PROXY STATEMENT

FOR 2016 ANNUAL MEETING OF STOCKHOLDERS

To Be Held at 8:00 a.m. Pacific Time on Wednesday, June 8, 2016

INFORMATION CONCERNING SOLICITATION AND VOTING

General

Our Board of Directors is soliciting Proxies for the 2016 Annual Meeting of Stockholders of Capnia, Inc. (“**Capnia**” or the “**Company**”), and any postponements, adjournments or continuations thereof (the “**Annual Meeting**”). The Annual Meeting will be held at our principal executive office located at 1235 Radio Road, Suite 110, Redwood City, CA 94065 on Wednesday June 8, 2016, at 8:00 a.m., Pacific Time, and our telephone number at this address is (650) 213-8444. The Notice of Internet Availability of Proxy Materials (the “**Notice**”) containing instructions on how to access this proxy statement and our annual report is first being mailed on or about April 28, 2016 to all stockholders entitled to vote at the Annual Meeting.

The information provided in the “question and answer” format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this proxy statement and references to our website address in this proxy statement are inactive textual references only.

Proxy Materials

In accordance with the rules of the Securities and Exchange Commission (“**SEC**”), we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the Internet. The Notice containing instructions on how to access our proxy materials is first being mailed on or about April 28, 2016 to all stockholders entitled to vote at the Annual Meeting. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders

to take advantage of the availability of our proxy materials on the Internet to help reduce the environmental impact of our annual meetings of stockholders.

Table of Contents

QUESTIONS AND ANSWERS REGARDING OUR ANNUAL MEETING

Although we encourage you to read this proxy statement in its entirety, we include this question and answer section to provide some background information and brief answers to several questions you may have about the Annual Meeting or this proxy statement.

Q: What proposals will be voted on at the Annual Meeting?

A: There are three proposals scheduled to be voted on at the Annual Meeting:

• To elect the Class II nominees for directors as set forth in this proxy statement;

• To ratify the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016; and

• To approve an amendment Capnia's 2014 Equity Incentive Plan to add 1,500,000 shares to the total number of shares of common stock reserved for issuance under the plan.

Q: What is Capnia's voting recommendation?

A: Our Board of Directors unanimously recommends that you vote your shares "FOR" the Class II nominees to our Board of Directors, "FOR" ratification of the appointment of Marcum LLP as our independent registered public accounting firm, and "FOR" the approval of the amendment to Capnia's 2014 Equity Incentive Plan.

Q: What happens if additional proposals are presented at the Annual Meeting?

A: Other than the three proposals described in this proxy statement, Capnia does not expect any additional matters to be presented for a vote at the Annual Meeting. If you are a stockholder of record and grant a proxy, the persons named as proxy holders, Anish Bhatnagar and David O'Toole, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. If for any unforeseen reason any of Capnia's Class II

nominees are not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board of Directors.

Q: Who can vote at the Annual Meeting?

A: Our Board of Directors has set April 21, 2016 as the record date for the Annual Meeting. All stockholders who own Capnia common stock at the close of business on April 21, 2016 may attend and vote at the Annual Meeting. For each share of common stock held as of the record date, the stockholder is entitled to one vote on each proposal to be voted on. Stockholders do not have the right to cumulate votes. As of April 21, 2016, 15,463,110 shares of our common stock were outstanding. Shares held as of the record date include shares that you hold directly in your name as the stockholder of record and those shares held by a beneficial owner through a broker, bank or other nominee for you as a beneficial owner.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most stockholders of Capnia hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record

If your shares are registered directly in your name with Capnia's transfer agent, American Stock Transfer & Trust Company, LLC, you are considered the stockholder of record with respect to those shares and the Notice has been sent directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to Capnia or to vote in person at the Annual Meeting.

