**Item 1.01 Entry into a Material Definitive Agreement**

On December 6, 2004, the Human Resources and Compensation Committee of the Board of Directors of PNM Resources, Inc. (the "Company") approved the Company's adoption of a new Executive Savings Plan (the "Plan"). The Company will serve as Plan Administrator of this Plan. Pursuant to the Plan, an account will be established for each participant to record the participant's Supplemental Deferrals (as that term is defined in the Plan) as well as the Matching and Standard Credits (as defined) described below. The account also will record any Discretionary Credits (as defined) made on behalf of the participant. Supplemental Credits (as defined) will be made on behalf of officers of

the Company with the title of Senior Vice President or higher. The accounts also will be adjusted to reflect hypothetical investment earnings, gains and losses.

**Eligibility**

Participation is limited to highly compensated or management employees of the Company or an adopting affiliate. All officers of the Company or an adopting affiliate are eligible to participate, as are other highly compensated or management employees selected by the Plan Administrator.

**Supplemental Deferrals**

A participant is allowed to defer all or a specified portion of the participant's regular compensation or bonuses. Deferral elections must be made prior to the start of the applicable plan year (which is the calendar year).

**Matching Credits**

A participant's account also will be credited with a Matching Credit in an amount equal to 75% of the participant's Supplemental Deferrals up to the first 6% of compensation.

**Standard Credits**

In addition, a participant's account will be credited with a Standard Credit in an amount equal to the additional employer contribution that the participant would have received under the PNM Resources, Inc. Retirement Savings Plan in the absence of limitations imposed by the Internal Revenue Code.

**Discretionary Credits**

The Company and adopting affiliates may make additional credits to the account of a participant in any amount determined to be appropriate.

**Supplemental Credits**

Senior officers (officers who have the title of Senior Vice President or higher) will receive a Supplemental Credit each year, beginning with the 2004 year. The amount of the Supplemental Credit is determined on an individual basis by the Plan Administrator.

---

**Effective Date**

The Plan will be effective as of December 15, 2004. The only credits that will be made in calendar year 2004 are the Supplemental Credits referred to above. The Supplemental Deferrals, and the Matching, Standard and Discretionary Credits, will be for calendar year 2005.

**Miscellaneous**

The Company plans to file a Form S 8 registration statement for the Plan in the near future. As required, the Company will file a copy of the Plan as an exhibit to the Company's Annual Report on Form 10 K for the fiscal year ended December 31, 2004.
