PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To Be Held June 7, 2006

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the Board of Trustees of American Community Properties Trust, a Maryland real estate investment trust (the "Company" or "ACPT"), for the 2006 Annual Meeting of the shareholders of the Company (the "2006 Annual Meeting") to be held at the Holiday Inn, James Craik Room, 45 St. Patrick's Drive, St. Charles, Maryland on Wednesday, June 7, 2006 at 10:00 a.m. EDT. The Notice of the 2006 Annual Meeting, this proxy statement and the accompanying proxy card are first being mailed on or about April 27, 2006 to shareholders of record of the Company's common shares ("Common Shares") as of the close of business on April 17, 2006. You can ensure that your shares are voted at the meeting by signing, dating and promptly returning the enclosed proxy card in the envelope provided. Each share entitles the registered holder to one vote. As of April 17, 2006, there were 5,197,954 Common Shares outstanding and entitled to vote at the 2006 Annual Meeting. Sending in a signed proxy will not affect your right to attend the meeting and vote in person. You may revoke your proxy at any time before it is counted by notifying the Secretary of the Company in writing, or by executing a subsequent proxy, which revokes your previously executed proxy. Additionally, if you attend the meeting, you may vote your shares in person, which will revoke any previously executed proxy.

At the 2006 Annual Meeting, shareholders will have the opportunity to elect two trustees to serve until the Annual Meeting in 2009 and to transact such other business as may properly come before the meeting.

The Company's principal executive offices are located at 222 Smallwood Village Center, St. Charles, Maryland, 20602.

VOTING OF PROXIES

Proxies will be voted as specified by the shareholders. Where specific choices are not indicated, proxies will be voted FOR the election of all nominees for trustee. The presence in person or by proxy of shareholders entitled to cast

a majority of all votes entitled to be cast at the 2006 Annual Meeting constitutes a quorum. A properly executed proxy marked to withhold authority with respect to the election of a trustee nominee will not be voted with respect to such nominee, although it will be counted for purposes of determining whether there is a quorum. Accordingly, "withhold authority" votes will have the effect of a vote against the election of the nominee. The election of trustees requires the affirmative vote of a plurality of the votes cast at the 2006 Annual Meeting, which means the nominees who receive the most votes will be elected.

ELECTION OF TRUSTEES

At the 2006 Annual Meeting, the shareholders will be voting for two nominees to serve as trustees until the Annual Meeting in 2009. The two nominees for election until the 2009 Annual Meeting are Antonio Ginorio and Edwin Kelly. Mr. Ginorio has been a trustee since January 2001. Mr. Kelly has been a trustee since March 1997. Information regarding the Board's nominees for trustees is set forth below. Information regarding the other trustees whose terms expire in 2007 and 2008 is also set forth below.

Pursuant to the Company's Bylaws, the Board of Trustees consists of not less than three nor more than nine trustees, with the present number of trustees set at six. The Board of Trustees is divided into three classes serving staggered terms, with each class consisting of one-third of the total number of trustees.

The accompanying proxy, if signed and returned, will be voted for election of the Board's nominees unless contrary instructions are given. If the Board's nominees are unable to serve, which is not anticipated, the persons named as proxies intend to vote, unless the number of trustees is reduced by the Board of Trustees in accordance with the Bylaws, for such other person as the Board of Trustees may designate.

BOARD AND COMMITTEE MATTERS

Requirements of Board Members

Pursuant to the Company's Declaration of Trust not fewer than two of the members of the Board of Trustees must be persons who are not employed by (i) the Company, (ii) any Affiliate of the Company, or (iii) a member of the family of James J. Wilson, the President and Chief Executive Officer of IGC and the father of J. Michael Wilson.

During the fiscal year 2005, the Board of Trustees held five regular meetings and five special meetings. All trustees attended at least 75% of the total meetings of the Board of Trustees and committees of the Board on which they served. In accordance with Company policy, all members of our Board attended last year's annual meeting.

