**Re: Edwards Lifesciences Corporation (the Company )**

Dear Mr. Corrao,

This will confirm our conversation regarding the Company's proposed amended and restated Nonemployee Directors and Consultants Stock Incentive Program (the Program), which is Proposal 2 in the Company's Proxy Statement dated as of April 7, 2004.

Based on our conversation, please be advised that it is the intention of management to recommend to the Board of Directors that it amend the Program in two respects:

1) To limit to no more than 60,000 shares (out of a total of 600,000 available for issuance under the Program) the number of shares that will be used for Initial Awards of Restricted Stock Units, as described in Article 11.1 of the Program, with two-year vesting. After reaching this limit, the Company will provide Initial Awards with vesting

periods no shorter than three years.

2) To incorporate directly into the Program the currently existing New York Stock Exchange rules with regard to shareholder control over equity compensation programs and material modifications thereto, which rules are currently incorporated by cross-reference in Article 16.1.

Edwards Lifesciences recognizes the importance of good corporate governance as a means of addressing the needs of the Company's stockholders, employees, customers, suppliers and community. Please do not hesitate to contact me if you have any questions. My telephone number is (949) 250-6819.

Sincerely yours,
