PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

ITEM 3. Incorporation of Documents by Reference.

The following documents have been filed by Measurement Specialties, Inc., a corporation organized under the laws of the State of New Jersey (the "Company" or the "Registrant"), with the Securities and Exchange Commission (the "Commission") and are incorporated herein by reference (Commission File No. 001-11906):

- (a) the Registrant's Annual Report on Form 10-K for the fiscal year ended March 31, 2005, filed on June 14, 2005;
- (b) the Registrant's Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2005, filed on August 9, 2005;
- (c) The description of the Registrant's common stock, no par value per share, contained in its Registration Statement on Form 8-A filed on July 31, 1987, as amended by Forms 8-A filed on April 21, 1993 and July 26, 1995, respectively.

Neither Current Reports on Form 8-K furnished under Item 9 of Form 8-K nor Current Reports furnished under Item 12 of Form 8-K are incorporated herein by reference.

All documents filed after the date hereof by the Registrant with the SEC (other than Current Reports on Form 8-K furnished pursuant to Item 9 or Item 12 of Form 8-K, unless otherwise indicated therein) pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be part hereof from their respective dates of filing; provided, however, that the documents enumerated above or subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act in each year during which the offering made hereby is in effect prior to the filing with the Commission of the Registrant's Annual Report on Form 10-K covering such year shall not be incorporated by reference herein or be a part hereof from and after the filing of such Annual Report on Form 10-K.

Any statement contained in a document incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is incorporated by reference herein modified or superseded such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

ITEM 4. Description of Securities.

Not applicable.

ITEM 5. Interests of Named Experts and Counsel.

Not applicable.

ITEM 6. Indemnification of Directors and Officers.

Section 14A:3-5 of the New Jersey Business Corporation Act (“NJBCA”) gives a corporation the power, without a specific authorization in its certificate of incorporation or by-laws, to indemnify a director, officer, employee or agent (a “corporate agent”) against expenses and liabilities incurred in connection with certain proceedings involving the corporate agent by reason of his being or having been such a corporate agent, provided that the corporate agent must have acted in good faith and in the manner reasonably believed to be in, or not opposed to, the best interest of the corporation and, with respect to any criminal proceeding, such corporate agent had no reasonable cause to believe his conduct was unlawful. In such proceeding, termination of a proceeding by judgment, order, settlement, conviction or upon plea of nolo contendere or its equivalent does not of itself create a presumption that any such corporate agent failed to meet the above applicable standards of conduct. Subject to certain limitations, the indemnification provided by the NJBCA does not exclude any rights to which a corporate agent may be entitled under a certificate of incorporation, by-law, agreement, vote of shareholders or otherwise. No indemnification, other than that required when a corporate agent is successful on the merits or otherwise in any of the above proceedings, is permitted if such indemnification would be inconsistent with a provision of the certificate of incorporation, a by-law or a resolution of the board of directors or of the shareholders, an agreement or other proper corporate action, in effect at the time of the accrual of the alleged cause of action asserted in the proceeding, which prohibits, limits or otherwise conditions the exercise of indemnification powers by the corporation or the rights of indemnification to which a corporate agent may be entitled.

The Registrant's Certificate of Incorporation and Bylaws provide for mandatory indemnification rights, subject to limited exception, to any director or officer of the Registrant who by reason of the fact that he or she is a director or officer of the Registrant, is involved in a legal proceeding of any nature.

All of the Registrant’s directors and officers are covered by insurance policies maintained by the Registrant against certain liabilities for actions taken in their capacities as such, including liabilities under the Securities Act of 1933, as amended.

ITEM 7. Exemption from Registration Claimed.

Not Applicable.

ITEM 8. Exhibits.

The Exhibits required to be filed as part of this Registration Statement are listed in the attached Exhibit Index.

ITEM 9. Undertakings.

(A) The undersigned registrant hereby undertakes:

(1) To file, during the period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(B) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(C) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