Compensation of Trustees

The Company pays its Trustees who are not employees of the Company or any of its affiliates fees for services as trustees. Trustees receive fees of \$6,500 per quarter plus \$1,400 per Board meeting and an additional \$500 fee for each special telephonic meeting. The Chairman of the Audit Committee receives an additional \$1,400 per meeting. The Trustees are also reimbursed for all reasonable expenses incurred by them in attending Board and committee

meetings.

Trustee Share Incentive Plan. The Trustee Share Incentive Plan authorizes the Board of Trustees, in its discretion, to grant to eligible trustees, awards of the same type and terms as the awards available under the Employee Share Incentive Plan discussed in this Proxy Statement under "Executive Compensation". Only trustees who are not employees of ACPT or any affiliated company are eligible to receive awards under the Trustee Share Incentive Plan. An aggregate of 52,000 Common Shares has been reserved for issuance under the Trustee Share Incentive Plan. During 2001, Thomas J. Shafer, T. Michael Scott and Antonio Ginorio were awarded 10,000 Rights each that entitle the holder to receive upon exercise an amount payable in cash, common shares or other property equal to the difference between the market value of common shares and a base price fixed on the date of grant. The base price is \$4.00 per Right and the Rights vest in equal increments each year for five years commencing in 2002. Also under this plan, 1,600 unregistered shares were awarded to each non-employee Trustee in June 2005.

Committees of the Board

The Board of Trustees has established the following standing committees, and the charters for the Audit Committee and Nominating and Corporate Governance Committee may be found on our website at www.acptrust.com.

Audit Committee. The Audit Committee consists of three members, each of whom qualifies as an independent trustee under American Stock Exchange ("AMEX") listing requirements. The responsibilities of the Audit Committee include the appointment and termination of the independent auditors, reviewing with the independent auditors the plans for and results of the annual audit engagement, approval of any other professional services provided by the independent auditors, approval of the fees paid to the independent auditors for audit and non-audit services, and periodically reviewing, with the assistance of the independent auditors, the adequacy of ACPT's internal accounting controls. The members of the Audit Committee for 2005 were Messrs. Ginorio (Chairman), Condit and Scott. The Audit Committee held ten meetings during the year ended December 31, 2005.

The Board of Trustees has determined that each member of the Audit Committee is, as required by AMEX rules, able to read and understand fundamental financial statements and that at least one member of the committee, Mr. Ginorio, Chairman, is "*financially sophisticated*" under the AMEX rules and is an "*audit committee financial expert*" as defined in Item 401(h)(2) of Regulation S-K.

Compensation Committee. The Compensation Committee consists of four members, each of whom is an independent trustee under the AMEX listing requirements. The Compensation Committee is responsible for the administration of the Share Incentive Plan and for approving the compensation of the executive officers of ACPT, including the CEO. The members of the Compensation Committee for 2005 were Messrs. Shafer (Chairman), Condit, Ginorio and Scott. The Compensation Committee met four times during 2005.

Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee was formed on January 28, 2005 and consists of four members, each of whom is an independent trustee under the AMEX listing requirements. The Committee assists our Board with: identifying qualified individuals to become members of our Board in the event of any vacancy on the Board, recommending to the Board from time to time the member who should serve as Chairman of the Board, determining the composition of the committees of the Board, recommending to the Board, on an annual basis, trustee nominees for the Board to be presented in the Annual Shareholders Meeting, monitoring a process to assess Board effectiveness and developing and implementing our corporate governance guidelines. The members of the Nominating and Corporate Governance Committee for 2005 were Messrs. Scott (Chairman), Condit, Ginorio, and Shafer. The Nominating and Corporate Governance Committee met once during 2005.

There are no differences in the way the Nominating and Corporate Governance Committee evaluates nominees suggested by shareholders from those suggested by Board members or management.

