7.1 Each party (the “Recipient”) acknowledges that it may, in the course of performing his or its responsibilities under this Agreement, be exposed to or acquire Confidential Information of the other party (the “Discloser”). Except as required by Law, including the rules and regulations of the U.S. securities laws, and to the extent otherwise provided herein, Recipient agrees to hold the Confidential Information in strict confidence and not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give or disclose such information to third parties or to use such information for any purposes whatsoever other than the performance of this Agreement.

Discloser shall reimburse Recipient for reasonable legal fees and expenses incurred in Recipient’s effort to comply with this provision. The parties agree that disclosure in accordance with this Section 7.2 does not, by itself, invoke or otherwise give rise to the exclusions of Section 7.3 or any other exceptions to the use and handling of Confidential Information.

7.3 Notwithstanding the definition of such term as set forth in Section 1.1, Confidential Information shall not include information that is:

7.5 Injunctive Relief. It is understood and agreed that in the event of a breach of this Section 7 damages may not be an adequate remedy and the non-breaching party shall be entitled to apply for injunctive relief to restrain any such breach, threatened or actual.

7.6 Common Interest Disclosures. The parties agree that they may disclose Confidential Information in furtherance of their common legal interest. Such Confidential Information may be subject to the attorney-client privilege, work product doctrine or other applicable privilege. The parties understand and agree that it is their desire, intention and mutual understanding that the sharing of such Confidential Information is not intended to, and shall not, waive or diminish in any way the confidentiality of such material or its continued protection under the attorney-

client privilege, work product doctrine or other applicable privilege. All Confidential Information provided by a party that is entitled to protection under the attorney-client privilege, work product doctrine or other applicable privilege shall remain entitled to such protection under these privileges, this Agreement, and under the common interest doctrine. Nothing in this Section 7.6 shall be interpreted to mean that a party hereto would be prevented from using Confidential Information in a legal proceeding against the other party hereto based upon a dispute arising out of this Agreement; provided that the other party has been notified in advance of such use or disclosure and been afforded sufficient opportunity to seek and obtain confidential treatment by the court or other entity having jurisdiction over the matter at hand.

SECTION 8

INDEMNIFICATION

Subject to the limitations contained in this Section 8, each party agrees to, at its sole cost and expense, indemnify, defend and hold harmless the other party and each of its Affiliates and its and their respective directors, officers, partners, employees, representatives, successors and assigns from and against any and all losses, liabilities, expenses (including reasonable fees and disbursements of counsel and reasonable expenses of investigation and defense), claims (including third party claims), liens, encumbrances and other obligations of any nature whatsoever (hereinafter individually, a “Loss” and collectively, “Losses”) which, directly or indirectly, arise out of or result from any breach of any representation and warranty, or any breach of any covenant or agreement, of such party contained in this Agreement, the Conveyance Documents or any agreement or document delivered pursuant hereto or thereto.

The party making a claim under this Section 8 is referred to as the “Indemnified Party” and the party against whom such claims are asserted under this Section 8 is referred to as the “Indemnifying Party”. (b) After delivery of a Claim Notice, so long as any right to indemnification exists pursuant to this Section 8, the affected parties each agree to retain all books, records and other documentation related to such Claim Notice. In each instance, the Indemnified Party shall have the right to be kept fully informed by the Indemnifying Party and its legal counsel with respect to any legal proceedings. Any Confidential Information, except as may be required by applicable Law, shall not be disclosed to any third Person (except for the representatives of the party being provided with the information, in which event the party being provided with the information shall request its representatives not to disclose any such information which it otherwise required hereunder to be kept confidential).

(c) The Indemnified Party shall take all reasonable steps to mitigate all indemnifiable Losses upon and after becoming aware of any event which could reasonably be expected to give rise to any Losses and damages that are indemnifiable hereunder. No party shall be entitled to indemnification to the extent of any insurance or tax benefits resulting from or which may be claimed as a result of the facts and circumstances relating to any indemnifiable claim. If any Losses are covered by insurance, the Indemnified Party shall use commercially reasonable efforts to recover the amount of such Losses from the insurer of such insurance which recovery shall reduce the amount of Losses hereunder.

(d) To the extent that either party discharges any claim for indemnification hereunder, subject to an insurance carrier's right of subrogation, such party shall be subrogated to all rights of the other against third parties.

(a) Notwithstanding anything to the contrary set forth herein, the maximum aggregate indemnification liability of Cox under Section 8.1 hereof for any inaccuracy in or breach of any representation warranty, covenant or agreement of Cox contained in this Agreement shall not exceed \$1,500,000 (the Cash Purchase Price plus the value of the Shares delivered at Closing) except for such indemnification claims for breach of Section 4.4 hereof or claims based upon fraud.

