This amendment is provided to the S-8 Registration Statement filed on May 16, 2007 for Proton Laboratories, Inc. for 4,200,000 shares of voting common stock of the Company ("Initial Filing"). This amendment is provided solely to clarify that the only reason for the Post-Effective Amendment filed on May 21, 2007 ("First Post-Effective Amendment") was to update the Initial Filing to reflect reference to the Company's 10-Q filed on May 17, 2007 and to provide updated auditor and attorney letters to this regard. The Company attempted to file the Initial Filing on May 15, 2007. However its Edgar filer did not make the filing until May 16, 2007. The Company's auditor then advised that the financial statements referenced in the Initial Filing were "stale" in light of the Company's pending first quarter 10-Q filing. To rectify the situation, the Company's auditor and its attorney provided updated opinion letters following the filing of the Company's 10-Q on May 17th, 2007 and the first Post -Effective Amendment was filed on May 21, 2007 to reflect these letters and to make reference to the newly filed 10-Q. No other substantive change was made to the amendment, save for updated officer signatures. No sales have been made pursuant to this registration prior to the filing of this Second Post-Effective