Table of Contents

Beneficial Owners / Street Name Stockholders

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in “street name.” In such instances, your broker, bank or other nominee is considered, with respect to those shares, the stockholder of record and they will have forwarded the Notice to you. If you request a printed copy of our proxy materials by mail, your broker, bank or other nominee will provide a voting instruction form for you to use. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you request a “legal proxy” from the broker, bank or other nominee who holds your shares, giving you the right to vote the shares at the Annual Meeting. Throughout this proxy statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as “street name stockholders” or “beneficial owners”.

Q: How many votes does Capnia need to hold the Annual Meeting?

A: The holders of a majority of Capnia’s issued and outstanding shares, and entitled to vote, as of the record date must be present in person or represented at the Annual Meeting by proxy in order for Capnia to hold the meeting and conduct business. This is called a quorum. Both abstentions and broker “non-votes” are counted as present for the purpose of determining the presence of a quorum. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Shares are counted also as present at the meeting if you:

are present and vote in person at the meeting; or

have properly submitted a proxy card or voting instruction form or voted via the Internet or by telephone.

Q: What is the voting requirement to approve each of the proposals?

A: Proposal One — Directors are elected by a plurality of the voting power of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. “Plurality” means that the nominees who receive the largest number of votes cast “For” are elected as directors. As a result, any shares not voted “For” a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. Votes of “WITHHOLD” and broker non-votes have no legal effect on the election of directors due to the fact that such elections are by a plurality. Abstentions will have no effect on the outcome of this proposal. Broker non-votes will have no effect on the outcome of this proposal.

You may vote either “FOR” or “WITHHOLD” on each of the Class II nominees for election as director. The two individuals receiving the highest number of “FOR” votes at the Annual Meeting for the Class II nominees will, therefore, be elected.

Proposal Two — The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote is required to ratify the appointment of Marcum LLP as our company’s independent registered public accounting firm. You may vote “FOR,” “AGAINST” or “ABSTAIN” on Proposal Two. Abstentions are deemed to be votes cast and have the same effect as a vote against the proposal. However, broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of the voting results on the proposal.

Proposal Two — The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote is required to approve the amendment of Capnia’s 2014 Equity Incentive Plan to add 1,500,000 shares to the total number of shares of common stock reserved for issuance under the plan. You may vote “FOR,” “AGAINST” or “ABSTAIN” on Proposal Three. Abstentions are deemed to be votes cast and have the same effect as a vote against the proposal. However, broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of the voting results on the proposal.

Table of Contents

Q: Who counts the votes?

A: Votes cast by proxy or in person at the Annual Meeting will be tabulated and certificated by the inspector of elections who will also determine whether or not a quorum is present. A representative of American Stock Transfer & Trust Company, LLC will serve as the inspector of elections.

Q: What happens if I do not cast a vote?

A: *Stockholders of record* — If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the proposals at the Annual Meeting. However, if you submit a signed proxy card with no further instructions, the shares represented by that proxy card will be voted as recommended by our Board of Directors.

Beneficial owners — If you hold your shares in street name it is critical that you cast your vote if you want it to count in the election of directors (Proposal One) because if you do not indicate how you want to vote your shares voted on such proposal, your bank, broker or other nominee is not allowed to vote those shares on your behalf on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank, broker or other nominee how to vote in the election of directors, no votes will be cast on your behalf. Your bank, broker or other nominee will continue to have discretion to vote any uninstructed shares on the ratification of the appointment of Marcum as our independent registered public accounting firm (Proposal Two) and for approval of the amendment of Capnia's 2014 Equity Incentive Plan to add 1,500,000 shares to the total number of shares of common stock reserved for issuance under the plan (Proposal Three).

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held directly in your name as the stockholder of record may be voted in person at the Annual Meeting. If you choose to vote in person, please bring your proxy card or proof of identification to the Annual Meeting. Even if you plan to attend the Annual Meeting, Capnia recommends that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting. If you hold your shares in street name, you must request and receive in advance of the Annual Meeting a legal proxy from your broker, bank or other nominee in order to vote in person at the Annual Meeting.