(b) Prior to the Closing, Cox shall have no liability to Network-1 for indemnification under Section 8.1 hereof except for such indemnification claims for breach of Section 4.4 hereof or claims based upon fraud.

(c) Following the Closing, Cox shall have no liability to Network-1 for indemnification under Section 8.1 hereof with respect to breach of the representation and warranty set forth in Section 4.3 hereof except if Cox, on or before the Closing, has knowledge of information which is in conflict or inconsistent with the representation and warranty in Section 4.3 and Cox withheld such information from Network-1 prior to the Closing.

SECTION 9

WARRANTY DISCLAIMERS AND LIMITATION OF LIABILITY

9.1 IN NO EVENT SHALL COX OR NETWORK-1 BE LIABLE TO EACH OTHER, WHETHER IN CONTRACT, TORT, UNDER ANY WARRANTY OR ANY OTHER THEORY OF LIABILITY, FOR ANY SPECIAL, INCIDENTAL, INDIRECT, COLLATERAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST BUSINESS OR PROFITS, IN CONNECTION WITH ANY CLAIMS, LOSSES, DAMAGES, OR INJURIES ARISING OUT OF THE CONDUCT OF SUCH PARTY PURSUANT TO THIS AGREEMENT, THE CONVEYANCE DOCUMENTS OR ANY AGREEMENTS OR DOCUMENTS DELIVERED PURSUANT HERETO OR THERETO.

10.2 Entire Agreement. This Agreement, the Conveyance Documents and the exhibits hereto and thereto supersede all prior and contemporaneous discussions and agreements, both written and oral, between the parties with respect to the subject matter of this Agreement (including, without limitation, the Patent Purchase Agreement, dated September 13, 2012, between the parties which shall be deemed null and void with no further force or effect upon the Closing Date) and constitute the sole and entire agreement between the parties to this Agreement with respect to the subject matter of this Agreement.

10.3 Waiver. Any term or condition of this Agreement may be waived at any time by the party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed by or on behalf of the party waiving such term or condition. No waiver by any party of any term or condition of this Agreement, in any one or more instances, shall be deemed to be or construed as a waiver of the same or any other term or condition of this Agreement on any future occasion. All remedies, either under this Agreement or by law or otherwise afforded, will be cumulative and not alternative.

10.4 Amendment. This Agreement may be amended, supplemented or modified only by a written instrument duly executed by or on behalf of each party to this Agreement.

10.5 No Third-Party Beneficiary. The terms and provisions of this Agreement are intended solely for the benefit of each party hereto and their respective successors or permitted assigns, and it is not the intention of the parties to confer third-party beneficiary rights upon any other Person other than each parties Affiliates as specifically provided in this Agreement and the Indemnified Parties.

10.6 Assignment: Binding Effect. Neither this Agreement nor any right, interest or obligation under this Agreement may be assigned by any party to this Agreement by operation of

Law or otherwise without the prior written consent of the other party to this Agreement and any attempt to do so will be null and void except (i) Network-1 may assign this Agreement, without the consent of Cox, to any Affiliate or in connection with a merger, acquisition, reorganization, or sale of substantially all of its assets and (ii) Cox may assign his Net Interest (his right to receive a portion of the Net Proceeds as set forth in Section 2.2 hereof), without the consent of Network-1, to an Affiliate or his heirs for estate planning purposes.

10.7 Consent to Jurisdiction and Service of Process. Each party hereby irrevocably submits to the exclusive jurisdiction of any federal or state court located in the State of New York in respect of any action, suit or proceeding arising in connection with this Agreement, the Conveyance Documents and the transactions contemplated hereby and thereby, and agrees that any such action, suit or proceeding shall be brought only in the Supreme Court of the State of New York, County of New York, or in the United States District Court for the Southern District of New York (and waives any objection based on forum non conveniens or any other objection to venue therein); provided, however, that such consent to jurisdiction is solely for the purpose referred to in this Section 10.7 and shall not be deemed to be a general submission to the jurisdiction of said courts or in the State of New York other than for such purpose. Any and all process may be served in any action, suit or proceeding arising in connection with this Agreement or the Conveyance Documents by complying with the provisions of Section 10.1 hereof. Such service of process shall have the same effect as if the party being served were a resident in the State of New York and had been lawfully served with such process in such jurisdiction. The parties hereby waive all claims of error by reason of such service. Nothing herein shall affect the right of any party to service process in any other manner permitted by Law or to commence legal proceedings or otherwise proceed against the other in any other jurisdiction to enforce judgments or rulings of the aforementioned courts.

