PROXY STATEMENT
KARPUS MANAGEMENT, INC., D/B/A KARPUS INVESTMENT MANAGEMENT
SHAREHOLDERS OF

LIBERTY ALL-STAR EQUITY FUND ("Equity Fund") and
LIBERTY ALL-STAR GROWTH FUND, INC. ("Growth Fund") IN OPPOSITION TO THE SOLICITATION BY THE BOARD OF
DIRECTORS/TRUSTEES

AT THE SPECIAL MEETING OF SHAREHOLDERS

(To be held on September 30, 2011) *Fellow shareholders:* Karpus Management, Inc., d/b/a Karpus Investment Management ("Karpus"), shareholders of Liberty All Star-Growth Fund, Inc. ("Growth Fund" or "ASG") and Liberty All-Star Equity Fund ("Equity Fund" or "USA") (each a "Fund" and collectively, the "Funds"), are sending this proxy statement and the enclosed GREEN proxy card to common shareholders of record as of July 19, 2011 (the "Record Date") of the Funds. We are soliciting a proxy to vote your shares at the Special Meeting of Shareholders of the Funds scheduled for September 30, 2011 at 1290 Broadway, Suite 1100, Denver, Colorado at 10:00 a.m. MT, including any adjournments or postponements thereof and any meeting which may be called in lieu thereof (the "Meeting"). This proxy statement and the enclosed GREEN proxy card are first being sent to common shareholders of the Fund on or about August [], 2011.

INTRODUCTION

Last month, ALPS Holdings, Inc. ("ALPS Holdings") - the parent company of ALPS Advisors, Inc. ("AAI"), the manager for USA and ASG - announced it had signed an agreement to be acquired by DST Systems, Inc. ("DST") ("the "Transaction"). There are two matters that the Funds have scheduled to be voted upon at the Meeting: (1) to approve a new Fund Management Agreement between each Fund and AAI; and (2) to approve new Portfolio Management Agreements among the Fund, AAI and each of the Funds' investment sub-advisors (the "Portfolio Managers") (the "Proposals"). Please refer to the Funds' proxy soliciting material for additional information concerning the Meeting and the matters to be considered by shareholders, including information about each of the Funds' portfolio managers and investment advisor. We are soliciting a proxy to vote your shares AGAINST each of the Proposals.

REASONS FOR THIS PROXY CONTEST

Karpus is initiating this proxy contest because we believe that the Board or Trustees of each Fund has a duty to compensate shareholders for any risks that may be involved in the Approval of a New Fund Management Agreement between each Fund and AAI and a new Portfolio Management Agreement among the Fund, AAI and each of the Funds' investment sub-advisors. The premise of Karpus' argument is its belief that shareholders should be afforded the opportunity by each Fund to receive fair value for their investment in the wake of the impending Transaction. Given the situation, **Karpus feels that shareholders who do not wish to see their assets transferred should be afforded the opportunity to exit their investment at or near net asset value.** It is Karpus' belief that shareholders of both Funds must be compensated for the unknown risks they are being asked to assume. The consummation of these agreements is clearly in the interests of the new parent company; otherwise, they would not be proposing this transition to take place. Similar to management's interest in seeking full value for this Transaction, as your fellows shareholders we also seek to realize full value. Over the past five years (August 17, 2006 through August 17, 2011), USA has traded at an average discount to net asset value of 12.4%. During this same time period, ASG has traded at an average discount to net asset value of 10.3%. Karpus believes that the Board of Trustees of each fund has failed to take sufficient action to address these discounts. Moreover, no one can predict the future and because of this simple fact, there is unknown added risk associated with the transactions proposed by the Funds. It is Karpus' belief that shareholders have waited long enough to realize the full value of their investment, and now is the time for the Boards to take action to provide an opportunity for shareholders to realize net asset value. AS SHAREHOLDERS WE HAVE A VERY IMPORTANT AND POWERFUL VOICE IN OUR INVESTMENT - OUR VOTE. USE YOUR VOTE WISELY AND TELL THE FUNDS' MANAGEMENT THAT YOU ARE NOT COMFORTABLE WITH THEIR DECISION TO ENTER INTO AN AGREEMENT WITH UNKNOWN RISKS WITHOUT COMPENSATION FOR THE ASSUMPTION OF THOSE RISKS. USE YOUR VOICE AND HOLD YOUR FUNDS AND ITS BOARD OR TRUSTEES ACCOUNTABLE FOR EFFECTIVELY ADDRESSING OUR CONCERNS ABOUT UNKNOWN RISKS AND THE DISCOUNT THAT HAS WIDENED IN RECENT YEARS.

