Item 9.01. Financial Statements and Exhibits.

This filing amends the current report on Form 8-K of Netsmart Technologies, Inc. (“Netsmart” or the “Company”) dated September 28, 2005 regarding Netsmart’s acquisition by merger of CMHC Systems, Inc. (“CMHC”) pursuant to the agreement and plan of merger (“the merger agreement”) dated September 20, 2005 among CMHC, Hayes Acquisition Corp., a newly-formed wholly owned subsidiary of the Registrant, and John Paton, solely in the capacity of Securities Holders Representative, as amended by Form 8-K/A filed on December 9, 2005 and Form 8-K/A filed on January 10, 2006. This filing also incorporates pro forma results of an acquisition made by Netsmart in 2005 prior to its acquisition of CMHC. Pursuant to an asset purchase agreement dated June 17, 2005, Netsmart purchased certain assets of Addiction Management Systems, Inc. (“AMS”).

(b) *Pro Forma Financial Information.*

The financial information required by the Item is annexed hereto as Exhibit 99.3. The unaudited pro forma condensed consolidated financial statements give effect to the CMHC merger agreement and the AMS asset purchase agreement, as well as the issuance of a \$2,500,000 term loan on October 7, 2005 and the private placement of common stock on October 14, 2005. The acquisition agreements were accounted for under the purchase method of accounting in accordance with Statement of Financial Accounting Standards (“SFAS”) No. 141, “Business Combinations,” by which the acquiring company records at its cost the acquired assets less liabilities assumed.

The unaudited pro forma condensed consolidated balance sheet has been prepared to reflect the merger as if it occurred on June 30, 2005. The unaudited pro forma condensed consolidated balance sheet also reflects the issuance of a five-year term loan on October 7, 2005 for \$2,500,000 and the issuance of 490,000 shares of common stock on October 14, 2005 in a private placement for net proceeds of \$4,218,104, as if the financings had occurred on June 30, 2005. The balance sheet of AMS is not presented separately within the unaudited pro forma condensed consolidated balance sheet of Netsmart, since the assets purchased are already included in the Netsmart balance sheet due to the fact that the acquisition occurred prior to the Netsmart balance sheet date of June 30, 2005.

The unaudited pro forma condensed consolidated statements of operations reflect the results of operations of Netsmart for the year ended December 31, 2004 and of CMHC for the fiscal year ended March 31, 2005, and for the six months ended June 30, 2005 for both entities as if the merger occurred at the beginning of each of the respective periods presented. The unaudited pro forma condensed consolidated statements of operations also reflect the results of operations of AMS for the year ended December 31, 2004 and for the six months ended June 30, 2005. The AMS acquisition closed on June 20, 2005; the operating results for the nine-day period between the date of the acquisition and June 30, 2005 were negligible and, as a result Netsmart has elected to use the full six-month period ended June 30, 2005 for pro forma purposes.

The unaudited pro forma condensed consolidated financial statements are presented for illustrative purposes only and are not necessarily indicative of Netsmart’s consolidated financial position or results of operations in future periods or the results that actually would have been realized if the merger and acquisitions occurred during the specified periods. The pro forma adjustments are based on available financial information and certain estimates and assumptions set forth in the accompanying notes. The unaudited pro forma condensed consolidated balance sheet and statements of operations reflect Netsmart’s best estimates of the purchase price allocation; however, the final allocation may differ from the pro forma amounts. The unaudited pro forma condensed consolidated financial statements, including the notes thereto should be read in conjunction with, historical consolidated financial statements and the related notes thereto of Netsmart included in its Form 10-K for the year ended December 31, 2004 and its Form 10-Q the quarterly period ended June 30, 2005 which are on file with the SEC, and the audited financial statements for the years ended March 31, 2005 and 2004 and the reviewed financial statement for the three months ended June 30, 2005 and 2004 of CMHC which were previously filed as Exhibits 99.1 and 99.2 to this Form 8-K/A.