INDEPENDENT AUDITOR FEES AND SERVICES

Edgar Filing: AMERICAN COMMUNITY PROPERTIES TRUST - Form DEF 14A

The following table sets forth the aggregate fees for professional services rendered by Ernst & Young LLP, the Company's independent registered public accounting firm, for the audit of the Company's annual financial statements for the years ended December 31, 2005 and December 31, 2004 and fees billed for other services rendered by Ernst & Young LLP during those periods.

| | 2005 | 2004 |
|--------------------|-----------|-----------|
| | | |
| Audit Fees | \$745,500 | \$886,790 |
| Audit-Related Fees | 22,235 | 51,900 |
| Tax Fees | 249,474 | 97,150 |
| All Other Fees | - | - |

Audit Fees

Audit fees in 2005 and 2004 represented fees for professional services provided in connection with the annual audit of our financial statements reported on Form 10-K and review of our quarterly financial statements reported on Form 10-Q.

Additional audit fees in 2005 included fees related to the restatement of our Form 10-K for the year ended December 31, 2004 and Form 10-Qs for the periods ended March 31, 2005 and June 30, 2005 of \$138,500. Fees billed by Ernst & Young in 2004 also included fees for professional services rendered in connection with the audit and 8-K filing review in connection with the acquisition of apartment partnerships in October 2004, SEC matters of \$50,000 as well as the restatement of our financial statements for the years ended December 31, 2002 and 2003 and for the periods ended March 31, 2004, June 30, 2004 and September 30, 2004 of \$235,000.

Audit-Related Fees

Audit-related services in 2005 included the audit of the Retirement Benefit Plan, and the Company's subscription to Ernst & Young's on-line accounting and auditing research tool. Audit-related services performed in 2004 included the audit of the Retirement Benefit Plan, advisory services relating to our internal controls, and our subscription to Ernst & Young's on-line accounting and auditing research tool.

Tax Fees

We use Ernst & Young for tax services, including tax compliance, tax advice and tax planning. Fees in 2005 included those relating to the Closing Agreement with the IRS, our 2004 Form 10-K/A and tax consulting.

Other Fees

We did not engage the independent auditor to provide "other services" for us in 2005 or in 2004.

Pre-Approval Policies and Procedures

The Audit Committee adopted a policy that requires approval in advance of all audit, audit-related, tax services, and other services performed by the independent auditor outside of the audit engagement letter. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. The policy states that the Audit Committee must pre-approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee reports that all services rendered in fiscal year 2005 were pre-approved.

Appointment of Principal Independent Auditor for 2006

The Audit Committee of the Board of Trustees has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2006. Ernst & Young has served in this capacity since May 15, 2002. Ernst & Young LLP will audit and report to shareholders on the consolidated financial statements of the Company and its subsidiaries.

Representatives of Ernst & Young LLP will be present at the annual meeting, will have an opportunity to make a statement if they so desire, and are expected to be available to respond to appropriate questions.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal control. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Committee held ten meetings during fiscal year 2005. The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and letters required by the Independence Standards Board (including Independence Standards Board Standard No. 1) that were received by the Committee, and considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Trustees (and the board has approved) that the audited financial statements for 2005 be included in the Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

In addition to his annual salary and benefits, Mr. Kelly is entitled to use of a company automobile, a cellular phone and payment of membership dues in a country club.

The agreement contains a customary non-disclosure provision effective during the period of his employment and for a period of three years thereafter.

The employment agreement may be terminated by either party upon 90 days prior written notice and terminates automatically upon the death or disability of Mr. Kelly. If the agreement terminates due to death or disability, the Company will pay Mr. Kelly or his estate the base salary for the six months following such termination. In addition, the Company may terminate the employment agreement for "cause." As defined in the employment agreement, "cause" means the executive's (i) willful, reckless or grossly negligent inattention to his duties or responsibilities to the Company and its subsidiaries, (ii) unethical conduct relating to the performance of his duties and responsibilities, (iii) repeated disregard for the written rules, policies and regulations of the Company, (iv) conviction of a felony or other criminal offense relating to fraud or theft, (v) repeated failure or refusal to perform employment obligations under the agreement or (vi) breach of his obligations, including without limitation the non-compete provision described below, under the employment agreement. In the event of termination for cause, all salary and benefit payments cease immediately.

