Our Company

Northern Oil and Gas, Inc. is a growth-oriented independent energy company engaged in the acquisition, exploration, exploitation and development of oil and natural gas properties.

Our business strategy is to identify and exploit resources in and adjacent to existing or indicated producing areas that can be quickly developed and put in production at low cost. We also intend to take advantage of our expertise in aggressive land acquisition to develop exploratory projects with extremely attractive growth potential in focus areas and to participate with other companies in those areas to explore for oil and natural gas using state-of-the-art 3D seismic technology. We believe our edge lies in our ability to acquire property in the most exciting new plays in a nimble and efficient fashion. We are focused on low overhead. For example, our officers, who are also major stakeholders, do not currently take salaries. We believe we are in a position to most efficiently exploit and identify high production oil and gas properties. We will actively continue to pursue the acquisition of properties that fit our profile.

RISK FACTORS

An investment in us involves a high degree of risk. Before making an investment decision, investors should carefully consider the risks and uncertainties under the heading “Risk Factors” contained in our Annual Report on Form 10-K for the fiscal year ended December 31, 2007, which is incorporated herein by reference, and under similar headings in our subsequently filed quarterly reports on Form 10-Q and annual reports on Form 10-K, as well as the other risks and uncertainties described in any applicable prospectus supplement and in the other documents incorporated herein by reference. Our business, financial condition or results of operations could be materially adversely affected by any of those risks. In such case, the trading price of our common stock could decline and investors could lose all or part of their investment. See the section entitled “Where You Can Find More Information” in this prospectus.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). This prospectus includes statements regarding our plans, goals, strategies, intent, beliefs or current expectations. These statements are expressed in good faith and based upon a reasonable basis when made, but there can be no assurance that these expectations will be achieved or accomplished. These forward-looking statements can be identified by the use of terms and phrases such as “believe,” “plan,” “intend,” “anticipate,” “target,” “estimate,” “expect,” “may,” “could,” “should,” etc. Items contemplating or making assumptions about, actual or potential future sales, market size, collaborations, and trends or operating results also constitute such forward-looking statements.

Although forward-looking statements in this prospectus reflect the good faith judgment of our management, forward-looking statements are inherently subject to known and unknown business, economic and other risks and uncertainties that may cause actual results to be materially different from those discussed in these forward-looking statements. Readers are urged not to place undue reliance on these forward-looking statements, which speak only as of the date of this prospectus. We assume no obligation to update any forward-looking statements in order to reflect any event or circumstance that may arise after the date of this prospectus, other than as may be required by applicable law or regulation. Readers are urged to carefully review and consider the various disclosures made by us in our reports filed with the SEC which attempt to advise interested parties of the risks and factors that may affect our business, financial condition, results of operation and cash flows. If one or more of these risks or uncertainties materialize, or if the underlying assumptions prove incorrect, our actual results may vary materially from those expected or projected.

SELLING STOCKHOLDER

This prospectus covers shares of our common stock issued in connection with the purchase of certain oil and mineral leases from Deephaven MCF Acquisition LLC—an “accredited investor” as defined by Rule 501(a) under the Securities Act—pursuant to an exemption from registration provided under Section 4(2) of the Securities Act. The selling stockholder may from time to time offer and sell under this prospectus any or all of the shares of common stock listed opposite its name below. We are required, under a registration rights agreement, to register for resale the shares of our common stock described in the tables below.

The following table sets forth information about the number of shares of our common stock beneficially owned by the selling stockholder that may be offered from time to time under this prospectus. The selling stockholder may be deemed to be “underwriters” as defined in the Securities Act.

The table below has been prepared based upon the information furnished to us by the selling stockholder as of September 26, 2008. The selling stockholder identified below may have purchased, acquired, sold, transferred or

otherwise disposed of some or all of their shares since the date on which the information in the following table is presented. Information concerning the selling stockholder may change from time to time and, if necessary, we will amend or supplement this prospectus accordingly. We cannot provide an exact amount, but have provided an estimate, of the number of shares of common stock that will be held by the selling stockholder upon termination of this offering, because the selling stockholder may offer some or all of their common stock under the offering contemplated by this prospectus, and may acquire other shares on the open market or otherwise. The total number of shares that may be sold hereunder will not exceed the number of shares offered hereby. Please read the section entitled "Plan of Distribution" in this prospectus.

The percentage of common stock outstanding is based upon a total of 34,092,164 issued and outstanding shares of our common stock on December 18, 2008. Beneficial ownership is determined in accordance with Rule 13d-3 of the Securities and Exchange Commission. The entity named in the table has sole voting and sole investment power with respect to the shares set forth opposite the stockholder's name, subject to community property laws, where applicable, unless otherwise noted in footnotes to the table. The selling stockholder has not had a position, office or other material relationship with us in the past three years.

(1) Represents the maximum number of shares that may be sold by the selling stockholder pursuant to this prospectus; provided, however, that pursuant to Rule 416 under the Securities Act of 1933, as amended, the registration statement of which this prospectus is a part shall also cover any additional shares of common stock which become issuable in connection with the shares registered for sale hereby by reason of any stock dividend, stock split, recapitalization or other transaction effected pursuant to the anti-dilution provisions in the warrants, without the receipt of consideration which results in an increase in the number of outstanding shares of our common stock.

(2) Assumes the sale of all shares offered hereby to unaffiliated third parties. The selling stockholder may sell all or part of its respective shares.

USE OF PROCEEDS

We will not receive proceeds from the sale of common stock under this prospectus. We have agreed to bear the expenses in connection with the registration of the common stock being offered hereby by the selling stockholder.

