The information contained in this Current Report, including Exhibit 99.1, is being furnished pursuant to Item 7.01, and the information contained therein shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise subject to the liabilities under that Section. Other risks and uncertainties regarding the Company, its business and the industry in which it operates are referenced from time to time in the Company’s filings with the Securities and Exchange Commission.
