Edgar Filing: MISSION WEST PROPERTIES INC - Form DEFR14A

SOLICITATION AND VOTING PROCEDURES

Shares represented by valid proxies in the form enclosed, received in time for use at the Annual Meeting and not revoked at or before the Annual Meeting, will be voted at the Annual Meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of the Company's common stock, par value \$.001 per share ("Common Stock"), is necessary to constitute a quorum at the Annual Meeting. Holders of Common Stock are entitled to one vote per share on all matters. The Company will tabulate stockholder votes, and an officer of the Company will tabulate votes cast in person at the Annual Meeting. With respect to the tabulation of proxies for purposes of constituting a quorum, abstentions are treated as present, but will not be counted as votes cast at the Annual Meeting with respect to any proposal and will have no effect on the result of the vote.

Assuming the presence of a quorum, the affirmative vote of a plurality of the votes cast at the Annual Meeting and entitled to vote is required for Proposal No. 1 regarding the election of each director. An affirmative vote of the holders of a majority of the votes cast affirmatively or negatively at the Annual Meeting is necessary for approval of Proposal No. 2 to ratify the appointment of independent auditors. All proxies will be voted as specified on the proxy cards submitted by stockholders, if the proxy is properly executed and is received by the Company before the close of voting at the Annual Meeting or any adjournment or postponement thereof. If no choice has been specified, a properly executed and timely proxy will be voted for Proposals Nos. 1 and 2, which are described in detail elsewhere in this Proxy Statement.

The close of business on April 15, 2003 has been fixed as the record date for determining the stockholders entitled to notice of and to vote at the Annual Meeting. As of that date, the Company had 17,653,691 shares of Common Stock outstanding and entitled to vote.

The cost of soliciting proxies, including expenses in connection with preparing and mailing this Proxy Statement, will be borne by the Company. In addition, the Company will reimburse brokerage firms and other persons representing beneficial owners of Common Stock for their expenses in forwarding proxy material to such beneficial owners. Solicitation of proxies by mail may be supplemented by telephone, telegram, telex and other electronic means, and personal solicitation by the directors, officers or employees of the Company. No additional compensation will be paid to directors, officers or employees for such solicitation.

The Company's Annual Report on Form 10-K for the year ended December 31, 2002 is being mailed to the stockholders with this Proxy Statement.

VOTING ELECTRONICALLY OR BY TELEPHONE

A number of brokerage firms and banks are participating in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you may authorize and direct your vote of those shares by calling the telephone number which appears on your voting form or through the Internet in accordance with instructions set forth on the voting form. The authorization to vote your shares through the ADP program must be received by midnight on May 20, 2003.

- 1 -

The Internet and telephone voting procedures are designed to authenticate stockholders' identities, to allow stockholders to communicate their authorization of a proxy to vote their shares and to confirm that their

Edgar Filing: MISSION WEST PROPERTIES INC - Form DEFR14A

instructions have been properly recorded. The Company has been advised by its counsel that the procedures that have been put in place are consistent with the requirements of applicable law. Stockholders communicating voting authorization via the Internet through ADP Investor Communication Services should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that would be borne by the stockholder.

REVOCABILITY OF PROXIES

You can revoke your proxy at any time before the voting at the Annual Meeting by sending a properly signed written notice of your revocation to the Secretary of the Company, by submitting another proxy that is properly signed and bears a later date or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not itself revoke an earlier submitted proxy. Requests for additional copies of the Annual Report and Proxy Statement may be made by calling the Company at (408) 725-0700. You should direct any written notices of revocation, requests for additional copies of the Annual Report and Proxy Statement, and related correspondence to: Mission West Properties, Inc., 10050 Bandley Drive, Cupertino, California 95014, Attention: Secretary.

CONTRACTUAL AND OTHER CONTROL ARRANGEMENTS

SPECIAL BOARD VOTING PROVISIONS. The Charter and Bylaws provide substantial control rights for the Berg Group. These rights include a requirement that Mr. Berg or his designee as director approve certain fundamental corporate actions, including amendments to the Charter and Bylaws and any merger, consolidation or sale of all or substantially all of our assets. In addition, the Bylaws provide that a quorum necessary to hold a valid meeting of the board of directors must include Mr. Berg or his designee. The rights described in the two preceding sentences apply only as long as the Berg Group members and their affiliates, other than the Company and the Operating Partnerships, beneficially own, in the aggregate, at least 15% of the outstanding shares of Common Stock on a Fully Diluted basis. In addition, directors representing more than 75% of the entire board of directors must approve other significant transactions, such as incurring debt above certain amounts, acquiring assets and conducting business other than through the Operating Partnerships.

