Item 1. Security and Issuer.

This Amendment No. 13 (“Amendment No. 12”) amends the Schedule 13D filed on January 7, 2014, as amended by Amendment No. 1 filed on January 15, 2014, Amendment No. 2 filed on May 23, 2014, Amendment No. 3 filed on December 3, 2014, Amendment No. 4 filed on March 17, 2015, Amendment No. 5 filed on March 24, 2015, Amendment No. 6 filed on August 10, 2015, Amendment No. 7 filed on September 2, 2015, Amendment No. 8 filed on October 9, 2015, Amendment No. 9 filed on October 16, 2015, Amendment No. 10 filed on November 9, 2015, Amendment No. 11 filed on November 19, 2015 and Amendment No. 12 filed on December 29, 2015 (as amended, the “Schedule 13D”), and relates to the shares of Common Stock, \$0.001 par value (the “Shares”), of HC2 Holdings, Inc. (the “Issuer”). The Schedule 13D remains in full force and effect, except as specifically amended by this Amendment No. 12.

Item 5. Interest in Securities of the Issuer.

References to the percentage ownership of Shares in this Schedule 13D are based upon (1) the 25,592,356 Shares stated to be outstanding as of October 31, 2015 by the Issuer in its Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2015, filed with the Securities and Exchange Commission (“SEC”) on November 9, 2015, (2) the 8,452,500 Shares as reported by the Issuer in its Current Report on Form 8-K, filed with the SEC on November 9, 2015 and (3) the 1,007,422 Shares as reported by the Issuer in its Current Report on Form 8-K, filed with the SEC on December 24, 2015; an aggregate total of 35,052,278 Shares.

(a, b) As of the date hereof, Philip A. Falcone may be deemed to be the beneficial owner of 4,436,533 Shares, constituting 11.7%% of the outstanding Shares and consisting of 1,423,578 Shares owned outright and 3,012,955 Shares underlying currently vested options. The following summarizes Mr. Falcone’s Share ownership and currently outstanding equity awards:

(i) On January 15, 2014, Mr. Falcone was awarded restricted stock units (“RSUs”) with respect to 2,028 Shares. 1,014 of such RSUs vested on January 15, 2015 and were settled in Shares currently owned by Mr. Falcone. The remaining 1,014 RSUs will vest on January 15, 2016, subject to Mr. Falcone’s continued service as a director of the Issuer on such vesting date.

(ii) On January 15, 2014, Mr. Falcone was awarded options to purchase 4,055 Shares. One-third of the options vested on the date of issuance and one-third of the options vested on January 15, 2015. The remaining one-third of the option (1,351 Shares) will vest on January 15, 2016, subject to Mr. Falcone’s continued service as a director of the Issuer on such vesting date. The option is currently exercisable with respect to 2,704 Shares.

(iii) On May 21, 2014, the Issuer entered into an option agreement (the “May 21, 2014 Option Agreement”) with Mr. Falcone pursuant to which Mr. Falcone has the right to purchase an initial amount of 1,568,864 Shares. The option vests in three equal instalments on the date of issuance and on each of May 12, 2015 and May 12, 2016, subject to Mr. Falcone’s continued employment with the Issuer on each vesting date. The option is currently exercisable with respect to 1,045,910 Shares and will be exercisable with respect to an additional 522,954 Shares on May 12, 2016, assuming Mr. Falcone’s continued employment with the Issuer on such date. The number of shares for which the option is exercisable and the exercise price of the option are subject to adjustment for certain events, with the effect that at all times the option as so adjusted will enable Mr. Falcone to purchase the same percentage ownership interest in the Issuer that the option represented on its grant date. The option contemplated that the anti-dilution adjustments would be in the form of additional options to be granted as of the date of the event requiring adjustment.

(iv) On October 26, 2014, the Issuer and Mr. Falcone reformed and clarified the May 21, 2014 Option Agreement (the "Option Clarification Agreement") to clarify the operation of the anti-dilution provisions of the May 21, 2014 Option Agreement upon the issuance of rights, warrants, options, exchangeable securities or convertible securities entitling the holder thereof to subscribe for, purchase or otherwise acquire shares of the Issuer's capital stock (each referred to as "Rights") in light of the Issuer's issuances of common and preferred stock. Specifically, pursuant to the terms of the Option Clarification Agreement, additional options granted to Mr. Falcone pursuant to the anti-dilution provisions upon the issuance of Rights (i) would have an exercise price equal to the greater of the fair market value of the Shares on the trading day immediately preceding the date of grant of the option or the price payable or deemed payable with respect to the applicable Shares upon the exercise or conversion of the Rights and (ii) would be exercisable as and to the extent the Rights are exercised or converted.

