ARES CAPITAL CORPORATION PRICES PUBLIC OFFERING

New York, NY August 14, 2009 Ares Capital Corporation (Nasdaq: ARCC) announced that it has entered into an agreement to sell 11,000,000 shares of common stock at a public offering price of \$9.25 per share, raising approximately \$101,750,000 in gross proceeds. J.P. Morgan Securities Inc., Citi, UBS Investment Bank and Wells Fargo Securities, LLC are acting as joint bookrunners for the offering, and SunTrust Robinson Humphrey, Inc., BMO Capital Markets Corp. and Stifel, Nicolaus & Company, Incorporated are acting as co-managers.

The closing of the transaction is subject to customary closing conditions and the shares are expected to be delivered on August 19, 2009. Ares Capital Corporation has also granted the underwriters an option to purchase up to an additional 1,650,000 shares of common stock to cover over-allotments, if any.

Ares Capital Corporation expects to use the net proceeds for general corporate purposes, including to repay outstanding indebtedness and to fund investments in accordance with its investment objective.

Investors are advised to carefully consider the investment objective, risks and charges and expenses of Ares Capital Corporation before investing. The prospectus supplement dated August 14, 2009 and the accompanying prospectus dated June 26, 2009, which have been filed with the Securities and Exchange Commission, contain this and other information about Ares Capital Corporation and should be read carefully before investing.

This press release does not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of the shares referred to in this press release in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state or jurisdiction. A registration statement relating to these securities was filed and has been declared effective by the Securities and Exchange Commission.
