### **DISCLOSURE CONTROLS AND PROCEDURES**

TransAlta (the "Company") has designed disclosure controls and procedures to ensure that material information relating to the Company, including its consolidated subsidiaries, is made known to the Chief Executive Officer and Chief Financial Officer by others within the Company, including its consolidated subsidiaries, on a regular basis, in particular during the period in which its Annual Report on Form 40-F relating to financial results for the fiscal year ended December 31, 2003 are being prepared. The Chief Executive Officer and Chief Financial Officer have evaluated the effectiveness of the disclosure controls and procedures as of a date within 90 days of the date of this report. Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded, as of that evaluation date, that the Company's disclosure controls and procedures were effective to ensure that material and information relating to the Company, including its consolidated subsidiaries, was made known to them by others within those entities during the period in which this report was being prepared. There have been no significant changes in the internal controls or in other factors that could significantly affect internal controls subsequent to the date of the most recent evaluation by the Chief Executive Officer and Chief Financial Officer, including any corrective actions with regard to significant deficiencies and material weaknesses.

### **AUDIT COMMITTEE FINANCIAL EXPERT**

The Company's board of directors has determined that it has at least one audit committee financial expert serving on its audit and environment committee (the "AE Committee"). Mr. William D. Anderson and Mr. John T. Ferguson have been determined to be such audit committee financial experts, within the meaning of Section 407 of the United States Sarbanes-Oxley Act of 2002, and each of them is independent, as that term is defined by the New York Stock Exchange's listing standards applicable to the Company. The SEC has indicated that the designation of Mr. William D. Anderson and Mr. John T. Ferguson as an audit committee financial expert does not make Mr. Anderson or Mr. Ferguson an "expert" for any purpose, impose any duties, obligations or liability on Mr. William D. Anderson or Mr. John T. Ferguson that are greater than those imposed on members of the audit committee and board of directors who do not carry this designation or affect the duties, obligations or liability of any other member of the audit committee.

### **CODE OF ETHICS**

The Company has adopted a code of ethics (the "Corporate Code of Conduct") that applies to all employees and officers, including its Chief Executive Officer, Chief Financial Officer, principal accounting officer and persons performing similar functions. The Corporate Code of Conduct is available on the Company's Internet website, [www.transalta.com](http://www.transalta.com).

## Year-ended December 31

	2003	2002
Ernst & Young LLP		
Audit Fees	\$ 1,015,916	\$ 929,875
Audit-Related Fees	\$ 143,521	\$ 93,249

<b>Total</b>	<b>\$ 2,368,577</b>	<b>\$ 2,490,355</b>

No other audit firms provided audit services in 2002 or 2003.

The nature of each category of fees is described below.

#### *Audit Fees*

Audit fees were paid for professional services rendered by the auditors for the audit of the Company's annual financial statements or services provided in connection with statutory and regulatory filings or engagements.

#### *Audit-Related Fees*

The audit-related fees were primarily the out-of-pocket expenses of the auditors related to the annual audits performed.

#### *Tax Fees*

The tax fees were primarily related to compliance services provided, including for services relating to the filing of tax returns of the Company and its subsidiaries.

#### *All Other Fees*

The other services performed and referred to in the "All Other Fees" category were primarily related to services performed by the auditors in specific transaction involving the Company including the acquisition of an interest in CE Generation LLC, the sale of the Company's head office building, assistance in various regulatory proceedings involving the Company and the translation from English to French of the company's financial statements and other documents for various statutory filings.

***Pre-Approval Policies and Procedures***

The AE Committee has considered whether the provision of services other than audit services is compatible with maintaining the auditors' independence. In May 2002, the AE Committee adopted a policy that prohibits the Company from engaging the auditors for "prohibited" categories of non-audit services and requires pre-approval of the AE Committee for other permissible categories of non-audit services, such categories as determined under the United States Sarbanes Oxley Act of 2002. This policy is set forth in Exhibit 10.

---

***Percentage of Services Approved by the AE Committee***