DETERMINATION OF OFFERING PRICE

The selling stockholder will determine at what price it may sell the offered shares, and such sales may be made at prevailing market prices, or at privately negotiated prices.

PLAN OF DISTRIBUTION

The selling stockholder and any of its pledgees, donees, transferees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of common stock on any stock exchange, market or trading

5

facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The selling stockholder may use any one or more of the following methods when selling shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits investors;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
 - purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution (on the American Stock Exchange or other exchange on which our shares may be listed from time-to-time) in accordance with the rules of the applicable exchange;
 - privately negotiated transactions;
- to cover short sales made after the date that this registration statement is declared effective by the Securities and Exchange Commission;
- broker-dealers may agree with the selling stockholder to sell a specified number of such shares at a stipulated price per share;
 - a combination of any such methods of sale; and
 - any other method permitted pursuant to applicable law.

The selling stockholder may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the selling stockholder may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholder (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholder does not expect these commissions and discounts to exceed what is customary in the types of transactions involved.

The selling stockholder may from time to time pledge or grant a security interest in some or all of the shares of common stock owned by it and, if it defaults in the performance of their secured obligations, the pledgees or secured parties may offer and sell shares of common stock from time to time under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus.

Upon a selling stockholder's notification of the Company that any material arrangement has been entered into with a broker-dealer for the sale of such stockholder's common stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, a supplement to this prospectus will be filed, if required, pursuant to Rule 424(b) under the Securities Act.

The selling stockholder also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling stockholder and any broker-dealers or agents that are involved in selling the shares may be deemed to be “underwriters” within the meaning of the Securities Act, in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, that can be attributed to the sale of securities will be paid by the selling stockholder and/or the purchasers. The selling stockholder has represented and warranted to the Company that it acquired the securities subject to this registration statement in the ordinary course of such selling

stockholder's business and, at the time of its purchase of such securities such selling stockholder had no agreements or understandings, directly or indirectly, with any person to distribute any such securities. As disclosed in the Selling Stockholder table, the selling stockholder is not affiliated with any broker-dealer.

The Company has advised the selling stockholder that it may not use shares registered on this registration statement to cover short sales of common stock made prior to the date on which this registration statement shall have been declared effective by the Securities and Exchange Commission. If the selling stockholder uses this prospectus for any sale of the common stock, it will be subject to the prospectus delivery requirements of the Securities Act. The selling stockholder will be responsible to comply with the applicable provisions of the Securities Act and the Securities Exchange Act, and the rules and regulations thereunder promulgated, including, without limitation, Regulation M, as applicable to such selling stockholder in connection with resales of their respective shares under this registration statement.

The Company is paying all fees and expenses incident to the registration of the shares, but the Company will not receive any proceeds from the sale of the common stock. The Company has agreed to indemnify the selling stockholder against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

In order to comply with the securities laws of certain states, if applicable, the shares must be sold in such jurisdiction only through registered or licensed brokers or dealers. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirements is available and is complied with.

We will make copies of this prospectus available to the selling stockholder, and we have informed it of the need to deliver copies of this prospectus to purchasers at or prior to the time of any sale of the shares offered by this prospectus. To the extent required, this prospectus may be amended and supplemented from time to time to describe a specific plan of distribution.

We may suspend the use of this prospectus, in the event that there is a material, or potentially material, development involving the Company, or there is an occurrence of an event that renders the information in this prospectus misleading, incomplete or untrue.

DESCRIPTION OF SECURITIES

Common Stock

Our articles of incorporation authorize the issuance of 100,000,000 shares of common stock, \$0.001 par value per share, of which 34,092,164 shares were outstanding as of December 18, 2008. Holders of common stock have no cumulative voting rights. Holders of shares of common stock are entitled to share ratably in dividends, if any, as may be declared, from time to time by the board of directors in its discretion, from funds legally available to be distributed. In the event of a liquidation, dissolution or winding up of the Company, the holders of shares of common stock are entitled to share pro rata all assets remaining after payment in full of all liabilities. Holders of common stock have no preemptive rights to purchase our common stock. There are no conversion rights or redemption or sinking fund provisions with respect to the common stock. All of the outstanding shares of common stock are validly issued, fully paid and non-assessable.

Securities Convertible into Common Stock

We have outstanding warrants to purchase an aggregate of 400,000 shares of common stock at \$5.18 per share issued to members of our board of directors pursuant to our stock option plan. Each of the options is exercisable at any time up to and including November 1, 2017. We do not otherwise have outstanding any warrants, preferred stock or other securities convertible into shares of our common stock.

INDEMNIFICATION

Under Nevada law, none of our directors will have personal liability to us or any of our stockholders for monetary damages for breach of fiduciary duty as a director. The foregoing provisions do not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to us or our stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under applicable Sections of the Nevada Revised Statutes, (iv) for the payment of dividends in violation of Section 78.300 of the Nevada Revised Statutes or, (v) for any transaction from which the director derived an improper personal benefit.

Our Bylaws provide for indemnification of the directors, officers, and employees of the Company in most cases for any liability suffered by them arising out of their activities as directors, officers, and employees of the Company, if they were not engaged in willful misfeasance or malfeasance in the performance of their duties; provided that, in the event of a settlement, the indemnification will apply only when the Board of Directors approves such settlement and reimbursement as being for the best interests of the Company. Our Bylaws, therefore, limit the liability of directors to the maximum extent permitted by Nevada law.

Our Bylaws also provide that the Company may purchase and maintain insurance for the benefit of a person who is or was serving as a director, officer, employee or agent of the Company against a liability incurred by him or her as a director, officer, employee or agent.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted for our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (5) For determining liability of the undersigned registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used

to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424 (§ 230.424 of this chapter);
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (e) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report, to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.
- (h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