Please note that seating is limited and we ask that you please allow ample time for check-in. Seating will begin at 7:00 a.m. and the Annual Meeting will begin at 8:00 a.m. Parking in the area is limited. Please consider using public transportation. Please note that large bags and packages will not be allowed at the Annual Meeting. Persons will be subject to search.

Q: How can I vote my shares in advance, without attending the Annual Meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a stockholder of record, you may vote by submitting a proxy; please refer to the voting instructions in the Proxy Materials or below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or other nominee; please refer to the voting instructions provided to you by your broker, bank or other nominee.

Internet — Stockholders of record with Internet access may submit proxies until 11:59 p.m., Eastern Time, on June 7, 2016, by following the instructions on your proxy cards or at www.voteproxy.com. Most of our stockholders who hold shares beneficially in street name may vote by accessing the website specified in the voting instructions provided by their brokers, banks or other nominees (have your Notice or proxy card in hand when you visit the website). Your proxy card or voting instructions form you complete and return will provide instructions for stockholders whose bank or brokerage firm is participating in electronic voting.

Telephone — You will be eligible to submit your vote by telephone until 11:59 p.m., Eastern Time, on June 7, 2016, at 888-776-9962 or 718-921-8562 (have your Notice or proxy card in hand when you call).

Table of Contents

Mail — You may indicate your vote by completing, signing and dating the proxy card or voting instruction form where indicated and by returning it in the prepaid envelope that will be provided (if you received printed proxy materials). Your vote must be received by 11:59 p.m., Eastern Time, on June 7, 2016.

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to direct your broker, bank or other nominee on how to vote your shares. Street name stockholders should generally be able to vote by returning a voting instruction form, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

Q: How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of our common stock in street name for their customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our two “routine” matters: the proposal to ratify the appointment of Marcum LLP as our independent registered public accounting firm and the proposal to amend Capnia’s 2014 Equity Incentive Plan to add 1,500,000 shares to the total number of shares of common stock reserved for issuance under the plan. Your broker will not have discretion to vote on the election of directors, which is a “non-routine” matter, absent direction from you.

Q: How can I change or revoke my vote?

A: Subject to any rules your broker, bank or other nominee may have, you may change your proxy instructions at any time before your proxy is voted at the Annual Meeting.

Stockholders of record — If you are a stockholder of record, you may change your vote by (1) filing with our Corporate Secretary, prior to your shares being voted at the Annual Meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy relating to the same shares, or (2) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not, by itself, revoke a proxy). Any written notice of revocation or subsequent proxy card must be received by our Corporate Secretary prior to the taking of the vote at the Annual Meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to our Corporate Secretary or should be sent so as to be delivered to our principal executive office, 1235 Radio Road, Suite 110, Redwood City, CA 94065, Attention: Corporate Secretary.

Beneficial owners — If you are a beneficial owner of shares held in street name, you may change your vote (1) by submitting new voting instructions to your broker, bank or other nominee, or (2) if you have obtained, from the broker, bank or other nominee who holds your shares, a legal proxy giving you the right to vote the shares, by attending the Annual Meeting and voting in person. Your broker, bank or other nominee can provide you with instructions on how to change your vote.

In addition, a stockholder of record or a beneficial owner who has voted via the Internet or by telephone may also change his, her or its vote by making a timely and valid Internet or telephone vote no later than 11:59 p.m., Eastern Time, on June 7, 2016.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce the preliminary voting results at the Annual Meeting. We will report the final results in a current report on Form 8-K filed with the SEC within four business days after the date of the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to the Current Report on Form 8-K as soon as they become available.

Table of Contents

Q: Who are the proxies and what do they do?

A: Our Board of Directors designated the two persons named as proxies on the proxy card, Anish Bhatnagar and David O'Toole. When you, as stockholder of record, provide voting instructions in the proxy card, the named proxies will cause their votes in accordance with the instructions as indicated on the proxy card. If you are a stockholder of record and submit a signed proxy card, but do not indicate your voting instructions, the named proxies will vote as recommended by our Board of Directors in favor of the nominated directors' for ratification of the appointment of Marcum as our independent registered public accounting firm for the fiscal year ending December 31, 2015, and for amending Capnia's 2014 Equity Incentive Plan to add 1,500,000 shares to the total number of shares of common stock reserved for issuance under the plan. If a matter not described in this proxy statement is properly presented at the Annual Meeting, the named proxy holders will use their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned, the named proxy holders can vote the shares on the new Annual Meeting date as well, unless you have properly revoked your proxy instructions, as described above.

