**Item 1.01 Entry into a Material Definitive Agreement.**

*Bridge Credit Agreement*

On September 18, 2015, CF Industries Holdings, Inc. (the *Company*), as a guarantor, and its wholly-owned subsidiary CF Industries, Inc. ( *CF Industries* ), as the tranche A borrower, entered into a senior unsecured 364-Day Bridge Credit Agreement (the *Bridge Credit Agreement* ) with the lenders from time to time party thereto and Morgan Stanley Senior Funding, Inc., as administrative agent. On the tranche B closing date, as defined in the Bridge Credit Agreement, Darwin Holdings Limited, a limited liability company incorporated under the laws of England and Wales with registered number 09713230 (as may be renamed in connection with the re-registration as a public company under the Companies Act 2006 of the United Kingdom on or prior to the tranche B closing date in connection with the transactions contemplated by the Combination Agreement (as defined below)) (the *UK Borrower* ), would become a party to the Bridge Credit Agreement as the tranche B borrower.

The Bridge Credit Agreement was entered into pursuant to the terms of the commitment letter that the Company entered into with Morgan Stanley Senior Funding, Inc. and Goldman Sachs Bank USA on August 6, 2015, in connection with the combination agreement with OCI N.V. ( *OCI* ), dated as of August 6, 2015 (the *Combination Agreement* ), described in, and included as an exhibit to, the Current Report on Form 8-K filed with the Securities and Exchange Commission (the *SEC* ) on August 12, 2015. The tranche B closing date would occur on the date of the closing under the Combination Agreement (the *Closing Date* ).

The Bridge Credit Agreement provides for a single borrowing of tranche A bridge loans of up to \$1,000,000,000 that may be used by CF Industries first to reduce amounts outstanding, if any, under the Amended Credit Agreement (as defined below) and then for general corporate purposes; and a single borrowing of tranche B bridge loans of up to \$3,000,000,000 that may be used by the UK Borrower to pay the cash portion, if any, of the purchase price for specified equity interests to be acquired pursuant to the Combination Agreement; to consummate the refinancing of specified debt in connection with the transactions contemplated by the Combination Agreement (the *Subject Debt* ); to pay fees and expenses in connection with the transactions contemplated by the Bridge Credit Agreement and the Combination Agreement; and in an amount of up to \$1,300,000,000 for general corporate purposes.

The obligations of the lenders to fund tranche A bridge loans under the Bridge Credit Agreement expires on December 4, 2015, or earlier as provided in the Bridge Credit Agreement. The obligations of the lenders to fund tranche B bridge loans under the Bridge Credit Agreement expires on August 6, 2016 (or November 6, 2016, if extended pursuant to the terms thereof), or earlier as provided in the Bridge Credit Agreement. The obligations of the lenders to fund the tranche B bridge loans under the Bridge Credit Agreement is subject to customary limited conditionality. The tranche A bridge loans and the tranche B bridge loans mature on the dates that are 364 days after the initial fundings of such loans, as applicable.

The Bridge Credit Agreement is voluntarily prepayable from time to time without premium or penalty and is mandatorily prepayable with, and the commitments thereunder will automatically be reduced by, the net cash proceeds from specified issuances of equity interests of the Company and its subsidiaries and, on and after the Closing Date, the UK Borrower and its subsidiaries, specified issuances or incurrences of debt by such persons and the net cash proceeds (including casualty insurance proceeds and condemnation awards) from specified dispositions of assets of such persons, with specified exceptions, including a right to reinvest such proceeds or awards in assets to be used in the business of such persons and their subsidiaries. Commitments under the Bridge Credit Agreement will also be reduced by the amount of commitments under designated term loan facilities and by the amount of any Subject Debt as to which, on or prior to the tranche B closing date, arrangements have been made to permit such debt to remain outstanding in accordance with its terms or permanent repayment or termination has been effected by OCI and its affiliates. Reductions of commitments and the repayment of loans under the Bridge Credit Agreement will be applied first to tranche A and

second to tranche B.