Jorge Garcia Massuet

Mr. Garcia entered into an employment agreement with Interstate General Properties Limited Partnership, S.E. (IGPLP), a wholly-owned subsidiary of ACPT, on May 12, 2004. Pursuant to this agreement, Mr. Garcia will serve as Vice President of Construction of IGPLP and have primary responsibility for managing the construction and development of the real estate assets of the Company in Puerto Rico. Mr. Garcia will receive an annual base salary of \$185,000, which salary may be increased at the discretion of the Compensation Committee of the Board of Trustees of ACPT. In addition to his annual salary and benefits, Mr. Garcia is entitled to use of a company automobile, a cellular phone and payment of membership dues in a country club. Mr. Garcia's employment under this agreement shall continue until his death, resignation or termination by the Board of Trustees of ACPT.

The agreement contains a customary non-disclosure provision effective during the period of his employment and for a period of three years thereafter.

Either party may terminate Mr. Garcia's employment under the employment agreement for any reason upon 60 days prior written notice to the other. The employment agreement automatically terminates upon the death or disability of Mr. Garcia, in which case the Company shall pay to Mr. Garcia or his estate, a pro-rated portion of the base salary for a period of six months following the termination as well as benefits for that six-month period.

The Company may terminate the employment agreement immediately for "cause." As defined in the employment agreement, "cause" means the executive's (i) willful, reckless or negligent inattention of the welfare of the Company and its subsidiaries, (ii) unethical conduct, (iii) repeated disregard for the written rules, policies and regulations of the Company, (iv) conviction of a felony or other criminal offense relating to fraud or theft, or (v) repeated failure or refusal to perform employment obligations under this agreement. In the event of termination for cause, all salary and benefit payments cease immediately.

Mr. Garcia may terminate the employment agreement immediately upon any breach by the Company of any of its obligations under the agreement. In the event of a termination by Mr. Garcia or termination of the employment agreement by the Company for any reason other than cause, the Company shall pay to Mr. Garcia his base salary and

benefits for a period of 24 months following such termination.

Carlos R. Rodriguez

The Company has executed an employment agreement dated as of April 20, 2006 with Mr. Rodriguez, who serves as president of the Company's subsidiary, IGP Group, Corp. The agreement provides for an initial term expiring June 30, 2007, subject to extension at the Company's option. Unless the agreement is earlier terminated, upon expiration of the term of the agreement, as extended, Mr. Rodriguez has agreed to serve as a consultant, performing not more than 250 hours of services in any 12 month period, until June 30, 2010.

Mr. Rodriguez's initial base salary is \$300,000, and is subject to review and increase, but not decrease, in the discretion of the Board of Trustees. The agreement provides for Mr. Rodriguez to be eligible for such bonus and other benefits as may be established and conferred upon comparable senior executives of the Company. Under the terms of the agreement, Mr. Rodriguez will be paid an annual fee of \$100,000 for the period he serves as a consultant following expiration of the term of his employment.

The employment agreement may be terminated by either party upon 90 days prior written notice and terminates automatically upon the death or disability of Mr. Rodriguez. If the agreement terminates due to death or disability, the Company will pay Mr. Rodriguez or his estate the base salary or consulting fees otherwise scheduled to be paid for the six months following such termination. In addition, the Company may terminate the employment agreement for "cause." As defined in the employment agreement, "cause" means the executive's (i) willful, reckless or grossly negligent inattention to his duties or responsibilities to the Company and its subsidiaries, (ii) unethical conduct relating to the performance of his duties and responsibilities, (iii) repeated disregard for the written rules, policies and regulations of the Company, (iv) conviction of a felony or other criminal offense relating to fraud or theft, (v) repeated failure or refusal to perform employment obligations under the agreement or (vi) breach of his obligations, including without limitation the non-compete provision described below, under the employment agreement. In the event of termination for cause, all salary and benefit payments cease immediately.

