Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 9, 2011, interclick, inc., a Delaware corporation (the “Company”) entered into an employment agreement with Michael Katz to serve as its Chief Executive Officer (the “CEO”). Michael Katz was appointed the Company’s CEO-Designee on November 2, 2010, and has been serving as our CEO since January 31, 2011. The effective date of the agreement is January 1, 2011 (the “Effective Date”). The agreement is for an initial three year term following the Effective Date and is automatically renewed for successive one year periods thereafter unless Michael Katz or the Company provides the other party with written notice of his or its intention not to renew the agreement. Under the agreement, Michael Katz will receive a base salary at an initial annual rate of \$400,000, and is entitled to an annual bonus if the Company meets or exceeds criteria adopted by the Compensation Committee. The “target bonus” for Michael Katz for 2011 is 60% of his base salary upon achievement of 100% of the criteria for Michael Katz established by the Compensation Committee and such percentage as the Compensation Committee determines during his employment period. Upon termination of Michael Katz’s employment prior to expiration of his employment period, unless Michael Katz’s employment is terminated for cause or without good reason, Michael Katz is entitled to receive: (i) reasonable expenses paid or incurred by him in connection with the performance of his duties and responsibilities for the Company, (ii) any accrued but unused vacation time through the termination date in accordance with Company policy, and (iii) an amount equal to 100% of the sum of Michael Katz’s then-current base salary and current annual bonus earned during the prior twenty-four months immediately prior to the date of termination (the “Separation Payment”), provided that Michael Katz satisfies the conditions for receipt of the separation payment as described in the employment agreement, including but not limited to, the execution of an agreement releasing the Company from any liability associated with the agreement (the “Release”). One-half of such Separation Payment is to be paid within ten days following the execution of the Release and the balance of the Separation Payment will be paid in accordance with the Company’s customary payroll practices, provided, however, that following the occurrence of a change of control, the Separation Payment will be payable within ninety days of the termination of the agreement and the employment of Michael Katz for good reason. Michael Katz is also eligible for grants of awards under the Company’s 2011 Incentive Plan, has been awarded 75,000 shares of restricted common stock of the Company under the Company’s 2007 Incentive and Awards Plan as of March 21, 2011, and has received grants of Company options (collectively, the “Awards”). The Awards and any and all additional option grants or awards held by Michael Katz will vest as set forth in the particular awards, provided that Michael Katz is still employed by the Company on each vesting date and shall vest as to 100% of any then unvested portions upon the occurrence of a change of control.

On August 9, 2011, the Company also entered into an employment agreement with Andrew Katz to serve as its Chief Technology Officer (the “CTO”). Andrew Katz has been serving as our CTO since August 2007. The effective date of the agreement is January 1, 2011 (the “Effective Date”). The agreement is for an initial two year term following the Effective Date and is automatically renewed for successive one year periods thereafter unless Andrew Katz or the Company provides the other party with written notice of his or its intention not to renew the agreement. Under the agreement, Andrew Katz will receive a base salary at an initial annual rate of \$285,000, and is entitled to an annual bonus if the Company meets or exceeds criteria adopted by the Compensation Committee. The “target bonus” for Andrew Katz for 2011 is 50% of his base salary upon achievement of 100% of the criteria for Andrew Katz established by the Compensation Committee and such percentage as the Compensation Committee determines during his employment period. Upon termination of Andrew Katz’s employment prior to expiration of his employment period, unless Andrew Katz’s employment is terminated for cause or without good reason, Andrew Katz is entitled to receive: (i) reasonable expenses paid or incurred by him in connection with the performance of his duties and responsibilities for the Company, (ii) any accrued but unused vacation time through the termination date in accordance with Company policy, and (iii) an amount equal to 100% of the sum of Andrew Katz’s then-current base salary and current annual bonus earned during the prior twelve months immediately prior to the date of termination (the “Separation Payment”), provided that Andrew Katz satisfies the conditions for receipt of the separation payment as described in the employment agreement, including but not limited to, the execution of an agreement releasing the Company from any

liability associated with the agreement (the "Release"). One-half of such Separation Payment is to be paid within ten days following the execution of the Release and the balance of the Separation Payment will be paid in accordance with the Company's customary payroll practices, provided, however, that following the occurrence of a change of control, the Separation Payment will be payable within ninety days of the termination of the agreement and the employment of Andrew Katz for good reason. Andrew Katz is also eligible for grants of awards under the Company's 2011 Incentive Plan, has been awarded 30,000 shares of restricted common stock of the Company under the Company's 2007 Incentive and Awards Plan as of March 21, 2011, and has received grants of Company options (collectively, the "Awards").
