Item 5. Other Events

On April 23, 2002, Vectren Corporation (Vectren), the parent company of Indiana Gas Company, Inc., along with Citizens Gas & Coke Utility (Citizens), the Indiana Office of Utility Consumer Counselor (OUCC), the Citizens Action Coalition (CAC), and a group of industrial customers filed an agreement in principle at the Indiana Utility Regulatory Commission (Commission). The agreement set forth the basic framework for settlement of numerous pending issues related to ProLiance Energy, LLC (ProLiance). The parties' final agreement was approved by the Commission on July 24, 2002 and becomes effective at the end of a thirty-day waiting period. This agreement brings closure to over six years of litigation related to Citizens' and Vectren's receipt of gas supply