BOARD OF DIRECTORS REPRESENTATION. The Berg Group members have the right to designate two of the director nominees submitted by the Board of Directors to

Edgar Filing: MISSION WEST PROPERTIES INC - Form DEFR14A

stockholders for election, as long as the Berg Group members and their affiliates, other than the Company and the Operating Partnerships, beneficially own, in the aggregate, at least 15% of our outstanding shares of Common Stock on a Fully Diluted basis. If the Fully Diluted ownership of the Berg Group members and their affiliates is less than 15% but is at least 10% of the Common Stock, the Berg Group members have the right to designate one of the director nominees submitted by the Board of Directors to stockholders for election. Its right to designate director nominees affords the Berg Group substantial control and influence over the management and direction of our corporation.

SUBSTANTIAL OWNERSHIP INTEREST. The Berg Group currently owns O.P. Units representing approximately 75.2% of the equity interests in the operating partnerships. The O.P. Units may be converted into shares of Common Stock, subject to limitations set forth in the Charter (including an overall 20% ownership limitation for the Berg Group), and other agreements with the Berg Group. Upon conversion these shares would represent voting control of the Company. The Berg Group's ability to exchange its O.P. Units for Common Stock permits it to exert substantial influence over the management and direction of the Company.

LIMITED PARTNER APPROVAL RIGHTS. Mr. Berg and other limited partners of the Operating Partnerships, including other members of the Berg Group, may restrict the Company's operations and activities through rights provided under the terms of the Amended and Restated Agreement of Limited Partnership which governs each of the Operating Partnerships and the Company's legal relationship to each Operating Partnership as its general partner. Matters requiring approval of the holders of a majority of the O.P. Units, which necessarily would include the Berg Group, include (i) the amendment, modification or termination of any of the Operating Partnership Agreements; (ii) the transfer of any general partnership interest in the Operating Partnerships, including, with certain exceptions, transfers attendant to any merger, consolidation or liquidation of our corporation; (iii) the admission of any additional or substitute general partners in the Operating Partnerships; (iv) any other change of control of the Operating Partnerships; (v) a general assignment for the benefit of creditors or the appointment of a custodian, receiver or trustee of any of the assets of the Operating Partnerships; and (vi) the institution of any bankruptcy proceeding for any Operating Partnership.

In addition, as long as the Berg Group members and their affiliates, beneficially own, in the aggregate, at least 15% of the outstanding shares of Common Stock on a Fully Diluted basis, the consent of the limited partners holding the right to vote a majority of the total number of O.P. Units outstanding is also required with respect to (i) the sale or other transfer of all or substantially all of the assets of the Operating Partnerships and certain mergers and business combinations resulting in the complete disposition of all O.P. Units; (ii) the issuance of limited partnership interests senior to the O.P. Units as to distributions, assets and voting; and (iii) the liquidation of the Operating Partnerships.

Comparison of Shareholder Return on Investment

The following line graph compares the change in the Company's cumulative stockholder return on its shares of Common Stock to the cumulative total return of the NAREIT Equity REIT Total Return Index ("NAREIT Equity Index") and the Standard & Poor's 500 Stock Index ("S & P 500 Index") from December 31, 1998 to December 31, 2003. The line graph starts December 31, 1998; however, the Company started trading under the Berg Group ownership on December 8, 1998. The graph

assumes that the value of the investment in the Company's Common Stock was \$100 at December 31, 1998 and that all dividends were reinvested. The Common Stock's price on December 31, 1998 was \$6.75. The Company obtained the information about the NAREIT Equity Index and S & P 500 Index from each entity respectively, and has assumed that the information is reliable, but cannot assume its accuracy.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Set forth below is a summary of certain material transactions since January 1, 2002 between the Company and any of its directors, executive officers or holders of more than 5% of the Company's Common Stock, or between the Company and persons in which directors, executive officers or such stockholders have direct or indirect material interests.