Q: How are proxies solicited for the Annual Meeting?

Our Board of Directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by us. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending our proxy materials to you if a broker, bank or other nominee holds shares of our common stock on your behalf. In addition, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Our directors and employees will not be paid any additional compensation for soliciting proxies.

Q: Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

A. In accordance with the rules of the SEC, we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the Internet. The Notice containing instructions on how to access our proxy materials is first being mailed on or about April 28, 2016 to all stockholders entitled to vote at the Annual Meeting. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of our proxy materials on the Internet to help reduce the environmental impact of our annual meetings of stockholders.

Q: I share an address with another stockholder, and we received only one paper copy of the Notice and proxy materials. How may I obtain an additional set of the Notice and proxy materials?

A: We have adopted a procedure called “householding,” which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, our proxy materials to multiple stockholders who share the same address unless we have received contrary instructions from one or more of such stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice and, if applicable, our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of the Notice and, if applicable, our proxy materials, such stockholder may our Investor Relations department (i) by mail at 1235 Radio Road, Suite 110, Redwood City, CA 94065, (ii) by calling us at (650) 213-8444, or (iii) by sending an email to IR@capnia.com, attn.: David O’Toole.

Street name stockholders may contact their broker, bank or other nominee to request information about householding.

Table of Contents

Q: What should I do if I receive more than one set of Notice or proxy materials?

A: If you receive more than one set of Notice or proxy materials, it is because your shares are registered in more than one name or brokerage account. Please follow the voting instructions on each proxy card or voting instruction form you receive to ensure that all of your shares are voted.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Capnia or to third parties except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, or (3) to facilitate a successful proxy solicitation by our Board of Directors. Occasionally, stockholders provide written comments on their proxy cards, which are then forwarded to Capnia's management.

Q: What is the deadline to propose actions for consideration at the 2016 Annual Meeting of stockholders or to nominate individuals to serve as directors at that Annual Meeting?

A: Our stockholders may submit proposals that they believe should be voted upon at our next year's Annual Meeting in 2017 or nominate persons for election to our Board of Directors at that meeting (see "*Stockholder Proposals*"). Stockholders may also recommend candidates to our Board of Directors for election at that meeting (See "*Recommendations and Nominations of Director Candidates*").

Stockholder Proposals:

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at next year's annual meeting of stockholders by submitting their proposals in writing to our Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in Capnia's proxy statement for the 2017 Annual Meeting, the written proposal must be received by Capnia's Corporate Secretary at our principal executive offices no later than December 29, 2016. Such proposals also will need to comply with SEC regulations under Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials.

When a stockholder does not seek to include a proposal in our 2017 proxy statement pursuant to Rule 14a-8, the stockholder may submit the proposal to Capnia for the 2017 Annual Meeting of Stockholders consistent with the requirements of our amended and restated bylaws. To be timely under our amended and restated bylaws, such stockholder's notice must be received by the Corporate Secretary at our principal executive office not later than 45 days after nor earlier than 75 days before the one-year anniversary of the date on which we first mailed our 2016 proxy materials or delivered a notice of availability of proxy materials (whichever is earlier) for the 2016 Annual Meeting. Director Independence

Under the listing requirements and rules of The NASDAQ Capital Market, or NASDAQ, independent directors must comprise a majority of a listed company's board of directors within a specified period of time after the Exchange Offer.