Borrowings under the Bridge Credit Agreement will be denominated in dollars and will bear interest at a per annum rate equal to, at the applicable borrower's option, the one, two, three or six month (or, if available to, or with the consent of, each lender, such period that is less than one month or greater than six months) LIBOR rate plus a margin of 1.125% to 2.00%, or a base rate plus a margin of 0.125% to 1.00%. The margin added to the LIBOR

rate or to the base rate will depend on the Company's (or, after the consummation of the transactions contemplated by the Combination Agreement on the Closing Date, the UK Borrower's) credit rating at the time. In addition, the margin will increase by 0.25% per annum every 90 days commencing with the 90th day after (i) in the case of the tranche A bridge loans, the date of the initial funding of such loans and (ii) in the case of the tranche B bridge loans, the date of the initial funding of such loans, in each case through the date that is 270 days after the date of such initial funding. Commencing on October 5, 2015, CF Industries is required to pay an undrawn commitment fee equal to 0.15% of the undrawn portion of the commitments under the Bridge Credit Agreement. CF Industries and the UK Borrower will also be required to pay duration fees ranging from 0.50% to 1.00% at specified intervals following the funding of the tranche A bridge loans and the tranche B bridge loans, as applicable.

All obligations under the Bridge Credit Agreement are unsecured. Currently, the Company and CF Industries are the only guarantors of the obligations under the Bridge Credit Agreement. On and after the Closing Date, the UK Borrower will be required to be a guarantor of the obligations under the Bridge Credit Agreement. Certain of the Company's U.S. subsidiaries, and, on and after the Closing Date, certain of the UK Borrower's and the Company's material wholly-owned U.S. and foreign subsidiaries, will be required to become guarantors of the obligations under the Bridge Credit Agreement if (i) such subsidiaries guarantee other debt for borrowed money (subject to specified exceptions) of the Company, CF Industries or the UK Borrower in an aggregate principal amount in excess of \$500 million or (ii) such subsidiaries are borrowers under, issuers of, or guarantors of specified debt obligations of the Company, CF Industries or the UK Borrower, including debt under the Amended Credit Agreement.

The Bridge Credit Agreement contains customary representations and warranties and covenants for a transaction of this type, including two financial maintenance covenants: (i) a requirement that the interest coverage ratio, as defined in the Bridge Credit Agreement, be maintained at a level of not less than 2.75 to 1.00 and (ii) a requirement that the total leverage ratio, as defined in the Bridge Credit Agreement, be maintained at a level of not greater than 3.75 to 1.00.

The Bridge Credit Agreement contains events of default (with notice requirements and cure periods, as applicable) customary for a financing of this type, including, but not limited to, non-payment of principal, interest or fees; inaccuracy of representations and warranties in any material respect; and failure to comply with specified covenants. Upon the occurrence and during the continuance of an event of default under the Bridge Credit Agreement and after any applicable cure period, subject to specified exceptions, the administrative agent may, and at the request of the requisite lenders is required to, accelerate the loans under the Bridge Credit Agreement or terminate the lenders' commitments under the Bridge Credit Agreement.

Specified subsidiaries of the Company are, and, on and after the Closing Date, specified subsidiaries of the UK Borrower will be, excluded from the representations and warranties, the events of default, and the restrictions contained in certain of the covenants under the Bridge Credit Agreement.

The foregoing description of the Bridge Credit Agreement is qualified in its entirety by reference to the full text of the Bridge Credit Agreement, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Each of the lenders under the Bridge Credit Agreement and certain of their respective affiliates have performed or may in the future perform various commercial banking, lending, investment banking, financial advisory, trustee, hedging or other services for the Company, CF Industries and subsidiaries and affiliates of the Company and CF Industries, including as underwriters in connection with certain outstanding debt securities of CF Industries, for which they have received or will receive fees and reimbursement of expenses. Certain of the lenders under the

