Item 2.06 Material Impairments.

On February 27, 2009, The Manitowoc Company, Inc. (the "Company") concluded that a material charge for impairment was required to reduce the carrying value of businesses required to be divested in conjunction with the acquisition of Enodis plc completed on October 27, 2008. This charge is reflected in the Company's 2008 financial statements that are being filed with the U.S. Securities and Exchange Commission today in the Company's Annual Report on Form 10-K.

The adjustments include a reduction in the book value of the company's Enodis Ice Group line of business, operating under the Scotsman, Ice-O-Matic, Simag, Barline, Icematic, and Oref brand names. Manitowoc is required to divest the Enodis Ice Group as a condition of the U.S. Department of Justice and the European Commission's clearance of the Enodis acquisition that was completed on October 27, 2008.

Manitowoc is in late-stage negotiations with potential buyers for the Enodis Ice Group. The current bid prices for these assets are significantly below the value previously recorded on the company's balance sheet at acquisition date. Under these circumstances, accounting rules require that the carrying value of these assets be adjusted to reflect current estimated market value. As a result, the company will recognize a non-cash goodwill impairment charge of \$175 million. This charge has the effect of reducing 2008 GAAP net earnings from the amount reported on January 28, 2009. Operating earnings are not impacted, as the Enodis Ice Group is reported as a discontinued operation.

If the final sales price for the Enodis Ice Group is less than our revised estimated fair value, an additional non-cash impairment charge would be recognized in future periods. Such an additional charge could have a material effect on our consolidated financial statements.

Item 7.01 Regulation FD Disclosure.

The Company today issued a press release which, among other matters, addresses future compliance with debt covenants. A copy of the Company's press release is furnished as Exhibit 99.1 attached to this Current Report on Form 8-K.

Item 9.01 Financial Statements and Exhibits.