Since our initial public offering (the "IPO"), our Board of Directors has continually performed a review of its composition, the composition of its committees, and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors determined that Mr. Harris and Drs. Engelsen and Kirnon have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent," as that term is defined under the applicable rules and regulations of the Securities and Exchange Commission, and the listing requirements and rules of NASDAQ. In making this determination, our Board of Directors considered the current and prior relationships that each non-employee director has with our company, any other transactional relationships a nonemployee director may have with our company, and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock held by each non-employee director and any of his and our respective affiliates.

Board of Directors

Our Board of Directors may establish the authorized number of directors from time to time by resolution. The current authorized number of directors is seven. Our current directors, if elected, will continue to serve as directors until the next annual meeting of stockholders and until his or her successor has been elected and qualified, or until his or her earlier death, resignation, or removal.

Our Board of Directors held nine meetings during 2015. The Board of Directors also acted once by unanimous written consent. No member of our Board of Directors attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors (held during the period for which he or she was a director) and the total number of meetings held by all committees of the Board of Directors on which such director served (held during the period that such director served). Members of our Board of Directors are invited and encouraged to attend each annual meeting of stockholders.

Board Leadership Structure

Our Board of Directors has a Chairman, Dr. Mario, who has authority, among other things, to preside over Board of Directors meetings, and to call special meetings of the board. Accordingly, the Chairman has substantial ability to shape the work of our Board of Directors. We currently believe that separation of the roles of Chairman and Chief Executive Officer reinforces the leadership role of our Board of Directors in its oversight of the business and affairs of our company. In addition, we currently believe that having a separate Chairman creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of our Board of Directors to monitor whether management's actions are in the best interests of the company and its stockholders. However, no single leadership model is right for all companies and at all times. Our Board of Directors recognizes that depending on the circumstances, other leadership models, such as combining the role of Chairman with the role of Chief Executive Officer, might be appropriate. As a result, our Board of Directors may periodically review its leadership structure.

Board Committees

Our Board of Directors has the authority to appoint committees to perform certain management and administration functions. Our Board of Directors has an audit committee, a compensation committee and a nominating and corporate governance committee. The composition and responsibilities of each committee are described below. Members will serve on these committees until their resignation or until otherwise determined by our Board of Directors. The inclusion of our website address in this prospectus does not incorporate by reference the information on or accessible through our website into this prospectus.

Role in Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of business objectives, including organizational and strategic objectives, to improve long-term organizational performance and enhance stockholder value. The involvement of our Board of Directors in setting our business strategy is a key part of its assessment of management's plans for risk management and its determination of what constitutes an appropriate level of risk for our company. The participation of our Board of Directors in our risk oversight process includes receiving regular reports from members of senior management on areas of material risk to our company, including operational, financial, legal and regulatory, and strategic and reputational risks.

While our Board of Directors has the ultimate responsibility for the risk management process, senior management and various committees of our Board of Directors also have responsibility for certain areas of risk management.

Table of Contents

Our senior management team is responsible for day-to-day risk management and regularly reports on risks to our full Board of Directors or a relevant committee. Our finance and regulatory personnel serve as the primary monitoring and evaluation function for company-wide policies and procedures, and manage the day-to-day oversight of the risk management strategy for our ongoing business. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, compliance and reporting levels.

Our audit committee focuses on monitoring and discussing our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. As appropriate, the audit committee provides reports to and receive direction from the full Board of Directors regarding our risk management policies and guidelines, as well as the audit committee's risk oversight activities.

In addition, our compensation committee assesses our compensation policies to confirm that the compensation policies and practices do not encourage unnecessary risk taking. The compensation committee reviews and discusses the relationship between risk management policies and practices, corporate strategy and senior executive compensation and, when appropriate, report on the findings from the discussions to our board of directors. Our compensation committee intends to set performance metrics that will create incentives for our senior executives that encourage an appropriate level of risk-taking that is commensurate with our short-term and long-term strategies.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors is currently composed of seven members. In accordance with our certificate of incorporation, our board of directors is divided into three classes with staggered three-year terms. At the Annual Meeting, two Class II directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of such director's successor, or such director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our Board of Directors may have the effect of delaying or preventing changes in control of our company.

