This information Statement is being provided for information purposes only. WE ARE NOT ASKING FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

This Information Statement has been filed with the Securities and Exchange Commission (the "SEC") and mailed on or about October 26, 2001 to the holders of record on October 19, 2001 (the "Record Date") of shares of common stock, \$.0001 par value per share (the "Common Stock"), of Intercallnet, Inc., a Florida corporation (the "Company"). This Information Statement is being furnished pursuant to Section 14(c) of the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), in connection with the following actions (the "Actions"):

- (i) the election of Messrs. Scott Gershon, George Pacinelli and Paul Cifaldi as Directors of the Company to serve until the next annual meeting of shareholders or until their respective successors are duly elected and qualified;
- (ii) to ratify the appointment of Ahearn, Jasco + Company, P.A., as the independent public accountants of the Company for the fiscal year ending June 30, 2002.

VOTING SECURITIES

As of the Record Date, there were issued and outstanding 12,180,735 shares of Common Stock of the Company. Each share of Common Stock entitles its holder to one vote.

The record and beneficial owners as of the Record Date of 6,264,542 shares of Common Stock, constituting approximately 51.4% of the aggregate number of issued and outstanding shares of Common Stock, have provided the Company with a written consent approving and authorizing each of the above listed Actions (the "Written Consent"). The Company anticipates that such Actions will become effective on or about November 15, 2001.

CHANGE IN CONTROL

On December 21, 2000, the Company's predecessor, Never Miss A Call, Inc. ("NMC") entered into a Plan of Reorganization and Merger Agreement ("Merger Agreement") with NMC Acquisition Corp., a Florida corporation and wholly-owned subsidiary of NMC ("NMC Acquisition"), and Inter-Call-Net Teleservices, Inc., a Florida corporation ("ICN"). Pursuant to the terms of the Merger Agreement, the closing of which occurred on January 26, 2001, NMC Acquisition merged with and into ICN, the issued and outstanding securities of ICN were canceled, NMC issued

Edgar Filing: INTERCALLNET INC - Form DEF 14C

4.375 shares (1.25 pre-split shares) of its common stock for every one share of ICN common stock issued and outstanding to the former shareholders of ICN, and formerly outstanding ICN warrants became warrants to purchase shares of NMC's common stock on the same conversion basis. The former shareholders of ICN then own approximately 79.5% of the issued and outstanding shares of common stock of NMC (excluding shares of NMC's common stock underlying warrants). The two persons who were the directors of NMC pre-merger agreed, pursuant to a written consent of directors, to cancel an aggregate of 3,500,000 shares (1,000,000 pre-split shares) held by them effective as of the closing of the above-described merger. As a result, the number of shares of the Company's common stock issued and outstanding post-closing was 11,938,104. In connection with the merger, the officers and directors of ICN became the officers and directors of the Company.

While NMC was the legal surviving entity, for accounting purposes, the merger between NMC and ICN was treated as a purchase business acquisition of NMC by ICN (commonly called a reverse acquisition) and a recapitalization of ICN. ICN was the acquirer for accounting and financial reporting purposes because the former stockholders of ICN received the larger portion of the common stockholder interests and voting rights in the combined enterprise when compared to the common stockholder interests and voting rights retained by the pre-merger stockholders of NMC. As a result of this accounting treatment, ICN was recapitalized for accounting and financial reporting purposes to reflect the authorized stock of the legal surviving entity. Because ICN was the acquirer for accounting purposes under APB Opinion No. 16, NMC's December 31st fiscal year end changed to ICN's fiscal year end, June 30th.

On April 19, 2001, NMC effected a reincorporation from Nevada to Florida (the "Reincorporation"). Such Reincorporation was accomplished by merging NMC with and into a newly-formed, wholly-owned Florida subsidiary, Intercallnet, Inc. ("ICN") pursuant to a Plan and Agreement of Merger, a copy of which was filed as Exhibit A to a definitive information statement filed with the U.S. Securities and Exchange Commission on March 14, 2001. Simultaneous, with such Reincorporation, the Company's name was changed to Intercallnet, Inc. (OTCBB symbol: ICLN).
