8.625% Senior Notes due 2018

On June 16, 2010, in connection with the Vought Acquisition (as defined under Item 2.01 below) Triumph Group, Inc. (the *Company*) completed its previously announced offering of \$350 million aggregate principal amount of 8.625% Senior Notes due 2018 (the *Notes*). The Notes were issued pursuant to an indenture dated as of June 16, 2010 (the *Indenture*) among the Company, the Notes Guarantors (as defined below) and U.S. Bank National Association, as trustee (the *Trustee*). The Notes were offered in the United States to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the *Securities Act*), and outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act.

Interest on the Notes accrues at the rate of 8.625% per annum and is payable semi-annually in cash in arrears on January 15 and July 15 of each year, commencing on January 15, 2011.

The Notes are the Company's senior unsecured obligations and rank equally in right of payment with all of its other existing and future senior unsecured indebtedness and senior in right of payment to all of its existing and future subordinated indebtedness.

The Notes are guaranteed on a full, joint and several basis by each of the Company's existing and future domestic restricted subsidiaries that is a borrower under any of the Company's credit facilities or that guarantees any of the Company's debt or that of any of its restricted subsidiaries, in each case incurred under the Company's credit facilities (collectively, the *Notes Guarantors*).

The Company may redeem some or all of the Notes prior to July 15, 2014 by paying a *make-whole* premium. The Company may redeem some or all of the Notes on or after July 15, 2014 at specified redemption prices. In addition, prior to July 15, 2013, the Company may redeem up to 35% of Notes with the net proceeds of certain equity offerings.

The Company is obligated to offer to repurchase the Notes at a price of (a) 101% of their principal amount plus accrued and unpaid interest, if any, as a result of certain change of control events and (b) 100% of their principal amount plus accrued and unpaid interest, if any, in the event of certain asset sales. These restrictions and prohibitions are subject to certain qualifications and exceptions.

The Indenture contains covenants that, among other things, limit the Company's ability and the ability of certain of the Company's subsidiaries to (i) grant liens on its assets, (ii) make dividend payments, other distributions or other restricted payments, (iii) incur restrictions on the ability of the Company's restricted subsidiaries to pay dividends or make other payments, (iv) enter into sale and leaseback transactions, (v) merge, consolidate, transfer or dispose of substantially all of their assets, (vi) incur additional indebtedness, (vii) make investments, (viii) sell assets, including capital stock of subsidiaries, (ix) use the proceeds from sales of assets, including capital stock of restricted subsidiaries, and (x) enter into transactions with affiliates. In addition, the Indenture requires, among other things, the Company to provide financial and current reports to holders of the Notes or file such reports electronically with the U.S. Securities and Exchange Commission (the *SEC*). These covenants are subject to a number of exceptions, limitations and qualifications set forth in the Indenture.

Edgar Filing: TRIUMPH GROUP INC - Form 8-K

The foregoing descriptions of the Indenture and the Notes are qualified in their entirety by reference to the actual terms of the respective documents. Copies of the Indenture and the form of the Notes are attached as Exhibits 4.1 and 4.2 hereto, respectively, and each is incorporated by reference herein.

Registration Rights Agreement

In connection with the issuance of the Notes, the Company and the Notes Guarantors entered into a registration rights agreement dated June 16, 2010 with the initial purchasers of the Notes (the *Registration Rights Agreement*). Pursuant to the *Registration Rights Agreement*, the Company has agreed to file an exchange offer registration statement to exchange the Notes for substantially identical notes registered under the Securities Act unless the exchange offer is not permitted by applicable law or the policy of the Securities and Exchange Commission (the *SEC*). The Company has also agreed to file a shelf registration statement to cover resales of notes under certain circumstances. The Company has agreed to file the exchange offer registration statement with the SEC within 180 days of the issue date of the Notes and use reasonable best efforts to have the exchange offer registration statement declared effective within 270 days of the issue date and to complete the exchange offer with respect to the Notes within 30 days of effectiveness. In addition, the Company agreed to file the shelf registration statement on or prior to 90 days after a filing obligation arises and to use reasonable best efforts to cause such shelf registration statement to be declared effective by the SEC on or prior to 180 days after such obligation arises. If the Company fails to satisfy its registration obligations under the *Registration Rights Agreement*, it will be required to pay additional interest to the holders of the Notes under certain circumstances.