### *Revolving Credit Agreement*

On September 18, 2015, the Company, as a guarantor, and CF Industries, as a borrower prior to the Closing Date, entered into a \$2.0 billion senior unsecured Third Amended and Restated Revolving Credit Agreement (the "Amended Credit Agreement") with the lenders from time to time party thereto; Morgan Stanley Senior Funding, Inc., as administrative agent; and Morgan Stanley Bank, N.A., Goldman Sachs Bank USA, Bank of Montreal, Royal Bank of Canada, The Bank of Tokyo-Mitsubishi UFJ, Ltd. and Wells Fargo Bank, National Association, as issuing banks, which amended and restated the Company's \$1.5 billion senior unsecured Second Amended and Restated Revolving Credit Agreement, dated as of March 20, 2015, that was scheduled to mature March 20, 2020. On the Closing Date, the UK Borrower would become a party to the Amended Credit Agreement as a borrower. CF Industries or, following the Closing Date, the UK Borrower may designate as borrowers one or more wholly-owned subsidiaries that are organized in the U.S. or any state thereof, the District of Columbia or England and Wales. The Amended Credit Agreement provides for a revolving credit facility of up to \$2.0 billion with a maturity of September 18, 2020. The borrowers will use borrowings under the Amended Credit Agreement for working capital and general corporate purposes.

Borrowings under the Amended Credit Agreement may be denominated in dollars, Canadian dollars, Euro and Sterling, and will bear interest at a per annum rate equal to, at the applicable borrower's option, the one, two, three or six month (or, if available to, or with the consent of, each lender, such period that is less than one month or greater than six months) eurocurrency rate for such currency plus a margin of 1.125% to 2.00%, or a base rate plus a margin of 0.125% to 1.00%. The borrowers are required to pay an undrawn commitment fee equal to 0.125% to 0.30% of the undrawn portion of the commitments under the Amended Credit Agreement, as well as customary letter of credit fees. The margin added to the applicable eurocurrency rate or to the base rate, as well as the amount of the commitment fee, will depend on the Company's (or, after the consummation of the transactions contemplated by the Combination Agreement on the Closing Date, the UK Borrower's) credit rating at the time.

All obligations under the Amended Credit Agreement are unsecured. Currently, the Company and CF Industries are the only guarantors of the obligations under the Amended Credit Agreement. On and after the Closing Date, the UK Borrower will be required to be a guarantor of the obligations of any other borrowers under the Amended Credit Agreement. Certain of the Company's U.S. subsidiaries, and, on and after the Closing Date, certain of the UK Borrower's and the Company's material wholly-owned U.S. and foreign subsidiaries, will be required to become guarantors of the obligations under the Amended Credit Agreement if (i) such subsidiaries guarantee other debt for borrowed money (subject to specified exceptions) of the Company, CF Industries or the UK Borrower in an aggregate principal amount in excess of \$500 million or (ii) such subsidiaries are borrowers under, issuers of, or guarantors of specified debt obligations of the Company, CF Industries or the UK Borrower, including debt under the Bridge Credit Agreement.

The representations, warranties, events of default and covenants contained in the Amended Credit Agreement are substantially similar to those contained in the Bridge Credit Agreement. Upon the occurrence and during the continuance of an event of default under the Amended Credit Agreement and after any applicable cure period, subject to specified exceptions, the administrative agent may, and at the request of the requisite lenders is required to, accelerate the loans under the Amended Credit Agreement or terminate the lenders' commitments under the Amended Credit Agreement. Specified subsidiaries of the Company are, and, on and after the Closing Date, specified subsidiaries of the UK Borrower will be, excluded from the representations and warranties, the events of default, and the restrictions contained in certain of the covenants under the Amended Credit Agreement.

The foregoing description of the Amended Credit Agreement is qualified in its entirety by reference to the full text of the Amended Credit Agreement, which is attached hereto as Exhibit 10.2 and incorporated herein by reference.

Each of the lenders under the Amended Credit Agreement and certain of their respective affiliates have performed or may in the future perform various commercial banking, lending, investment banking, financial advisory, trustee, hedging or other services for the Company, CF Industries and subsidiaries and affiliates of the Company and CF Industries, including as underwriters in connection with certain outstanding debt securities of CF Industries, for which they have received or will receive fees and reimbursement of expenses. Certain of the lenders under the Amended Credit Agreement are lenders under the Bridge Credit Agreement, and Morgan Stanley Senior Funding, Inc. is the administrative agent under the Bridge Credit Agreement.
