Item 1.01 Entry into a Material Definitive Agreement.

As previously reported in the Registration Statement on Form S-1 for Willdan Group, Inc., Willdan Group, Inc. and its engineering services subsidiary, Willdan (collectively with Willdan Group, Inc., Willdan), were involved in a dispute with the City of West Hollywood, California (the City). The matter concerned a construction project in the City of West Hollywood for the improvement of Santa Monica Boulevard. The project required the reconstruction of approximately three miles of roadway. The City and the general contractor claimed that the design Willdan prepared was inadequate for the volume and type of traffic on Santa Monica Boulevard. The City also claimed that Willdan failed to control the costs of the project due to contractor claims for extra costs. In the fourth quarter of 2005, following a trial in the Los Angeles County Superior Court, the jury rendered a verdict against Willdan and awarded damages to the City in the amount of \$6.3 million, including attorney's fees, interest and costs. Willdan had appealed the verdict and the appeal was ongoing.

Effective March 6, 2007, Willdan and the City entered into a Settlement Agreement (the Agreement) relating to the lawsuit with the City. Willdan and the City have agreed to a full mutual release of all claims related to the lawsuit, appeal and all claims related to the lawsuit and appeal, subject to dismissal of the appeal. Neither party admits any fault or liability related to the claims in the lawsuit.

Under the terms of the Agreement, Willdan has agreed to pay \$6.2 million in cash to the City. Willdan expects approximately \$3.2 million of the cash settlement amount will be paid by its insurance coverage. Willdan also agreed to provide to the City a credit for future services in the amount of \$85,000 at Willdan's then prevailing rates. The future services to be provided can be chosen in the City's sole discretion from services provided by Willdan to its municipal clients. The City must use the credit of \$85,000 no later than December 31, 2012.

Willdan will file a stipulation and request for dismissal of appeal in the action against the City. In the event that the California Court of Appeal declines to accept the stipulation and dismissal of appeal, the Agreement will be invalid and any payment made under the Agreement will be returned to the Company.

The foregoing summary description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement attached hereto as Exhibit 10.1.

Item 7.01. Regulation FD Disclosure.

Willdan issued a press release dated March 12, 2007. The press release announced the settlement agreement with the City. The press release is filed as Exhibit 99.1 and is hereby incorporated by reference in its entirety.
