**Item 8.01: Other Events Clarifying Information**

On February 7, 2008 Ebix, Inc. (the Company), in response to several questions it has recently received in regards to the current report on Form 8-K filed January 18, 2008 concerning a change in the Company's certifying accountants, determined the need to provide additional clarifying and pertinent information concerning this event.

The change in the Company's independent registered public accounting firm was not a result of a decision reached by the audit committee of the Company's board of directors but rather strictly necessitated by virtue of the acquisition of Miller Ray Houser & Stewart LLP (MRHS) by Habib, Arogeti & Wynne, LLP (HA&W). The engagement partner that HA&W assigned to the Ebix audit is the same individual that MRHS had assigned to the audit of the Company's consolidated financial statements.

The Company considers this change in its certifying accountants as a positive event in that HA&W is the largest independent public accounting firm in Georgia and is thereby able to provide access to a broad set of requisite professional resources appropriate for both the audit of the Company's consolidated financial statements and for consultation with the Company.

Through the date of this Form 8-K, there has been no disagreements between the Company and MRHS or HA&W on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures.
