PURSUANT TO RULE 425 UNDER THE SECURITIES ACT OF 1933

SUBJECT COMPANY: SWS GROUP, INC.

REGISTRATION STATEMENT NO. 333-196367

The information below is excerpted from the press release of Hilltop Holdings Inc. dated November 4, 2014 announcing its Third Quarter 2014 financial results.

This quarter marked the one year anniversary of the FNB Transaction, an important milestone for Hilltop. The Bank continues to benefit from a higher yielding loan portfolio while the team focuses on rationalizing the platform, as evidenced by the recent announcement to close former FNB branches primarily in the Rio Grande Valley. PrimeLending experienced positive results as the business successfully maintains its superior market position resulting from a strong purchase franchise. National Lloyds had a solid quarter as earned premiums grew, weather severity remain subdued, and operating expenses were flat, said Jeremy Ford, CEO of Hilltop.

As we transition into the final months of the pending SWS transaction, we continue to be excited at the prospects of building a dominant broker-dealer through the combination of SWS and First Southwest. Hilltop is seeking to become a premier Texas-based bank and prominent diversified financial services company, and SWS will be a key component in the next phase of this strategy.

On March 31, 2014, we entered into a definitive merger agreement with SWS Group, Inc. (SWS) providing for the merger of SWS with and into a subsidiary of Hilltop formed for the purpose of facilitating this transaction. Under the terms of the merger agreement, SWS stockholders will receive per share consideration of 0.2496 shares of Hilltop common stock and \$1.94 of cash, equating to \$6.94 per share based on Hilltop's closing price on September 30, 2014. The value of the merger consideration will fluctuate with the market price of Hilltop common stock. We intend to fund the cash portion of the consideration, currently estimated at approximately \$78 million in the aggregate, through available cash. The merger is subject to customary closing conditions, including regulatory approvals and approval of the stockholders of SWS.
