the financial reporting process. The Company's management is responsible for the Company's internal controls and the financial reporting process, including the system of internal controls. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the Company's audited consolidated financial statements with generally accepted U.S. accounting principles. In carrying out their responsibility, the Committee has reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2012. The Committee has also discussed the audited financial statements with McGladrey LLP, including the matters required to be discussed by Public Company Accounting Oversight Board AU Section 380, "Communications with Audit Committees," and received the written disclosures and the letter from McGladrey LLP required by Rule 3526 of the Public Company Accounting Oversight Board, "Communications With Audit Committees Concerning Independence", and has discussed with McGladrey LLP their independence. The Committee has also considered whether McGladrey LLP provided non-audit services which could impact their independence. No such services were provided by McGladrey LLP.

Based on these reviews and discussions, the Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the Company's fiscal year ended December 31, 2012.

The members of the Audit Committee are "independent" under the rules of the Securities and Exchange Commission and the NASDAQ listing standards.

QUORUM AND VOTE REQUIRED

The presence in person or by proxy of the holders of a majority of the voting power of the shares of Common Stock issued, outstanding and entitled to vote at a meeting for the transaction of business is required to constitute a quorum. The election of each director will be decided by plurality votes. As a result, any shares not voted for a director (whether by withholding authority, broker non-vote or otherwise) have no impact on the election of directors except to the extent the failure to vote for an individual results in another individual receiving a larger number of votes. If your shares are held by a broker or nominee, you should contact such holder to determine if you may vote your shares electronically and, if so, the method and deadline for voting electronically. The deadline for voting electronically is 11:59 p.m. (ET) on May 8, 2013, for all holders registered or beneficial. If your shares are held directly and you decide to vote electronically, please follow the directions on your proxy card.
