### **Buyback Update**

In September 2008 MIND announced its intention to execute for the first time a buyback program. The buyback started in November 2008 and the Company has purchased 2,100,000 ordinary shares. After this purchase, the number of the Company's ordinary shares as of December 31, 2008 is 19,494,010.

Monica Eisinger, MIND chairperson and chief executive officer, commented: "We continue to believe that the purchase of the Company's shares is a good investment and that it is in the best interest of the Company. We will consider continuing and even enhancing the buyback in the future if at that time it will still be considered the most appropriate use of our resources".

### **Auction Rate Securities**

As previously announced, on February 20, 2008, we filed a Statement of Claim with the Financial Industry Regulatory Authority and commenced arbitration proceedings against Credit Suisse, the bank that invested funds on behalf of the Company. Meanwhile, we continue to receive interest payments every month on the held security.