Nominees

Our nominating and corporate governance committee has recommended, and our Board of Directors has approved, Steinar J. Englesen and Stephen Kirnon as nominees for election as Class II directors. If elected, each of Drs. Englesen and Kirnon will serve as Class II directors until the 2019 Annual Meeting of stockholders; or until their respective successors are duly elected and qualified. Each of the nominees is currently a director of our company. For information concerning the nominees, please see the section titled "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card or vote over the Internet or by telephone but do not give instructions with respect to the voting of directors, your shares will be voted FOR the re-election of Drs. Englesen and Kirnon. We expect that Drs. Englesen and Kirnon will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by our Board of Directors to fill such vacancy. If you are a beneficial owner of shares of our common stock and you do not give voting instructions to your broker, bank or other nominee, then your broker, bank or other nominee will leave your shares unvoted on this matter.

Vote Required

The election of Class II directors requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Broker non-votes will have no effect on this

proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE ELECTION OF EACH OF THE TWO DIRECTORS NOMINATED BY OUR BOARD OF DIRECTORS AND NAMED IN THIS PROXY STATEMENT AS CLASS II DIRECTORS TO SERVE FOR A THREE-YEAR TERM.

PROPOSAL THREE

APPROVAL OF AMENDMENT TO CAPNIA'S 2014 EQUITY INCENTIVE PLAN TO ADD 1,500,000 SHARES RESERVED FOR ISSUANCE UNDER THE 2014 EQUITY INCENTIVE PLAN

We are asking stockholders to approve an amendment to Capnia's 2014 Equity Incentive Plan (the "2014 Plan"), which adds 1,500,000 shares to the total number of shares of our common stock reserved for issuance under the 2014 Plan (the "Amendment"). The 2014 Plan has not been amended in any material way, other than this Amendment, since stockholders approved the adoption of the 2014 Plan prior to our initial public offering.

The following is a comparative summary of the material changes to the 2014 Plan as a result of the Amendment. This summary is qualified in its entirety by reference to the actual text of the amended 2014 Plan.

The Amendment revised the aggregate number of shares that may be issued under the 2014 Plan from 2,268,645 shares to 3,768,645 shares. The number of shares authorized under the 2014 Plan prior to the Amendment is exclusive of a maximum of 236,587 additional shares that may be issued under the 2014 Plan from shares that otherwise would have returned to Capnia's 2010 Stock Plan after November 12, 2014, on account of the expiration, cancellation or forfeiture of awards granted under Capnia's 2010 Stock Plan or Capnia's 1999 Stock, but are instead returned to the 2014 Plan. This provision will remain in effect under the amended 2014 Plan.

The compensation committee and the Board of Directors approved the Amendment to the 2014 Plan on March 28, 2016, subject to the approval of the stockholders at the 2016 Annual Meeting of Stockholders.

Reasons for the Share Reserve Increase

As of March 31, 2016, there were 127,555 shares available for issuance pursuant to awards that may be granted under the 2014 Plan (excluding shares already subject to outstanding awards that, if forfeited, may become available for issuance again). In determining the number of additional shares reserved for issuance under the amended 2014 Plan to be requested at the 2016 Annual Meeting, the Board considered the following:

Attracting and Retaining Talent. The compensation committee and the Board of directors considered the importance of an appropriately-sized pool of shares to find, keep and engage top talent, especially in the highly competitive high-technology industry in which we compete for talent.

Historical Grant Practices. The compensation committee and the Board of Directors considered the historical amounts of equity awards that we granted in the past three years. In fiscal years 2013, 2014 and 2015, we granted equity awards of 10,916 shares, 913,701 shares and 955,713 shares, respectively, or a total of 1,880,330 shares over the three-year period.