The foregoing description of the *Registration Rights Agreement* is qualified in its entirety by reference to the actual terms of the agreement. A copy of the *Registration Rights Agreement* is attached as Exhibit 4.3 hereto and is incorporated by reference herein.

Revolving Credit Facility

On May 10, 2010, the Company entered into a Credit Agreement among the Company, the lenders party thereto and PNC Bank, National Association, as administrative agent (the *Revolving Credit Agreement*). Borrowings under the *Revolving Credit Agreement* became available on June 16, 2010 in connection with the consummation of the Vought Acquisition. Simultaneously with the consummation of the Vought Acquisition, substantially all of the Company's domestic subsidiaries became parties to the *Revolving Credit Agreement* as borrowers and are jointly and severally liable for the obligations thereunder. The obligations under the *Revolving Credit Agreement* and related documents are secured by liens on substantially all assets of the Company and its domestic subsidiaries pursuant to a Guarantee and Collateral Agreement, dated as of June 16, 2010, among the Company, the subsidiaries of the Company party thereto and PNC Bank, National Association, as administrative agent under the *Revolving Credit Agreement* (the *Revolver Guarantee and Collateral Agreement*), and certain other collateral documents. Such liens are *pari passu* to the liens securing the Company's obligations under the Term Loan Credit Agreement described below pursuant to an intercreditor agreement dated June 16, 2010 among the agents under the *Revolving Credit Agreement* and the Term Loan Credit Agreement, the Company and its domestic subsidiaries that are borrowers and/or guarantors under the *Revolving Credit Agreement* and the Term Loan Credit Agreement (the *Intercreditor Agreement*).

The *Revolving Credit Agreement* replaced and refinanced the Company's Amended and Restated Credit Agreement dated as of August 14, 2009 (the *2009 Credit Agreement*), which agreement was terminated and all obligations thereunder paid in full upon the consummation of the Vought Acquisition.

Pursuant to the *Revolving Credit Agreement*, the Company and its subsidiary borrowers can borrow, repay and re-borrow revolving credit loans, and cause to be issued letters of credit, in an aggregate principal amount not to exceed \$535.0 million outstanding at any time. The comparable limit under the 2009 Credit Agreement was \$485.0 million. Approximately \$128.3 million in loans were drawn under the *Revolving Credit Agreement* in connection with the consummation of the Vought Acquisition.

Loans under the Revolving Credit Agreement bear interest, at the Company's option, by reference to a base rate or a rate based on LIBOR, in either case plus an applicable margin determined quarterly based on the Company's Total Leverage Ratio (as defined below) as of the last day of each fiscal quarter. The Company is also required to pay a quarterly commitment fee on the average daily unused portion of the Revolving Credit Agreement for each fiscal quarter and fees in connection with the issuance of letters of credit. All outstanding principal and interest under the Revolving Credit Agreement will be due and payable on the fourth anniversary of the Vought Acquisition.

The Revolving Credit Agreement contains representations, warranties, events of default and covenants customary for financings of this type including, without limitation, financial covenants under which the Company is obligated to maintain on a consolidated basis, as of the end of each fiscal quarter, a certain minimum Interest Coverage Ratio, maximum Total Leverage Ratio and maximum Senior Leverage Ratio (in each case as defined in the Revolving Credit Agreement).

In addition, on June 16, 2010, the Company entered into a First Amendment to the Revolving Credit Agreement (the "First Amendment") which, among other things, amended certain provisions of the Revolving Credit Agreement to permit collateral to be shared between the administrative agent for the benefit of the lenders under the Revolving Credit Agreement and certain other parties for the benefit of the holders of certain industrial revenue bond obligations of the Company and its subsidiaries.