If the Company terminates the employment agreement other than for cause, or if Mr. Rodriguez terminates the agreement upon any breach by the Company of its obligations thereunder, the Company will pay the executive's base salary for the remainder of the year of termination plus one additional year; provided that if Mr. Rodriguez terminates the agreement during the consultancy period, the Company will pay all consultant fees for the remainder of the consultancy period.

The employment agreement contains a non-competition and non-solicitation provision pursuant to which Mr. Rodriguez has agreed that he will not, until June 30, 2010, provide services to, or become engaged in any capacity, including as a principal, agent, shareholder (other than as a passive investor of less than 5% of the outstanding stock of any public company), consultant, employee, lender or surety, in, any entity that competes with the Company or its subsidiaries in Puerto Rico. Mr. Rodriguez has also agreed that, during this period, he will not hire or attempt to hire any person who, during the year prior to the termination of Mr. Rodriguez's employment with the Company, was serving as an employee, director or trustee of the Company or any subsidiary, or otherwise solicit or induce any such

person to terminate his or her service with the Company. The non-competition and non-solicitation provisions terminate upon the termination of the employment agreement by Mr. Rodriguez upon a breach by the Company of its obligations thereunder.

SHARE OPTIONS AND SHARE APPRECIATION RIGHTS

Certain Named Executive Officers hold share appreciation rights ("SARS") pursuant to ACPT's Share Incentive Plan. The following table summarizes the SARS exercised during 2005 and presents the value of unexercised SARS held by the Named Executive Officers at fiscal year end. No awards under this plan were made to any of the Named Executive Officers in 2005. The values at December 31, 2005 of these rights are reflected below.

- No shares were issued upon exercise of SARS. The rights were satisfied with cash.

LONG-TERM INCENTIVE PLAN

Under the Share Incentive Plan, the Compensation Committee of the Board of Trustees may grant to key employees the following types of Share-based incentive compensation awards ("Awards"): (i) options to purchase a specified number of Common Shares ("Options"), (ii) Common Shares that vest upon the occurrence of certain vesting criteria

("Restricted Shares"), or (iii) Share Appreciation Rights ("Rights") that entitle the holder to receive upon exercise an amount payable in cash, Common Shares or other property (or any combination of the foregoing) equal to the difference between the market value of Common Shares and a base price fixed on the date of grant. A total of 208,000 Common Shares have been reserved for issuance under the Share Incentive Plan.

The Share Incentive Plan authorizes the Compensation Committee to determine the exercise price and manner of payment for Options and the base price for Rights. The Compensation Committee also is authorized to determine the duration and vesting criteria for Awards, including whether vesting will be accelerated upon a change in control of ACPT.

RETIREMENT PLAN

ACPT has established a retirement plan (the "Retirement Plan") for eligible employees of the Company. Employees are generally eligible to participate when they complete one year of service. Time of service performed for IGC, ACPT's predecessor, qualifies for the service requirement. Contributions from the Company to the plan are 5.7% of base salaries and wages not in excess of the U.S. Social Security taxable wage base, and 11.4% of salaries (limited to \$220,000) that exceed that wage base.

In addition, the Retirement Plan contains a profit sharing provision allowing ACPT to award annual cash bonuses to the officers and employees in reasonable amounts reflecting their contributions to the Company. The awards are determined by the Compensation Committee. A portion of each bonus is contributed on behalf of the employee to the Retirement Plan. No annual cash bonuses were made under the Retirement Plan in 2005.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation Committee

The Compensation Committee consists of Thomas J. Shafer (Chairman), Thomas S. Condit, Antonio Ginorio, and T. Michael Scott. The Compensation Committee is responsible for the administration of the Share Incentive Plan and for approving the compensation of all officers of ACPT.