PROPERTY ACQUISITIONS AND FINANCIAL TRANSACTIONS BETWEEN THE COMPANY AND THE BERG GROUP

Through a series of transactions in 1997 and 1998, the Company became the vehicle for substantially all of the Silicon Valley R&D property activities of the Berg Group, which includes Mr. Berg, his brother Clyde J. Berg, members of their families and a number of entities in which they have controlling or substantial ownership interests. The Company owns these former Berg Group properties, as well as the rest of its properties, through the Operating Partnerships, of which the Company is the sole general partner. Through various property acquisition agreements with the Berg Group, the Company has the right to purchase, on pre-negotiated terms, R&D and other types of office and light industrial properties that the Berg Group develops in the future in the states

Edgar Filing: MISSION WEST PROPERTIES INC - Form DEFR14A

of California, Oregon and Washington.

PENDING PROJECTS ACQUISITION AGREEMENT. In December 1998, the Company entered into the Pending Projects Acquisition Agreement with members of the Berg Group, under which the Company agreed to acquire, through the Operating Partnerships, approximately 1.0 million square feet upon the completion and leasing of identified pending development projects owned by certain members of the Berg Group. The Pending Projects Acquisition Agreement was terminated in December 2000 when the last property contemplated for development was completed, leased, and purchased by the Company.

BERG LAND HOLDINGS OPTION AGREEMENT. In December 1998, the Company entered into the Berg Land Holdings Option Agreement under which the Company, through the Operating Partnerships, has the option to acquire any future R&D, office and industrial property developed by the Berg Group on land currently owned or optioned, or acquired for these purposes in the future, directly or indirectly, by Carl E. Berg or Clyde J. Berg. The principal terms of the Berg Land Holdings Option Agreement include the following:

- So long as the Berg Group members and their affiliates own or have the right to acquire shares representing at least 65% of our Common Stock on a Fully Diluted basis the Company will have the option to acquire any building developed by any member of the Berg Group on the land subject to the agreement at such time as the building has been leased. Upon the exercise of the option, the option price will equal the sum of:
 - (1) the full construction cost of the building; plus
 - (2) 10% of the full construction cost of the building; plus
 - (3) interest at LIBOR plus 1.65% on the amount of the full construction cost of the building for the period from the date funds were disbursed by the developer to the close of escrow; plus
 - (4) the original acquisition cost of the parcel on which the improvements will be constructed; plus
 - (5) 10% per annum of the amount of the original acquisition cost of the parcel from the later of January 1, 1998 and the seller's acquisition date, to the close of escrow; minus
 - (6) the aggregate principal amount of all debt encumbering the acquired property, or a lesser amount as approved by the Independent Directors Committee.
- The acquisition cost, net of any debt, will be payable in cash, or O.P. Units valued at the average closing price of the Common Stock over the 30-trading-day period preceding the acquisition or in cash, at the option of the Berg Group.
- The Company must assume all property tax assessments.
- If the Company elects not to exercise the option with respect to any property, the Berg Group may hold and lease the property for its own account, or may sell it to a third party.
- All action taken by the Company under the Berg Land Holdings Option Agreement must be approved by a majority of the members of the Independent Directors Committee.

Edgar Filing: MISSION WEST PROPERTIES INC - Form DEFR14A

The following table presents certain information concerning projects and joint venture acquired under the Berg Land Holdings Option Agreement ("Berg Land"):

Property	Approximate Rentable Area (square feet)	Actual Acquisition Period	Acquisition Price	Cash/Deb Assumption	O.P. I
Berg Land:					
5345 Hellyer Avenue	125,000	Q1 2002	\$13,651,965	\$ 7,500,000	
5900 Optical Court	165,000	Q3 2002	17,300,621	10,500,000	
TBI-Mission West, LLC JV	593,000	Q1 2003	1,800,000	-	
TOTAL	883,000		\$32,752,586	\$18,000,000	1

On January 1, 2003, we acquired a 50% interest in TBI-Mission West, LLC, a two-member joint venture that owns and developed a complex of four R&D properties totaling approximately 593,000 rentable square feet, from the Berg Group. The properties are operated and managed by the other joint venture partner of TBI-Mission West, LLC. The total acquisition price for the 50% interest in the joint venture was \$1.8 million, which we financed by issuing 181,032 O.P. Units to the Berg Group.

