ITEM RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

2.02

As previously announced, we received a \$250 million milestone payment from Abbott Laboratories in July, related to Abbott's 2006 acquisition of Guidant's vascular intervention and endovascular solutions businesses. As a result, we expect to record a pre-tax operating gain of \$250 million (\$184 million after tax or approximately \$0.12 per share) in the third quarter of 2008.

We expect to record an additional pre-tax charge of \$334 million (\$266 million after tax or approximately \$0.18 per share) in the third quarter as a result of a ruling last week by a federal judge in a patent infringement case brought against us by Johnson & Johnson. As we announced on October 1, 2008, the judge awarded Johnson & Johnson approximately \$703 million in damages and pre-judgment interest.

As previously announced, we expect to record a pre-tax gain of \$15 million (\$9 million after tax or approximately \$0.01 per share) in the third quarter on the liquidation of our public and private investment portfolio.

A copy of the press release we issued on October 8, 2008 is furnished with this report as Exhibit 99.1.

The information in this report and the exhibit attached hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, regardless of any general incorporation language in such filing.

ITEM MATERIAL IMPAIRMENTS.

2.06

On October 7, 2008, we determined that a non-cash impairment charge was required on certain intangible assets due to changes in market conditions and our re-allocations of internal research and development spending. We expect to record a pre-tax operating charge of \$140 million to \$180 million (\$115 million to \$145 million after tax or approximately \$0.08 to \$0.10 per share) in the third quarter of 2008.

ITEM OTHER EVENTS.
