Prior to November 21, 2014, the Company may not redeem the Notes except to preserve its status as a real estate investment trust for U.S. federal income tax purposes. On or after November 21, 2014, the Company may redeem all or a portion of the Notes, at any time or from time to time, for cash at a redemption price equal to 100% of the principal amount plus accrued but unpaid interest, if any. On November 15, 2014, November 15, 2016, November 15, 2019 and November 15, 2024, or after the occurrence of certain change in control transactions, holders of the Notes may require the Company to repurchase all or a portion of the Notes for cash at a purchase price equal to the principal amount plus accrued and unpaid interest, if any, to but excluding the repurchase date.

Under the Indenture, the occurrence of certain events constitutes an Event of Default, which may result in the maturity date of the Notes being accelerated. These events include:

- a failure to pay, for a period of 30 days, any interest on the Notes;
- a failure to pay any principal or premium, if any, on the Notes, whether on the stated maturity date or any earlier date of redemption or repurchase or otherwise;
- a failure to deliver the conversion value, on the terms set forth in the Indenture, upon exercise of a holder's conversion right, and the continuation of the default for 15 days;
- a failure to notify the holders, in the manner, and within the timeframe, provided in the Indenture, of the occurrence of a change in control, and the continuation of the default for 10 days;
- a failure to comply with any other term, covenant or agreement in the Notes or the Indenture upon the Company's receipt of notice of the default from the Trustee or notice of default by the Company and the Trustee from holders of not less than 25% in aggregate principal amount of the Notes, and the failure to cure (or obtain a waiver of) the default within 60 days after receipt of the notice;
- a default under any bond, note, debenture or other evidence of indebtedness of the Company or any of its subsidiaries or under any mortgage, indenture or other instrument under which there may be issued or by which there may be secured or evidenced any indebtedness of the Company or any of its subsidiaries which results in the acceleration of the indebtedness in an aggregate principal amount exceeding \$100 million or which constitutes a failure to pay at maturity or other scheduled payment date (after expiration of any applicable grace period) the indebtedness in an aggregate principal amount exceeding \$100 million, but only if the indebtedness is not discharged or the acceleration is not rescinded or annulled within 10 days after notice to the Company by the Trustee or to the Company and the Trustee by the holders of at least 25% in aggregate principal amount of the outstanding debt securities of the series; and
- certain events of bankruptcy, insolvency or reorganization.