10.8 Specific Performance. The parties hereto agree that if any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, to the extent that irreparable damage may occur and no adequate remedy at law exists, then the parties shall be entitled to seek specific performance of the terms hereof, in addition to any other remedy at Law or equity.

10.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard for the conflicts of laws principles thereof.

10.10 Severability. If any one or more of the provisions of this Agreement is or are for any reason held to be invalid, illegal or unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement will be unimpaired and will remain in full force and effect, and the invalid, illegal or unenforceable provision will be replaced by a valid, legal and enforceable provision that comes closest to the intent of the parties underlying the invalid, illegal or unenforceable provision.

10.11 Survival. The representations and warranties of Cox contained in this Agreement, the Conveyance Documents or any agreement or document delivered pursuant hereto or thereto shall survive the Effective Date for a period of twenty-four (24) months, and thereafter be of no force or effect; The representations and warranties of Network-1 contained in this Agreement, the Conveyance Documents or any agreement or document delivered pursuant hereto or thereto shall survive the Effective Date for a period of twenty-four (24) months, and thereafter be of no force or effect.

10.12 Further Assurances. At any time and from time to time after the Closing Date at the request of Network-1, and without further consideration, Cox will execute and deliver such other instruments of sale, transfer, conveyance, assignment and confirmation and take such other action as Network-1 may reasonably deem necessary or desirable in order to transfer, convey and assign more effectively to Network-1.

10.13 Independent Parties. This Agreement is not intended to and shall not create any partnership, joint venture or agency relationship between either party.

10.14 Precedence. If any of the terms or conditions of this Agreement conflict with any of the terms or conditions of any exhibit or schedule, the terms or conditions, as applicable, of this Agreement shall control over such exhibit or schedule.

10.15 Counterparts; Facsimile Signature; PDF. This Agreement may be executed in any number of counterparts, which together shall be deemed one original, and delivery of copies of or facsimile or e-mail pdf signatures shall be deemed of equal force as delivery of original signatures.

10.16 Waiver of Conflicts. The Parties hereto understand and recognize that the law firm of Amster, Rothstein & Ebenstein LLP (“AR&E”) represents Cox in connection with this Agreement. Both Cox and Network-1 acknowledge and recognize that AR&E also represents Network-1 in connection with other matters unrelated to this Agreement. Both Cox and Network-1 agree that AR&E may represent Network-1 in the continued prosecution and enforcement of the Patents after Closing. Both Cox and Network-1 knowingly waive any conflict of interest created by such representations. Both Cox and Network-1 hereby acknowledges that AR&E has informed them of the possibility of potential conflicts of interest that may arise from its representation of Network-1 and Cox. Both Cox and Network-1 hereby agrees to waive any and all potential conflicts of interest that might arise with respect to Cox as a result of this representation, provided that this waiver does not extend to AR&E's inappropriate use or disclosure of confidential information of either Cox or Network-1 obtained by AR&E in connection with the work performed.

Consulting Agreement

This Consulting Agreement (“Agreement”), effective as of _____, 2013 (“Effective Date”) by and between Network-1 Security Solutions, Inc., a Delaware corporation having a place of business at 445 Park Avenue, Suite 1020, New York, New York 10022 (“Company”) and Ingemar Cox, resident of the UK residing at 7 The Gallery, 38 Ludgate Hill, London, EC4M 7DE, England, (“Consultant”).

Simultaneously with the execution of this Consulting Agreement, the Company has consummated the closing under a certain Patent Purchase Agreement (the “Purchase Agreement”) pursuant to which the Company has acquired certain patents (the “Patents”) owned by Consultant. In accordance with the Purchase Agreement, Consultant is obligated to enter into this Agreement to provide consulting services and technical assistance with respect to the Patents and Consultant agrees to provide such services to the Company, subject to the following terms and conditions.

1. Term.

The term of this Agreement shall be from the date hereof until six (6) years after the expiration of the last to expire Patent or the completion of any then pending enforcement action related to the Patents, whichever is later.

2. Services.

Consultant shall perform, if requested by the Company, up to fifteen (15) hours of work each month (the “Monthly Minimum”) solely in response to requests for specific tasks by Company. For work in excess of the Monthly Minimum, Consultant will be compensated at a rate of \$250 per hour for his services pursuant to this Agreement. Should Consultant forecast that meeting any individual request will require more than 10 hours of work in addition to the Monthly Minimum, Consultant will notify Company and obtain written approval from the Company before commencing such work.