The foregoing descriptions of the Revolving Credit Agreement, the Revolver Guarantee and Collateral Agreement, the Intercreditor Agreement and the First Amendment are qualified in their entirety by reference to the actual terms of the agreements. Copies of the Revolving Credit Agreement, Revolver Guarantee and Collateral Agreement, Intercreditor Agreement and First Amendment are attached as Exhibit 10.1, 10.2, 10.3 and 10.4 hereto, respectively and each is incorporated by reference herein.

Term Loan Credit Facility

Simultaneously with the closing of the Vought Acquisition, the Company entered into a Credit Agreement dated as of June 16, 2010 with Royal Bank of Canada, as administrative agent, and the other parties thereto (the "Term Loan Credit Agreement"). The Term Loan Credit Agreement provides for a six-year term loan in a principal amount of \$350.0 million, repayable in equal quarterly installments at a rate of 1.00% of the original principal amount per year, with the balance payable on the final maturity date. The proceeds of the loans under the Term Loan Credit Agreement were used to consummate the Vought Acquisition.

The obligations under the Term Loan Credit Agreement are guaranteed by substantially all of the Company's domestic subsidiaries and secured by liens on substantially all of the Company's and the guarantors' assets pursuant to a Guarantee and Collateral Agreement, dated as of June 16, 2010, among the Company, the subsidiaries of the party thereto and Royal Bank of Canada, as administrative agent (the "Term Loan Guarantee and Collateral Agreement") and certain other collateral agreements, in each case subject to the Intercreditor Agreement. Borrowings under the Term Loan Credit Agreement bear interest, at the Company's option, at either the base rate (subject to a floor), plus an applicable margin, or at the Eurodollar Rate (subject to a floor), plus an applicable margin.

The Term Loan Credit Agreement contains certain covenants, restrictions and events of default, in each case substantially similar to those under the Revolving Credit Agreement including, but not limited to, a maximum total leverage ratio, a maximum Senior leverage ratio, and a minimum interest coverage ratio. In addition, the Term Loan Credit Agreement provides for mandatory principal prepayments on the term loans outstanding thereunder under certain circumstances.

The foregoing descriptions of the Term Loan Credit Agreement and the Term Loan Guarantee and Collateral Agreement are qualified in their entirety by reference to the actual terms of the agreements. Copies of the Term Loan Credit Agreement and the Term Loan Guarantee and Collateral Agreement are attached as Exhibits 10.5 and 10.6 hereto, respectively, and each is incorporated by reference herein.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On June 16, 2010, the Company completed its previously-announced acquisition (the Vought Acquisition) of Vought Aircraft Industries, Inc. (Vought), pursuant to an Agreement and Plan of Merger, dated as of March 23, 2010 (the Merger Agreement) among the Company, Vought, Spitfire Merger Corporation, a wholly owned subsidiary of the Company, and TC Group, L.L.C. (Carlyle), as the Holder Representative. The consideration for the Vought Acquisition consisted of \$525 million in cash and 7,496,170 shares of the Company's common stock, par value \$.001 per share (the Company Common Stock). The Company also paid approximately \$603.1 million to retire substantially all of Vought's outstanding indebtedness.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the actual terms of the Merger Agreement. The Merger Agreement is attached as Exhibit 2.1 hereto and is incorporated herein by reference. The Merger Agreement is also described more fully in the Company's Current Report on Form 8-K filed with the SEC on March 23, 2010 which Current Report is also incorporated herein by reference.

The Company funded the Vought Acquisition through cash on hand and the following activities: (a) the issuance of 7,496,170 shares of Company Common Stock to the Vought Stockholders, as part of the purchase price for Vought; (b) the issuance of \$350 million aggregate principal amount of the Notes; (c) \$128.3 million borrowed under the Revolving Credit Agreement and (d) \$348.3 million borrowed under the Term Loan Credit Agreement.