PROPOSAL 1:

To approve a new Fund Management Agreement between the Funds and AAI to become effective upon the Closing As stated above, ALPS Holdings - the parent company of AAI, the manager for USA and ASG - announced it had signed an agreement to be acquired by DST. Upon the closing of the Transaction, each Fund's existing Fund Management Agreement and Portfolio Management Agreements will terminate as required under applicable law. We are soliciting this proxy for your vote AGAINST approving a new Fund Management Agreement between the Fund and AAI to become effective upon the closing. We feel that before the Transaction is approved by shareholders, shareholders who do not agree with the Transaction should be afforded the ability to exit their investment at net asset value. The Funds' should not be allowed to consummate the transaction without affording dissenting shareholders the full value of their investment. Similar to management's interest in seeking full value for this Transaction, shareholders should also be afforded this same opportunity prior to approval of the Transaction. Please refer to the Funds' proxy soliciting material for additional information concerning the proposed terms of the Fund Management Agreement. **Please note: Due to the complexities of corporation law, under certain circumstances voting your shares could help create a quorum which could allow management's Proposals to be approved even if you voted your shares AGAINST management's Proposals. If Karpus believes that voting the proxies it receives would cause there to be a quorum and that the management Proposals would thereby be approved, we may not attend the Meeting and may withhold all proxies in order to attempt to defeat management's Proposals. If voting your proxies would, in Karpus' opinion, cause there to be a quorum and to cause the Proposals to be approved, then unless Karpus determines that the Board or Trustees has agreed to afford shareholders net asset value for their shares, Karpus may not attend the Meeting, may not vote the undersigned's shares proxy, and the shares may not be counted toward a quorum. If you do not believe the foregoing condition is reasonably specified, or you unconditionally want your shares to be represented at the Meeting, you should not give us your proxy.** *Required Vote* Approval of each New Fund Management Agreement requires the affirmative vote of a "majority of the outstanding voting securities" of each Fund, which, under the 1940 Act, means the affirmative vote of the lesser of (a) 67% or more of the shares of the Fund present at the Meeting or represented by proxy if the holders of more than 50% of the outstanding shares are present or represented by proxy, or (b) more than 50% of the outstanding shares.

PROPOSAL 2:

To approve New Portfolio Management Agreements for the Funds with AAI and each of the Funds' current Portfolio Managers listed below to become effective upon the Closing: *Equity Fund Portfolio Managers*

- 2a: Cornerstone Capital Management, Inc.
 - 2b: Matrix Asset Advisers, Inc.
 - 2c: Pzena Investment Management, LLC
 - 2d: Schneider Capital Management Corporation
 - 2e: TCW Investment Management Company
- Growth Fund Portfolio Managers*

2a: TCW Investment Management Company

2b: M.S. Weatherbie & Co., Inc. Similar to proposal 1, we do not believe shareholders should approve any new Portfolio Management Agreements for the Funds with AAI and each of the Funds' current Portfolio Managers to become effective upon the Closing unless dissenting shareholders are afforded the opportunity to realize the full net asset value of their shares. Much like management's interest in seeking full value for this Transaction, shareholders should also be afforded this same opportunity prior to approval of the Transaction. Please refer to the Funds' proxy soliciting material for additional information concerning the proposed terms of the new Portfolio Management Agreements for the Funds with AAI and each of the Funds' current Portfolio Managers. **Please note: Due to the complexities of corporation law, under certain circumstances voting your shares could help create a quorum which could allow management's Proposals to be approved even if you voted your shares AGAINST management's Proposals. If Karpus believes that voting the proxies it receives would cause there to be a quorum and that the management Proposals would thereby be approved, we may not attend the Meeting and may withhold all proxies in order to attempt to defeat management's Proposals. If voting your proxies would, in Karpus' opinion, cause there to be a quorum and to cause the Proposals to be approved, then unless Karpus determines that the Board or Trustees has agreed to afford shareholders net asset value for their shares, Karpus may not attend the Meeting, may not vote the undersigned's shares proxy, and the shares may not be counted toward a quorum. If you do not believe the foregoing condition is reasonably specified, or you unconditionally want your shares to be represented at the Meeting, you should not give us your proxy.** *Required Vote* Approval of each New Fund Management Agreement requires the affirmative vote of a "majority of the outstanding voting securities" of each Fund, which, under the 1940 Act, means the affirmative vote of the lesser of (a) 67% or more of the shares of the Fund present at the Meeting or represented by proxy if the holders of more than 50% of the outstanding shares are present or represented by proxy, or (b) more than 50% of the outstanding shares.

