**PART II**

**INFORMATION REQUIRED IN THE REGISTRATION STATEMENT**

**Item 3. Incorporation of Documents by Reference.**

The following documents filed by the registrant with the Commission are incorporated herein by reference:

- (a) The registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, filed on March 27, 2018;

All documents subsequently filed by the registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be part hereof from the date of filing of such documents.

Any statement contained in a document incorporated by reference herein shall be deemed to be modified or superseded for purposes hereof to the extent that a statement contained herein (or in any other subsequently filed document which also is incorporated by reference herein) modifies or supersedes such statement. **Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

The registrant is incorporated under the laws of the State of Minnesota. Unless stated otherwise in the articles of incorporation or bylaws, Section 302A.521 of the Minnesota Business Corporation Act (the "MBCA") requires a Minnesota corporation to indemnify a person made or threatened to be made a party to a proceeding by reason of his or her former or present official capacity with the corporation, against judgments, penalties, fines, including, without limitation, excise taxes assessed against the person with respect to an employee benefit plan, settlements, and reasonable expenses, including attorney's fees and disbursements, incurred by the person in connection with the proceeding, if, with respect to the acts or omissions of the person complained of in the proceeding, the person:

- has not been indemnified by another organization or employee benefit plan for the same liabilities incurred by the person in connection with the proceedings with respect to the same acts of omissions;

- acted in good faith;
- received no improper benefit and, in the case of any director conflict of interest, applicable statutory procedures has been followed;
- in the case of a criminal proceeding, had no reason to believe the conduct was unlawful; and
- in the case of acts or omissions occurring in such person's official capacity as a director, officer or employee, the person reasonably believed that the conduct was in the best interests of the corporation, or at least not opposed to the best interests of the corporation depending on the capacity in which that person is serving.

In addition, the MBCA states that a person made or threatened to be made a party to a proceeding (as described above), is entitled, upon written request to the corporation, to payment or reimbursement by the corporation of reasonable expenses, including attorney's fees and disbursements, incurred by the person in advance of the final disposition of the proceeding, (1) upon receipt by the corporation of a written affirmation by the person of a good faith belief that the criteria for indemnification set forth in MBCA Section 302A.521 have been satisfied and a written undertaking by the person to repay all amounts so paid or reimbursed by the corporation, if it is ultimately determined that such criteria for indemnification have not been satisfied and (2) if, after a determination of the facts then known to those making the determination, such facts would not preclude indemnification under the statute. Although the applicability of this provision may be limited by a corporation's articles of incorporation or bylaws, the registrant's articles and bylaws do not provide for such a limitation.

Article 9 of the registrant's articles of incorporation state that a director shall have no personal liability to the registrant or its shareholders for monetary damages for breach of fiduciary duty as a director, except as otherwise required by law. Although these provisions provide directors with protection from awards for monetary damages for breaches of their duty of care, they do not eliminate such duty. Furthermore, the MBCA provides that the articles of incorporation of a corporation cannot eliminate or limit director's liability for:

- any breach of the director's duty of loyalty to the corporation or shareholders;
- acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- any transaction from which the director derived an improper personal benefit; or
- any act or omission occurring prior to the date when the provision in the articles eliminating or limiting liability became effective.

## Edgar Filing: NORTECH SYSTEMS INC - Form S-8

The above discussion of the registrant's articles of incorporation and bylaws and of the MBCA is not intended to be exhaustive and is respectively qualified in its entirety by such articles of incorporation, bylaws and statute.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act, and is therefore unenforceable.

The registrant maintains insurance on behalf of its officers and directors, insuring them against liabilities that they may incur in such capacities or arising out of this status.

(a) The undersigned Registrant hereby undertakes:

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