OTHER COVENANTS. The acquisition agreement, Berg Land Holdings Option Agreement and supplemental agreement to which the Company and the Berg Group, or Carl E. Berg and Clyde J. Berg, individually are parties includes the undertaking of Carl E. Berg not to directly or indirectly acquire or develop, or acquire any equity ownership interest in any entity that has an ownership interest in, any real estate zoned or intended for use as R&D, office or industrial properties, with the exception of investments in securities of publicly traded companies, which securities do not represent more than 10% of the outstanding voting securities of such companies, in California, Oregon or Washington without first disclosing such investment opportunity to the Company and making such opportunity available to the Company, subject to the approval of the Independent Directors Committee. This restriction does not apply to any acquisition of the projects subject to the Pending Projects Acquisition Agreement or completed buildings acquired pursuant to the Berg Land Holdings Option Agreement or the supplemental agreement. This restriction remains in effect until the date on which both of the following conditions are satisfied: (i) no nominee of the Berg Group is a member of the Board of Directors; and (ii) the Berg Group and its affiliates, other than the Company and the Operating Partnerships, beneficially own less than 25% of the outstanding Common Stock, including for these purposes all shares issuable upon exercise of the rights to exchange O.P. Units for Common Stock.

In addition, all transactions between the Company and any member of the Berg Group, or an entity in which a member of the Berg Group holds at least 5% of the equity interests, including the Company's election to issue Common Stock or pay cash in exchange for O.P. Units tendered by the Berg Group are subject to review and approval by the Independent Directors Committee. The Independent Directors Committee reviewed and approved all of the transactions between the

Edgar Filing: MISSION WEST PROPERTIES INC - Form DEFR14A

Company and the Berg Group in 2002. Aside from these restrictions, the Berg Group is generally free to conduct its business activities and will not be required to seek the approval of such activities or refer business opportunities to the Company, nor will it have any liability to the Company for its failure to do so.

ISSUANCE AND ASSUMPTION OF DEBT. As of March 31, 2003, the Company was liable for loans aggregating approximately \$25,911 and \$11,001,022 payable to the Berg Group under a collateralized line of credit and mortgage loan, respectively. The Berg Group line of credit is collateralized by ten properties, bears interest at LIBOR plus 1.30%, and the maturity date has recently been extended to March 2004. The mortgage loan is collateralized by two properties, bears interest at 7.65%, and matures in June 2010. The Company borrowed and repaid funds under the line of credit and made regular debt service payments on the mortgage loan throughout 2002.

LEASE FROM BERG GROUP. The Company leases its executive offices from Berg & Berg Enterprises, Inc. For the year ended December 31, 2002, the Company paid \$90,240 to Berg & Berg Enterprises, Inc. under the terms of the lease agreement for its executive offices.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors, officers and greater than ten percent holders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file.

To the Company's knowledge, based solely on review of the copies of the above-mentioned reports furnished to the Company and written representations regarding all reportable transactions, during the fiscal year ended December 31, 2002, all Section 16(a) filing requirements applicable to its directors, officers and greater than ten percent holders were complied with on time, except that Carl E. Berg and certain members of the Berg Group did not timely file two reports on Form 4 that may have been due with respect to acquired O.P. Units issued pursuant to the Berg Land Holdings Option Agreement and one report on Form 4 related to a liquidation distribution of O.P. Units from two partnerships owned and controlled by members of the Berg Group.

REPORT ON EXECUTIVE COMPENSATION BY THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee (the "Committee") comprises three independent members of the Board of Directors. The Company's Board of Directors has delegated to the Committee responsibility for reviewing, recommending and approving the Company's compensation policies and benefits programs. The Committee also has the principal responsibility for the administration of the company's stock plans, including approving stock option grants to executive officers.

COMPENSATION PHILOSOPHY

Edgar Filing: MISSION WEST PROPERTIES INC - Form DEFR14A

The Company's executive compensation policy is designed to attract and retain qualified executive personnel by providing executives with a competitive total compensation package based in large part on their contribution to the financial and operational success of the Company, the executive's personal performance and increases in stockholder value as measured by the Company's stock price.

COMPENSATION PROGRAM

The compensation package for the Company's executive officers consists of the following three components:

BASE SALARY. The Committee determines the base salary of each executive based on the executive's scope of responsibility, past accomplishments and experience and personal performance, internal comparability considerations and data regarding the prevailing compensation levels for comparable positions in relevant competing executive labor markets. The Committee may give different weight to each of these factors for each executive, as it deems appropriate. In selecting comparable companies for the purpose of setting competitive compensation for the Company's executives, the Committee considers many factors not directly associated with stock price performance, such as geographic location, annual revenue and profitability, organizational structure, development stage and market capitalization.

ANNUAL INCENTIVE COMPENSATION. At the present time, the Company does not have an annual incentive compensation program in place. However, the Committee may in the future at the Committee's discretion institute an annual incentive program.