VOTING INFORMATION

Only shareholders of record of a Fund on the Record Date may vote. Shareholders of record on the Record Date are entitled to be present and to vote at the Meeting. Each share or fractional share is entitled to one vote or fraction thereof. Each Fund's shareholders will vote separately on each proposal with respect to that Fund. If you are a Shareholder of more than one Fund, you will be voting on each proposal separately with respect to each Fund in which you hold shares. **Vote Required** Shareholders of each Fund must separately approve the New Fund Management Agreement and each New Portfolio Management Agreement for such Fund. Approval of each of Proposal 1 and 2 by a Fund will require the affirmative vote of a "majority of the outstanding voting securities" of the Fund as defined in the Investment Company Act. This means the lesser of (1) 67% or more of the shares of the Fund present at the Meeting if more than 50% of the outstanding shares of the Fund are present in person or represented by proxy, or (2) more than 50% of the outstanding shares of the Fund. If the Shareholders of a Fund approve the New Fund Management Agreement and the New Portfolio Management Agreements for such Fund, their effectiveness is conditioned upon the Closing, which in turn is conditioned on the satisfaction or waiver of certain conditions set forth in the agreement related to the Transaction including, among other things: (1) obtaining consent to the Transaction by a certain percentage of ALPS Holdings' clients representing an agreed upon percentage of the annualized revenue of ALPS Holdings and its subsidiaries (including AAI); and (2) DST, AAI and ALPS Holdings obtaining any necessary regulatory approvals. If the conditions noted in the prior sentence are not met, the Existing Fund Management Agreement and the Existing Portfolio Management Agreements will remain in effect. If the proposals described in this Proxy Statement are approved by Shareholders of a Fund, they will not become effective until the Closing. **How Proxies Will be Voted** If you wish to vote AGAINST: (1) approving a new Fund Management Agreement between each Fund and AAI; and (2) approving a new Portfolio Management Agreements among the Fund, AAI and each of the Funds' investment sub-advisors, you may do so by completing and returning a GREEN proxy card. If you return a GREEN proxy card to us or to our agent and unless you direct otherwise, your shares will be voted AGAINST: (1) approving a new Fund Management Agreement between each Fund and AAI; and (2) approving a new Portfolio Management Agreements among the Fund, AAI and each of the Funds' investment sub-advisors. If you return a GREEN proxy card, you will be granting the proxy holder(s) discretionary authority to vote on any other matters that may come before the Meeting including matters relating to the conduct of the Meeting. **Quorum; Adjournment** For each Fund, a majority of the shares outstanding on the Record Date and entitled to vote, present and in person or represented by proxy, constitutes a quorum for the transaction of business by the Shareholders of that Fund at the Meeting. The Funds have stated that in the event a quorum is present at the Meeting, but sufficient votes to approve a proposal have not been received or in the discretion of such persons, the Chairman of the Meeting or, in the case of the Equity Fund, persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A Shareholder vote may be taken on one or more of the proposals referred to above prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. In the event of an adjournment, no notice is required other than an announcement at the meeting at which adjournment is taken. **In addition to this, Karpus is reserving a similar right. Due to the complexities of corporation law, under certain circumstances voting your shares could help create a quorum which could allow management's Proposals to be approved even if you voted your shares AGAINST management's Proposals. If Karpus believes that voting the proxies it receives would cause there to be a quorum and that the management Proposals would thereby be approved, we may not attend the Meeting and may withhold all proxies in order to attempt to defeat management's Proposals. If voting your proxies would, in Karpus' opinion, cause there to be a quorum and to cause the Proposals to be approved, then unless Karpus determines that the Board or Trustees has agreed to afford shareholders net asset value for their shares, Karpus may not attend the Meeting, may not vote the undersigned's shares proxy, and the shares may not be counted toward a quorum. If you do not believe the foregoing condition is reasonably specified, or you unconditionally want your shares to be represented at the Meeting, you should not give us your proxy. Broker Votes** For all matters to be voted upon, an abstention or broker non-vote will not be considered a vote cast. Abstentions will be counted and broker non-votes, if any, will be considered not present for the purpose of determining the presence of a quorum. "Broker non-votes" occur when a broker has not received voting instructions from the beneficial owner of the shares and either declines to exercise its discretionary voting authority or is barred from doing so because the proposal is contested. Broker non-votes cannot be voted on non-routine matters submitted to a vote without direction of the beneficial owner. If any of your shares were held in the name of a brokerage firm, bank nominee, or other institution on the Record Date, only that institution can vote your shares and only upon receipt of your specific instructions. Accordingly, please promptly contact the person responsible for your account at such institution and instruct that person to execute and return the GREEN proxy card on your behalf. You should also promptly sign, date, and mail the voting instruction form (or GREEN proxy card) that your broker or bank sends you. Please do this for each account you maintain to ensure that all of your shares are voted. If any of your shares were held in the name of a brokerage firm, bank, bank nominee, or other institution on the Record Date, to revoke your proxy you will need to give appropriate instructions to such institution. **IF YOU DO NOT GIVE INSTRUCTIONS TO YOUR BROKER OR OTHER NOMINEE, YOUR SHARES WILL NOT BE VOTED. Revocation of Proxies** Any proxy may be revoked as to all matters covered thereby at any time prior to the time a vote is taken by: (i) submitting to the Funds or to us a later dated written revocation or a duly executed proxy; or (ii) attending and voting at the Meeting in person (mere attendance at the Meeting will not in and of itself constitute a revocation). Although a revocation of a proxy solicited by the Funds will be effective only if delivered to the Funds, we request that either the original or a copy of all revocations be mailed to Karpus Management, Inc., d/b/a Karpus Investment Management, c/o Regan & Associates, Inc., 505 Eighth Avenue, Suite 800, New York, New York 10018, so that we will be aware of all revocations and can more accurately determine if and when the requisite proxies have been received.