Forecasted Grants. In determining the projected share utilization, the compensation committee and the Board considered a forecast that included the following factors: (i) 4,317 shares were available for issuance under the 2014 Plan as of December 31, 2015 (excluding shares already subject to outstanding awards that, if forfeited, may become available for issuance again), (ii) the shares that would be available for grant under the amended 2014 Plan, if the stockholders approve the amended 2014 Plan, which would be 127,555 shares (based on the shares available under the 2014 Plan as of March 31, 2016, excluding the increase in shares being approved in the Amendment); (iii) estimated cancellations returned back to the 2014 Plan; (iv) the impact of the fungible ratio for full value awards; and (v) forecasted future value-based grants (using a stock price of \$1.26 for purposes of the baseline scenario), as described above.

Proxy Advisory Firm Guidelines. Due to our significant institutional stockholder base, the compensation committee and the Board of directors considered proxy advisory firm guidelines.

Based on the above projections, if stockholders approve the amended 2014 Plan, the Compensation Committee and the Board of Directors currently anticipate that we will likely not be required to request additional shares at our 2017 Annual Meeting of Stockholders. However, a decrease in our stock price may result in additional shares being issued, as a result, the stock pool may last for shorter duration than currently anticipated.

Table of Contents

The Board believes that the amended 2014 Plan is essential to our continued success as the additional shares under the increased share reserve will enable us to continue to use the amended 2014 Plan to achieve our employee recruiting, retention and incentive goals. The Board and management believe that equity awards motivate high levels of performance, align the interests of employees and stockholders by giving employees the perspective of an owner with an equity stake in Capnia, and provide an effective means of recognizing employee contributions to the success of Capnia. The Board and management believe that equity awards are a competitive necessity in the industry in which we compete for talent and are essential to recruiting and retaining the highly qualified technical and other key personnel who help us meet our goals, as well as rewarding and encouraging current employees. The Board and management believe that the continued ability to grant equity awards will be important to the future success of Capnia. The amended 2014 Plan will provide the Compensation Committee with greater flexibility to cover our future anticipated needs.

Awards Outstanding Under Existing Grants

The 2014 Plan and our 2014 Employee Stock Purchase Plan (the “ESPP”) are the only active equity plans under which we currently issue shares. As of March 31, 2016, under all of our equity compensation plans (including awards granted under previous plans but excluding the ESPP and the increase in shares being approved in the Amendment) there were:

a total of 2,298,149 shares subject to outstanding stock options at a weighted average exercise price of \$4.09, and with a weighted average remaining life of 8.77 years; and

- a total of 127,555 unissued shares.

Accordingly, as of March 31, 2016, the 2,425,704 shares unissued or subject to our outstanding equity awards (commonly referred to as the “overhang”) represented approximately 15.74% of our outstanding shares.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE
APPROVAL OF THE AMENDED 2014 EQUITY INCENTIVE PLAN.**

Required Vote

Approval of the amended 2014 Plan requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the 2016 Annual Meeting. If stockholders do not approve the amended 2014 Plan, no shares will be added to the total number of shares reserved for issuance under the 2014 Plan, and the 2014 Plan will continue under its existing terms without the increase in share reserves or any other material amendment.

Description of the Amended 2014 Equity Incentive Plan

The following is a summary of the principal features of the 2014 Plan, as amended by the Board on March 28, 2016, subject to stockholder approval. However, this summary is not a complete description of all of the provisions of the amended 2014 Plan, and is qualified in its entirety by the specific language of the amended 2014 Plan.

Background and Purpose of the 2014 Plan

The 2014 Plan permits the grant of the following types of incentive awards: (1) stock options, (2) stock appreciation rights, (3) restricted stock, (4) performance units, (5) performance shares and (6) restricted stock units (individually, an “**Award**,” collectively, “**Awards**”). The 2014 Plan is intended to attract, motivate, and retain (1) employees of Capnia and its subsidiaries, (2) consultants who provide significant services to Capnia and our subsidiaries, and (3) members of the Board who are employees of neither Capnia nor any subsidiary. The 2014 Plan is also designed to encourage stock ownership by employees, directors, and consultants, thereby aligning their interests with those of our stockholders and to permit the payment of compensation that is intended to qualify as performance-based compensation under Section 162(m). As defined in the 2014 Plan and used in the description below, “Shares” refers to shares of Capnia’s common stock.

