### **Item 1.01 Entry into a Material Definitive Agreement**

On October 28, 2008, SCBT Financial Corporation (the Company) issued a press release announcing the sale of 1,010,000 shares (the Shares) of its common stock at \$28.00 per share in a private placement (the offering) to certain accredited investors (the Investors). The Company paid the placement agents for the offering, Sandler O'Neill & Partners, L.P. and SunTrust Robinson Humphrey, Inc., total commissions of approximately \$1.2 million. The Company expects to use the net proceeds of the offering, which it estimates to be approximately \$26.8 million, for general corporate purposes, which may include increasing its banks' capital to support growth.

In connection with the offering, the Company entered into a subscription agreement with each Investor (Subscription Agreements) and a registration rights agreement (the Registration Rights Agreements) with each Investor. Pursuant to the Registration Rights Agreements, the Company agreed to, among other things, use its reasonable best efforts to (i) prepare and file with the Securities and Exchange Commission (the SEC), on or before November 7, 2008, a registration statement registering the Shares for resale and (ii) cause such registration statement to be declared effective by the SEC as soon as practicable after filing and not later than February 5, 2009.

The offering was made in reliance on the exemption from registration provided in Section 4(2) of the Securities Act of 1933, as amended (the Securities Act), and Rule 506 of Regulation D promulgated thereunder. Each of the Investors represented to the Company that it is an accredited investor, as defined by Rule 501 promulgated under the Securities Act. The Shares may not be offered or sold in the United States absent registration or exemption from registration under the Securities Act and any applicable state securities laws.

The foregoing description does not purport to be a complete description of the terms of the Subscription Agreements or the Registration Rights Agreements. Such description is qualified in its entirety by the full text of the form of Subscription Agreement and the form of Registration Rights Agreement, which are attached to this Current Report of Form 8-K as Exhibits 99.1 and 10.1, respectively, and are incorporated by reference herein.

A copy of the Company's press release announcing the above transaction is attached hereto as Exhibit 99.2 and incorporated by reference herein.
