**Item 1.01 Entry into a Material Definitive Agreement.**

On August 1, 2011, CF Industries Holdings, Inc. (the Company), CF Industries, Inc. (the Borrower), various financial institutions party thereto as lenders and Morgan Stanley Senior Funding, Inc., as administrative agent and as collateral agent, entered into a Second Amendment to Credit Agreement and Amendment to Guaranty and Collateral Agreement (the Amendment), which further amends the Credit Agreement, dated as of April 5, 2010 (as amended prior to the date of the Amendment, the Credit Agreement) and the Guaranty and Collateral Agreement, dated as of April 5, 2010. The Amendment became fully effective as of August 3, 2011.

The Amendment, among other things, increases the amounts of indebtedness permitted to be borrowed under certain secured and unsecured indebtedness baskets not to exceed a percentage of consolidated total assets and, in certain cases, subject to pro forma compliance with a maximum leverage ratio, permits certain investments if the Company is in pro forma compliance with a minimum interest coverage ratio and a maximum leverage ratio, increases the amounts available under certain dividend and other restricted payment baskets, includes provisions to permit the Borrower and guarantors under the Credit Agreement to release the liens on certain assets securing the obligations under the Credit Agreement, subject to certain conditions, and provides for a \$500 million incremental credit facility that may be used by the Borrower to increase the revolving commitments under the Credit Agreement or may be drawn in the form of one or more new term loans under the Credit Agreement subject to terms to be agreed.

In addition, the Amendment extends the maturity date of the Credit Agreement to 2016, replaces the total leverage based pricing grid with a corporate ratings based pricing grid for purposes of determining the commitment fee and interest rate margin, and permits the Borrower and the guarantors under the Credit Agreement to release the liens on substantially all of the assets securing the obligations under the Credit Agreement if the Company obtains a public corporate credit rating from S&P of at least BBB- and a public corporate family rating from Moody's of at least Baa3.

A copy of the Amendment is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein. The description of the material terms of the Amendment is qualified in its entirety by reference to such exhibit.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**