3. Expenses.

Consultant will also be reimbursed for expenses incurred with respect to services rendered pursuant to this Agreement, provided appropriate receipts are presented to the Company. Any such expenses in excess of \$500 shall be subject to the prior written approval of the Company.

4. Invoices.

Consultant will submit a monthly invoice to the Company for services rendered (detailing hours and work performed) and expenses incurred payable within 30 days.

5. Retainer.

Consultant may, at his discretion, invoice an initial retainer for services of \$1,000 to be credited against the hourly charges (in excess of the Monthly Minimum) set forth in paragraph 2. In the event there is an unused portion of the retainer at the time of expiration or termination of this Agreement, the balance shall be returned to the Company.

6. Confidential Information.

(a) Company Information. Consultant agrees at all times during the term of this Agreement and thereafter to hold in strictest confidence, and not to use, except for the benefit of the Company, or to disclose to any person, firm or corporation, without the written authorization of the Chairman and Chief Executive Officer of the Company or its Board of Directors, any trade secrets, confidential knowledge, data or other proprietary information of the Company. By way of illustration and not limitation, such proprietary information shall include information relating to the Company's patents, patent acquisition strategy, litigation strategy, licensing strategy and plans, proposed licensing terms, documents produced by opposing parties during the course of litigation, business plans and strategies. Proprietary and confidential information of the Company shall not include (a) information which is or becomes generally available to the public other than as a result of a disclosure by Consultant; (b) information which Consultant reasonably can demonstrate was known to him on a non-confidential basis prior to its disclosure to him by the Company; or (c) information which becomes available to Consultant on a non-confidential basis from a source other than the Company or its agents or representatives, provided that such source is not subject to any prohibition against transmitting such information.

(b) Former Employer Information. Consultant agrees that he will not, during the term of this Agreement, improperly use or disclose any proprietary information or trade secrets of his former or current employers if any, or companies that Consultant has provided consulting services to.

(c) Third Party Information. Consultant recognizes that the Company has received and in the future will receive confidential or proprietary information from third parties subject to a duty on the Company's part to maintain the confidentiality of such information and, in some cases, to use it only for certain limited purposes. Consultant agrees that he owes the Company and such third parties, both during the term of this Agreement and thereafter, a duty to hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm or corporation (except in a manner that is consistent with the Company's agreement with the third party) or use it for the benefit of anyone other than the Company or such third party (consistent with the Company's agreement with the third party), unless expressly authorized to act otherwise by an executive officer of the Company.

7. No Conflicting Obligations.

Consultant represents and warrants to the Company that his performance of all the terms of this Agreement and as a consultant of the Company does not and will not breach or conflict with any agreement or arrangement, either present or in the future, that he has with any other party. Consultant has not entered into, and Consultant agrees he will not enter into, any agreement either written or oral in conflict herewith.

8. Return of Company Documents.

At the end of the term of this Agreement, Consultant will deliver to the Company (and will not keep in his possession, recreate or deliver to anyone else) any and all records, data, notes, reports, proposals, lists, correspondence, materials, equipment, other documents or property, together with all copies thereof (in whatever medium recorded) pertaining to the Company and the consulting services rendered pursuant to this Agreement.

9. Legal and Equitable Remedies.

Because Consultant's services to the Company pursuant to the Agreement are personal and unique and because Consultant may have access to and become acquainted with confidential and proprietary information of the Company, the Company shall have the right to enforce this Agreement and any of its provisions by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Company may have for a breach of this Agreement.

10. Severability.

If one or more of the provisions in this Agreement are deemed unenforceable by law, then the remaining provisions will continue in full force and effect.

11. Law; Jurisdiction.

This Agreement shall be executed and performed within, governed by and construed in accordance with the laws of the State of New York, excluding its choice of law provisions. The parties expressly consent to the personal jurisdiction of the state and federal courts located in New York, New York.

12. Assignment.

Consultant acknowledges and agrees that this Agreement is a contract for Consultant's personal services and that Consultant may not assign this Agreement without the express prior written approval of Company.

13. Entire Agreement.

This Agreement shall constitute the entire agreement between the parties with respect to the subject matter hereof and shall supersede any and all prior agreements or understandings (whether written or oral) relating to the subject matter hereof. No change or amendment to this Agreement shall be binding unless in writing and signed by both parties.

14. Counterparts; Facsimile Signature; PDF.

This Agreement may be executed in any number of counterparts, which together shall be deemed one original, and delivery of copies of or facsimile or e-mail pdf signatures shall be deemed of equal force as delivery of original signatures.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement, in duplicate, to be effective as of the date first written above.