On October 28, 2014, anti-dilution adjustment options (the "October Anti-Dilution Options") to purchase an aggregate of 1,782,082 Shares were issued to Mr. Falcone promptly following the execution of the Option Clarification Agreement. The October Anti-Dilution Options vest in three equal instalments on the date of issuance and on each of the first and second anniversaries of the date of issuance, subject to Mr. Falcone's continued employment with the Issuer on each vesting date.

A portion of the October Anti-Dilution Options were issued in respect of the Company's issuance of its Series A Convertible Participating Preferred Stock ("Series A Preferred Stock") and related pay-in-kind dividends on such Series A Preferred Stock, based on a conversion price of \$4.00 with respect to the Series A Preferred Stock, as follows: options to purchase (1) 750,000 Shares at \$4.05, (2) 2,667 Shares at \$4.00 and (3) 7,527 Shares at \$4.46 (collectively, the "Original Series A Contingent Options"). On August 6, 2015, the Company determined that the Original Series A Contingent Options should have been issued based on a conversion price of \$4.25 with respect to the Series A Preferred Stock, as follows: options to purchase (1) 705,882 Shares at \$4.25, (2) 2,510 Shares at \$4.25, and (3) 7,084 Shares at \$4.46 (collectively, the "Corrected Series A Contingent Options"). On the same date, the Company issued the Corrected Series A Contingent Options to Mr. Falcone contemporaneously with the surrender of the Original Series A Contingent Options for cancellation. The Corrected Series A Contingent Options otherwise have the same vesting dates and terms as the Original Series A Contingent Options. Taking into account this correction, the October Anti-Dilution Options are currently vested with respect to 1,158,241 Shares.

On January 7, 2015, anti-dilution adjustment options to purchase an aggregate of 169,697 Shares were issued to Mr. Falcone as a result of the issuance of the Series A-2 Convertible Participating Preferred Stock on January 5, 2015. The options have an exercise price of \$8.25 per share and vest in three equal instalments on the date of issuance and on each of the first and second anniversaries of the date of issuance, subject to Mr. Falcone's continued employment with the Issuer on each vesting date. The options are currently vested with respect to 113,131 Shares.

(v) On March 12, 2015, Mr. Falcone was awarded RSAs in respect of 881,550 Shares. 564,937 of such RSAs vested immediately and the underlying Shares are owned outright by Mr. Falcone. The remaining 316,613 RSAs will vest on March 12, 2016, subject to Mr. Falcone's continued employment with the Issuer on such vesting date.

(vi) On March 12, 2015, Mr. Falcone was awarded options to purchase 309,620 Shares at an exercise price of \$9.00 per Share. One-half of the option vested on the date of issuance and one-half of the option will vest on March 12, 2016, subject to Mr. Falcone's continued employment with the Issuer on such vesting date. The option is currently exercisable with respect to 154,810 Shares and the remainder will be exercisable on March 12, 2016.

(vii) On October 9, 2015, Mr. Falcone agreed to purchase 540,000 Shares at a price of \$7.50 per Share. On October 15, 2015, this purchase of these shares was completed by Global Opportunities Breakaway MM LLC ("Global Opportunities"). Mr. Falcone is the managing member of Global Opportunities.

(viii) On November 9, 2015, anti-dilution adjustment options to purchase an aggregate of 845,250 Shares were issued to Mr. Falcone as a result of the Issuer's issuance of 8,452,500 Shares of common stock pursuant to that certain registered public offering on November 9, 2015. The options have an exercise price of \$7.17 per share and vest in three equal instalments on the date of issuance and on each of the first and second anniversaries of the date of issuance, subject to Mr. Falcone's continued employment with the Issuer on each vesting date. The options are currently vested with respect to 281,750 Shares.

(ix) On December 24, 2015, pursuant to that certain Stock Purchase Agreement, among Continental General Corporation, Great American Financial Resources, Inc. and the Company, dated April 13, 2015, anti-dilution adjustment options to purchase an aggregate of 300,742 Shares were issued to Mr. Falcone as a result of the Issuer's issuance of 1,007,422 Shares ("Additional Option") and a warrant to purchase 2,000,000 Shares ("Contingent Option," and together with the Additional Option, the "Adjustment Option"). The Additional Options issued have an exercise price of \$5.90 per Share and the Contingent Options have an exercise price of \$7.08 per Share. The Adjustment Options vest in three equal installments on the date of issuance and on each of the first and second anniversaries of the date of issuance, subject to Mr. Falcone's continued employment with the Issuer on each vesting date. The Contingent Options are exercisable as and to the extent that the warrant is converted into common stock. The Adjustment Options are currently vested with respect to 100,248 Shares.

Mr. Falcone has sole power to dispose or direct the disposition of the Shares described above in clauses (i) through (ix).

(c) Mr. Falcone has not effected any transactions in the Shares in the past 60 days.

SIGNATURE

After reasonable inquiry and to the best of my knowledge and belief, the undersigned certifies that the information set forth in this statement is true, complete and correct.
