Item 1.01 Entry into a Material Definitive Agreement.

On July 27, 2011, StarTek, Inc. (the Company) entered into an agreement (the SOW) with AT&T Services, Inc. (AT&T) for certain services the Company provides to AT&T with regard to their wireless consumer customers. The agreement is effective as of August 1, 2011 with a term of three years through August 1, 2014 but may be terminated by AT&T with a 60 day written notice. The agreement is pursuant to the Company s current master services agreement with AT&T. This master services agreement is currently being renegotiated and the Company expects that the SOW will be subsumed under the new master services agreement once finalized. The agreement covers 14 current lines of business and represents approximately 30% of the Company s business with AT&T. The SOW reflects a change in the Company s current billing method from hourly to per minute pricing.
