***Changes in Registrant's Certifying Accountant.***

On April 10, 2006, Semple & Cooper, LLP (S & C) submitted its letter of resignation as the auditor of record for M.B.A. Holdings, Inc. (the "Registrant"). The Audit Committee of the Registrant accepted the resignation.

In the past two years and subsequent interim period, S & C had qualified their opinion to the financial statements of the Registrant due to a going concern scope limitation. The auditor's report on the same financial statements contained no adverse opinion, or disclaimer of opinion, nor was it modified as to accounting principles.

The Registrant had no disagreements in the past two years and subsequent interim period with the former auditor on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of the former accountant, would have caused it to make reference to the subject matter of the disagreement(s) in connection with their report.

S & C had noted in the past year that a material weakness existed in the internal controls over newly acquired assets. It was noted that the registrant had experienced difficulties in establishing an acceptable level of control over the motorcycle rental operations. In addition, in the past year, a weakness in internal controls has been attributed to staffing needs. The filling of vacancies, especially at the CFO position, was recommended to acquire needed knowledge, experience, and skills.

The former auditor had on each occasion of citing material weakness in internal controls in the most recent two years and interim period discussed the matter with the Audit Committee of the Registrant. The Registrant has recognized these weaknesses and has established a group to evaluate internal controls and to recommend changes to these controls to the Board of Directors.

The Registrant, herewith, authorizes full disclosure by the resigning auditor, S & C, to the yet-to-be-named successor of all records for which the authorization of the Registrant is required. Similarly, authorization will be given to the successor to make unrestricted inquiry of the former auditor.

The Registrant has not over the past two years and interim period consulted with other accounting firms regarding completed or proposed transactions, reported events, or the type of opinion that might be rendered on its financial statements.

The Registrant has made the contents of this Form 8-K filing available to S & C and requested them to furnish us with a letter as to whether S & C agrees, or disagrees with, or wishes to clarify the Registrant's expression of their views. A copy of this letter from S & C is included as Exhibit 16 to this filing.