STOCK OPTIONS. The Committee believes that granting stock options to executives and other key employees on an ongoing basis gives them a strong incentive to maximize stockholder value and aligns their interests with those of other stockholders. The Committee determines stock option grants to executives and has authorized the Company's CEO to determine stock option grants for all other employees, subject to the Committee's approval of total share allocations from the Company's Option Plan. In determining the size of stock option grants, the Committee considers the executive's current position with and responsibilities to the Company, potential for increased responsibility and promotion over the option term, tenure with the Company and performance in recent periods, as well as the size of comparable awards made to executives in similar positions in competing executive labor markets. Generally, each stock option grant allows the executive to purchase shares of the Company's Common Stock at a price per share equal to the market price on the date the option is granted, but the Committee has the power to grant options at a lower price if considered appropriate under the circumstances. Each stock option grant generally becomes exercisable, or vests, in installments over time, contingent upon the executive's continued employment with the Company.

- 13 -

COMPENSATION OF CHIEF EXECUTIVE OFFICER. The annual salary for Mr. Berg was set in 1997 and first became payable in 1998. The Committee has no plan to adjust his compensation.

COMPLIANCE WITH INTERNAL REVENUE CODE SECTION 162(M). Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly-held companies for compensation paid to certain executive officers, to the extent that compensation paid to the officer exceeds \$1 million during the Company's taxable year. The compensation paid to the company's executive officers for the year ended December 31, 2002 did not exceed the \$1 million limit per officer. In addition, the Company's 1997 Stock Option Plan and executive incentive option

Edgar Filing: MISSION WEST PROPERTIES INC - Form DEFR14A

grants have been structured so that any compensation deemed paid to an executive officer in connection with the exercise of his or her outstanding options with an exercise price per share equal to the fair market value per share of the Common Stock on the grant date will qualify as performance-based compensation that will not be subject to the \$1 million limitation. It is very unlikely that the cash compensation payable to any of the Company's executive officers in the foreseeable future will approach the \$1 million limit, and the Committee does not expect to take any action at this time to modify cash compensation payable to the Company's executive officers to avoid the application of Section 162(m).

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of the Board of Directors was formed in December 1998 and currently is comprised of Messrs. John C. Bolger, William A. Hasler and Lawrence B. Helzel. None of these individuals were at any time during 2002, or at any other time, an officer or employee of the Company. No executive officer of the Company serves as a member of the Compensation Committee of any other entity that has one or more executive officers serving as a member of the Company's Board of Directors or Compensation Committee.

AUDIT COMMITTEE REPORT

The Audit Committee reviews, acts on and reports to the Board with respect to various auditing and accounting matters. The Audit Committee has the authority and responsibility to select, evaluate, and where appropriate, replace the Company's independent public accountants. The Audit Committee also reviews the scope of the annual audit fees to be paid to the Company's independent public accountants, the performance of the independent public accountants, the audit report of the Company's consolidated financial statements following completion of the audit and the accounting practices of the Company with respect to internal accounting and financial controls. The Audit Committee notes, however, that management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent public accountants audit the financial statements prepared by management, express an opinion on whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States of America, and discuss with the Audit Committee any issues they believe should be raised with us.

The Board of Directors of the Company adopted an Audit Committee Charter on June 9, 2000. The Audit Committee is currently comprised of Messrs. John C. Bolger, William A. Hasler, and Lawrence B. Helzel, all of whom are independent within the meaning of AMEX's listing standards.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for fiscal year 2002 with management and the Company's independent public accountants, PricewaterhouseCoopers LLP ("PwC"). The Committee discussed with PwC matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit

Edgar Filing: MISSION WEST PROPERTIES INC - Form DEFR14A

Committee was also provided by PwC the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with PwC that firm's independence.

Based on the discussions with PwC concerning the audit, the independence discussions and the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board that the Company's financial statements for the fiscal year ended December 31, 2002 be included in its 2002 Annual Report on Form 10-K filed with the Securities and Exchange Commission.

FEES PAID TO ACCOUNTANTS IN 2002

The aggregate fees billed to the Company by our independent accountants, PwC, for professional services rendered in connection with fiscal year 2002 are as follows:

Audit Fees	\$123,450
Audit Related Fees	-
Tax Fees	-
Other Fees	-

Total	\$123,450

Audit Fees include amounts related to professional services rendered in connection with audits of our annual financial statements for the year ended December 31, 2002 and the reviews of our quarterly financial statements.
