The information set forth under Item 2.01 of this report is hereby incorporated into Item 1.01 by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On September 30, 2005, the Company completed the sale of its IBM i/p Series RAID Business to IBM for approximately \$22.0 million plus \$1.3 million for certain fixed assets. In addition, IBM will purchase all related inventory at the Company 's net book value. A press release regarding this transaction is included as Exhibit 99.01 and incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits

The unaudited pro forma consolidated financial information of the Company is based on and should be read in conjunction with the Company's Annual Report on Form 10-K for the year ended March 31, 2005 and Quarterly Report on Form 10-Q for the three-month period ended June 30, 2005. The pro forma adjustments are based upon information and assumptions available at the time of the filing of this Form 8-K.

Notes to Consolidated Financial Statements

(Unaudited)

1. On September 30, 2005, Adaptec, Inc. (the Company) completed the sale of its International Business Machine (IBM) i/p Series RAID component business (i/p Series RAID Business) to IBM for approximately \$22.0 million plus \$1.3 million for certain fixed assets. In addition, IBM will purchase all related inventory at the Company's net book value. The sale included a nonexclusive license to certain intellectual property and assets dedicated to the engineering and manufacturing of RAID controllers and connectivity products for IBM's i/p Series RAID Business. Under the terms of the nonexclusive license, IBM will pay the Company royalties over the next six quarters. Expenses primarily include expected costs of \$0.5 million for legal and accounting fees and \$0.3 million for lease obligations. The estimated net loss on sale is approximately \$26 million. The estimated net loss as of September 30, 2005 of \$26 million differs from the amount of \$30.3 million reflected in the June 30, 2005 Unaudited Pro Forma Consolidated Balance Sheet primarily due to amortization of certain assets.

The Company currently estimates that it will not pay income tax as a result of the sale of i/p Series RAID Business.

2. The following pro forma adjustments to the unaudited consolidated statements of operations and consolidated balance sheet have been prepared to reflect the following:

a. The pro forma consolidated balance sheet reflects the effects of the sale of the i/p Series RAID Business as if it had been consummated on June 30, 2005 and includes the transfer of all related assets, liabilities, transaction costs and related loss on disposition.

b. Under the terms of the Asset Purchase Agreement IBM forgave all outstanding liabilities due under the Distribution Agreement entered into with the Company in December 2004. The pro forma consolidated balance sheet reflects the forgiveness of these liabilities as if the transaction had been consummated on June 30, 2005.

c. The pro forma consolidated statements of operations for the fiscal year ended March 31, 2005 and for the three-month period ended June 30, 2005 assume the sale of the i/p Series RAID Business has been consummated from the date of inception, which was June 29, 2004. The pro forma consolidated statements of operations have been adjusted to eliminate the net revenues and expenses which the Company believes (i) are directly attributable to the i/p Series RAID components products and (ii) will not continue after the completion of the sale of the i/p Series RAID Business.
