Item 4. Description of Securities

St. Paul Travelers Deferred Compensation Plan

The St. Paul Travelers Deferred Compensation Plan (the "Employee Deferred Compensation Plan") permits certain eligible employees of the Company and its subsidiaries to annually defer between 1% and 50% of their annual base salary and between 1% and 100% of their annual incentive award and have the amounts deferred credited to his or her deferred compensation account. Each participant must allocate amounts credited to his or her deferred compensation account among various investment funds approved by the plan administrator, which may include a Company stock fund. The plan administrator is appointed by the Company's chief executive officer. The balance in each deferred compensation account is adjusted to reflect the investment experience (income, gains, losses and distributions) of the selected investment funds, as if amounts credited to the account had actually been invested in the investment funds. Participants will have no ownership interest in any investment fund.

The obligations of the Company under the Employee Deferred Compensation Plan (the "Employee Obligations") are unsecured general obligations to pay in the future the balance of vested deferred compensation accounts, the value of which have been adjusted to reflect the performance of the selected investment funds in accordance with the terms of the Employee Deferred Compensation Plan. The Employee Obligations will rank without preference with other unsecured and unsubordinated indebtedness of the Company from time to time outstanding, and are therefore subject to the risks of the Company's insolvency. Employee Obligations cannot be transferred in any way by a participant except by a designation of a beneficiary or to the participant's estate. The Employee Obligations are not convertible into any security of the Company.

The Employee Obligations generally become payable to a participant upon the earliest to occur of (i) the participant's separation from service (as defined in the Employee Deferred Compensation Plan), (ii) the participant's retirement (as defined in the Employee Deferred Compensation Plan) or (iii) if so elected, a month and year specified by the participant in his or her deferral election form. Amounts payable upon separation from service or retirement are paid six months after the last day of the month that includes the separation from service or retirement. Amounts payable on account of death or at a specified month and year are paid as soon as practicable after such dates. Employee Obligations payable may be paid in a lump sum or in substantially equal annual installments over a period of up to ten years. If a participant dies, the Employee Obligations will be paid to the participant's beneficiary or estate in a lump sum; however, if the participant has already started to receive installment payments, the installment payments will continue in accordance with the original schedule. No acceleration or further deferral of the Employee Obligations is permitted under the Employee Deferred Compensation Plan.

The Company may maintain one or more trusts to hold assets to be used for payment under the Employee Deferred Compensation Plan. Any assets held by the trust are subject to the claims of general creditors. The Company may amend or terminate the Employee Deferred Compensation Plan at any time. No amendment or termination may reduce or eliminate a participant's accrued account balance.

The St. Paul Travelers Companies, Inc. Deferred Compensation Plan for Non-Employee Directors

The St. Paul Travelers Companies, Inc. Deferred Compensation Plan for Non-Employee Directors (the Directors Deferred Compensation Plan) permits the members of the Company s Board of Directors who are not employees of the Company to defer any compensation payable in cash, including any annual retainer, committee chair or vice-chair fees, additional fees, meeting fees or other cash compensation, and any payment due with respect to deferred stock awards granted under the Company s stock incentive plan (other than deferred stock awards credited in respect of deferred cash compensation). Any amount of cash compensation deferred shall result in a credit to the director s account of a number of common stock units determined by dividing the amount of the deferred cash compensation by the fair market value of a share of common stock (as determined under the Company s stock incentive plan that is in effect from time to time). Dividend equivalents shall be credited to the accounts in the amount equal to the dividends that would have been payable with respect to the number of common stock units in the director s account by the fair market value of a share of common stock. The plan administrator is the Board of Directors of the Company or the Governance Committee of the Board of Directors, and administrative duties are delegated to an officer of the Company.

The obligations of the Company under the Directors Deferred Compensation Plan (the Director Obligations) are unsecured general obligations to pay in the future the common stock units in accordance with the terms of the Directors Deferred Compensation Plan. The common stock units are paid out in the form of one share of Company stock for each common stock unit. The shares of Company stock issued upon payment of the common stock units are issued from the Company s stock incentive plan that is effect from time to time. The Director Obligations will rank without preference with other unsecured and unsubordinated indebtedness of the Company from time to time outstanding, and are therefore subject to the risks of the Company s insolvency. Director Obligations cannot be transferred in any way by a participant except by a designation of a beneficiary under the Directors Deferred Compensation Plan or to the participant s estate.

The Director Obligations are generally payable to a director, pursuant to his or her election, on (i) the first business day of any calendar year subsequent to the date the annual cash compensation would otherwise be payable, (ii) six months following the cessation of his or her service as a director, or (iii) the earlier of (i) or (ii). Director Obligations payable may be paid in a lump sum or in substantially equal annual installments over a period of up to fifteen years. With respect to annual deferred stock awards, the director may elect that the lump sum payment or first installment be paid as of the date of payment after termination of service under the award agreement, or as of the first business day of any calendar year subsequent to such date. If a director dies, the Director Obligations will be paid to the participant s beneficiary or estate in accordance with the method of payment selected by the director.

Except as required to reserve shares of Company stock pursuant to common stock units, the Company has no obligation to set aside funds for payments of its obligations under the Directors Deferred Compensation Plan. The Company may amend or terminate the Directors Deferred Compensation Plan at any time. No amendment or termination may impair the rights of a director to the accrued account balance in his or her account(s). No amendment will be effective without approval by the Company s shareholders if shareholder approval is required under state or federal requirements or applicable stock exchange listing rules.

Item 5. Interests of Named Experts and Counsel

Bruce A. Backberg, Senior Vice President and Corporate Secretary of the Company, has given his opinion about certain legal matters affecting the Plans in this Registration Statement. Mr. Backberg is eligible to participate in the Employee Deferred Compensation Plan.

Item 6. Indemnification of Directors and Officers

Section 302A.521 of the Minnesota Business Corporation Act provides that a Minnesota business corporation such as the Company shall indemnify any director, officer, or employee of the corporation against judgments, penalties, fines, settlements and reasonable expenses incurred by such person who was, or is threatened to be, made a party to a proceeding by reason of the fact that the person is or was a director, officer or employee of the corporation if the person generally (i) has not been indemnified by another organization with respect to the same acts or omissions; (ii) acted in good faith, (iii) received no improper personal benefit; (iv) in the case of a criminal proceeding, had no reasonable cause to believe the conduct was unlawful; and (v) reasonably believed the conduct was in the best interests of the corporation or, in certain circumstances, reasonably believed that the conduct was not opposed to the best interests of the corporation. For these purposes, proceeding means a threatened, pending or completed civil, criminal, administrative, arbitration or investigative proceeding, including one by or in the right of the corporation. Section 302A.521 contains detailed terms regarding such right of indemnification and reference is made thereto for a complete statement of such indemnification rights.

The Bylaws of the Company provide, subject to certain exceptions, that directors and officers of the Company and certain others shall be indemnified by the Company to the fullest extent permitted or required by Minnesota Statute Section 302A.521.

The Company maintains directors and officers liability insurance, including a reimbursement policy in favor of the Company.

(a) The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3 or Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Company pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