STOCKHOLDER PROPOSALS FOR THE FUNDS' 2012 ANNUAL MEETINGS

Under the SEC's proxy rules, and subject to changes by the Board, stockholder proposals meeting tests contained in those rules may, under certain conditions, be included in the Fund's proxy material for a particular annual stockholder meeting. Under the foregoing proxy rules, proposals submitted for inclusion in the proxy material for the 2012 Annual Meeting must be received by the Growth Fund on or before December 17, 2011 or by the Equity Fund on or before December 31, 2011. The fact that the Fund receives a stockholder proposal in a timely manner does not ensure its inclusion in its proxy material, since there are other requirements in the proxy rules relating to such inclusion. Growth Fund shareholders who wish to make a proposal that would not be included in the Growth Fund's proxy materials or to nominate a person or persons as Director at the Growth Fund's 2012 Annual Meeting must ensure that the proposal or nomination is delivered to the Secretary of the Growth Fund no earlier than November 17, 2011 and no later than December 17, 2011. Equity Fund shareholders who wish to make a proposal that would not be included in the Equity Fund's proxy materials or to nominate a person or persons as Trustee at the Equity Fund's 2012 Annual Meeting must ensure that the proposal or nomination is delivered to the Secretary of the Equity Fund no earlier than December 1, 2011 and no later than December 31, 2011. If the date of the Equity Fund 2012 Annual Meeting is held before January 31, 2012 or after April 29, 2012, then the proposal or nomination must be received by the later of 120 days prior to the annual meeting or the tenth day following the date that a public announcement of the meeting is first made. Any such proposal or nomination must be in good order and in compliance with all applicable legal requirements and the requirements set forth in each Fund's Restated By-laws. The chairman of the annual meeting may refuse to acknowledge any proposal or nomination that does not meet the legal and By-law requirements. You must submit any stockholder proposals and nominations to the Secretary of the Funds, 1290 Broadway, Suite 1100, Denver, Colorado 80203. The persons named as proxies for the Meeting will have discretionary authority to vote on all matters presented at the Meeting consistent with SEC's proxy rules.