Compensation Policy and Objectives

The policy of the Compensation Committee is to relate salary and bonuses to the performance of management and key individuals in meeting the long-term goals of the Company. These long term goals include maximizing shareholder value by increasing revenues, profits and return on invested capital while protecting and enhancing the assets of the Company. Promoting a culture of integrity, community relations, ethics and legal compliance is also an important duty of management. One of the principal strategies in obtaining these goals is to minimize the risks associated with the cyclical nature of real estate holdings and land development by reducing recourse debt and securing long term financing at attractive interest rates.

The Compensation Committee annually evaluates the Company's performance, as well as the personal performance of the Chief Executive Officer and the other officers of the Company. After reviewing the compensation policies and the results of a survey of peer companies, the Compensation Committee has adopted guidelines for the determination of executive compensation. The Compensation Committee believes that it has designed and implemented a compensation structure that provides appropriate awards and incentives for the Company's executive officers as they work to sustain and improve the Company's overall performance. Compensation will be determined by assigning a base salary at the beginning of each calendar year and a bonus to be determined after year end based on the performance of each officer. The maximum bonus amount awarded to each executive will not exceed fifty percent of his or her base salary for the calendar year. The quantitative and qualitative factors used by the Compensation Committee to determine annual cash bonuses are as follows:

- ◆ Revenues and Earnings
: meeting or exceeding budget goals, stock performance, leasing goals
- ◆ Strategic Initiatives
: property and apartment acquisitions, new products, agency and governmental approvals
- ◆ Human Resources
: staff building, succession planning, training, establishing staff performance goals
- ◆ Cash Flow Management
: meeting dividend goals, managing debt, refinancing improvements
- ◆ Leadership

: establishing a vision for the next ten years, corporate governance, establishing and maintaining appropriate internal controls, corporate image

While the Compensation Committee considered these performance factors in making individual compensation decisions, the Committee applied its own business judgment in making final determinations.

Performance of the Company

For the year ended December 31, 2005, ACPT:

- ◆ reported net income of \$7,545,000;
- ◆ issued four quarterly dividends to its shareholders, totaling \$0.40 per share;
- ◆ increased total assets by \$33,058,000;
- ◆ increased the investment in our commercial office building, and apartment acquisition;
- ◆ continued to take advantage of the low interest rates by refinancing select apartment properties; and
- ◆ increased shareholder value by 59%.

The stock increased in value from \$12.15 per share at the close of business on December 31, 2004 to \$19.48 per share at the close of business on December 30, 2005. The increase in the stock value was significantly greater than comparable indices and peer companies. The Compensation Committee attributes this increase to the strong housing market and management's ability to take advantage of this market through well placed assets and entitlements previously negotiated with governmental agencies. Some of the more important factors in 2005 that the committee considered are described herein.

Lot sales in the planned community of St. Charles, Maryland remained strong with 94 single-family detached lots in the Sheffield Neighborhood sold to the Lennar Corporation ("Lennar") at a base price of \$100,000 per lot, however, the total number of lots settled fell short of the 128 lots sales presented in the budget. The Company benefited from a favorable sales agreement with Lennar that sets the final lot price at 30 percent of the sales price of the home built on the lot. As a result of a substantial increase of in housing costs, the Company received an additional \$2 million dollars in lot sales revenues over and above the base price of the lots. An additional 25 lots were delivered in the active-adult community being developed by a joint venture between Lennar and the Company. Under the agreement, the joint venture develops and sells the lots to Lennar's homebuilding division. Because ACPT contributed the land for the joint venture, the Company will recognize management fees and a pro rata share of previously deferred revenue and costs as lot sales continue.

In Parque Escorial, the planned community in San Juan, Puerto Rico, two sales of commercial land totaling 9.7 acres, resulted in \$10.4 million dollars in revenue to the Company. In addition, Interstate General Properties (IGP) sold 32 condominium units in Torres del Escorial generating \$7.4 million in revenue.

The Company has continued to provide in-house training to elevate the skills of both its professional and maintenance staff. The recruitment of Mathew Martin as Vice-President and Chief Accounting Officer provides increased expertise

in this important function for the Company.

