Item 2.02. Results of Operations and Financial Condition.

On May 7, 2014, Hemisphere Media Group, Inc. (the Company) issued a press release announcing its results of operations for the first quarter ended March 31, 2014. A copy of the press release is attached as Exhibit 99.1 to this report and is incorporated by reference into this item.

Within the Company's press release, the Company makes reference to the non-GAAP financial measures including EBITDA and adjusted EBITDA, which have a directly comparable generally accepted accounting principles (GAAP) financial measure. Management uses these measures to assess the operating results and performance of the business, perform analytical comparisons and identify strategies to improve performance.
