Effective January 24, 2003, the Company completed a Restructuring Agreement entered into on January 20, 2003. Under the terms of the Restructuring Agreement, at the closing of the transaction, the Board of Directors resigned and a new Board of Directors was appointed. In addition, new officers were appointed. As a result, the Company has experienced a delay assembling the information necessary to complete and file the December 31, 2002 Form 10-Q Quarterly Report by February 14, 2003.

If answer is no, identify report(s).
- Yes No
- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?
- Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

During the fiscal years ended June 30, 2001 and 2002, the Company, through its subsidiaries, operated in two business segments, media and retail. On August 5, 2002, subsidiaries of the Company sold substantially all of the assets of the media business segment to a subsidiary of Alloy, Inc. ("Alloy"), which also assumed certain of the liabilities related to the media business. The Company discontinued any remaining media operations that were not sold to Alloy. Net cash proceeds from the sale of the media business segment were approximately \$6,900,000. As a result of this sale, the operations of the media business segment have not been included in the consolidated results of operations of the Company subsequent to the sale date. The Company's unaudited consolidated financial statements for the three months and six months ended December 31, 2001 will be restated to reflect the operations of the media business segment as a discontinued operation.

As a result of the closure of the Company's corporate offices in November 2002, the completion of the Restructuring Agreement on January 24, 2003, and the subsequent appointment of new management, the Company is currently unable to provide a reasonable estimate of the results of operations for the three months ended December 31, 2002.