Three of our apartment properties, Lancaster, Wakefield Terrace and Bayamon Garden, were refinanced in 2005 resulting in a cash flow to the Company of \$7,435,372.

Compensation of Chief Executive Officer

The Compensation Committee evaluated the performance of the five most highly compensated executive officers and determined the salary and bonuses of these individuals. This evaluation was done using the guidelines for executive compensation adopted by the committee. J. Michael Wilson, CEO, received a base compensation of \$350,000 for the year 2005. Based on the performance of the Company, Mr. Wilson's base compensation for 2006 was increased to \$375,000 and he was awarded a bonus of \$90,000, which was 26 percent of his 2005 base compensation. Mr. Wilson also serves as Chairman of the Board of Trustees without additional compensation and does not participate in the Company's retirement plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Payments to IBC for Services Provided by J. Michael Wilson.

J. Michael Wilson, the Chief Executive Officer ("CEO") of ACPT and President of IBC, is on the payroll of IBC. During 2005, ACPT reimbursed IBC \$440,000 for his services provided to ACPT. IBC is owned by the Wilson Group, beneficial owners of 51% of ACPT's outstanding shares.

Property Management Services.

During 2005, ACPT provided management services to two apartment rental projects and one commercial property in which ACPT is not the general partner and IBC or an IBC related entity holds an ownership interest. The management contracts provided for fees ranging from 3.5% to 4.5% of rents. Total fees earned from these properties in 2005 were \$470,000.

KEMBT Loan.

The Company repaid the loan on April 30, 2005, net of a \$430,000 fee for services provided to KEMBT.

Consulting Agreement.

American Rental Management Company ("American Management"), a wholly owned subsidiary of ACPT, entered into a consulting and retirement compensation agreement with IGC's founder and Chief Executive Officer, James J. Wilson, effective October 5, 1998. The consulting agreement (the "Consulting Agreement") provides for annual cash

payments during the first two years of \$500,000 and annual cash payments for eight years thereafter of \$200,000. However, if Mr. Wilson dies or ACPT is sold during the term of the Consulting Agreement, the agreement provides for a lump sum payment equal to the lesser of \$400,000 or the aggregate of annual payments then payable under the agreement. During the Consulting Agreement term, Mr. Wilson will remain available to provide consulting services requested from time to time by the Board of Trustees, including strategic planning and transaction advisory services. Pursuant to the Consulting Agreement, American Management will reimburse the reasonable costs and expenses incurred by Mr. Wilson in providing requested consulting services. At the request of Mr. Wilson, ACPT has been making payments under this Consulting Agreement to IGC. Mr. Wilson is the father of J. Michael Wilson, Chairman and Chief Executive Officer of the Company.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is or has been an officer or employee of the Company. Thomas J. Shafer, Trustee, provides engineering and consulting services to the Company pursuant to a consulting agreement between the Company and Mr. Shafer. During 2005, Mr. Shafer was paid \$3,500 per month for these services. The agreement may be terminated by either party upon thirty days' notice. The Board has determined that Mr. Shafer's provision of services pursuant to his consulting agreement is not a "material" relationship within the meaning of the American Stock Exchange's listing rights. There are no interlocking relationships as defined in the applicable SEC rules.

These rights entitle the holder to receive, upon exercise, an amount payable in cash, shares or other property (or any combination thereof) equal to the difference between the 20 day average market value of the shares, which was \$19.56 as of December 31, 2005, and the base price. Historically, the obligations have been satisfied with cash.

Trustees, officers and greater than ten percent shareholders are required by SEC regulation to furnish ACPT with copies of all Section 16(a) forms they file.

Based solely on review of the copies of these reports furnished to the Company during and with respect to the fiscal year ended December 31, 2005 and written representations that no other reports were required, the Company believes that all Section 16(a) filing requirements were complied with during the fiscal year ended December 31, 2005.