Table of Contents

Number of Shares of Common Stock Available Under the 2014 Plan

We are asking stockholders to approve an increase of 1,500,000 shares in the number of shares reserved under the 2014 Plan. If stockholders approve the Amendment to the 2014 Plan, the total number of Shares available for issuance under the 2014 Plan will be equal to the sum of (a) 3,768,645 and (b) any Shares (not to exceed 236,587) that otherwise would have been returned to our 2010 Stock Plan (the “2010 Plan”) after November 12, 2014, on account of the expiration, cancellation or forfeiture of awards granted under our 1999 Stock Plan (the “1999 Plan”) or the 2010 Plan. The maximum number of Shares that may be issued upon the exercise of incentive stock options also is equal to such amount, plus any Shares returned to the 2014 Plan that become available again for issuance, as described in the following two paragraphs, to the extent permitted by Section 422 of the Internal Revenue Code of 1986, as amended. Shares granted under the 2014 Plan may be either authorized but unissued Shares or treasury Shares. As of March 31, 2016, there were 2,298,149 Shares subject to issuance upon exercise of outstanding options, at a weighted average exercise price of \$4.09, and with a weighted average remaining life of 8.77 years. As of such date, excluding the additional Shares that would become available if stockholders approve the amended 2014 Plan, 127,555 Shares remained available for future issuance under the 2014 Plan. No Awards have been granted or may be granted under the 1999 Plan and 2010 Plan following the termination of such plans. As of March 31, 2016 (the last trading day of the first fiscal quarter in 2016), the closing price of our common stock on NASDAQ was \$1.19 per Share.

If an Award expires or becomes unexercisable without having been exercised in full, or, with respect to full value awards, is forfeited to or repurchased by Capnia, the unpurchased (or forfeited or repurchased, as applicable) Shares that were subject to the Award will become available for future grant or sale under the 2014 Plan. Upon exercise of a stock appreciation right settled in Shares, the gross number of Shares covered by the portion of the Award that is exercised will cease to be available under the 2014 Plan. Shares that have been issued under the 2014 Plan under any Award will not be returned to or become available for future distribution under the 2014 Plan; provided, however, that if unvested Shares of any full value awards are repurchased by Capnia or are forfeited to Capnia, those Shares will become available for future grant under the 2014 Plan. Shares used to pay the exercise or purchase price of an Award and/or to satisfy the tax withholding obligations related to an Award will not become available for future grant or sale under the 2014 Plan. To the extent an Award is paid out in cash rather than Shares, such cash payments will not reduce the number of Shares available for issuance under the 2014 Plan.

If we experience a dividend or other distribution, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other Capnia securities, or other change in corporate structure affecting Shares, the Committee, in such manner as it determines is equitable and appropriate in order to prevent dilution or engagement of the benefits or potential benefits intended to be made available under the 2014 Plan, will adjust the number and class of Shares available for issuance under the 2014 Plan, the number, class and price of Shares subject to outstanding Awards, and the number of Shares subject to automatic awards to be granted to non-employee director awards under the 2014 Plan (as described further below) as appropriate to reflect the stock dividend or other change.

Summary

We believe strongly that the amended 2014 Plan is essential to our continued success. Awards such as those provided under the 2014 Plan constitute an important incentive and help us to attract and retain people whose skills and performance are critical to our success in a highly competitive high-tech industry. Our employees and directors are our most important asset. The amended 2014 Plan is vital to our ability to attract and retain outstanding and highly skilled individuals to work for Capnia and to serve on our Board of Directors.

If any additional matters are properly presented at the Annual Meeting, the persons named on the enclosed proxy card will have discretion to vote the shares of common stock they represent in accordance with their own judgment on such matters.

It is important that your shares of common stock be represented at the Annual Meeting, regardless of the number of shares that you hold. You are, therefore, urged to vote over the Internet or by telephone as instructed on the enclosed proxy card or execute and return, at your earliest convenience, the enclosed proxy card in the envelope that has also been provided.
